This Annual Report on Form 10-KSB for the fiscal year ended December 31, 2001, contains "forward-looking" statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), including statements that include the words "believes", "expects", "anticipates", or similar expressions. These forward-looking statements may include, among others, statements of expectations, beliefs, future plans and strategies, anticipated events or trends, and similar expressions concerning matters that are not historical facts. The forward-looking statements in this Annual Report on Form 10-KSB for the fiscal year ended December 31, 2001 involve known and unknown risks, uncertainties and other factors that could the cause actual results, performance or achievements of the Company to differ materially from those expressed in or implied by the forward-looking statements contained herein.

PART I.

ITEM 1. DESCRIPTION OF BUSINESS

Current Issue Overview.

The Company, then "Shopss.com, Inc.", a Utah corporation, changed its name to "AccessTel, Inc." effective February 16, 2001, in conjunction with the acquisition of AccessTel, Inc., a Delaware corporation, in a "reverse" reorganization transaction effective December 18, 2000. Litigation to rescind this transaction was subsequently commenced on May 1, 2001, and a receiver was appointed on May 3, 2001. AccessTel, Inc., formerly Shopss.com, Inc., is sometimes referred to herein as the "Company".

The information contained herein is based on the information available to the receiver, but due to the commencement of litigation and the appointment of a receiver, such information may not be complete or accurate. Information provided herein is given to the best knowledge of the receiver, and where it is indicated herein that "management believes" or similar references to management's knowledge, this information is provided to the best knowledge of the receiver, and not management. A copy of this document has been provided to members of management, and the receiver has used his best efforts to have this document reviewed by them and, if appropriate, amended and updated.

The financial statements for the year ended December 31, 2000, consist of the operations of Shopss.com, Inc., which have been presented as discontinued operations. The financial statements for the year ended December 31, 2001, exclude the operations of AccessTel, Inc. The balance sheet as of December 31, 2000, includes the assets and liabilities of AccessTel, Inc. and Shopss.com, Inc.'s operations. The balance sheet as of December 31, 2001, includes the assets and liabilities of Shopss.com, Inc.'s operations and excludes the assets and liabilities of AccessTel, Inc.'s operations due to the rescission litigation.

The accompanying financial statements have been prepared assuming that

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

the Company will continue as a going concern. The Company has suffered recurring losses, has no operations and has a deficiency in working capital and shareholders' equity at December 31, 2001 and 2000. These factors raise substantial doubt about the Company's ability to continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. The Company's independent certified public accountants have included a modification paragraph in their report on the Company's financial statements for the year ended December 31, 2001 with respect to this matter.

The Company is currently insolvent and has no business operations. The Company's current efforts are focused on maintaining the corporate entity and pursuing litigation against management of AccessTel, Inc. As a result of the matters described herein, the Company may have to file for protection under the United States Bankruptcy Code. Accordingly, there can be no assurances that the Company will be able to continue in existence.

Business Developments During 2001.

On May 1, 2001, Reed & Wangsgard, L.C. (formerly Droz, Reed & Wangsgard, L.C.) filed suit in the Third Judicial District Court of Salt Lake County, State of Utah (the "Court"), Civil No. 010903821 (the "Action"), to assert claims, on behalf of its clients, prior management of the Company, against AccessTel, Inc., a Delaware corporation, and the original shareholders of Accesstel, Inc. The Complaint demands rescission of the Share Exchange Agreement, and alleges that the Company was induced to enter into the Share Exchange Agreement through a series of false representations made by AccessTel, Inc. and its shareholders. The Complaint also includes alternative causes of actions for fraud, conversion, injunctive relief, and the issuance of a Writ of Replevin. On May 3, 2001, pursuant to the Motion of Reed & Wangsgard, L.C., the Honorable Raymond Uno, Judge of the Court, issued an Order appointing Leonard W. Burningham, Esq., a member of the Utah State Bar, as receiver for the Company. Pursuant to such Order, the receiver is authorized to prepare and file reports with the Securities and Exchange Commission.

