Table of Contents

**What is the board of directors' recommendations?**

Our board of directors recommends a vote:

FOR the election of each of Aditya Dutt, Roy J. Kasmar and Andrew Turnbull to serve as Class I directors through the 2015 Annual General Meeting of Shareholders;

FOR the election of each of Robert Glanville, Allan Levine and Vipul Tandon to serve as Class II directors through the 2016 Annual General Meeting of Shareholders;

FOR the election of each of Mark A. Casale, Douglas J. Pauls and William Spiegel to serve as Class III directors through the 2017 Annual General Meeting of Shareholders; and

FOR the re-appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year ending December 31, 2014 and until our 2015 Annual General Meeting of Shareholders, and the referral of the determination of the auditors' compensation to our board of directors.

**Who is entitled to vote at the Annual Meeting?**

Our board of directors has set March 21, 2014 as the record date for the Annual Meeting. All shareholders who owned common shares at the close of business on March 21, 2014 may vote at the Annual Meeting, either in person or by proxy. As of the record date, there were 86,493,803 common shares outstanding and entitled to vote.

**How many votes do I have?**

You have one vote for each common share that you owned at the close of business on the record date, provided that on the record date those shares were either held directly in your name as the shareholder of record or were held for you as the beneficial owner through a broker, bank or other intermediary. There is no cumulative voting.

**What is the difference between holding shares as a shareholder of record and as a beneficial owner?**

Many of our shareholders hold their shares through a broker, bank or other intermediary rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

*Shareholder of Record.* If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered to be the shareholder of record with respect to those shares, and these proxy materials are being sent directly to you by us. As a shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. We have enclosed a proxy card for you to use.

*Beneficial Owner.* If your shares are held in a stock brokerage account or by a bank or other intermediary, you are considered to be the beneficial owner of shares held in "street name," and this proxy statement and the accompanying materials are being forwarded to you by your broker, bank or other intermediary, which is considered to be the shareholder of record with respect to those shares. As a beneficial owner, you have the right to direct your broker, bank or other intermediary on how to vote and are also invited to attend the Annual Meeting. Your broker, bank or other intermediary has enclosed a voting instruction card for you to use in directing the broker, bank or other intermediary regarding how to vote your shares. However, since you are not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a proxy, executed in your favor, from the holder of record of such shares.

Table of Contents

**What if I don't vote for some of the items listed on my proxy card or voting instruction card?**

If you are a record holder and return your signed proxy card in the enclosed envelope but do not mark selections, your shares will be voted in accordance with the recommendations of our board of directors. If you indicate a choice with respect to any matter to be acted upon on your proxy card, your shares will be voted in accordance with your instructions.

If you are a beneficial owner and hold your shares in street name through a broker and do not give voting instructions to the broker, the broker will determine if it has the discretionary authority to vote on the particular matter. Under the applicable rules, brokers have the discretion to vote on routine matters, such as the selection of accounting firms, but do not have discretion to vote on non-routine matters, including the uncontested election of directors. As a result, if you are a beneficial owner and hold your shares in street name but do not give your broker or other nominee instructions on how to vote your shares with respect to the election of directors, no votes will be cast on your behalf with respect to the election of directors.

If you do not provide voting instructions to your broker and your broker indicates on its proxy card that it does not have discretionary authority to vote on a particular proposal, your shares will be considered to be "broker non-votes" with regard to that matter. Proxy cards that reflect a broker non-vote with respect to at least one proposal to be considered at the Annual Meeting (so long as they do not apply to all proposals to be considered) will be considered to be represented for purposes of determining a quorum but will not otherwise be counted.

We encourage you to provide voting instructions to your broker by carefully following in the instructions provided by your broker.

**What options are available to me to vote my shares?**

Whether you hold shares directly as the shareholder of record or through a bank, broker or other intermediary, your shares may be voted at the Annual Meeting by following any of the voting options available to you below:

*You may vote via the Internet.* You may submit your proxy or voting instructions over the Internet by following the instructions on the proxy card or voting instruction form.

*You may vote via the telephone.*

If you are a shareholder of record, you can submit your proxy by calling the telephone number specified on the paper copy of the proxy card that you received with the proxy materials. You must have the control number that appears on your proxy card available when submitting your proxy over the telephone.

