PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation by the

Edgar Filing: UNIONBANCORP INC - Form DEF 14A

board of directors of UnionBancorp, Inc. of proxies to be voted at the annual meeting of stockholders to be held at the Starved Rock Lodge and Conference Center located in Utica, Illinois, on Tuesday, April 25, 2006, at 10:00 a.m., local time, or at any adjournments or postponements of the meeting.

UnionBancorp, Inc., a Delaware corporation, is a regional financial services company based in Ottawa, Illinois which has one bank subsidiary. Our offices serve communities throughout central and northern Illinois through twenty locations.

This proxy statement and the accompanying notice of meeting and proxy are first being mailed to holders of shares of our common stock, par value \$1.00 per share, on or about March 24, 2006 to stockholders of record as of March 1, 2006. We are required to file an annual report, called a Form 10-K, with the SEC. A copy of Form 10-K for the fiscal year ended December 31, 2005 is enclosed for your reference.

Voting Rights and Proxy Information

The board of directors has fixed the close of business on March 1, 2006, as the record date for the determination of stockholders entitled to notice of, and to vote at, the annual meeting. Our transfer books will not be closed between the record date and the date of the annual meeting. The board of directors hopes that all stockholders can be represented at the annual meeting. Whether or not you expect to be present, please sign and return your proxy in the enclosed self-addressed, stamped envelope. Stockholders giving proxies retain the right to revoke them at any time before they are voted by written notice of revocation to the Secretary of UnionBancorp, and stockholders present at the meeting may revoke their proxy and vote in person.

The shares represented by each valid proxy received in time will be voted at the annual meeting and, if a choice is specified on the proxy, it will be voted in accordance with that specification. If no instructions are specified in a signed proxy returned to the Company, the shares represented thereby will be voted in FAVOR of the election of the directors listed in the enclosed proxy. If any other matters are properly presented at the annual meeting, including, among other things, consideration of a motion to adjourn the meeting to another time or place, the individuals named as proxies and acting thereunder will have the authority to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. If the annual meeting is adjourned or postponed, a proxy will remain valid and may be voted at the adjourned or postponed meeting. As of the date of printing of this proxy statement, we do not know of any other matters that are to be presented at the annual meeting other than the election of three Class II directors.

1.

Stockholders giving proxies retain the right to revoke them at any time before they are voted by written notice of revocation to the Secretary of UnionBancorp, or by a later executed proxy. Attendance at the annual meeting will not automatically revoke a proxy, but a stockholder attending the annual meeting may request a ballot and vote in person, thereby revoking a prior granted proxy.

On March 1, 2006, we had 3,762,876 issued and outstanding shares of common stock. For the election of directors, and for all other matters to be voted upon at the annual meeting, each share of common stock is entitled to one vote. A majority of the outstanding shares of the common stock must be present in person or represented by proxy to constitute a quorum for purposes of the annual meeting. Abstentions and broker non-votes (i.e., shares held by brokers in street name, voting on certain matters due to discretionary authority or instructions from the beneficial owners but not voting on other matters due to

Edgar Filing: UNIONBANCORP INC - Form DEF 14A

lack of authority to vote on such matters without instructions from the beneficial owner) will be counted for purposes of determining a quorum but will not count toward the determination of whether such matters are approved or directors are elected. Directors will be elected by a plurality of the votes present in person or represented by proxy at the meeting and entitled to vote. In all other matters, the affirmative vote of the majority of shares of common stock present in person or represented by proxy at the annual meeting and entitled to vote on the subject matter shall be required to constitute stockholder approval. Abstentions will be treated as votes against a proposal and broker non-votes will have no effect on the vote.

I. ELECTION OF DIRECTORS

We have a staggered board of directors, divided into three classes. One class is elected annually to serve for three years. At the annual meeting, our stockholders will be entitled to elect three Class II directors for terms of three years or until their successors are elected and qualified. Each of the nominees for election as Class II directors are incumbent directors. Our board of directors has reviewed the independence of the nominees for election to the board and the independence of the incumbent directors in accordance with the standards of the Nasdaq Stock Market. In accordance with such review, the board of directors has determined that each of Messrs. Breipohl, Doty, McDonnell, Reinhardt, Shinkle, Sullivan and Trainor are independent under those standards. These independent directors constitute a majority of the incumbent members and nominees for election to the board.