On May 16, 2001, pursuant to the Motion of Reed & Wangsgard, L.C., the Honorable L.A. Dever, Judge of the Court, issued a Temporary Restraining Order prohibiting the transfer of any shares of common stock issued by AccessTel, Inc. and/or Shopss.com, Inc. which were issued in the name of any defendant (other than the transfer agent) or held for the benefit of any such defendant.

On May 27, 2001, pursuant to the Motion of Reed & Wangsgard, L.C., the Honorable L.A. Dever, Judge of the Court, issued a Preliminary Injunction enjoining Atlas Stock Transfer Company from registering the transfer of, or reissuing, any shares of common stock issued by the Company and/or Shopss.com, Inc. which were issued in the name of any defendant (other than Atlas Stock Transfer Company) or are held for the benefit of any defendant to the suit.

On January 17, 2002 Reed & Wangsgard, L.C. received written confirmation from an agent of the Board of Directors of AccessTel, Inc., a Utah corporation, that said Board of Directors have come to a unanimous decision to settle the claim for rescission of the Share Exchange Agreement by rescinding the Share Exchange Agreement. However, the Board of Directors of AccessTel, Inc., a Utah corporation, failed and/or refused to follow through with their agreement to rescind the Share Exchange Agreement. As a result, Reed & Wangsgard, L.C. filed a Motion to Enforce Settlement with respect to the agreement to rescind the Share Exchange Agreement. Although the Motion to Enforce Settlement has not been scheduled to be heard, AccessTel, Inc. has not timely filed a response to that Motion.

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

During February 2002, pursuant to the Motion of counsel for AccessTel, Inc., a Delaware corporation, and the original shareholders of AccessTel, Inc., the Honorable L.A. Dever, Judge of the Court, issued an order limiting the Court's jurisdiction over certain of the defendants. As a result, the court continued to have jurisdiction over the corporate defendants and through it, plaintiffs may assert claims arising from the allegedly wrongful conduct of current management.

The parties to the lawsuit are currently involved in settlement negotiations. Although it is currently anticipated that this lawsuit will be settled, which is expected to include rescission of the Share Exchange Agreement, there can be no assurances in this regard. It is anticipated that once the lawsuit is settled and the Share Exchange Agreement is rescinded, the Company will seek to acquire a new business opportunity, which may require related debt or equity financing, although there can be no assurances that the Company will be successful in this regard.

Business Development History of the Company.

Immediately prior to October 27, 1999, the Company was an inactive publicly-held company. Effective October 27, 1999, pursuant to an Asset Purchase Agreement, the Company purchased from OSCM - OneStop.com, Inc., a Florida corporation ("OSCM"), an 80% ownership interest in CCM, all rights to an option to purchase the remaining 20% ownership interest in CCM, and all assets relating to the Shopss.com virtual shopping mall owned by OSCM, including all software, web-sites and related technology, customers and customer lists, patents, trademarks and trade names. In exchange for the acquired assets, the Company issued to OSCM 12,000,000 shares of its common stock, which represented approximately 60% of its outstanding shares of common stock after giving effect to the transaction. The Company also agreed to assume the liabilities relating to the Shopss.com business as recorded on the financial statements of OSCM and the liabilities relating to the option of the stockholders of CCM to require OSCM to purchase the remaining 20% interest in CCM. Pursuant to a subsequent agreement in principle between the Company and OSCM, clarifications were made to the effect that none of the assets relating to the Shopss.com virtual shopping mall would include any of the assets or liabilities relating to the virtual shopping mall operated by a subsidiary of OSCM in Israel, any obligation of the Company to pay cash for the assets acquired from OSCM was cancelled, the holdings of OSCM in the Company were decreased by canceling 11,000,000 shares of common stock owned by OSCM, the Company issued a warrant to OSCM to purchase 3,000,000 shares of common stock at \$5.00 per share for a period of two years and the Company agreed to cancel all amounts due from OSCM to the Company aggregating approximately \$1,600,000. Immediately after the closing of the Asset Purchase Agreement, the Company effected a 5.435034 forward split of its common stock.