Most shareholders who hold their shares in street name may submit voting instructions by calling the number specified on the paper copy of the voting instruction form provided by their bank, broker or other intermediary. Those shareholders should check the voting instruction form for telephone voting availability.

*You may vote by mail.* You can submit your proxy or voting instructions by completing and signing the separate proxy card or voting instruction form you received and mailing it in the accompanying prepaid and addressed envelope.

*You may vote in person at the Annual Meeting.* All shareholders of record may vote in person at the Annual Meeting. Written ballots will be passed out to anyone who wants to vote at the Annual Meeting. However, if you are the beneficial owner of shares held in street name through a bank, broker or other intermediary, you may not vote your shares at the Annual Meeting unless you obtain a

Table of Contents

"legal proxy" from the bank, broker or intermediary that holds your shares, giving you the right to vote the shares at the Annual Meeting.

Even if you plan to attend the Annual Meeting, we recommend that you submit your proxy or voting instructions in advance to authorize the voting of your shares at the Annual Meeting to ensure that your vote will be counted if you later are unable to attend.

**How many votes must be present to hold the Annual Meeting?**

The presence of two persons in person and throughout the meeting representing, in person or by proxy, more than a majority of the common shares outstanding and entitled to vote on the matters to be considered at the Annual Meeting, is required for the transaction of business at the Annual Meeting. This is called a "quorum." Your shares will be counted as being present at the Annual Meeting if either you are present and vote in person at the Annual Meeting or a proxy card has been properly submitted by you or on your behalf and such proxy card indicates a vote on at least one matter to be considered at the Annual Meeting. Both abstentions and "broker non-votes" (under certain circumstances described below) are counted as being present for the purpose of determining the presence of a quorum. If a quorum is not present by attendance at the Annual Meeting or represented by proxy, the meeting will be adjourned to the same date one week later, at the same time and place, or to such other date, time and place as the Secretary may determine. If a new record date is fixed for the adjourned meeting, we will provide notice of the adjourned meeting to each shareholder of record entitled to vote at the meeting.

**What is the vote required to pass each proposal to be presented at the Annual Meeting?**

Each proposal or matter voted on at the Annual Meeting will be decided by a simple majority of votes cast on such proposal or matter.

With respect to the election of directors, you may vote "For" all nominees, "Withhold" your vote as to any or all of the nominees, or vote "For" some but not all of the nominees and "Withhold" your vote for the remaining nominee(s). A properly executed proxy marked "Withhold" with respect to the election of any or all of the directors will not be voted with respect to the director or directors indicated. With respect to the election of directors, proxies may not be voted for more than nine nominees. Shareholders may not cumulate votes in the election of directors.

With respect to the selection of our auditor, you may vote "For", "Against" or "Abstain". If you "Abstain" from voting on the selection of our auditor, the abstention will have the same effect as an "Against" vote.

**What does it mean if I receive more than one set of proxy materials?**

Generally, it means that you hold common shares registered in more than one account. To ensure that all of your shares are voted, please vote in the manner described above with respect to each proxy card or voting instruction card accompanying the proxy materials.

**Can I change or revoke my vote after I return my proxy card or voting instruction card?**

Yes. Any shareholder of record has the power to change or revoke a previously submitted proxy at any time before it is voted at the Annual Meeting by:

submitting to our Secretary, before the voting at the Annual Meeting, a written notice of revocation bearing a later date than the proxy;

timely delivery of a valid, later-dated proxy (only the last proxy submitted by a shareholder by Internet, telephone or mail will be counted); or

Table of Contents

attending the Annual Meeting and voting in person (provided that attendance at the Annual Meeting will not by itself constitute a revocation of a proxy).

For shares held in street name, you may revoke any previous voting instructions by submitting new voting instructions to the bank, broker or other intermediary holding your shares by the deadline for voting specified in the voting instructions provided by your bank, broker or other intermediary. Alternatively, if your shares are held in street name and you have obtained a legal proxy from the bank, broker or other intermediary giving you the right to vote the shares at the Annual Meeting, you may revoke any previous voting instructions by attending the Annual Meeting and voting in person.

**How can I attend the Annual Meeting?**

The Annual Meeting is open to all shareholders holding common shares as of the record date.

If you are a shareholder of record, you will have to present valid picture identification. If you are a beneficial owner, you will need to obtain a legal proxy from your bank or broker. This legal proxy will serve as an admission ticket and authorize you to vote your common shares (or to change your vote) at the Annual Meeting. You will also be required to present valid picture identification.

