Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted pursuant to such rules and regulations, although Big Buck believes that the disclosures made are adequate to make the information not misleading.

The financial statements for the nine months ended September 28, 2003 include the results of operations for the joint venture described in Big Buck's Annual Report on Form 10-KSB for the fiscal year ended December 29, 2002.
