Entry into a Material Definitive Agreement

Director Communications Benefit

On July 25, 2006, the board of directors of Sprint Nextel Corporation ("Sprint Nextel") approved a Director Communications Benefit for active non-employee members of the board of directors of Sprint Nextel. Under the program, each eligible director may have up to two wireless units and one connection card activated on the wireless network and will receive long distance and international calling cards and wireline long distance services. Specialized equipment and accessories will also be provided. Participating directors will pay any personal federal, state or local income taxes on the value of the communications benefit provided to them. If a current participating director resigns from the board with less than five years of service, including service on the board of directors of Nextel Communications, Inc. before the Sprint-Nextel merger, the communications benefit terminates on the last day of board service. If a current participating director resigns from the board with five or more years of service, the communications benefit will continue for the number of months on the board up to 120 months. Communications benefits provided to directors joining the board after July 25, 2006 will terminate on the last day of board service. A summary of the Director Communications Benefit is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Amendment of Employment Agreement

On July 24, 2006, the Human Capital and Compensation Committee of the board of directors of Sprint Nextel approved an amendment to the employment agreement of Barry J. West, the Chief Technology Officer of Sprint Nextel. In order to retain Mr. West's services, the amendment (i) extends the period during which he can resign with good reason under the Nextel Communications, Inc. Change of Control Retention Bonus and Severance Pay Plan and the Nextel Communications, Inc. Amended and Restated Incentive Equity Plan until February 28, 2007, (ii) reduces Mr. West's non-compete period following his departure from Sprint Nextel from 24 months to a period ending on February 28, 2008, and (iii) accelerates vesting of certain equity awards granted in 2005 and 2006 to February 28, 2007.

The foregoing description of Mr. West's employment agreement does not purport to be complete and is qualified in its entirety by reference to the amendment, which is filed as Exhibit 10.3 hereto, and by the Employment Agreement dated April 1, 2004, between Mr. West and Nextel Communications, Inc.