Shareholders who do not have valid picture identification and a legal proxy (if required) may not be admitted to the Annual Meeting.

Admission to the Annual Meeting will begin at 7:30 a.m. Atlantic Daylight Time on Tuesday, May 6, 2014. Seating will be limited. In order to ensure that you are seated by the commencement of the Annual Meeting at 8:00 a.m., we recommend that you arrive early. The Annual Meeting will be held at the Fairmont Southampton Hotel located at 101 South Shore Road, Southampton SN02, Bermuda. When you arrive, signs will direct you to the appropriate meeting room. Please note that due to security reasons, all bags will be subject to search. We will be unable to admit anyone who does not comply with these security procedures. Cameras and other recording devices will not be permitted in the meeting room.

We encourage all shareholders, even those who plan to attend the Annual Meeting, to vote in advance. If you intend to vote at the Annual Meeting, you must provide our Secretary with oral or written notice either at or prior to the meeting.

**What is a proxy? How do I appoint a proxy and instruct that individual how to vote on my behalf?**

A proxy is your legal designation of another person to vote on your behalf the common shares that you hold.

You can appoint the proxies recommended by our board of directors (*i.e.*, Mark A. Casale and Lawrence E. McAlee; see "What does solicitation of proxies mean?" below) to vote on your behalf, and give those individuals voting instructions by following the directions on the proxy card.

If you are a shareholder of record, you may also appoint another individual to represent you at the Annual Meeting by notifying our Secretary in writing before the Annual Meeting begins. Your appointed proxy must provide valid picture identification to be admitted to the Annual Meeting.

If you are a beneficial owner, please contact the broker that holds your common shares if you intend to appoint a proxy that is different from those recommended by our board of directors.

**What does solicitation of proxies mean?**

In a solicitation of proxies, one party (in this case, our board of directors) encourages shareholders to appoint one or more particular individuals (in this case, Mark A. Casale, our Chairman, Chief Executive Officer and President, and Lawrence E. McAlee, our Senior Vice President and Chief

Table of Contents

Financial Officer) to vote on their behalf (*i.e.*, to vote as their proxy in accordance with their instructions).

We will bear the expense of printing and mailing proxy materials. In addition to this solicitation of proxies by mail, our directors, officers and other employees may solicit proxies by personal interview, telephone, facsimile or e-mail. They will not be paid any additional compensation for such solicitation. We will request brokers and intermediaries who hold our common shares in their names to furnish proxy materials to beneficial owners of the shares. We will reimburse such brokers and intermediaries for their reasonable expenses incurred in forwarding solicitation materials to such beneficial owners.

Beneficial owners will be asked to forward the proxy materials to the broker that holds their common shares. That entity will be reimbursed for its reasonable expenses incurred in connection with distributing and collecting proxy materials.

**What else will happen at the Annual Meeting?**

At the Annual Meeting, the only item currently on the agenda other than the election of directors and the re-appointment of our independent registered public accounting firm is for the shareholders to receive our financial statements and the report of our independent registered public accounting firm thereon for the year ended December 31, 2013.

**How can I access Essent Group Ltd.'s proxy materials and annual report electronically?**

This proxy statement and our 2013 Annual Report to Shareholders, including our Annual Report on Form 10-K for the year ended December 31, 2013, are available on our website at [www.essentgroup.com](http://www.essentgroup.com).

**How do I find out the voting results?**

Preliminary voting results will be announced at the Annual Meeting, and final voting results will be filed with the SEC within 4 business days following the Annual Meeting.

**JOBS Act Explanatory Note**

We are an "emerging growth company" under applicable U.S. federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012 (the "JOBS Act"), including the compensation disclosures required of a "smaller reporting company," as that term is defined in the rules promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on a non-binding advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an "emerging growth company" until the earliest of: (i) the last day of the fiscal year in which we have total annual gross revenue of \$1 billion or more; (ii) December 31, 2018; (iii) the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; or (iv) the date on which we are deemed to be a "large accelerated filer" under the rules of the Securities and Exchange Commission.