After the closing of the Asset Purchase Agreement, the Company relied on OSCM for a substantial portion of its working capital and provided OSCM with computers and other equipment. As a result of certain financial difficulties experienced by OSCM, OSCM was unable to provide working capital to the Company and was also unable to pay the Company for the equipment which the Company had delivered to OSCM and its affiliated entities. As a result of these financial difficulties, the Company ceased operations and became insolvent, sold or wrote-off its operating assets and terminated all of its employees during the three months ended June 30, 2000.

Effective December 18, 2000, the Company entered into a Share Exchange Agreement by and among Shopss.com, Inc., AccessTel, Inc., a Delaware corporation, and the shareholders of AccessTel, Inc., pursuant to which the Company acquired all of the shares of AccessTel, Inc. in exchange for

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

36,100,540 shares of common stock, which represented 80% of the issued and outstanding of common stock of the Company after giving effect to the transaction.

At the closing of this transaction, the existing officers and directors resigned, and new officers and directors were appointed.

On January 16, 2001, the Board of Directors of the Company unanimously adopted and a majority of the shareholders approved a stock option plan that provided for the issuance of up to 20,000,000 shares of common stock of the Company.

On January 24, 2001, the Board of Directors of the Company unanimously adopted and a majority of the shareholders approved an amendment to the Articles of Incorporation to increase the total authorized number of shares of capital stock from 50,000,000 to 120,000,000, of which 100,000,000 shares are common stock and 20,000,000 shares are preferred stock.

On February 16, 2001, the Company filed Articles of Amendment to its Articles of Incorporation with the State of Utah to change the name of the Company from "Shopss.com, Inc." to "AccessTel, Inc.," and to increase the Company's equity capitalization to 100,000,000 shares of common stock and 20,000,000 shares of preferred stock.

ITEM 2. DESCRIPTION OF PROPERTY

As of December 31, 2001, the Company did not own or lease any property.

AccessTel, Inc.

We have audited the accompanying balance sheets of AccessTel, Inc. as of December 31, 2001 and 2000, and the related statements of operations, shareholders' deficiency and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AccessTel, Inc. as of December 31, 2001 and 2000, and the results of its operations and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States.

On May 1, 2001, the Company was sued by the former shareholders of Shopss.com, Inc., which had been merged with the Company on December 18, 2000 as described at Note 1. The complaint alleges that AccessTel, Inc. and its former stockholders made false representations, inducing Shopss.com, Inc. to enter into the merger. The complaint demands rescission. On May 3, 2001, the Court

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

issued an order appointing a receiver for the Company to perform certain duties. The financial statements as of December 31, 2001 and for the year ended include the assets and liabilities of Shopss.com, Inc.'s operations and exclude the assets and liabilities of Accesstel, Inc.'s operations due to the rescission litigation.

ACCESSTEL, INC.
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2001 AND 2000

1. Business

Shopss.com, Inc., a Utah corporation, changed its name to AccessTel, Inc. effective February 16, 2001, in conjunction with the acquisition of AccessTel, Inc., a Delaware corporation, in a reverse merger transaction effective December 18, 2000 (Note 5). Litigation to rescind this transaction was subsequently commenced on May 1, 2001, and a receiver was appointed on May 3, 2001 (Note 8). AccessTel, Inc., formerly Shopss.com, Inc., is referred to herein as the "Company".

The information contained herein is based on the information available to the receiver, but due to the commencement of litigation and the appointment of a receiver, such information may not be complete or accurate. Information provided herein is given to the best knowledge of the receiver, and where it is indicated herein that "management believes" or similar references to management's knowledge, this information is provided to the best knowledge of the receiver, and not management. A copy of this document has been provided to members of management, and the receiver has used his best efforts to have this document reviewed by them and, if appropriate, amended and updated.

