**APPROVAL OF NORTECH SYSTEMS
2007 INCENTIVE STOCK OPTION PLAN**

General Information

On July 11, 2007, the Board adopted, subject to shareholder approval, the Nortech Systems 2007 Incentive Stock Option Plan (the "2007 Option Plan"). The 2007 Option Plan is part of a plan in which all full-time employees will participate, designated as the Company's Focus Incentive Plan (the "Focus Plan"). The purpose of the Focus Plan is to provide incentives to all full-time employees of the Company to increase the Company's return on sales and thereby increase the Company's profitability, which in turn would create a stronger Company. Company employees who are not eligible to participate in the 2007 Option Plan are eligible to receive cash bonuses if the goals of the Focus Plan are met.

Edgar Filing: NORTECH SYSTEMS INC - Form DEF 14A

The following is a summary of the material terms of the 2007 Option Plan and is qualified in its entirety by reference to the 2007 Option Plan. A copy of the 2007 Option Plan is attached hereto as Appendix A.

Summary of the 2007 Option Plan

Administration

The Compensation Committee will administer the 2007 Option Plan and will have full power and authority to determine when and to whom options will be granted, and the type, amount, and other terms and conditions of each option, consistent with the provisions of the 2007 Option Plan. Subject to the provisions of the 2007 Option Plan, the Committee may amend or waive the terms and conditions, or accelerate the time for exercise of an outstanding award. The Committee has authority to interpret the 2007 Option Plan, and establish rules and regulations for the administration of the 2007 Option Plan. In addition, the Board may replace the Committee with a different committee or exercise the powers of the Committee at any time, except with respect to the grant of awards to executive officers.

Eligible Participants

All officers and management personnel are eligible to receive stock option grants under the 2007 Option Plan. As of the date of this proxy statement, approximately 45 officers and management personnel were eligible as a class to be selected by the Committee to receive grants under the 2007 Option Plan. On July 11, 2007, the Committee granted 460,000 options to a total of 45 officers and managers.

Shares Available For Awards

The aggregate number of shares of Common Stock that may be issued under the 2007 Option Plan is 490,000.

The Committee may adjust the number of shares and share limits described above in the case of a stock dividend or other distribution, including a stock split, merger or other similar corporate transaction or event, in order to prevent dilution or enlargement of the benefits or potential benefits intended to be provided under the 2007 Option Plan.

Terms and Conditions of Grants

The 2007 Option Plan permits the granting of incentive stock options.

The exercise price per share under any stock option may not be less than the fair market value on the date of grant of such option. Determinations of fair market value under the 2007 Option Plan will be made by reference to the closing price of the Company's Common Stock on the NASDAQ. The term of all options will not be longer than 10 years from date of grant. The holder of an option will be entitled to purchase a number of shares of the Company's Common Stock at a specified exercise price during a specified time period, all as determined by the Committee. The option exercise price may be payable either in cash or, at the discretion of the Committee, in other securities or other property having a fair market value on the exercise date equal to the exercise price.

Vesting of the options is conditioned upon the Company's achieving certain financial goals relating to the Company's return on sales ("ROS") measured by dividing after tax net income by total revenues. If the Company achieves an ROS of 1.95% for 2007, 2008 or 2009, one-third of the options will vest; if an ROS of 3% is achieved for 2008 or 2009, an additional one-third of the options will vest; and if an ROS of 4% is achieved for 2009, the final one-third of the options will vest.

Edgar Filing: NORTECH SYSTEMS INC - Form DEF 14A

Duration, Termination and Amendment. Unless discontinued or terminated by the Board, the 2007 Option Plan will expire on July 10, 2017. However, no grants under the Plan will be made after December 31, 2009.

The Board and, pursuant to the delegation of its authority, the Committee may amend, alter or discontinue the 2007 Option Plan at any time, although shareholder approval must be obtained for any action that would increase the number of shares of the Company's Common Stock available, increase the award limits under the 2007 Option Plan, permit awards of options at a price less than fair market value, or expand the class of persons eligible to receive awards under the 2007 Option Plan. Shareholder approval is also required for any action that would, absent such approval, violate the rules and regulations of NASDAQ or any other securities exchange applicable to the Company.