Table of Contents**BOARD OF DIRECTORS****General**

Our board of directors is composed of nine directors. Our bye-laws, which were amended and restated in connection with our initial public offering in November 2013, provide that, at the Annual Meeting, our directors will be divided into three classes consisting, as nearly as possible, of one-third of the total number of directors constituting the entire board, with (i) Class I directors being elected for a one year term, (ii) Class II directors being elected for a two year term, and (iii) Class III directors being elected for a three year term. At each succeeding annual general meeting of shareholders, successors to the class of directors whose term expires at that annual general meeting will be elected for a term of three years. As a result, after the 2014 Annual General Meeting of Shareholders, only a portion of our board of directors will be elected each year.

Our directors hold office until their successors have been elected and qualified, or the earlier of their death, resignation or removal. Vacancies on the board of directors may be filled by the shareholders or by the board of directors. A vacancy caused by loss of the Pine Brook designee, as described in more detail below, will be filled at the direction of Pine Brook. Our system of electing and removing directors may delay or prevent a change of our management or a change in control of our Company.

**Nominees for Election at the Annual Meeting**

The following table identifies the members of our board of directors nominated for election at the Annual Meeting:

<b>Name</b>	<b>Age</b>	<b>Position</b>
<i>Class I Directors</i>		
Aditya Dutt	38	Director
Roy J. Kasmar	58	Director
Andrew Turnbull	45	Director
<i>Class II Directors</i>		
Robert Glanville	47	Director
Allan Levine	45	Director
Vipul Tandon	40	Director
<i>Class III Directors</i>		
Mark A. Casale	49	Chairman of the Board of Directors, Chief Executive Officer and President
Douglas J. Pauls	55	Director
William Spiegel	51	Director

The individuals identified below are to be elected by our shareholders at the Annual Meeting, each to hold office for term specified below or until his successor is duly elected and qualified.

Unless otherwise specified in the accompanying proxy, the shares voted pursuant thereto will be cast for each of:

Aditya Dutt, Roy J. Kasmar and Andrew Turnbull to serve as Class I directors through the 2015 Annual General Meeting of Shareholders;

Robert Glanville, Allan Levine and Vipul Tandon to serve as Class II directors through the 2016 Annual General Meeting of Shareholders; and

Table of Contents

Mark A. Casale, Douglas J. Pauls and William Spiegel to serve as Class III directors through the 2017 Annual General Meeting of Shareholders.

If, for any reason, any nominee is unable or unwilling to serve, the persons named in the proxy will use their best judgment in selecting and voting for a substitute candidate or our board of directors may reduce the number of directors. Our board of directors, however, has no reason to believe that any of the nominees will be unable or unwilling to be a candidate for election at the time of the Annual Meeting.

The following biographical information is furnished as to each nominee for election as a director at the Annual Meeting:

**CORPORATE GOVERNANCE**

**Our Commitment to Corporate Governance**

Our board of directors and management have a strong commitment to effective corporate governance. We believe that we maintain a comprehensive corporate governance framework for our operations which, among other things, takes into account the requirements of the Sarbanes-Oxley Act of 2002, the Securities and Exchange Commission (SEC), the New York Stock Exchange (NYSE) and the Dodd-Frank Act. The key components of this framework are set forth in:

our Bye-laws;

our Corporate Governance Guidelines;

our Code of Business Conduct and Ethics;

our Related Party Transaction Policy;

our Audit Committee Charter;

our Compensation Committee Charter;

our Nominating and Corporate Governance Committee Charter; and

our Risk Committee Charter.

A copy of each of these documents is published on our website at [www.essentgroup.com](http://www.essentgroup.com), except our Bye-laws, which are filed with the SEC and can be found on the SEC's website at [www.sec.gov](http://www.sec.gov). Each of these documents is available in print to any shareholder upon request by writing to our Secretary at Essent Group Ltd., Clarendon House, 2 Church Street, Hamilton HM11, Bermuda. Our board of directors regularly reviews corporate governance developments and modifies our committee charters and key practices and policies as our board believes to be warranted.

**Corporate Governance Guidelines**

Our board of directors has adopted corporate governance guidelines that serve as a flexible framework within which our board of directors and its committees operate. These guidelines cover a number of areas including the size and composition of the board, board membership criteria and director qualifications, director responsibilities, board agenda, roles of the chairman of the board and chief executive officer, meetings of independent directors, committee responsibilities and assignments, board member access to management and independent advisors, director communications with third parties, director compensation, director orientation and continuing education, evaluation of senior management and management succession planning.