The financial statements for the year ended December 31, 2000 consist of the operations of Shopss.com, Inc., which have been presented as discontinued operations. The financial statements for the year ended December 31, 2001 exclude the operations of AccessTel, Inc. The balance sheet as of December 31, 2000 includes the assets and liabilities of both the AccessTel, Inc. and Shopss.com, Inc. operations. The balance sheet as of December 31, 2001 includes the assets and liabilities of Shopss.com, Inc.'s operations and excludes the assets and liabilities of AccessTel, Inc.'s operations due to the rescission litigation.

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. The Company has suffered recurring losses, has no operations and has a deficiency in working capital and shareholders' equity at December 31, 2001 and 2000. These factors raise substantial doubt about the Company's ability to continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. The Company's independent certified public accountants have included a modification paragraph in their report on the Company's financial statements for the year ended December 31, 2001 with respect to this matter.

The Company is currently insolvent and has no business operations. The Company's current efforts are focused on maintaining the corporate entity and pursuing litigation against management. As a result of the matters described herein, the Company may have to file for protection under the United States Bankruptcy Code. Accordingly, there can be no assurances that the Company will be able to continue in existence.

2. Summary of Significant Accounting Principles

Cash and Cash Equivalents

The Company classifies highly liquid temporary investments with an original maturity of three months or less when purchased as cash equivalents. As of December 31, 2000, the Company had cash balances in excess of \$100,000, which exceeds the FDIC insurance limits and was therefore uninsured. In addition, approximately \$250,000 of such cash and cash equivalents were held in a bank account in China at December 31, 2000.

Property and Equipment

Property and equipment are stated at cost. Maintenance and repairs are charged to expenses as incurred. Depreciation is provided for over the estimated useful lives of the individual assets using the straight-line method.

Fair Value of Financial Instruments

The carrying amounts reported in the balance sheet for cash, receivables, and accrued expenses approximate fair value based on the short-term maturity of these instruments.

Stock-Based Compensation

SFAS No. 123, "Accounting for Stock-Based Compensation", establishes a fair value method of accounting for stock-based compensation plans and for transactions in which an entity acquires goods or services from non-employees in exchange for equity instruments. SFAS No. 123 also encourages, but does not require, companies to record compensation cost for stock-based employee compensation. The Company has chosen to continue to account for stock-based compensation utilizing the intrinsic value method prescribed in Accounting Principles Board Opinion No. 25, "Accounting for Stock Issued to Employees", with pro forma disclosures of net income (loss) as if the fair value method had been applied. Accordingly, compensation cost for stock options is measured as the excess, if any, of the fair market price of the Company's common stock at the date of grant over the amount an employee must pay to acquire the stock.

Comprehensive Income

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

The Company has adopted SFAS No. 130, "Reporting Comprehensive Income", which establishes standards for reporting and display of comprehensive income, its components and accumulated balances. Comprehensive income is defined to include all changes in equity during a period from non-owner sources. Comprehensive income (loss) equaled net income (loss) for the years ended December 31, 2001 and 2000.

Income Taxes

The Company utilizes the liability method of accounting for income taxes as set forth in SFAS No. 109, "Accounting for Income Taxes." Under the liability method, deferred taxes are determined based on the difference between the financial statement and tax bases of assets and liabilities using enacted tax rates in effect in the years in which the differences are expected to reverse. As of December 31, 2001, the Company had a federal net operating loss carryforward of approximately \$1,000,000, which expires beginning in 2019. A 100% valuation allowance has been provided with respect to the deferred tax assets as the Company cannot determine that it is more likely than not that it will be able to realize the deferred tax assets.

Due to restrictions imposed by the Internal Revenue Code regarding substantial changes in ownership of companies with loss carryforwards, the utilization of the Company's federal net operating loss carryforwards will be limited as a result of changes in the Company's stock ownership in prior years.

Loss Per Share

The Company has adopted SFAS No. 128, "Earnings Per Share". SFAS No. 128 provides for the calculation of basic and diluted earnings per share. Basic earnings per share includes no dilution and is computed by dividing net income (loss) available to common stockholders by the weighted average number of common shares outstanding for the period. Diluted earnings per share reflects the potential dilution relating to outstanding stock options, warrants and convertible debt. The loss per common share does not include the exercise of outstanding stock options and warrants, since their effect would be anti-dilutive.