Prohibition on Repricing Awards

No option may be amended to reduce its exercise price, and no option may be canceled and replaced with an option having a lower exercise price, except in connection with a stock dividend or other distribution, including a stock split, merger or other similar corporate transaction or event, in order to prevent dilution or enlargement of the benefits, or potential benefits intended to be provided under the 2007 Option Plan.

Transferability of Awards

Unless otherwise provided by the Committee, awards under the 2007 Option Plan may only be transferred by will or by the laws of descent and distribution.

Federal Income Tax Consequences

Grant of Options. The grant of a stock option is not expected to result in any taxable income for the recipient.

Exercise of Options. The holder of an incentive stock option generally will have no taxable income upon exercising the option (except that an alternative minimum tax liability may arise), and the Company will not be entitled to an income tax deduction.

Disposition of Shares Acquired Upon Exercise of Options. The tax consequence upon a disposition of shares acquired through the exercise of an option will depend on how long the shares have been held and whether the shares were acquired by exercising an incentive stock option. Generally, there will be no tax consequence to the Company in connection with the disposition of shares acquired under an option, except that the Company may be entitled to an income tax deduction in the case of the disposition of shares acquired under an incentive stock option before the applicable incentive stock option holding periods set forth in the Internal Revenue Code have been satisfied.

Income Tax Deduction. Subject to the usual rules concerning reasonable compensation, the Company will generally be entitled to a corresponding income tax deduction at the time a participant recognizes ordinary income from awards made under the 2007 Option Plan.

Delivery of Shares for Tax Obligation. Under the 2007 Option Plan, the Committee may permit participants receiving or exercising awards, subject to the discretion of the Committee and upon such terms and conditions as it may impose, to deliver shares of Common Stock (either shares received upon the receipt or exercise of the award or shares previously owned by the holder of the option) to the Company to satisfy federal and state income tax obligations.

Gross-Up for Excise Tax. In the event any payment or benefit received under the Plan results in a "parachute payment," within the meaning of Section 280G of the Internal Revenue Code, and the participant is required to pay an excise tax in connection therewith, the Company shall pay to the

participant a tax "gross-up" payment such that the net benefit received by the participant is equivalent to the benefit the participant would have received had there been no excise tax incurred.

Board Voting Recommendation

Upon the recommendation of management, the Board adopted the 2007 Option Plan and recommends to the shareholders that they vote FOR the approval of the plan.

IT IS INTENDED THAT, UNLESS OTHERWISE INSTRUCTED, THE SHARES REPRESENTED BY THE PROXY (OTHER THAN BROKER NON-VOTES) WILL BE VOTED "FOR" THE APPROVAL OF THE 2007 OPTION PLAN.

QUORUM AND VOTE REQUIRED

The presence in person or by proxy of the holders of a majority of the voting power of the shares of Common Stock issued, outstanding and entitled to vote at a meeting for the transaction of business is required to constitute a quorum. The election of each director will be decided by plurality votes. As a result, any shares not voted for a director (whether by withholding authority, broker non-vote or otherwise) have no impact on the election of directors except to the extent the failure to vote for an individual results in another individual receiving a larger number of votes. If your shares are held by a broker or nominee, you should contact such holder to determine if you may vote your shares electronically and, if so, the method and deadline for voting electronically. If your shares are held directly and you decide to vote electronically, please follow the directions on your proxy card.

SHAREHOLDER PROPOSALS

Any proposal by a shareholder for the annual shareholders' meeting to be held in May, 2009, must be received by the secretary of the Company at 1120 Wayzata Boulevard East, Suite 201, Wayzata, Minnesota 55391, not later than the close of business on December 7, 2008. Proposals received by that date will be included in the 2009 proxy statement if the proposals are proper for consideration at an annual meeting and are required for inclusion in the proxy statement by, and conform to, the rules of the Securities and Exchange Commission.

The Company's bylaws provide that a shareholder may nominate a director for election at the annual meeting or may present from the floor a proposal that is not included in the proxy statement if proper written notice is received by the secretary of the Company at its principal offices in Wayzata, Minnesota, at least 120 days in advance of the date of the proxy statement for the prior year's annual meeting. For the 2009 annual meeting, director nominations and shareholder proposals must be received on or before January 15, 2009. Shareholder proposals that are received by the Company after that date may not be presented in any manner at the 2009 annual meeting.

OTHER MATTERS

The management does not know of any other matters that may be presented for consideration at the annual meeting of shareholders. If any other matters are properly presented at the meeting, the persons named in the accompanying proxy will vote upon them in accordance with their best judgment.