The proxy provides instructions for voting for all director nominees or for withholding authority to vote for one or more director nominees. Unless instructed to the contrary, the persons acting under the proxy which we are soliciting will vote for the nominees listed below. In the event, however, that any nominee shall be unable to serve, which is not now contemplated, the proxy holders reserve the right to vote at the annual meeting for a substitute nominee.

Information About Directors and Nominees

Set forth below is information, current as of March 1, 2006, concerning the nominees for election and for the other directors whose terms of office will continue after the meeting, including the age, year first elected a director and business experience of each during the previous five years. Unless otherwise indicated, each person has held the positions shown for at least five years. The three nominees, if elected at the annual meeting, will serve as Class II directors for three-year terms, expiring in 2009. We recommend that you vote your shares FOR all three nominees.

Board Committees and Meetings

Our board of directors generally meets on a quarterly basis. The board of directors met six times during 2005. During 2005, all directors attended at least 75 percent of the meetings of the board and the committees on which they

Edgar Filing: UNIONBANCORP INC - Form DEF 14A

served. Our board of directors has standing executive, nominating and corporate governance, audit, compensation and facilities committees.

The executive committee is comprised of Messrs. McDonnell (Chair), Sullivan, Trainor and Yeoman. The executive committee meets on an as needed basis and exercises the power of the board of directors between board meetings. This committee did not meet in 2005.

The audit committee is responsible for assisting the board of directors with oversight of (1) the integrity of our financial statements, (2) our compliance with legal and regulatory requirements, (3) the independent auditor's qualifications and independence and (4) the performance of our internal accounting function and independent auditors. The audit committee has the direct authority and responsibility to select, evaluate and, where appropriate, replace the independent auditors, and is an "audit committee" for purposes of Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The members of the audit committee are Messrs. Reinhardt (Chair), Breipohl and Doty. During 2005, the audit committee met nine times.

The compensation committee establishes compensation and benefits for the chief executive officer and reviews and recommends compensation and benefits for the other executive officers and employees of our subsidiary, UnionBank. The committee also administers and oversees our stock-based incentive compensation plans. The members of the compensation committee are Messrs. Shinkle (Chair), McDonnell, Sullivan and Yeoman (ex officio). As an ex officio member of the committee, Mr. Yeoman has no voting rights. The compensation committee met five times in 2005.

4.

The facilities committee examines and analyzes existing locations on an ongoing basis and assists the board in implementation of long-range strategies. The members of the facilities committee are Messrs. Breipohl (Chair), Doty and Sullivan. The facilities committee meets on an as needed basis and met six times in 2005.

Nominating and Corporate Governance Committee

Our board of directors has a nominating and corporate governance committee which consists of three directors. Messrs. McDonnell (Chair), Shinkle and Sullivan are the current members of this committee. The nominating and corporate governance committee identifies individuals to become board members and selects, or recommends for the board's selection, director nominees to be presented for stockholder approval at the annual meeting of stockholders or to fill any vacancies. The nominating and corporate governance committee met two times in 2005.

Our board of directors has adopted a written charter for the nominating and corporate governance committee. A copy of the charter was filed as an exhibit to the 2004 proxy statement. Based upon the review described above under the section "Election of Directors", the board of directors has determined that each of the members of our nominating and corporate governance committee is independent under the applicable standards of the Nasdaq Stock Market.

The nominating and corporate governance committee will consider director nominees recommended by stockholders. A stockholder who wishes to recommend a person or persons for consideration as a nominee for election to the board of directors must send a written notice by mail, c/o nominating and corporate governance committee, UnionBancorp, Inc., 122 W. Madison, Ottawa, Illinois 61350, that sets forth: (1) the name, address (business and residence), date of birth and principal occupation or employment (present and for the past five

Edgar Filing: UNIONBANCORP INC - Form DEF 14A

years) of each person whom the stockholder proposes to be considered as a nominee; (2) the number of shares of the common stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by each such proposed nominee; (3) any other information regarding such proposed nominee that would be required to be disclosed in a definitive proxy statement to stockholders prepared in connection with an election of directors pursuant to section 14(a) of the Securities Exchange Act of 1934; and (4) the name and address (business and residential) of the stockholder making the recommendation and the number of shares of the common stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by the stockholder making the recommendation. We may require any proposed nominee to furnish additional information as may be reasonably required to determine the qualifications of such proposed nominee to serve as a director of UnionBancorp. Stockholder recommendations will be considered only if received no less than 120 days nor more than 150 days before the date of the proxy statement sent to stockholders in connection with the previous year's annual meeting of stockholders. The nominating and corporate governance committee will consider any nominee recommended by a stockholder in accordance with the preceding paragraph under the same criteria as any other potential nominee.