**Code of Business Conduct and Ethics**

Our Code of Business Conduct and Ethics includes information regarding procedures established by the audit committee for the submission of complaints about our accounting or auditing matters. Our Code of Business Conduct and Ethics is applicable to our directors, executives and employees, and reflects and reinforces our commitment to integrity in the conduct of our business. Amendments to our Code of Business Conduct and Ethics and any grant of a waiver from a provision of our Code of Business Conduct and Ethics will be included in a current report on Form 8-K within four days of the date of the amendment or waiver, unless posting such information on our website will then satisfy the rules

of the NYSE.

Our audit committee, on behalf of itself and our other non-management directors, has established procedures to enable employees or other parties who may have a concern about our conduct or policies to communicate that concern. Our employees are encouraged and expected to report any conduct

which they believe in good faith to be an actual or apparent violation of our Code of Business Conduct and Ethics. In addition, our audit committee has established procedures pertaining to receiving, retaining, and treating complaints received regarding accounting, internal accounting controls, or auditing matters, and with respect to the confidential, anonymous submission by our employees of concerns regarding, among other things, questionable accounting or auditing matters. Such communications may be confidential or anonymous, and may be e-mailed, submitted in writing, or reported by phone through various internal and external mechanisms as provided on the our internal website. Additional procedures by which internal communications may be made are provided to each employee.

Our Code of Business Conduct and Ethics prohibits any employee or director from retaliating or taking any adverse action against anyone for raising or helping to resolve an integrity concern.

**Board Leadership Structure**

Our board of directors does not have a policy regarding the separation of the roles of chief executive officer and chairman of our board of directors, as our board of directors believes it is in our best interests to make that determination based on the position and direction of the Company and the membership of our board of directors.

Both the chairman and chief executive officer positions are currently held by Mr. Casale. Pursuant to our Corporate Governance Guidelines, in the event that the role of chairman is held by a member of our management, the independent members of our board of directors may designate one independent director to serve as the lead independent director. Mr. Spiegel currently serves as our lead independent director. Under the terms of our Corporate Governance Guidelines, the lead independent director has broad responsibility and authority, including:

organizing and presiding over all meetings of our board of directors at which the chairman is not present, including all executive sessions of our non-management and independent directors;

serving as the liaison between the chairman and the non-management directors;

overseeing the information sent to our board of directors by management;

approving meeting agendas and schedules for our board of directors;

facilitating communication between our board of directors and management; and

performing such other duties as requested by our board of directors.

Our board of directors has determined that having Mr. Casale serve as both our chief executive officer and the chairman of our board of directors, along with a lead independent director, is in the best interests of the Company and our shareholders at this time.

A number of factors support the leadership structure chosen by our board, including, among others:

Mr. Casale has extensive knowledge of all aspects of us and our business and risks, our industry and our customers, is intimately involved in our day-to-day operations and is best positioned to elevate the most critical business issues for consideration by our board of directors;

our board of directors believes having Mr. Casale serve in both capacities allows him to more effectively execute our strategic initiatives and business plans and confront our challenges;

Edgar Filing: Essent Group Ltd. - Form DEF 14A

the combined role is both counterbalanced and enhanced by the effective oversight and independence of our board of directors and the independent leadership provided by our lead independent director and independent committee chairs; and

Table of Contents

our board of directors believes that the appointment of a strong lead independent director and the use of regular executive sessions of the non-management directors, along with the board's strong committee system and all directors being independent except for Mr. Casale, allow it to maintain effective oversight of management.

**Determination of Director Independence**

Our board of directors has considered whether our directors qualify as "independent" directors in accordance with NYSE listing requirements and has determined that only Mr. Casale is not considered to be independent, as he is an employee of the Company. The NYSE independence definition include a series of objective tests, such as that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his family members has engaged in various types of business dealings with us. In making these determinations, our board of directors reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities and relationships as they may relate to us and our management.

**Meetings and Committees of our Board of Directors**

Our board of directors met four times during 2013. Each incumbent director attended at least 75% of the aggregate meetings of our board of directors during 2013 that were held following his election and of the meetings held by all committees on which he served. Although we do not have a policy regarding the attendance of our board members at our annual general meetings of shareholders, we encourage all directors to attend our annual general meetings of shareholders. All of our directors at the time of our 2013 annual general meeting of shareholders (nine members in total, including Messrs. Casale, Dutt, Glanville, Levine, Spiegel, Tandon and Turnbull, plus two other individuals who resigned from our board of directors after the meeting but prior to our initial public offering in November 2013) were present at that meeting other than Mr. Levine.