Accounting for Long-Lived Assets

SFAS No. 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed of", establishes guidelines regarding when impairment losses on long-lived assets, which include plant and equipment and certain identifiable intangible assets, should be recognized and how impairment losses should be measured. The Company periodically reviews such assets for impairment whenever circumstances and situations indicate that the carrying amounts may not be recoverable, and records any such losses in the period in which such determination is made.

Accounting Estimates and Assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. Property and Equipment

At December 31, 2001 and 2000, property and equipment consists of the following:

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

	2001 ----	2000 ----
Leasehold improvements	\$ -	\$ 30,002
Furniture and fixtures	-	8,221

	-----	-----
	\$ -	\$ 34,897
	=====	=====

Leasehold improvements are depreciated over two years. Furniture and fixtures are depreciated over three to seven years.

4. Transactions with Shareholder

During the year ended December 31, 2001, a shareholder made advances to or on behalf of the Company aggregating \$52,736, pursuant to a line of credit with interest at 1% below the prime rate. Related interest expense recorded during the year ended December 31, 2001 was \$1,808. These advances have been used to fund general and administrative expenses, consisting primarily of legal and accounting fees. There can be no assurances that the shareholder will continue to make such advances to or on behalf of the Company. The Company also incurred fees to the shareholder for services rendered of \$114,000 for the year ended December 31, 2001.

5. Equity Transactions

In 1999, the founders of AccessTel, Inc., a Delaware corporation, issued 3,720,000 shares of common stock to themselves for \$20,000.

In 2000, AccessTel, Inc., a Delaware corporation, sold 453,500 shares of preferred stock pursuant in a private placement at \$2.00 per unit. Each unit consisted of one share of preferred stock and one warrant to purchase one share of common stock, exercisable at \$5.00 per share for a period of six months. These shares of preferred stock were converted into common stock prior to the merger, as described below.

On December 18, 2000, AccessTel, Inc., a Delaware corporation, merged with Shopss.com, Inc., a public company, with AccessTel, Inc. being the successor entity. Shopss.com, Inc. subsequently changed its name to Accesstel, Inc. The transaction has been accounted for as a reverse merger, and is considered to be a recapitalization of AccessTel, Inc., a Delaware corporation, which is deemed to be the predecessor entity. The details of the merger and other simultaneous transactions are as follows:

- (a) A total of 19,703,835 shares of Shopss.com, Inc. common stock were issued, including 1,045,595 shares issued pursuant to certain anti-dilution provisions. An additional 13,681,560 shares of common stock were reserved for issuance with respect to outstanding stock options.
- (b) A total of 1,175,000 shares of common stock were issued pursuant to a private placement.
- (c) A total of 2,466,356 shares of common stock were issued for \$1,284,867 of indebtedness converted into equity.
- (d) A total of 1,011,740 shares of common stock were issued to the former officers of Shopss.com, Inc. for services and indebtedness converted

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

into equity.

- (e) The Company assumed \$729,630 of outstanding indebtedness and another \$267,000 recorded as contingent payables for various contingent liabilities.

The former officers had pledged 1,000,000 shares of common stock for certain undisclosed liabilities if such liabilities were determined to exist at December 18, 2000, but were not disclosed or funded at the closing. The shares would be valued at 85% of the market value upon determination of the existence of such liabilities for purposes of settling such outstanding liabilities.

The merger agreement contained certain anti-dilution provisions with respect to the Company's stockholders, which was triggered and required an additional 1,045,595 of common shares to be issued. Such additional shares were issued in February 2001, and were recorded retroactively back to the date of the merger.

Effective February 16, 2001, the Company amended its Articles of Incorporation to increase the total number of authorized shares of capital stock from 50,000,000 to 120,000,000, of which 100,000,000 shares are common stock and 20,000,000 shares are preferred stock.

