PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

June 4, 2010

This proxy statement is furnished to the shareholders of AdCare Health Systems, Inc., an Ohio corporation (the Company), in connection with the solicitation of proxies to be used in voting at the Annual Meeting of Shareholders to be held at 1536 Villa Road, Springfield, Ohio 45503 on June 4, 2010 at 10:00 a.m., and at any adjournment or postponement thereof (the Annual Meeting). The enclosed proxy is being solicited by our Board of Directors. This proxy statement and the enclosed proxy will be first sent or given to our shareholders on approximately April 21, 2010.

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of stock. Representatives of the Company may solicit proxies by mail, telegram, telephone, fax, or personal interview.

The shares represented by the accompanying proxy will be voted as directed if the proxy is properly signed and received by us prior to the Annual Meeting. If no directions are made to the contrary, the proxy will be voted **FOR** the amendment to the Company's Articles of Incorporation to (i) increase the number of authorized shares of common stock, no par value, from 14,500,00 shares presently authorized to 29,000,000 shares, and (ii) to increase the number of shares of preferred stock, no par value, from 500,000 shares presently authorized to 1,000,000 shares, **FOR** the election of Christopher Brogdon, Laurence E. Sturtz and Peter J. Hackett as directors of the Company for three (3) year terms expiring at the Annual Meeting in 2013, **FOR** the election of Jeffrey L. Levine as director of the Company for a two (2) year term expiring at the Annual Meeting in 2012, **FOR** the election of Joshua J. McClellan and Boyd P. Gentry as directors of the Company for one (1) year terms expiring at the annual meeting in 2011 and **FOR** the ratification of Batelle & Batelle LLP as our independent registered public accounting firm for the year ended December 31, 2009, and to transact such other business as may properly come before the meeting or any adjournment thereof. Any shareholder voting the accompanying proxy has the power to revoke it at any time before its exercise by giving notice of revocation to us, by duly executing and delivering to us a proxy card bearing a later date, or by voting in person at the annual meeting. The officers, directors, and nominees for directors of the Company are the beneficial owners of 40.1% of the Company's issued and outstanding shares. The officers, directors and nominees for directors of the Company have indicated that they will vote in favor of each nominee for director and in favor of the issuance of warrants to officers and directors of the Company.

Only holders of record of our common stock at the close of business on April 15, 2010 will be entitled to vote at the Annual Meeting. At that time, we had 5,360,006 shares of common stock outstanding and entitled to vote. Each share of our common stock outstanding on the record date entitles the holder to one vote on each matter submitted at the Annual Meeting.

The presence, in person or by proxy, of one-third of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxy for such shares and vote such shares on some matters, but not others. Typically, this would occur when brokers have not received any instruction from their customers, in which case the brokers, as the holders of record, are permitted to vote on routine matters.

The election of the director nominees requires the favorable vote of a plurality of all votes cast by the holders of our common stock at a meeting at which a quorum is present. The amendment of our Articles requires the affirmation vote of a majority of common stock present and entitled to vote on this matter.

INCREASE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

The Board of Directors proposes and recommends the approval of an amendment to the Company's Articles of Incorporation to (i) increase the number of authorized shares of common stock, no par value, from 14,500,000 shares presently authorized to 29,000,000 shares, and (ii) to increase the number of authorized shares of preferred stock, no par value, from 500,000 shares presently authorized to 1,000,000 shares. Accordingly, the Board proposes to amend Article Fourth of the Company's Articles of Incorporation to read in its entirety as follows:

FOURTH: The number of shares which the corporation is authorized to have outstanding is: 30,000,000, divided into two classes consisting of (1) 29,000,000 shares, no par value, common, and (2) 1,000,000 shares of Serial Preferred, which Serial Preferred Shares may be issued for any purpose and for such consideration as may be fixed from time to time by the Board of Directors without further approval from the shareholders except where required by law.

If the proposed amendment is adopted, the Company intends to file a Certificate of Amendment to its Articles of Incorporation on or about June 5, 2010.

