**For Immediate Release: November 6, 2003**

**BOISE SETS DECEMBER 9 FOR SPECIAL MEETING  
OF SHAREHOLDERS TO VOTE ON ACQUISITION OF OFFICEMAX**

BOISE, Idaho Boise Cascade Corporation (NYSE:BCC) announced today that a special meeting of shareholders will be held on December 9, 2003, to vote on two proposals concerning the previously announced acquisition of OfficeMax, Inc. (NYSE: OMX).

In the first proposal, shareholders will be asked to approve and adopt the Agreement and Plan of Merger between Boise; its subsidiary, Challis Corporation; and OfficeMax, including the authorization of the issuance of shares of Boise common stock in the merger. The second is a proposal to amend the 2003 Boise Incentive and Performance Plan to increase the number of shares of Boise common stock available for issuance under the plan. Approval and adoption of each proposal requires the affirmative vote of a majority of the shares of Boise stock voting at the special meeting. The record date to determine shareholders eligible to vote at the meeting is November 3, 2003.

Boise also announced that the Securities and Exchange Commission on November 5 declared effective the registration statement on Form S-4 containing the joint proxy statement that will be mailed to Boise shareholders in connection with the December 9 special meeting.

The special meeting of Boise shareholders will be held at 8 a.m., MST, in Boise, Idaho. If shareholders of both Boise and OfficeMax approve the transaction, Boise and OfficeMax expect to close the transaction after the vote on December 9.

Boise delivers office, building, and paper solutions that help our customers to manage productive offices and construct well-built homes two of the most important activities in our society. Boise's 24,000 employees help people work more efficiently, build more effectively, and create new ways to meet business challenges. Boise also provides constructive solutions for environmental conservation by managing natural resources for the benefit of future generations. Boise had sales of \$7.4 billion in 2002.