The nominating and corporate governance committee has not established specific, minimum qualifications for recommended nominees or specific qualities or skills for one or more of our directors to possess. The nominating and corporate governance committee uses a subjective process for identifying and evaluating nominees for director, based on the information available to, and the subjective judgments of, the members of the nominating and corporate governance committee and our then current needs. We do not believe there would be any difference in the manner in which the committee evaluates nominees based on whether the nominee is recommended by a stockholder or not.

5.

Code of Ethics

The Company has adopted a Code of Ethics that applies to all of our employees, officers and directors, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Ethics contains written standards that we believe are reasonably designed to deter wrongdoing and to promote:

- o Honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- o Full, fair, accurate, timely, and understandable disclosure in reports and documents that we file with, or submit to, the Securities and Exchange Commission and in other public communications we make;
- o Compliance with applicable governmental laws, rules and regulations;
- o The prompt internal reporting of violations of the code to an appropriate person or persons named in the code; and
- o Accountability for adherence to the code.

We will provide to any person without charge, upon request, a copy of our Code of Ethics. Requests for a copy of our Code of Ethics should be made to our secretary at 122 W. Madison Street, Ottawa, Illinois 61350.

Stockholder Communications with the Board and Policy for Director Attendance at Annual Meetings

Our board of directors has a process for stockholders to send communications to

Edgar Filing: UNIONBANCORP INC - Form DEF 14A

the board of directors, its nominating and corporate governance committee or its audit committee, including complaints regarding accounting, internal accounting controls, or auditing matters. Communications can be sent to the board of directors, its nominating and corporate governance committee or its audit committee or specific directors either by regular mail to the attention of the board of directors, its nominating and corporate governance committee, its audit committee or specific directors, at our principal executive offices at 122 W. Madison Street, Ottawa, Illinois 61350. All of these communications will be reviewed by our secretary (1) to filter out communications that our secretary deems, in his or her reasonable judgment, are not appropriate for our directors, such as spam and communications offering to buy or sell products or services, and (2) to sort and relay the remainder to the appropriate committee or directors.

We expect and encourage all of our directors and nominees for election as directors to attend the annual meeting of stockholders, absent a compelling reason. All of our directors attended the 2005 annual meeting of stockholders with the exception of Mr. Shinkle.

Compensation of Directors

Each non-employee director was paid a fee of \$1,000 for each board meeting attended and \$250 for each committee meeting attended. In addition, each non-employee director was paid an annual retainer of \$2,500, and the audit committee chairman was paid an additional annual retainer of \$1,000. Each of our non-employee directors may also receive an annual grant of options to purchase shares of common stock under the UnionBancorp, Inc. 2003 Stock Option Plan. The UnionBancorp, Inc. 2003 Stock Option Plan provides for annual formula grants to each of our directors of options to purchase shares of common stock with an exercise price of not less than 100% of the then current market price of the common stock on the date of the grant. Such options become exercisable over five years. During 2005, each non-employee director was granted options to purchase 2,500 shares of common stock at a price of \$21.15 per share. The options vest pro rata over a five year period and terminate on December 15, 2015.

Commission. They are also required to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms, and, if appropriate, representations made to us by any reporting person concerning whether a Form 5 was required to be filed for 2005, we are not aware that any of our directors, executive officers or 10% stockholders failed to comply with the filing requirements of Section 16(a) during 2005.

Employment Agreements and Other Arrangements

We are not a party to any employment agreements with our executive officers named in the compensation table, except for the following:

In July of 2005, the Company entered into a change of control agreement with

Edgar Filing: UNIONBANCORP INC - Form DEF 14A

Scott A. Yeoman, President and Chief Executive Officer of UnionBancorp, Inc. The agreement provides that if, within two years after a change in control occurs, the executive's employment is terminated without "good cause" or the executive voluntarily terminates employment with "good reason," then the executive shall receive a cash payment equal to two times the executive's salary. If, at any time during the two year period, the executive obtains employment, payments will be reduced by the amount of compensation being earned in the new position.