The Board has determined that the proposal to increase the number of shares of authorized stock is desirable and in the stockholders' best interest because it would provide the Company with the ability to support its present capital needs and future anticipated growth and would provide the Company with the flexibility to consider and respond to future business opportunities and needs as they arise, including equity offerings, acquisitions, stock dividends, issuances under stock incentive plans and other corporate purposes. The availability of additional shares of stock would permit the Company to undertake certain of the foregoing actions without the delay and expense associated with holding a special meeting of shareholders to obtain shareholder approval each time such an opportunity arises that would require the issuance of shares of our common stock.

The additional shares of stock for which authorization is sought would have the same par value and the same voting rights and rights to dividends and other distributions that will be identical in all respects to the shares of our stock now authorized. The preferred stock to be authorized is commonly referred to as "blank check" preferred stock because our Board of Directors has broad authority to determine voting, dividend, conversion, participating, and other special rights and qualifications with respect to such stock. The proposed amendment would not change the terms of our stock nor would it affect the rights of the holders of currently issued and outstanding shares of our stock. If this proposal is approved, the additional shares of our stock may be issued from time to time upon authorization of our Board, without further approval by our shareholders, unless otherwise required by applicable law, and for the consideration that our Board may determine is appropriate and as may be permitted by applicable law. The authorization of the additional shares of our stock sought by this proposal would not have any immediately dilutive effect on the proportionate voting power or other rights of our existing shareholders. To the extent that the additional authorized shares of our stock are issued in the future, however, they may decrease the existing shareholders' percentage equity ownership and, depending on the price at which they are issued, could be dilutive to existing shareholders.

As of March 31, 2010, of the 14,500,000 shares of common stock presently authorized, a total of 5,360,006 shares were issued and outstanding, no shares were held in the Company's treasury. There are currently no shares of preferred stock issued and outstanding.

The affirmative vote of holders of a majority of the outstanding shares of common stock authorized to vote on this proposal is required for adoption of the proposed amendment to the Company's Articles of Incorporation. The failure to vote, abstentions and broker non-votes will have the same effect as a vote against this proposal, although abstentions and broker non-votes will be counted as present for purposes of determining a quorum.

THE BOARD UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THIS PROPOSAL TO AMEND ARTICLE FOURTH OF OUR ARTICLES OF INCORPORATION TO (I) INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 14,500,000 SHARES TO 29,000,000 SHARES, AND (II) TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF PREFERRED STOCK FROM 500,000 SHARES TO 1,000,000 SHARES.

ELECTION OF DIRECTORS

Our Articles of Incorporation, as amended, provides that the number of directors shall be fixed at nine (9) with three (3) directors to be elected each year to serve a three (3) year term. At the 2007 Annual Meeting, Jeffrey L. Levine, Laurence E. Sturtz and Peter J. Hackett were elected as directors for three (3) year terms expiring in 2010. At the 2008 Annual Shareholder Meeting, Phillip S. Radcliffe and Merle Grace Kearns were elected as directors for three (3) year terms expiring in 2011. On March 30, 2009, Merle Grace Kearns submitted her resignation as a director for personal reasons. On September 24, 2009, the Board decided to increase the number of directors from six (6) to seven (7) and authorized the appointment of Christopher Brogdon to serve as the seventh (7th) director until the next annual election of directors by the shareholders of the Company. On December 23, 2009, the Board decided to increase the number of directors from seven (7) to nine (9) and authorized the appointment of Joshua J. McClellan and Boyd P. Gentry as the eighth (8th) and ninth (9th) directors until the next annual election of directors by the shareholders of the Company. At the June 4, 2010 meeting of shareholders, (i) directors, Christopher Brogdon Laurence E. Sturtz and Peter J. Hackett, have been nominated for three (3) year terms expiring in 2013, (ii) director, Jeffrey L. Levine, has been nominated for a two (2) year term expiring in 2012, and (iii) directors, Joshua J. McClellan and Boyd P. Gentry, have been nominated for one (1) year terms expiring in 2011.

It is intended that, unless otherwise directed, the shares represented by the enclosed proxy will be voted **FOR** the election of Christopher Brogdon, Laurence E. Sturtz and Peter J. Hackett as directors of the Company for three (3) year terms expiring at the Annual Meeting in 2013, **FOR** the election of Jeffrey L. Levine as director of the Company for a two (2) year term expiring at the Annual Meeting in 2012, and **FOR** the election of Joshua J. McClellan and Boyd P. INFORMATION CONCERNING THE BOARD OF DIRECTORS, EXECUTIVE OFFICERS AND PRINCIPAL SHAREHOLDERS

Board Leadership and Structure

Our Board of Directors believes that the purpose of corporate governance is to ensure that we maximize shareholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices which the Board and senior management believe promote our corporate purposes, are sound and represent best practices. We continually review these governance practices to make sure we comply with state and Federal laws.

