INTRODUCTION

Your proxy is solicited by the Board of Directors of PacificNet Inc., a Delaware corporation (the "Company"), for use at the Annual Meeting of Stockholders to be held on Monday, December 30, 2002, at 10:00 a.m. (Hong Kong Time), at the Company's executive offices located at PacificNet, Unit 1702, ChinaChem Century Tower, 178 Gloucester Road, Wanchai, Hong Kong, and at any adjournment thereof (the "Annual Meeting"), for the following purposes:

1. To elect eight (8) directors to the Board of Directors of the Company to serve until the next annual meeting of stockholders and until their successors are duly elected and qualified;
2. To ratify the appointment of Clancy and Co., P.L.L.C. as the Company's independent auditors for the fiscal year ending December 31, 2002; and
3. To transact any other business as may properly be presented at the Annual Meeting or any adjournment or postponement thereof.

The Board of Directors has set November 22, 2002 as the record date (the "Record Date") to determine those holders of common stock who are entitled to notice of, and to vote at the Annual Meeting. The Company expects that the Notice of Annual Meeting, Proxy Statement, form of proxy, and Annual Report on Form 10-KSB will first be mailed to stockholders on or about December 19, 2002.

GENERAL INFORMATION ABOUT VOTING

WHO CAN VOTE?

You can vote your shares of common stock, par value \$0.0001 per share (the "Common Stock") if our records show that you owned the shares on the Record Date. As of the close of business on the Record Date, a total of 24,186,975 shares of Common Stock are entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one (1) vote on matters presented at the Annual Meeting.

HOW DO I VOTE BY PROXY?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the Annual Meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope.

The enclosed proxy, when properly signed and returned to the Company, will be voted by the proxy holders at the Annual Meeting as directed by the proxy. Proxies which are signed by stockholders but which lack any such specification will be voted in favor of the proposals set forth in the Notice of Annual Meeting.

3

WHAT IF OTHER MATTERS COME UP AT THE ANNUAL MEETING?

The matters described in this proxy statement are the only matters we

Edgar Filing: PACIFICNET INC - Form DEF 14A

know of that will be voted on at the Annual Meeting. If other matters are properly presented at the meeting, the proxy holders will vote your shares as they see fit.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. A proxy card may be revoked by a stockholder at any time before its exercise at the Annual Meeting by giving Victor Tong, our Secretary, a written notice revoking your proxy card or a duly executed proxy bearing a later date, or by attendance at the Annual Meeting and electing to vote in person.

CAN I VOTE IN PERSON AT THE ANNUAL MEETING RATHER THAN BY COMPLETING THE PROXY CARD?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the Annual Meeting and vote your shares in person.

HOW ARE VOTES COUNTED?

We will hold the Annual Meeting if holders of a majority of the shares of Common Stock entitled to vote in person or by proxy either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card.

The directors will be elected by the affirmative vote of a plurality of the shares of Common Stock presented in person or represented by proxy at the Annual Meeting. The proposal to ratify the appointment of Clancy and Co., P.L.L.C., shall be approved upon the affirmative vote of a majority of the shares of Common Stock presented in person or represented by proxy at the Annual Meeting. Unless otherwise stated, the enclosed proxy will be voted in accordance with the instructions thereon.

If your shares are held in the name of a nominee, and you do not tell the nominee how to vote your shares ("broker nonvotes"), your shares will not be voted with respect to any proposal. Broker nonvotes and abstentions will be counted as present to determine if a quorum exists, however, broker nonvotes and abstentions with respect to proposals 1 and 2 are not considered as shares entitled to vote, and will, therefore have no legal effect on the vote proposals 1 and 2.

WHO PAYS FOR THIS PROXY SOLICITATION?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, by fax, by email, or in person. None of these employees will receive any extra compensation for doing this.

Each director is also entitled to US\$500 for each board meeting that such director attends in person, by conference call, or by committee action and US\$200 for each committee meeting, payable by cash or common stock of the Company, at the option of the Company.

