EXPLANATORY NOTE

Reference is made to the registration statement on Form S-3 (SEC File No. 333-81576) filed by IAC/InterActiveCorp ("IAC") with the U.S. Securities and Exchange Commission on January 29, 2002 (the "Registration Statement") to register 59,457,479 shares of IAC Common Stock, par value \$0.01 per share ("IAC Common Stock"), 12,808,605 shares of IAC Series A Cumulative Convertible Preferred Stock, par value \$0.01 per share ("IAC Preferred Stock") and 14,245,932 warrants to acquire one share of IAC Common Stock (the "IAC Warrants," and together with the IAC Common Stock and IAC Preferred Stock, the "Securities") for resale from time to time by or on behalf of the Microsoft Corporation and/or its affiliates (the "Selling Stockholder"). The number of shares of IAC Common Stock registered includes up to 39,360,845 shares of IAC Common Stock issuable upon the conversion of the IAC Preferred Stock and/or the exercise of the IAC Warrants.

The Securities were acquired by the Selling Stockholder in connection with IAC's acquisition of a controlling interest in Expedia, Inc., a Washington corporation, in early 2002. IAC agreed to register the Securities pursuant to a voting and election agreement between IAC and the Selling Stockholder (the "Agreement"). Under the terms of the Agreement, as of the date hereof, IAC is no longer obligated to maintain the effectiveness of the Registration Statement.

Pursuant to the Registration Statement, IAC represented that it would remove from registration by way of a post-effective amendment any Securities that remained unsold at the termination of the offering. In accordance with this undertaking, IAC is hereby filing this Post-Effective Amendment No. 1 to the Registration Statement to remove from registration any Securities that were not sold by the Selling Stockholder.

Information regarding the number and nature of Securities registered does not reflect the impact of (i) the one-for-two reverse stock split and spin-off of Expedia, Inc., a Delaware corporation (the "Spin-Off"), both of which were completed on August 9, 2005, and (ii) certain elections made by the Selling Stockholder with respect to the Securities in connection with the Spin-Off.

Exhibit No.	Description
--------------------	--------------------

24.1 Powers of Attorney.

ITEM 17. UNDERTAKINGS

- (a) The undersigned Registrant hereby undertakes:
- (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to:
- (i) include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effect amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and
- (iii) include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;
- provided, however;* that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference into this Registration Statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the Registration Statement;
- (2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and
- (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering; and

Edgar Filing: IAC/INTERACTIVECORP - Form POS AM

- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of a Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act, and will be governed by the final adjudication of such issue.