Our Board of Directors oversees all business, property and affairs of the Company. Our officers keep the members of the Board informed of our business through discussions at Board meetings and by providing them with reports and other materials.

Risk Oversight

Our Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance shareholder value. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the company. The involvement of the full Board of Directors in setting the Company's business strategy is a key part of its assessment of management's appetite for risk and also a determination of what constitutes an appropriate level of risk for the Company. Risk is assessed throughout the business, focusing on three primary areas of risk: financial risk, legal/compliance risk and operational/strategic risk.

While the Board of Directors has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives an annual risk assessment report from the Company's internal auditors. In addition, in setting compensation, the Compensation Committee strives to create a combination of near term and is working on longer term incentives that encourage a level of risk-taking behavior consistent with the

Company's business strategy.

Meetings and Compensation of the Board of Directors

Our Board of Directors had a total of four (4) meetings during the year ended December 31, 2009. During 2009, all but two (2) directors attended all of the meetings of the Board of Directors. The two directors missed one meeting each. Additionally, all directors attended all meetings held by all committees of the Board of Directors, on which he served. Directors who are not employed by us received \$1,000 for each meeting attended in person and \$500 for each meeting attended via conference call. During the first two calendar quarters of 2010, our Board of Directors had a total of two (2) meetings. All directors attended all meetings. Additionally, all directors who served on committees of the Board of Directors attended all meetings of such committees during the first two calendar quarters of 2010.

Shareholder Communication

Our Board of Directors welcomes communications from shareholders. Shareholders may send communications to the Board of Directors or to any director in particular, c/o Carol Groeber, AdCare Health Systems, Inc., 5057 Troy Road, Springfield, Ohio 45502-9032. Any correspondence addressed to the Board of Directors or to any one of our directors in care of our offices (or by email to carolg@adcarehealth.com) will be forwarded to the addressee without review by management.

Committees of the Board of Directors

We have an Audit Committee, a Compensation Committee and an Executive Committee.

The Audit Committee has the responsibility of reviewing our financial statements, evaluating internal accounting controls, reviewing reports of regulatory authorities and determining that all audits and examinations required by law are performed. The Audit Committee also approves the appointment of the independent auditors for the next fiscal year, approves the services to be provided by the independent auditors and the fees for such services, reviews and approves the auditor's audit plans, review and reports upon various matters affecting the independence of the independent auditors and review, with the independent auditors the results of the audit and management's responses.

The Audit Committee was established in December, 2005 and was comprised of Messrs. Hackett, Levine and Sturtz during 2009. All of the members of the Audit Committee will be considered independent, as independence for Audit Committee members is defined in applicable rules of the NYSE Amex listing standards and the rules of the SEC. The Board of Directors has designated Peter J. Hackett as Chairman of the Audit Committee and as audit committee financial expert as defined by Item 401(e) of Regulations S-B of the Exchange Act.

The Compensation Committee was established in 1995, and a charter was adopted in December, 2005. During 2009, this committee was comprised of Messrs. Radcliffe, Sturtz and Levine. Our Compensation Committee is responsible for establishing our compensation plans. Its duties include the development with management of benefit plans for our employees, the formulation of bonus plans, and incentive compensation packages. The Board of Directors has designated Philip S. Radcliffe as Chairman of the Compensation Committee.

The Executive Committee was established in 1991 in order to take actions necessary between the meetings of the Board of Directors. The Executive Committee is authorized to exercise all the powers of the Board of Directors and the management and business affairs of the Company, other than that of filling vacancies among the Directors or any Committee of the Board of Directors. During 2009, the Executive Committee was comprised of Messrs. Tenwick, Wade and Hackett and the Board expects to add Christopher Brogdon to the Executive Committee following the 2010 annual shareholder meeting.