EXHIBIT A
NORTECH SYSTEMS INCORPORATED 2007 INCENTIVE STOCK OPTION PLAN

The Nortech Systems Incorporated 2007 Incentive Stock Option Plan ("2007 Option Plan") authorizes the Board of Directors of Nortech Systems Incorporated ("Board") and the Compensation Committee of the Board ("Committee"), as applicable, to provide certain employees of the Company with certain rights to acquire shares of the Company' common stock ("Nortech Stock"). The Company believes that this incentive program will benefit the Company's shareholders by allowing the Company to attract, motivate, and retain outstanding employees and directors and by providing those employees and directors stock-based incentive to strengthen the alignment of interests between those persons and the shareholders. For purposes of the 2007 Option Plan, the term "Company" shall mean Nortech Systems Incorporated.

1. Administration.

With respect to Grants to Eligible Employees (as those terms are defined in Sections 2 and 3(a), respectively), the 2007 Option Plan shall be administered and interpreted by the Committee. The Committee shall determine the fair market value of Nortech Stock for purposes of the 2007 Option Plan. The Committee may, subject to the provisions of the 2007 Option Plan, from time to time establish such rules and regulations and delegate such authority to administer the 2007 Option Plan as it deems appropriate for the proper administration of the Plan, except that no such delegation shall be made in the case of awards intended to be qualified under Section 162(m) of the Code. The decisions of the Committee or its authorized delegates shall be final, conclusive, and binding with respect to the interpretation and administration of the 2007 Option Plan and any Grant made under it.

2. Grants.

Grants under the 2007 Option Plan shall consist of incentive stock options under the Code ("Grants"). The Committee shall approve the form and provisions of each Grant to Eligible Employees. All Grants shall be subject to the terms and condition set forth herein and to such other terms and conditions consistent with the 2007 Option Plan as the Committee or Board, as applicable, deems appropriate. Grants under a particular section of the 2007 Option Plan need not be uniform and Grants under two or more sections may be combined in one instrument.

3. Eligibility for Grants.

Grants may be made to any executive officer or manager of the Company, including an employee who is also a member of the Board of Directors ("Eligible Employee"). The Committee shall select the persons to receive Grants ("Grantees") from among the Eligible Employees and determine the number of shares subject to any particular Grant.

4. Shares Available for Grant.

(a) Shares Subject to Issuance. Subject to adjustment as provided in Section 4(b), the aggregate number of shares of Nortech Stock that may be issued under the 2007 Option Plan is 490,000. The number of shares available for Grants at any given time shall be 490,000, reduced by the aggregate of all shares previously issued and of shares which may become subject to issuance under then-outstanding Grants.

(b) Adjustment Provision. If any subdivision or combination of shares of Nortech Stock or any stock dividend, reorganization, recapitalization, or consolidation or merger with the Company as the surviving corporation occurs, or if additional shares or new or different shares or other securities of the Company or any other issuer are distributed with respect to the shares of Nortech Stock through a spin-off or other extraordinary distribution, the Committee shall make such adjustments as it

determines appropriate in the number of shares of Nortech Stock that may be issued or transferred in the future under Section 4(a). The Committee shall also adjust as it determines appropriate the number of shares and Option Price in outstanding Grants made before the event.

5. Stock Option Grants to Eligible Employees.

The Committee may grant to Eligible Employees options qualifying as incentive stock options under the Code ("Incentive Stock Options"). The following provisions are applicable to Stock Options granted to Eligible Employees:

(a) Option Price. The Committee shall determine the price or prices at which Nortech Stock may be purchased by the Grantee under a Stock Option ("Option Price") which shall be not less than the fair market value of Nortech Stock on the date the Stock Option is granted (the "Grant Date"). In the Committee's discretion, the Grant Date of a Stock Option may be established as the date on which Committee action approving the Stock Option is taken or any later date specified by the Committee. Once established, the Option Price may not be reduced except in the case of adjustments under Section 4(b).

(b) Option Exercise Period. The Committee shall determine the option exercise period of each Stock Option. The period shall not exceed ten years from the Grant Date.

(c) Exercise of Option. A Stock Option will be deemed exercised by a Grantee upon delivery of (i) a notice of exercise to the Company or its representative as designated by the Committee, and (ii) accompanying payment of the Option Price if the Stock Option requires such payment at the time of exercise. The notice of exercise, once delivered, shall be irrevocable.