In November of 2003, the Company entered into change of control agreements with two of our executives, Rick R. Clary and Kurt R. Stevenson. The agreements provide that if, within two years after a change in control occurs, the executive's employment is terminated without "good cause" or the executive voluntarily terminates employment with "good reason," then the executive shall receive a cash payment equal to two times the executive's salary. In October of 2004, Mr. Clary and Mr. Stevenson had their agreements amended to clarify their reporting channels as a result of organizational restructuring initiatives.

These agreements remain in force for Mr. Yeoman and Mr. Stevenson. Mr. Clary's agreement was terminated on January 11, 2006 as a result of his departure from the organization.

Compensation Committee Interlocks and Insider Participation

During 2005, the members of the compensation committee were Messrs. Shinkle (Chair), McDonnell, Sullivan and Yeoman (ex officio). None of these individuals was an officer or employee of UnionBancorp or any of our subsidiaries during 2005, and none of these individuals is a former officer or employee of

12.

UnionBancorp or any of our subsidiaries, except for Mr. Yeoman who is president and chief executive officer. Mr. Yeoman did not participate in any decisions pertaining to his compensation.

Board Compensation Committee Report on Executive Compensation

The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by UnionBancorp shall not be deemed to include the following report unless the report is specifically stated to be incorporated by reference into such document.

General. The compensation committee of our board of directors is comprised of three independent directors and is responsible for providing oversight to ensure that the Company's compensation incentives and benefits are competitive and that they are aligned to allow Company goals to be successfully achieved. In determining the compensation and benefits of our executive officers, the following factors are generally taken into consideration:

- o the performance of the executive officers in achieving short and long-term goals;
- o payment of compensation commensurate with the ability and expertise of the executive officers; and
- o payment of compensation that is competitive with similar companies.

The committee considers the foregoing factors, as well as others, in determining the compensation and benefits plans of our executive officers. There is no assigned weight given to any of these factors.

Base Salary. In determining the base salary of executive officers, the compensation committee defines base salary as the annualized regular cash

Edgar Filing: UNIONBANCORP INC - Form DEF 14A

compensation of an employee, excluding bonus awards, Company contributions to employee benefit plans, or other compensation not designated as salary. The committee considers the individual job performance of the executive officers, as well as overall corporate performance, and the average salaries as published by our peers and other third-party consultants.

Short-Term Incentive Compensation (Cash Bonus). The short-term incentive compensation program is intended to sustain management's focus on the corporation's requirement for strategic long-range planning by encouraging attainment of the annual profitability goals. The plan is designed to attract, develop, retain and reward well-qualified management and executive staff.

Each year, the compensation committee approves participants for the program and corresponding rewards tiers ranging up to 40% of base salary, commensurate with the responsibility level of each position. With the exception of the chief executive officer whose rewards are tied solely to Company performance, eligible rewards are based on a 50/50 split of personal goals and corporate performance. A minimum threshold must be met before any rewards are paid, and all rewards are subject to final approval by the board of directors. Personal goals are set jointly by the participant and Company management and are comprised of tactical initiatives to be completed within the period that can ultimately advocate the successful completion of long-range strategic initiatives.

Long-Term Incentive Compensation and Retirement Benefits. In addition to cash-based compensation, the compensation committee considers various benefits, such as our employee stock ownership plan, 401(k) plan and the stock option plan, together with perquisites, in determining compensation. Executive officers of the Company are afforded the same participation and rewards terms in the Company's retirement plans as all other eligible staff.

The Company's primary long-term incentive vehicle is stock options. Inclusion in the Company's long-term incentive program is based on the recommendation of the chief executive officer and the compensation committee, and is approved by the board of directors.

13.

The committee believes that the benefits provided through the stock-based plans more closely tie the compensation of the officers to the interests of the stockholders and provide significant additional performance incentives for the officers which directly benefit the stockholders through an increase in the stock value.

Compensation of the Chief Executive Officer. Mr. Yeoman joined the organization on June 13, 2005 as the president and chief executive officer of UnionBancorp, Inc. The terms of his employment, including an initial base salary of \$220,000 per annum, were established through negotiations with the board of directors.

As a pre-condition of employment, Mr. Yeoman also entered into an employment security agreement executed in July of 2005. The terms of this agreement are outlined in the aforementioned section entitled "Employment Agreements."