The Board of Directors has no standing nominating committee. We believe that, as a result of the role of the independent directors, as described below, it is not necessary to have a separate nominating committee at this time. Six of our nine current Directors, Messrs. Hackett, Levine, Radcliffe, Sturtz, McClellan and

Gentry are independent as determined utilizing the standards for director independence set forth in applicable rules of the NYSE Amex listing standards. The independent members of the Board select nominees for election as Directors by majority vote. In selecting nominees for Director, the Board does not operate pursuant to a charter.

In selecting Director nominees, the Board considers, among other factors, the existing composition of the Board and their evaluation of the mix of Board members appropriate for the perceived needs of AdCare. The Board believes that continuity in leadership and Board tenure maximizes the Board's ability to exercise meaningful Board oversight. Because qualified incumbent Directors are generally uniquely positioned to provide shareholders the benefit of continuity of leadership and seasoned judgment gained through experience as a Director, the Board will generally consider as potential candidates those incumbent Directors interested in standing for re-election who they believe has satisfied Director performance expectations, including regular attendance at, preparation for and meaningful participation in Board and committee meetings. The Board seeks nominees with a broad diversity of experiences, professions, skills and backgrounds. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

Compensation Committee Interlocks and Insider Participation

None of our executive officers has served:

as a member of the compensation committee of another entity which has had an executive officer who has served on our compensation committee;

as a director of another entity which has had an executive officer who has served on our compensation committee; or

as a member of the compensation committee of another entity which has had an executive officer who has served as one of our directors.

The Board of Directors will consider the recommendations of shareholders regarding potential director candidates. In order for shareholder recommendations regarding possible director candidates to be considered by the Board of Directors:

such recommendations must be provided to the Board of Directors c/o AdCare Health Systems, inc., 5057 Troy Road, Springfield, Ohio 45502-9032, in writing at least 120 days prior to the date of the next scheduled annual meeting;

the nominating shareholder must meet the eligibility requirements to submit a valid shareholder proposal under Rule 14a-8 of the Securities Exchange Act of 1934, as amended; and

the shareholder must describe the qualifications, attributes, skills or other qualities of the recommended director candidate.

Purpose of the Compensation Committee of the Board of Directors and Committee Report

The Compensation Committee of the Board of Directors advises the Board with respect to the compensation of each senior executive and Board of Director member. The Committee is also charged with the oversight of compensation plans and practices for all employees of the Company. The Committee relies upon data purchased for the purpose of providing information on organizations of similar or larger scale engaged in similar activities. The purpose of the Committee's activity is to assure that the Company's resources are used appropriately to recruit and maintain competent and talented executives and employees able to operate and grow the Company successfully.

Presently, the Committee has determined that low executive compensation, based upon the data we have examined on comparable operations, poses some risk to the Company. If, for any reason, the Company had to replace any of our current four senior executives or expand our executive staff, the Company could reasonably expect to experience a significant increase in executive expenses in order to attract competent persons with executive qualifications from organizations engaged in like activities. Based upon its review and the discussions referred to herein the Committee has further recommended to the Board of Directors that the disclosure of compensation paid or awarded to executive officers and directors as required by Item 402 of Regulation S-K be disclosed pursuant to the filing of this proxy statement.

Indemnification of Directors and Officers

Our Articles of Incorporation and Code of Regulations limit the liability of officers and directors to the extent currently permitted by the Ohio Revised Code.

While indemnification for liabilities under the Securities Act of 1933 is permitted to our directors, officers, and controlling people, we have been advised that, in the opinion of the Securities and Exchange Commission, indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim of indemnification against such liabilities (other than our payment of expenses incurred or paid by one of our directors, officers, or controlling people in a successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with our securities, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, ask a court of appropriate jurisdiction to decide whether or not such indemnification is against public policy as expressed in the Act. We will be governed by the final adjudication of the issue.

Report of Audit Committee of the Board of Directors

The Audit Committee consults with our Chief Financial Officer and other key members of our management and with our independent auditors with regard to the plan of audit; reviews, in consultation with the independent auditors, their report of audit, or proposed report of audit and the accompanying management letter, if any; and consults with our Chief Financial Officer and other key members of our management and with our independent auditors with respect to the adequacy of the internal accounting controls.