(d) Satisfaction of Option Price. A Stock Option shall require payment of the Option Price upon exercise. The Grantee shall pay or cause to be paid the Option Price in cash, or with the Committee's permission, by delivering (or providing adequate evidence of ownership of) shares of Nortech Stock already owned by the Grantee and having a fair market value on the date of exercise equal to the Option Price, or a combination of cash and such shares.

(e) Share Withholding. With respect to any nonqualified option, the Committee may, in its discretion and subject to such rule as the Committee may adopt, permit or require the Grantee to satisfy, in whole or in part, any withholding tax obligation which may arise in connection with the exercise of the nonqualified option by having the Company withhold shares of Nortech Stock having a fair market value equal to the amount of the withholding tax.

(f) Limits on Incentive Stock Options. The aggregate fair market value of the stock covered by Incentive Stock Options granted under the 2007 Option Plan or any other stock option plan of the Company or any subsidiary or parent of the Company that become exercisable for the first time by any employee in any calendar year shall not exceed \$100,000. The aggregate fair market value will be determined at the Grant Date. An Incentive Stock Option may be granted to an Eligible Employee who, on the Grant Date, owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any subsidiary or parent of the Company, only if the option exercise period does not exceed five years and the exercise price is at least 110% of the market value of Nortech Stock on the Grant Date.

6. Amendment and Termination of the 2007 Option Plan.

(a) Amendment. The Board may amend or terminate the 2007 Option Plan, but no amendment shall (i) allow the repricing of Stock Options, (ii) allow the grant of Stock Options at an Option Price below the fair market value of Nortech Stock on the Grant Date, (iii) increase the number of shares authorized for issuance or transfer pursuant to Section 4(a); (iv) increase the maximum limitations on

Grants imposed under Section 5(f); (v) permit options to be granted to any persons other than Eligible Employees; or increase the benefits or provide for additional new benefits not specifically presently authorized in the 2007 Option Plan; unless in any case such amendment receives approval of the shareholders of the Company.

(b) Termination of 2007 Option Plan. The 2007 Option Plan shall terminate on the tenth anniversary of its effective date unless terminated earlier by the Board.

(c) Termination and Amendment of Outstanding Grants. A termination or amendment of the 2007 Option Plan that occurs after a Grant is made shall not result in the termination or amendment of the Grant unless the Grantee consents or unless the Committee acts under Section 9(e). The termination of the 2007 Option Plan shall not impair the power and authority of the Committee or its delegates with respect to outstanding Grants. Whether or not the 2007 Option Plan has terminated, an outstanding Grant may be terminated or amended under Section 9(e) or may be amended (i) by agreement of the Company and the Grantee consistent with the 2007 Option Plan or (ii) by action of the Committee provided that the amendment is consistent with the 2007 Option Plan and is found by the Committee not to impair the rights of the Grantee under the Grant.

7. Change in Control.

(a) Effect on Grants. Unless the Committee shall otherwise expressly provide in the agreement relating to a Grant, upon the occurrence of a Change in Control (as defined below) each outstanding Stock Option that is not then fully exercisable shall automatically become fully exercisable and shall remain so for the period permitted in the agreement relating to the Grant.

(b) Change in Control. For purposes of the 2007 Option Plan, a Change in Control shall mean the happening of any of the following events:

(i) The acquisition by any "person," as that term is used in Sections 13(d) and 14(d) of the 1934 Act of "beneficial ownership," as defined in Rule 13d-3 under the 1934 Act, directly or indirectly, of 20% or more of the shares of the Company's capital stock the holders of which have general voting power under ordinary circumstances to elect at least a majority of the Board of Directors of the Company (or which would have such voting power but for the application of the Minnesota Control Share Statute) ("Voting Stock");

(ii) approval by the shareholders of the Company of a merger, share exchange, or consolidation of the Company (a "Transaction"), other than a Transaction which would result in the Voting Stock of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 50% of the Voting Stock of the Company or such surviving entity immediately after such Transaction; or

(iii) approval by the shareholders of the Company of a complete liquidation of the Company or a sale or disposition of all or substantially all the assets of the Company.

8. General Provisions.

(a) Prohibitions Against Transfer.