Our non-management and independent directors also hold regular meetings without our management being present. Between the completion of our initial public offering in November 2013 and December 31, 2013, our non-management and independent directors held one such meeting.

Our board of directors maintains standing audit, compensation, nominating and corporate governance, and risk committees. Each committee has a charter that, among other things, reflects what we believe to be the best current practices in corporate governance.

*Audit Committee*

The audit committee has the responsibility for, among other things, assisting the board of directors in reviewing our financial reporting and other internal control processes, our financial statements, the independent auditors' qualifications, independence and compensation, the performance of our internal audit function and independent auditors, and our compliance with legal and regulatory requirements and our Code of Business Conduct and Ethics.

Our audit committee consists of Messrs. Pauls, Dutt, Glanville, Tandon and Turnbull. Upon his appointment to our board of directors in December 2013, Mr. Pauls was also appointed as the chairman of the audit committee. The former chairman of the audit committee, Mr. Glanville, remains a member of our audit committee. Mr. Tandon has indicated that he intends to resign from the audit committee provided that he is reelected at the Annual Meeting, at which point the audit committee will consist of Messrs. Pauls, Dutt, Glanville and Turnbull.

Our board of directors has determined that all of the members of the audit committee are independent, and meet the requirements for financial literacy, under applicable rules and regulations of the SEC and the NYSE. Our board of directors has determined that each of Messrs. Pauls and

Table of Contents

Glanville is an "audit committee financial expert" as defined under the applicable rules of the SEC and has the requisite financial sophistication as defined under the applicable rules and regulations of the NYSE.

The audit committee met five times during 2013.

*Compensation Committee*

The compensation committee has the responsibility for, among other things, determining the compensation of our executive officers and directors, reviewing our executive compensation policies and plans, administering and implementing our equity compensation plans, and preparing a report on executive compensation for inclusion in our proxy statement for our annual meeting.

Our compensation committee consists of Messrs. Kasmar, Levine and Spiegel. Upon his appointment to our board of directors in November 2013, Mr. Kasmar was also appointed to serve as the chairman of our compensation committee. The former chairman of the compensation committee, Mr. Spiegel, remains a member of the committee. Our board of directors has determined that all of the members of the compensation committee are independent under applicable rules and regulations of the SEC and the NYSE. Each of the members of our compensation committee is an "outside director" as that term is defined in Section 162(m) of the Code.

The compensation committee met four times during 2013.

*Nominating and Corporate Governance Committee*

The nominating and corporate governance committee has the responsibility for, among other things, reviewing board structure, composition and practices, and making recommendations on these matters to our board of directors, reviewing, soliciting and making recommendations to our board of directors and shareholders with respect to candidates for election to the board of directors, overseeing our board of directors' performance and self-evaluation process, and developing and reviewing a set of corporate governance principles for the Company.

Our nominating and corporate governance committee consists of Messrs. Spiegel, Levine and Kasmar. Mr. Spiegel serves as the chairperson of our nominating and corporate governance committee. Our board of directors has determined that all of the members of the nominating and corporate governance committee are independent under applicable rules and regulations of the SEC and the NYSE.

The nominating and corporate governance committee met two times during 2013.

*Risk Committee*

The risk committee has the responsibility for, among other things, assisting with the oversight of key risks that we face and the review of our investing activities.

Our risk committee consists of Messrs. Glanville, Dutt, Pauls, Tandon and Turnbull. Mr. Glanville serves as the chairman of our risk committee. Mr. Tandon has indicated that he intends to resign from the risk committee provided that he is reelected at the Annual Meeting, at which point the risk committee will consist of Messrs. Pauls, Dutt, Glanville and Turnbull.

The risk committee met three times during 2013.

**Board of Directors' Role in Risk Oversight**

Our board of directors as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant committees of the board that report on their deliberations to the

Table of Contents

board. The oversight responsibility of our board of directors and its committees is enabled by management reporting processes that are designed to provide visibility to the board about the identification, assessment and management of critical risks and management's risk mitigation strategies. These areas of focus include competitive, economic, operational, financial (accounting, credit, liquidity and tax), legal, regulatory, compliance and reputational risks. Our board of directors and its committees oversee risks associated with their respective principal areas of focus, as summarized below.