In addition, Mr. Yeoman was named a participant in UnionBancorp, Inc.'s short-term incentive compensation program, whereby Mr. Yeoman would be eligible for cash rewards equivalent to 40% of his base salary contingent upon the successful completion of pre-determined goals set forth by the Company's compensation committee and approved by the full board. In his role as the chief executive officer, Mr. Yeoman's sole goal was successful execution of the Company's strategic plan to achieve 2005 budget targets for the remaining months of 2005.

Edgar Filing: UNIONBANCORP INC - Form DEF 14A

Since Mr. Yeoman began his employment in June of 2005, and the Company achieved budgeted targets for 2005, he was paid a pro-rated bonus of \$44,000 in January of 2006. Mr. Yeoman's payment was recommended by the Company's compensation committee and approved by the Company's board of directors.

The long-term incentive vehicle historically utilized by the Company is stock options. Eligible participants include all holding Company directors and certain officers of the Company, including the chief executive officer. The original stock option plan was approved by stockholders in 1993, and the 2003 Stock Option Plan was presented and approved by stockholders in 2003. Mr. Yeoman received a stock option grant of 10,000 shares upon hire. Terms and conditions of the grant are explained in detail in the Summary Compensation Table of Executive Compensation.

Mr. Yeoman was eligible for participation in all Company-sponsored benefits programs in 2005, including the Company's group health coverage, group-term life insurance coverage, and Company-sponsored retirement programs including the UnionBancorp, Inc. 401(k) and Profit Sharing Plan and the UnionBancorp, Inc. Employee Stock Ownership Plan.

Mr. Yeoman did not receive any compensation associated with a car allowance or country club dues in 2005. The Company did, however, pay approximately \$11,000 in expenses related to his relocation and made nominal reimbursements associated with temporary housing expenses.

Mr. Yeoman's compensation and benefits package for 2005 was approved by the Company's board of directors and was commensurate with Mr. Yeoman's knowledge, skills and abilities, as supported by prior professional experience and accomplishments, as well as the board's belief in Mr. Yeoman's ability to successfully lead and transform the organization. The compensation committee has reviewed all components of the total compensation package of the chief executive officer and the other named executives in this proxy statement and believes them to be reasonable and not excessive.

In addition to determining the initial compensation and benefits package for the chief executive officer, annually, the compensation committee evaluates four primary areas of performance in determining the chief executive officer's level

14.

of compensation. Changes to the base salary, cash bonus, long-term rewards and other benefits of the chief executive officer are based on:

- o long-range strategic planning and implementation;
- o the Company's financial performance;
- o compliance with regulatory requirements and relations with regulatory agencies; and
- o the individual's effectiveness of managing relationships with stockholders and the board of directors

When evaluating the Company's financial performance, the committee considers profitability, asset growth, asset quality and risk management. The primary evaluation criteria are considered to be essential to our long-term viability and are given equal weight in the evaluation. Finally, the committee reviews compensation packages of peer institutions, as well as compensation surveys provided by independent third parties, to ensure that the chief executive officer's compensation is competitive and commensurate with his level of performance.

TRANSACTIONS WITH MANAGEMENT

Several of our directors and executive officers (including their affiliates, families and companies in which they are principal owners, officers or directors) were loan customers of, and had other transactions with, us and our subsidiaries in the ordinary course of business. These loans and lines of credit were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features. During 2005, we paid approximately \$94,579 to the law firm of Myers, Berry, O'Connor & Kuzma, Ltd. for legal services. Richard J. Berry, a director of UnionBancorp, is a principal of that firm.

The audit committee, after consideration of the matter, does not believe that the rendering of these services by Crowe Chizek to be incompatible with maintaining its independence as our principal accountant. In accordance with Section 10A(i) of the Exchange Act, before Crowe Chizek and Company LLC is engaged by us to render audit or non-audit services, the engagement is approved by our audit committee. None of the audit-related, tax and other services described in the table above were required to be approved by the audit committee pursuant to Rule 2-01(c) (7) (i) (C) of Regulation S-X.

The audit committee is responsible for reviewing and pre-approving any non-audit services to be performed by the Company's independent auditors. The audit

Edgar Filing: UNIONBANCORP INC - Form DEF 14A

committee has delegated its pre-approval authority to the chairman of the audit committee to act between meetings of the audit committee. Any pre-approval given by the chairman of the audit committee pursuant to this delegation is presented to the full audit committee at its next regularly scheduled meeting. The audit committee or chairman of the audit committee reviews and, if appropriate, approves non-audit service engagements, taking into account the proposed scope of the non-audit services, the proposed fees for the non-audit services, whether the non-audit services are permissible under applicable law or regulation and the likely impact of the non-audit services on the independence of the independent auditors. Since the effective date of the SEC rules requiring pre-approval of non-audit services on May 6, 2003, each new engagement of the Company's independent auditors to perform non-audit services has been approved in advance by the audit committee or the chairman of the audit committee pursuant to the foregoing procedures.