6. Stock Option Plan

The Company had an incentive stock option plan, pursuant to which the Company was authorized to issue options to purchase up to 5,000,000 shares of common stock.

For disclosure purposes in accordance with SFAS No. 123, the fair value of each stock option grant is estimated on the date of grant using the Black-Scholes option pricing model with the following weighted-average assumptions used for stock options granted during the period ended December 31, 2000: annual dividends of \$0.00, expected volatility of 100%, risk-free interest rate of 5.7%, and expected life of ten years for all grants. The weighted average fair value of the non-qualified stock options granted during the year ended December 31, 2000 was \$1,000,000, of which \$125,000 was recorded as compensation expense in 2000 and the remaining balance \$875,000 was to be amortized over 45 months.

Due to the merger, the Company's stock option plan was terminated on December 18, 2000. The Company adopted a new stock option plan in January 2001 that provides for the issuance of up to 20,000,000 shares of common stock. The unamortized portion of the unearned compensation related to the retired stock option plan was reversed on the date of the merger.

The following table summarizes the changes in options outstanding under the stock option plan up to the date of the merger and the related price ranges for shares of the Company's common stock during such period:

	Shares -----	Weighted Average Exercise Price -----
Outstanding at December 31, 1999	1,200,000	\$0.0011
Granted	2,000,000	\$0.0011
Exercised	(800,000)	0.0011

Outstanding at December 17, 2000	2,400,000	\$0.0011

7. Commitments and Contingencies

During the year ended December 31, 2000, the Company leased office space pursuant to a lease agreement on a month-to-month basis in the United States. The Company also leased space in China. Rent expense for the year ended December 31, 2000 was \$24,325.

8. Litigation

The Company has been sued by several creditors for non-payment of debts. In some cases judgments have been entered for the payment of such debts plus interest and legal fees.

On May 1, 2001, Reed & Wangsgard, L.C. (formerly Droz, Reed & Wangsgard, L.C.) filed suit in the Third Judicial District Court of Salt Lake County, State of Utah (the "Court"), Civil No. 010903821 (the "Action"), to assert claims, on behalf of its clients, prior management of the Company, against AccessTel, Inc., a Delaware corporation, and the original shareholders of AccessTel, Inc. The Complaint demands rescission of the Share Exchange Agreement, and alleges that the Company was induced to enter into the Share Exchange Agreement through a series of false representations made by AccessTel, Inc. and its shareholders. The Complaint also includes alternative causes of actions for fraud, conversion, injunctive relief, and the issuance of a Writ of Replevin. On May 3, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable Raymond Uno, Judge of the Court, issued an Order appointing Leonard W. Burningham, Esq., a member of the Utah State Bar, as receiver for the Company. Pursuant to such Order, the receiver is authorized to prepare and file reports with the Securities and Exchange Commission.

On May 16, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable L.A. Dever, Judge of the Court, issued a Temporary Restraining Order prohibiting the transfer of any shares of common stock issued by AccessTel, Inc. and/or Shopss.com, Inc. which were issued in the name of any defendant (other than the transfer agent) or held for the benefit of any such defendant.

On May 27, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable L.A. Dever, Judge of the Court, issued a Preliminary Injunction enjoining Atlas Stock Transfer Company from registering the transfer of, or reissuing, any shares of common stock issued by the Company and/or Shopss.com, Inc. which were issued in the name of any defendant (other than Atlas Stock Transfer Company) or are held for the benefit of any defendant to the suit.

On January 17, 2002 Reed & Wangsgard, L.C. received written confirmation from an agent of the Board of Directors of AccessTel, Inc., a Utah corporation, that said Board of Directors have come to a unanimous decision to settle the claim for rescission of the Share Exchange Agreement by rescinding the Share Exchange Agreement. However, the Board of Directors of AccessTel, Inc., a Utah corporation, failed and/or refused to follow through with their agreement to rescind the Share Exchange Agreement. As a result, Reed & Wangsgard, L.C. filed a Motion to Enforce Settlement with respect to the agreement to rescind the Share Exchange Agreement. Although the Motion to Enforce Settlement has not been scheduled to be heard, AccessTel, Inc. has not timely filed a response to that motion.