(i) Except as provided in part (ii) of this subparagraph, only a Grantee or his or her authorized legal representative may exercise rights under a Grant. Such person may not transfer those rights. The rights under a Grant may not be disposed of by transfer, alienation, pledge, encumbrance, assignment, or any other means, whether voluntary or involuntary, or by operation of law, and any such attempted disposition shall be void; provided, however, that when a Grantee dies, the personal representative or other person entitled under a Grant under the 2007 Option

Plan to succeed to the rights of the Grantee ("Successor Grantee") may exercise the rights. A Successor Grantee must furnish proof satisfactory to the Company of his or her right to receive the Grant under the Grantee's will or under the applicable laws of descent and distribution.

(ii) Notwithstanding the foregoing, the Board or the Committee may, in its discretion and subject to such limitations and conditions as the Board or the Committee deems appropriate, grant nonqualified stock options on terms which permit the Grantee to transfer all or part of the stock option, for estate or tax planning purposes or for donative purposes, and without consideration, to a member of the Grantee's immediate family (as defined by the Board or the Committee), a trust for the exclusive benefit of such immediate family members, or a partnership, corporation or limited liability company the equity interests of which are owned exclusively by the Grantee and/or one or more members of his or her immediate family or to a tax-exempt organization qualified under Section 501(c) of the Code. No such stock option or any other Grant shall be transferable incident to divorce. Subsequent transfers of a stock option transferred under this part (ii) shall be prohibited except for transfers to a Successor Grantee upon the death of the transferee.

(b) Substitute Grants. The Committee may make a Grant to an employee of another corporation who becomes an Eligible Employee by reason of a corporate merger, consolidation, acquisition of stock or property, reorganization or liquidation involving the Company in substitution for a stock option granted by such other corporation ("Substituted Stock Option"). The terms and conditions of the substitute Grant may vary from the terms and conditions that would otherwise be required by the 2007 Option Plan and from those of the Substituted Stock Options. The Committee shall prescribe the exact provisions of the substitute Grants, preserving where practical the provisions of the Substituted Stock Options, and shall also determine the number of shares of Nortech Stock to be taken into account under Section 4.

(c) Fractional Shares. Fractional shares shall not be issued or transferred under a Grant, but the Committee may pay cash in lieu of a fraction or round the fraction.

(d) Compliance with Law. The 2007 Option Plan, the exercise of Grants, and the obligations of the Company to issue or transfer shares of Nortech Stock under Grants shall be subject to all applicable laws and regulations and to approvals by any governmental or regulatory agency as may be required. The Board or the Committee may revoke any Grant if it is contrary to law or modify a Grant to bring it into compliance with any valid and mandatory law or government regulation. The Board or the Committee may also adopt rules regarding the withholding of taxes on payment to Grantees.

(e) Ownership of Stock. A Grantee or Successor Grantee shall have no rights as a shareholder of the Company with respect to any shares of Nortech Stock covered by a Grant until the shares are issued or transferred to the Grantee or Successor Grantee on the Company's books.

(f) No Right to Employment or to Future Grants. The 2007 Option Plan and the Grants under it shall not confer upon any Grantee the right to continue in the employment of the Company or as a member of the Board or affect in any way (i) the right of the Company to terminate the employment of a Grantee at any time, with or without notice or cause, or (ii) any right of the Company or its shareholders to terminate the Grantee's service on the Board. The receipt of one or more Grants by a Grantee shall not confer upon the Grantee any rights to future Grants.

(g) Foreign Jurisdictions. The Committee may adopt, amend, and terminate such arrangements and make such Grants, not inconsistent with the intent of the 2007 Option Plan, as it may deem necessary or desirable to make available tax or other benefits of the laws of foreign jurisdictions to Grantees who are subject to such laws. The terms and conditions of such foreign Grants may vary from the terms and conditions that would otherwise be required by the 2007 Option Plan.

Edgar Filing: NORTECH SYSTEMS INC - Form DEF 14A

(h) Governing Law. The 2007 Option Plan and all Grants made under it shall be governed by and interpreted in accordance with the laws of the State of Minnesota, regardless of the laws that might otherwise govern under applicable Minnesota conflict-of-laws principles.

(i) Effective Date of the 2007 Option Plan. The 2007 Option Plan shall become effective upon its approval by the Company's shareholders at the annual meeting to be held on May 14, 2008, or any adjournment of the meeting.
