Item 1.01. Entry into a Material Definitive Agreement

We entered into a definitive purchase agreement on December 23, 2004, (the "Agreement") with Panattoni Development Company LLC, an unrelated third party, to acquire seven bulk distribution and warehouse buildings. We are filing this Form 8-K in reference to this agreement pursuant to the rules prescribed by Form 8-K. The Agreement describes the acquisition of seven buildings located in Memphis, Tennessee totaling approximately 3.6 million square feet (collectively the "Portfolio"). Per the Agreement, the purchase price of the Portfolio is approximately \$128.0 million which the company anticipates funding with the net proceeds from its public offering and through the assumption of approximately \$30.6 million of debt. Pursuant to this agreement, the seller, directly or indirectly, may enter into a Master Lease agreement if a tenant vacates whereby the seller will lease certain vacant space for period of time or until the space becomes leased by a tenant. We anticipate closing on the Portfolio in four parts beginning in January 2005 and ending in April 2005. While the company anticipates this acquisition closing over the next several months, this contract is subject to a number of contingencies and there can be no assurances that this acquisition will transpire.