<b>Committee</b>	<b>Primary Areas of Risk Oversight</b>
Audit Committee	Risks and exposures associated with financial matters, particularly financial reporting, tax, accounting, disclosures, compliance, internal control over financial reporting, financial policies, investment guidelines and credit and liquidity matters and our enterprise risk management program.
Nominating and Corporate Governance Committee	Risks and exposures associated with leadership and succession planning and corporate governance.
Compensation Committee	Risks and exposures associated with executive compensation programs and arrangements, including incentive plans.
Risk Committee	Risks associated with insurance and investment portfolios, including credit, underwriting, pricing risk, market risk and liquidity risk.

**Director Nominations**

The nominating and corporate governance committee is responsible for recommending to our board of directors candidates for nomination and election as directors at annual general meetings of shareholders or for appointment to fill vacancies on the board. The committee annually reviews with the board the applicable skills and characteristics required of board nominees in the context of current board composition and company circumstances. In making its recommendations to our board of directors, the nominating and corporate governance committee considers, among other things, the qualifications of individual director candidates in light of the criteria described below. In accordance with its charter, the committee may use a variety of sources, including but not limited to executive search firms, to identify director candidates, and has the authority to retain and approve compensation for such firms. In 2013, the nominating and corporate governance committee engaged an executive search firm to identify potential nominees for director, including Mr. Pauls prior to his appointment to the board in December 2013, and to provide related services such as background checks and other due diligence.

In evaluating a candidate, our corporate governance and nominating committee and our board of directors takes into account a variety of factors as it deems to be appropriate, including the following:

high personal and professional ethics, values and integrity;

sound business judgment and financially literate;

diversity of point of view, including the candidate's education, skill, professional background, personal accomplishments, geography, race, gender, age, ethnic background, national origin, experience with mortgage, insurance, reinsurance or other businesses and organizations that our

Table of Contents

board deems relevant and useful, including whether such attributes or background would contribute to the diversity of the board as a whole;

ability and willingness to serve on any committees of our board of directors;

ability and willingness to commit adequate time to the proper functioning of our board of directors and its committees; and

any criteria regarding independence and other matters required by the NYSE or other applicable law or regulations.

Based on the information available to the corporate governance and nominating committee about a potential nominee, the committee will make an initial determination whether to conduct a full evaluation of a candidate. As part of the full evaluation process, the corporate governance and nominating committee may conduct interviews, obtain additional background information and conduct reference checks of potential nominees. The corporate governance and nominating committee may also ask potential nominees to meet with management and other members of our board of directors. After completing this evaluation process, the corporate governance and nominating committee makes a recommendation to the full board of directors, which makes the final determination whether to nominate the candidate as a director.

Our board of directors evaluates each individual in the context of the board as a whole, with the objective of recommending a group that can perpetuate the success of our business and represent shareholder interests through the exercise of sound judgment, using its diversity of experience.

Each director is expected to maintain an acceptable level of attendance, preparedness and participation with respect to meetings of the board of directors and its committees. In determining whether to recommend a director for re-election, the nominating and corporate governance committee also considers the director's past attendance at meetings, participation in and contributions to the activities of our board of directors, and the results of the most recent board self-evaluation.

Shareholders desiring to recommend nominees should submit their recommendations in writing to our Secretary at Essent Group Ltd., Clarendon House, 2 Church Street, Hamilton HM11, Bermuda. Recommendations from shareholders should include pertinent information concerning the proposed nominee's background and experience. The corporate governance and nominating committee may consider, as one of the factors in its evaluation of shareholder recommended nominees, the size and duration of the interest of the recommending shareholder or shareholder group in our capital stock. The corporate governance and nominating committee may also consider the extent to which the recommending shareholder intends to continue holding its interest in our capital stock, including, in the case of nominees recommended for election at an annual general meeting of shareholders, whether the recommending shareholder intends to continue holding its interest at least through the time of such annual general meeting of shareholders.

**Communications with our Board of Directors and Non-Management Directors**

Any shareholder or other interested party that desires to communicate directly with our board of directors, any committee of the board of directors or our non-management directors as a group may do so by addressing the communication in care of our Secretary at Essent Group Ltd., Clarendon House, 2 Church Street, Hamilton HM11, Bermuda with a request to forward the communication to the intended recipient. The Secretary's office opens all such correspondence and forwards it to the relevant director or group of directors, except for items unrelated to the functions of the board, including business solicitations or advertisements.