ANNUAL RETAINER FEE. Each director is paid an annual retainer fee of US\$10,000 in the form of common stock of the Company. Such retainer fee is paid semi-annually in arrears. The number of shares of common stock issued is based on the average closing market price over the ten trading days prior to the end of the six month period that the retainer fee is due.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The following Report of the Compensation Committee on Executive Compensation describes the compensation policies and rationale applicable to our executive officers with respect to the compensation paid to such executive officers for the year ended December 31, 2001.

The Compensation Committee recommends and reviews the compensation paid to our executive officers; our stock option plan, however, is currently administered by the full Board of Directors. The Compensation Committee currently consists of Messrs. David Bussmann, Patrick Ko, Richard Lo, Max Tong and Shu Wang. Subject to existing contractual obligations, the base salaries of our executives are fixed based on job responsibilities and a limited review of compensation practices for comparable positions at corporations which compete with the Company in its business or are of comparable size and scope of operations in Hong Kong. Bonuses for our executives are not determined through the use of specific criteria. Rather, the Compensation Committee bases bonuses on the Company's overall performance, profitability, working capital management and other qualitative and quantitative measurements. In determining the amount of bonuses, if any, to be awarded, the Compensation Committee considers our net sales growth and profitability for the applicable period and each executive's contribution to our success. The Compensation Committee's decisions are based primarily on informal judgments believed to be fair and reasonable and in the best interests of the Company and our stockholders.

The Board believes that equity ownership by executive officers provides incentive to build stockholder value and aligns the interests of executive officers with the interests of stockholders. There were no stock options granted to the Company's executives during 2001.

Under the Company's 1998 Plan, a total of 1,049,667 shares of common

Edgar Filing: PACIFICNET INC - Form DEF 14A

stock were available for the granting of stock options as of December 31, 2001, and it was the Board's intent to review job responsibilities, individual performance, current option position and other criteria and, where applicable, grant additional options in 2002 and 2003.

The Board considers awarding stock option grants on a periodic basis. The Board believes that these additional grants provide an incentive for executive officers and other key employees to remain with the Company. Under our current stock option plan, options are granted at the market price of the common stock on the date of grant and, consequently, will have value only if the price of the common stock increases over the exercise price. In determining the size of the periodic grants, the Board of Directors will consider various factors, including the amount of any prior option grants, the executive's or employee's performance during the current fiscal year and his or her expected contributions during the succeeding fiscal year.

REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. The Board of Directors, in its business judgment, has determined that all members of the committee are "independent" as required by applicable listing standards of the Nasdaq NationalThe Committee operates pursuant to a Charter that was approved by the Board in fiscal 2000. As set forth in the Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of this oversight function, the Committee has considered and discussed the audited financial statements with management and the independent auditors. The Committee has discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61, COMMUNICATION WITH AUDIT COMMITTEE, as currently in effect. Finally, the Committee has received written disclosures and the letter from the independent auditors required by Independence Standard Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, has considered whether the provision of non-audit services by the independent auditors to the Company is compatible with maintaining the auditor's independence and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting, are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the

Edgar Filing: PACIFICNET INC - Form DEF 14A

Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's consideration and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent".

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2001, as filed with the Securities and Exchange Commission.

EXHIBIT A

PACIFICNET INC. AUDIT COMMITTEE CHARTER

AS AMENDED NOVEMBER 25, 2002

I. RESPONSIBILITY

The PacificNet Inc. ("PacificNet") Audit Committee ("Committee") was established to assist the Board of Directors in carrying out its oversight responsibilities that relate to PacificNet's accounting and financial reporting processes, audits of PacificNet's financial statements, internal controls, and compliance with laws, regulations and ethics. This policy reaffirms that the Committee's duties are oversight in nature and that the primary responsibility for financial reporting, internal control, and compliance with laws, regulations, and ethics standards rests with PacificNet's executive management and that PacificNet's external auditors are responsible for auditing PacificNet's financial statements. The foregoing notwithstanding, the Committee, in its capacity as the Audit Committee of the Board of Directors, has direct responsibility for the appointment, compensation and oversight of the work of any registered public accounting firm employed by PacificNet (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The Committee does not provide any expert or special assurances as to PacificNet's financial statements or any professional certification as to the external auditors work.