During February 2002, pursuant to the motion of counsel for AccessTel, Inc., a Delaware corporation, and the original shareholders of AccessTel, Inc., the Honorable L.A. Dever, Judge of the Court, issued an order limiting the Court's jurisdiction over certain of the Defendants. As a result, the court continued to have jurisdiction over the corporate defends and through it, plaintiffs may

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

assert claims arising from the allegedly wrongful conduct of current management.

The parties to the lawsuit are currently involved in settlement negotiations. Although it is currently anticipated that this lawsuit will be settled, which is expected to include rescission of the Share Exchange Agreement, there can be no assurances in this regard. It is anticipated that once the lawsuit is settled and the Share Exchange Agreement is rescinded, the Company will seek to acquire a new business opportunity, which may require related debt or equity financing, although there can be no assurances that the Company will be successful in this regard.

9. New Accounting Pronouncements

In June 1998, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards No. 133, "Accounting for Derivative Instruments and Hedging Activities" ("SFAS No. 133"), which standardizes the accounting for derivative instruments, including certain derivative instruments embedded in other contracts, by requiring companies to record derivative financial instruments on their balance sheets as assets or liabilities and measure them at fair value. Gains and losses resulting from changes in the values of those derivatives would be accounted for depending on the use of the derivative and whether it qualifies for hedge accounting. The key criterion for hedge accounting is that the hedging relationship must be highly effective in achieving offsetting changes in fair value or cash flows. In June 1999, the FASB issued SFAS No. 137, "Accounting for Derivative Instruments and Hedging Activities - Deferral of Effective Date of FASB Statement No. 133", which amends SFAS No. 133 to be effective for all fiscal years beginning after June 15, 2000. In September 2000, the FASB issued SFAS No. 140, "Accounting for Transfers and Servicing of Financial Assets and Extinguishments of Liabilities - a Replacement of FASB Statement No. 125". The Company's adoption of these statements during 2001 did not have any impact on the Company's financial statement presentation or disclosures.

In July 2001, the FASB issued Statement of Financial Accounting Standards No. 141, "Business Combinations" ("SFAS No. 141"). SFAS No. 141 requires the purchase method of accounting for business combinations initiated after June 30, 2001 and eliminates the pooling-of-interests method. The adoption of SFAS No. 141 did not have a material effect on the Company's financial statement presentation or disclosures.

In July 2001, the FASB issued Statement of Financial Accounting Standards No. 142, "Goodwill and Other Intangible Assets" ("SFAS No. 142"), which is effective January 1, 2002. SFAS No. 142 requires, among other things, the discontinuance of goodwill amortization. In addition, SFAS No. 142 includes provisions for the reclassification of certain existing recognized intangibles as goodwill, reassessment of the useful lives of the existing recognized intangibles, reclassification of certain intangibles out of previously reported goodwill and the identification of reporting units for purposes of assessing potential future impairments of goodwill. SFAS No. 142 also requires the Company to complete a transitional goodwill impairment test six months from the date of adoption. The Company is reviewing the requirements for adopting and the implications of adopting SFAS No. 142. The Company does not believe that the adoption of SFAS No. 142 will have a material effect on the Company's financial statement presentation or disclosures.

In August 2001, the FASB issued Statement of Financial Accounting Standards No. 143, "Accounting for Asset Retirement Obligations" ("SFAS No. 143"), which is effective January 1, 2003. The Company is reviewing the requirements for adopting and the implications of adopting SFAS No. 143. The Company does not believe that the adoption of SFAS No. 143 will have a material effect on the

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

Company's financial statement presentation or disclosures.

In October 2001, the FASB issued Statement of Financial Accounting Standards No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets" ("SFAS No. 144"), which is effective January 1, 2002. The Company is reviewing the requirements for adopting and the implications of adopting SFAS No. 144.