In fulfilling its responsibilities, the Audit Committee selected Battelle & Battelle LLP as our independent accountants for purposes of auditing our financial statements for 2009. The Audit Committee has reviewed and discussed with management and the independent auditors our audited financial statements; discussed with the independent auditors the matters required to be disclosed by Codification of Statements on Auditing Standards No. 61, as amended; received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1; and discussed with the independent accountants their independence from our Company.

Based on the reviews and discussions with management and Battelle & Battelle LLP, the Audit Committee recommended to the Board of Directors that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009, filed with the Securities and Exchange Commission.

The Board of Directors evaluated the independence of each member of the Audit Committee. As part of its evaluation, the Board of Directors determined, in the exercise of its business judgment, that Messrs. Hackett, Levine and Sturtz are independent under NYSE Amex standards and are financially literate each in his own capacity.

Based upon the work and the information received in the inquiries outlined above, the Audit Committee is satisfied that its responsibilities for the period ended December 31, 2009, were met and that our financial reporting and audit processes are functioning effectively.

Directors are elected at the annual meeting of shareholders and hold office for a term of three (3) years and until their successors are elected and have qualified. All officers serve at the discretion of the Board of Directors. The Board has a three-person Executive Committee comprised of David A. Tenwick, Gary L. Wade and Peter J. Hackett. The Executive Committee is elected by the whole Board of Directors and meets in between regularly-scheduled Board meetings in order to take needed actions.

David A. Tenwick. Mr. Tenwick, our founder, has served as our Chairman and Director since our organization in August 1991. Prior to founding our Company, Mr. Tenwick was an independent business consultant from 1982 to 1990. Through this capacity, he has served as a director and an officer of several

businesses, including Douglass Financial Corporation, a surety company, and AmeriCare Health & Retirement, Inc., a long-term care management company. From 1967 until 1982, Mr. Tenwick was a director and an officer of Nucorp Energy, Inc., a company which he co-founded. Nucorp Energy was a public company which invested in oil and gas properties and commercial and residential real estate. Prior to founding Nucorp, he was an enforcement attorney for the United States Securities and Exchange Commission. Mr. Tenwick is a member of the Ohio State Bar Association and was a founding member of the Ohio Assisted Living Association, an association that promotes high quality assisted living throughout the State of Ohio. Mr. Tenwick earned his Bachelor of Business Administration (BBA) and Juris Doctor (JD) degrees from the University of Cincinnati in 1960 and 1962, respectively.

Gary L. Wade. Mr. Wade has been a director and our President since 1995 and became CEO in 1998. In 1988 Mr. Wade was a co-founder of AdCare Health Systems, Inc., whose assets we acquired in 1995. Prior to that, he served as the Chief Executive Officer and President of St. John's Mercy from 1980 to 1989 and was responsible for the development and operation of Oakwood Village Retirement Community in 1987, a 230-unit continuing care retirement community, and the operation of St. John's Center, a sub-acute long-term care facility. His extensive experience in health care also includes work with chemical abuse treatment programming and the care for Alzheimer's patients. Mr. Wade earned his undergraduate degree at Ohio University and his M.B.A. from Xavier University, where he specialized in hospital and health care administration. He is a past Chairman of the Ohio Assisted Living Association and served on the Government Relations and Health Care committees of the Association of Ohio Philanthropic Homes.

Philip S. Radcliffe. Mr. Radcliffe has been a director of the Company since it was organized in 1991. Mr. Radcliffe has spent his entire career in the industrial computer industry. Through the 1960s, Mr. Radcliffe was employed by IBM and then the Westinghouse Electric Company in their Computer and Instruments Division. Mr. Radcliffe then became an entrepreneur in the computer industry and has participated in the startup of an industrial systems integration supplier. Over a ten year period his firm grew to more than 100 professional employees with revenues in excess of 10 million dollars per year. Mr. Radcliffe served as the Chief Financial Officer of this company and was involved in the company becoming public where he coordinated SEC reporting requirements. In 1980, Mr. Radcliffe started his own virtual company in the Washington D.C. area providing turnkey data acquisition and control systems to the industry and the government. Since 1992 Mr. Radcliffe has assisted several early stage hi-tech companies in developing their business plans, locating funds and providing executive oversight and mentoring. Mr. Radcliffe has served as a mentor for the Dingman School of Entrepreneurship, affiliated with the University of Maryland, School of Business. Employment Agreements