The Committee has the power to conduct or authorize investigations into any matters within the Committee's scope of responsibilities and to establish procedures concerning the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and confidential, anonymous employee submissions of concerns regarding questionable accounting or auditing matters. The Committee is empowered to retain independent counsel, accountants, or others to assist it in the conduct of any investigation. The President, the Chief Financial Officer or the Corporate Secretary of PacificNet shall provide, or arrange to provide, such other information, data and services as the Committee may request. The Committee shall conduct such interviews or discussions as it deems appropriate with personnel of PacificNet, and/or others whose views would be considered helpful to the Committee.

The Committee's prior approval is required for all auditing services and non-audit services. However, in the event the aggregate amount of non-audit services constitutes 5% or less of the total revenues paid by PacificNet to its external auditor during the fiscal year in which non-audit services are provided, and PacificNet did not recognize that these services were non-audit services at the time of the engagement and the Committee is promptly notified of this fact by PacificNet; provided the Committee (or one or more members of the Committee who are also members of the Board of Directors to whom approval authority has been delegated by the Committee) approves such non-audit services prior to their completion.

The Committee believes its policies and procedures should remain flexible in

Edgar Filing: PACIFICNET INC - Form DEF 14A

order to best react to changing conditions and that the following duties of the Committee are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate given the circumstances:

A. Financial Reporting

Committee procedures shall include:

1. Selection of Outside Auditors

The Committee has the ultimate authority and responsibility to select, evaluate, and where appropriate, replace the outside auditor. The outside auditors are ultimately accountable to the Audit Committee and the entire Board for such auditors' review of the financial statements and controls of PacificNet. On an annual basis, the Audit Committee should review and discuss with the auditors all significant relationships they have with PacificNet to determine their independence. The Committee shall submit its recommended appointment (or reappointment) or termination of outside auditors to the Board of Directors.

19

The Committee's review shall include:

- Review and prior approval of all audit services and non-audit services. (In the event the Committee approves an audit service within the scope of an auditor's engagement, that audit service shall be deemed to have been pre-approved.)
- Opinions on the performance of the outside auditors by appropriate management.
- Inquiring if the outside auditors face any significant litigation or disciplinary actions by the Securities and Exchange Commission ("Commission") or others.
- Inquiring whether the chief executive officer of PacificNet's outside auditors was employed by a registered independent public accounting firm and participated in any capacity in PacificNet's audit during the one-year period preceding the commencement of an audit of PacificNet.
- Receiving from the auditors, on a periodic basis, a formal written statement delineating all relationships between the auditors and PacificNet consistent with Independence Standards Board Statement 1 ("ISB No. 1");.
- Obtaining written disclosure from the outside auditors describing all relationships between the outside auditors and PacificNet that bear on independence and objectivity.
- Discussing auditor independence with its outside auditors and recommending that the Board of Directors take appropriate action regarding any independence issues.
- Discussing with PacificNet's Chief Executive Officer and Chief Financial Officer certifications in PacificNet's periodic reports concerning disclosures of significant control deficiencies and any fraud by management.
- Auditor engagement letters and estimated fees.
- Consideration of the report of the outside auditors' latest peer review conducted pursuant to a professional quality control program.
- Review of management's letter of representation and consideration of any

Edgar Filing: PACIFICNET INC - Form DEF 14A

significant operational or reporting issues that may affect the financial statements.