AUDIT COMMITTEE REPORT

The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by UnionBancorp shall not be deemed to include the following report unless the report is specifically stated to be incorporated by reference into such document.

The duties and responsibilities of the audit committee are set forth in the audit committee charter. A copy of the charter was filed as an exhibit to the 2004 proxy statement. As described above under the section "Election of Directors", the board of directors has determined that each member of the audit committee is independent as defined in the applicable standards of the Nasdaq Stock Market.

The audit committee has reviewed and discussed our audited financial statements for the fiscal year ended December 31, 2005 with our management and Crowe Chizek and Company LLC, our independent auditors. The committee has also discussed with Crowe Chizek the matters required to be discussed by SAS 61 (Codification for Statements on Auditing Standards) as well as having received and discussed the written disclosures and the letter from Crowe Chizek required by Independence Standards Board Statement No. 1 (Independence Discussions with Audit Committee). Based on the review and discussions with management and Crowe Chizek, the committee has recommended to the board that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ending December 31, 2005 for filing with the Securities and Exchange Commission.

Audit Committee Financial Expert

While the board of directors endorses the effectiveness of our audit committee, its membership does not include a director who qualifies for designation as an "audit committee financial expert" - a concept under federal regulation that contemplates such designation only when an audit committee member satisfies all five qualification requirements, such as experience (or "experience actively supervising" others engaged in), preparing, auditing, analyzing or evaluating financial statements presenting a level of accounting complexity comparable to what is encountered in connection with our Company's financial statements. The Company is currently trying to recruit an individual that meets the requirement of a financial expert to serve on the board and audit committee.

STOCKHOLDER PROPOSALS FOR 2007 ANNUAL MEETING

For inclusion in our proxy statement and form of proxy relating to the 2007 annual meeting of stockholders, stockholder proposals must be received by us on or before November 24, 2006. In order to be presented at such meeting, notice of the proposal must be received by UnionBancorp on or before March 27, 2007, and must otherwise comply with our bylaws.

"HOUSEHOLDING" OF PROXY MATERIALS

In 2000, the Securities and Exchange Commission adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements, prospectuses and annual reports with respect to two or more security holders sharing the same address by delivering a single copy of proxy statements, prospectuses and annual reports, as the case may be, addressed to those security holders. This process, which is commonly referred to as "householding," potentially means extra convenience for security holders and cost savings for companies.

This year, a number of brokers with accountholders who are UnionBancorp stockholders will be "householding" our proxy materials. As indicated in the notice previously provided by these brokers to UnionBancorp stockholders, a single proxy statement and Form 10-K annual report will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from an affected stockholder. Once you have received notice from your broker or the Company that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and Form 10-K annual report, please notify your broker, direct your written request to UnionBancorp, Inc., Investor Relations, 122 W. Madison Street, Ottawa, IL 61350 or contact Investor Relations at (815) 431-2720.

Stockholders who currently receive multiple copies of the proxy statement and Form 10-K annual report at their address and would like to request "householding" of their communications should contact their broker or, if a stockholder is a direct holder of UnionBancorp shares, they should submit a written request to Computershare Investor Services, the Company's transfer agent, at 2 North LaSalle Street, Chicago, IL 60602.

OTHER MATTERS

We do not intend to present any other business at the meeting and know of no other matters which will be presented. However, if any other matters come before the meeting, it is the intention of the persons named in the accompanying proxy to vote in accordance with their best judgment on those matters. A representative of our independent auditors, Crowe Chizek and Company LLC, is expected to attend the annual meeting and will be available to respond to appropriate questions and to make a statement if he or she so desires.

Your proxy is solicited by the board of directors, and we will pay the cost of solicitation. In addition to soliciting proxies by use of the mail, officers, directors and regular employees of UnionBancorp or our subsidiaries, acting on our behalf, may solicit proxies by telephone, telegraph or personal interview. We will, at our expense, upon the receipt of a request from brokers and other custodians, nominees and fiduciaries, forward proxy soliciting material to the beneficial owners of shares held of record by such persons.