We entered into employment agreements with Mr. Tenwick, Mr. Wade and Mr. Cunningham. The employment agreements provided for an initial employment term of three years starting September 1, 2008

and ending September 1, 2011, with base salaries of \$150,000, \$145,000 and \$120,000 respectively, health insurance, vacation and sick leave, a minimum salary increase of five percent per year and inclusion in any option program that we may institute in the future. In addition, they each participate in the executive expense allowance program and are reimbursed \$35,000, \$30,000 and \$10,000 respectively on an annual basis for expenses incurred in connection with performing duties for the Company.

The employment agreements with Mr. Tenwick, Mr. Wade and Mr. Cunningham each provide that if they are terminated for any reason other than cause (which is defined as dishonesty in transactions with us, material disloyalty and/or the express refusal to perform services for us which may be properly requested), we are required to compensate them from the remaining term of their employment agreement plus one additional year. The employment agreements also provide that if Mr. Tenwick, Mr. Wade or Mr. Cunningham leave voluntarily, or are terminated for cause, they may not compete within the state of Ohio for a period of one year following the termination. The Company is currently not a party to an employment agreement with Mr. Brogdon.

Stock Incentive Plan

In November, 2007, the Board of Directors of the Company granted warrants to officers and directors of the Company equal to two warrants for every share of stock owned. The original warrants vested over five years and matured in ten years. The exercise price of the warrants in each of the five years following the issuance of the warrants was initially determined as follows: warrants vesting in 2008 were exercisable at \$1.21; warrants vesting in 2009 were exercisable at \$2.25; warrants vesting in 2010 through 2012 were exercisable at a price equal to the greater of (i) the average closing price of the Company's common stock on NYSE-Amex exchange during the month of January each year or (ii) \$3.00. The issuance of these Warrants was approved at a Special Meeting of the Shareholders on August 15, 2008. In connection with the Company's private placement approved by shareholders on November 30, 2009, the Company amended this plan to provide that (i) the unvested Warrants scheduled to vest in 2011 will be exercisable at \$4.00 per share, (ii) the unvested Warrants scheduled to vest in 2012 will be eliminated; and (iii) all unexercised warrants would be exercisable on a cashless basis. The warrants that were to vest in 2012 will be replaced by a like number of Restricted Shares.

In August 2005, we adopted a Stock Option Plan to secure for us and our shareholders the benefits arising from capital stock ownership by our officers, directors, employees, and consultants who are expected to contribute to our future growth and success. The Option Plan authorizes the grant of options to purchase an aggregate of 200,000 shares of our common stock (adjusted for stock splits) both as incentive stock options as that term is defined under Section 422(A) of the Internal Revenue Code of 1986, as amended, and stock options which do not qualify as incentive stock options (non-qualified stock options). The Option Plan provides that the Board of Directors or the Compensation Committee appointed by the Board of Directors may grant options and otherwise administer the Option Plan. The exercise price of each incentive option must be at least 100% of the fair market value of the shares of our common stock at the date of grant, and no such option may be exercisable for more than ten years after the date of grant. However, the exercise price of each incentive stock option granted to any shareholder possessing more than 10% of the combined voting power of all classes of our capital stock on the date of grant must be not less than 110% of the fair market value on that date, and no such option may be exercisable more than five years after the date of grant. The exercise price of each non-qualified stock option may be established by the Compensation Committee. As of the date of this memorandum, 157,000 incentive stock options and 42,000 non-qualified stock options have been granted at an exercise price of \$1.50 per share under the 2005 option plan. A total of 39,200 of these options have been forfeited due to routine staff attrition.

In August 2004, we adopted a Stock Option Plan to secure for us and our shareholders the benefits arising from capital stock ownership by our officers, directors, employees, and consultants who are expected to contribute to our future growth and success. The terms and conditions of this plan is exactly the same as the August 2005 Option Plan. As of the date of this memorandum, 98,200 incentive stock options and 16,000 non-qualified stock options have been granted at an exercise price of \$2.50 per share under the 2004 Option Plan. A total of 25,400 of these options have

been forfeited due to routine staff attrition and 32,320 have expired.