- Review of proposed non-audit services and consideration of the possible effect that these services could have on the independence of the outside auditors.
- Facilitating and maintaining an open avenue of communication with PacificNet's outside auditors.
- Ensuring the Committee is informed in a timely manner by PacificNet's outside auditors of (1) all critical accounting policies and practices the outside auditors intend to use for the audit; (2) discussion with PacificNet's management of all alternative treatments of financial information within generally accepted accounting principles ("GAAP"), the ramifications of the use thereof and the outside auditors' preferred treatment; and (3) other material written communications between the outside auditors and PacificNet's management to include any management letter or schedule of audit adjustments.

2. Meeting with PacificNet's general counsel, if any, and outside counsel when appropriate, to discuss legal matters that may have a significant impact on PacificNet's financial statements.

20

3. Regarding PacificNet's financial statements, the Committee will:

- Review PacificNet's audited annual financial statements and outside auditors' opinions with respect to the statements, including the nature of any changes in accounting principles or their application.
- Review PacificNet's interim quarterly financial statements and outside auditors' views with respect to the statements, including the nature of any changes in accounting principles or their application.
- Review significant accounting policies, policy decisions and changes, along with significant accounting, reporting or operational issues.
- Review the financial statements to be issued with management and with the outside auditors to determine whether the outside auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders prior to the release of the quarterly financial report to shareholders.
- Make a recommendation to the Board of Directors regarding the inclusion of interim and annual financial statements in PacificNet's SEC filings based on its review of such financial statements with management and the outside auditors.
- Ensure that management maintains reliability and integrity of accounting policies and financial reporting and that management establishes and maintains processes to assure adequate systems of internal control.
- Disclose in PacificNet's annual proxy or information statement, the existence of the Committee and the Committee charter and the extent to which the Committee has satisfied its responsibilities during the prior year in compliance with its charter.
- Disclose the Committee's approval of any non-audit services in PacificNet's periodic reports filed with the Commission.
- Review the management letter issued by the outside auditors and management's response.

Edgar Filing: PACIFICNET INC - Form DEF 14A

- Review fees paid for audit and consulting services, respectively.
- 4. Annually review and examine those matters which relate to a financial review of PacificNet's Investment Policies.
- 5. Submit findings of importance, conclusions, recommendations, and items that require follow-up or action to the Board of Directors.
- 6. Annually review and update the Audit Committee Charter and submit the Charter to the full Board of Directors for approval.
- 7. Maintain minutes or other records of meetings and activities of the Committee.

B. Monitoring of Internal Controls

The Committee is responsible for obtaining and understanding PacificNet's key financial reporting risk areas and internal control structure. The Committee monitors the internal control process by reviewing information provided in the Business Conduct Questionnaire and Annual Certification reporting made by each PacificNet employee, discussions with the chief financial and accounting officers and such other persons as the Committee deems appropriate, and discussions with and reports issued by outside auditors.

21

C. Compliance with Laws, Regulations, and Ethics

The Committee shall review reports and other information to gain reasonable assurance that PacificNet is in compliance with pertinent laws and regulations, is conducting its affairs ethically, and is maintaining effective controls against conflict of interest and fraud.

Committee procedures shall include:

1. Review PacificNet's policies relating to compliance with laws, regulations, ethics, and conflict of interest.
2. Review significant cases of conflict of interest, misconduct, or fraud and the resolution of such cases.
3. Review PacificNet's policies and processes for compliance with U.S. and foreign country export control's, laws and regulations.
4. Review PacificNet's policies and processes for compliance with the Foreign Corrupt Practices Act and the USA Patriot Act.
5. Review compliance reports received from regulators and consider legal and regulatory matters that may have a material impact on the financial statements.
6. Review outside auditors' reports that relate to the monitoring of compliance with PacificNet's policies on business ethics.
7. Review policies and procedures covering officers' expense accounts and perquisites, including their use of corporate assets, and consider the results of any review of these areas by internal or outside auditors.
8. Review the disclosure included in PacificNet's periodic reports concerning whether at least one member of the Committee is a "financial expert" (as defined

Edgar Filing: PACIFICNET INC - Form DEF 14A

in Part III below) and, if no member of the Committee is a "financial expert", why no such expert has been appointed to the Committee.

II. OVERSIGHT OF OUTSIDE AUDITOR FUNCTIONS

The Committee shall schedule meetings as necessary to receive and discuss reports from staff, other committees, and consultants. Particular emphasis will be given by the Committee to significant control deficiencies, and actions taken by management to correct them. The Committee may request through the Chief Financial Officer that the outside auditors perform special studies, investigations, or other services in matters of interest or concern to the Committee.

The Committee's oversight of outside audit coverage is covered under section I.A. above.

III. COMMITTEE MEMBERSHIP

The Committee shall be composed of three or more Directors, each of whom shall be independent. To be considered independent, a Committee member may not (other than in his capacity as a member of the Committee, the Board or another committee of the Board) accept any consulting, advisory or other compensatory fee from PacificNet or be an affiliated person of PacificNet or any of its subsidiaries. Each member shall comply with the requirements promulgated by The Nasdaq Stock Market, Inc. and the Commission, and shall be free of any relationship that, in the opinion of the Board of Directors, would interfere with his or her exercise of independent judgment. All members of the Committee will have a general understanding of basic finance practices and accounting practices and policies, and at least one member must have the requisite

22

accounting or related financial management expertise to be deemed a "financial expert", as that term is defined by the Commission, having through education and experience as a public accountant, or auditor or a principal financial officer, comptroller or principal accounting officer or a position performing similar functions, an understanding of GAAP and financial statements, experience in the preparation or auditing of financial statements of generally comparable issuers and the application of such principles in connection with the accounting for estimates, accruals and reserves, and experience with internal accounting controls and an understanding of audit committee functions. The Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by PacificNet or an outside consultant. The Chairman and other members of the Committee shall be appointed by the Board of Directors.

Vacancies occurring in the Committee may be filled by appointment of the Chairman of the Board, but no member of the Committee shall be removed except by vote of a majority of Directors present at any regular or special meeting of the Board.

The Secretary of the Committee shall be appointed by the majority vote of the Committee. The Secretary of the Committee shall prepare minutes of the meetings, maintain custody of copies of data furnished to and used by the Committee, and generally assist the Committee in connection with preparation of agendas, notices of meetings and otherwise.

IV. CONDUCT OF BUSINESS

All meetings require the presence of a majority of the members of the Committee to conduct business. Each Committee member shall have one vote. All actions or

Edgar Filing: PACIFICNET INC - Form DEF 14A

determinations by the Committee must be by majority vote of the members present. The Board of Directors shall have overall authority over all Committee actions.

V. COMPENSATION

The compensation of members of the Committee may be determined from time to time by resolution of the Board of Directors. Members of the Committee shall be reimbursed for all reasonable expenses incurred in attending such meetings.

VI. TIME AND PLACE OF MEETINGS

Committee meetings shall be held quarterly or more frequently as necessary at an agreed upon location. The Committee may ask members of management or others to attend the meeting and to provide pertinent information as necessary. As part of its job to foster open communication, the Audit Committee should meet at least annually with management, the director of the internal auditing department and the outside auditors separately to discuss any matters that the Audit Committee or each of these groups believe should be discussed privately. In addition, the Audit Committee or at least its Chairperson should meet with the outside auditors and management quarterly to review PacificNet's financial statements consistent with the Audit Committee's duties and responsibilities set forth herein.

VII. PRESENTATION OF REPORTS TO THE BOARD OF DIRECTORS

The Committee shall make an annual presentation to the Board of Directors within three months after the receipt of the outside auditors opinion on PacificNet's financial statement. The presentation shall provide an overview of the Committee's activities, findings of importance, conclusions, recommendations, and items that require follow-up or action by the Board. Presentations may be made at more frequent intervals if deemed necessary by the Committee or as requested by the Board of Directors.