### **Compensation of the Named Executive Officers**

The following table sets forth information regarding the compensation awarded to, earned by, or paid to certain of our executive officers during the years ended December 31, 2013 and 2012. As an emerging growth company, we have opted to comply with the executive compensation disclosure rules applicable to "smaller reporting companies" as such term is defined in the rules promulgated under the Exchange Act, which require compensation disclosure for our principal executive officer and our two other most highly compensated executive officers, who we collectively refer to in this proxy statement as our "named executive officers."

(1) Pursuant to the terms of his prior employment agreement, Mr. Casale was entitled to an annual base salary of \$400,000, which increased to \$500,000 effective April 1, 2013 upon us receiving funded equity capital in excess of \$350 million. Effective as of the consummation of our initial public offering in November 2013, we entered into new employment agreements with each of Messrs. Casale, Marzol and Bhasin. Under the terms of those new employment agreements, the annual base salaries for each of Messrs. Casale, Marzol and Bhasin increased from \$500,000, \$375,000 and \$325,000, respectively, to \$700,000, \$425,000 and \$350,000, respectively, as of the consummation of our initial public offering.

(2) The amounts reported in this column represents the aggregate grant date fair value of the common shares granted in 2013 and 2012 computed in accordance with ASC Topic 718, disregarding for this purpose the estimate of forfeitures related to service-based vesting conditions. Share awards were issued in March 2013 and March 2012 to each of Messrs. Casale and Marzol and restricted share awards were issued to Mr. Bhasin for performance in fiscal years 2012 and 2011, respectively, in accordance with the terms of the employment agreements in place with our named executive officers at the time. Restricted share awards were also issued to each of Messrs. Casale, Marzol and Bhasin in September 2013, contingent upon the completion our initial public offering, which occurred in November 2013. Common shares granted in March 2014 for performance in fiscal year 2013 are reportable next year's Summary Compensation Table in accordance with SEC rules to the extent the executive is a named executive officer for 2014. The value of restricted common shares that are subject to both time-based and performance-based vesting conditions has been determined assuming the probable outcome of the performance conditions on the date of grant (i.e., achievement of the target performance level). For additional information, including a discussion of the assumptions used to calculate these values,

Casale, Marzol and Bhasin reflect payouts at 165%, 135%, and 135.7% of their respective target annual bonuses. The common shares granted in February 2014 for performance in fiscal year 2013 are reportable in next year's Summary Compensation Table in accordance with SEC rules to the extent the executive is a named executive officer for 2014. For additional information regarding our annual bonus program, see " Narrative to Summary Compensation Table Annual Bonus Plan."

*Executive Employment Agreements*

Certain of the compensation paid to our named executive officers reflected in the Summary Compensation Table is provided pursuant to employment arrangements entered into with us and/or our affiliates. In connection with our initial public offering in November 2013, we and/or our affiliates entered into a new employment agreement with each of our named executive officers, which we refer to as the new employment agreements. The new employment agreements replaced and superseded each of the executive's prior employment agreements with us and/or our affiliates, which we refer to as the prior employment agreements.

Prior Employment Agreements

Under his prior employment agreement, Mr. Casale was entitled to an annual base salary of \$400,000 (which increased to \$500,000 effective April 1, 2013 upon us receiving funded equity capital in excess of \$350 million in accordance with the terms of his 2009 employment agreement). Each of Messrs. Marzol and Bhasin was entitled to an annual base salary of \$375,000 and \$325,000, respectively, under the terms of his respective prior employment agreement.

Each of our named executive officers was also eligible under the terms of his respective prior employment agreement to receive an annual bonus based upon achievement of corporate financial objectives and, for Messrs. Marzol and Bhasin, individual goals. Mr. Casale's agreement provided for a target annual bonus equal to 125% of his annual base salary, while the agreements for each of Messrs. Marzol and Bhasin provided for a target annual bonus equal to 100% of his respective base salary. For a discussion of our annual bonus plan, see " Annual Bonus Plan" below. Each of our named executive officers was also entitled under his respective prior employment agreement to participate in the employee benefit plans and fringe benefit and welfare benefit programs that were generally available to other employees.

New Employment Agreements

The new employment agreements have an initial term expiring on November 5, 2016 and automatically extend for successive one-year periods, unless at least 120 days prior to the expiration of the initial term or the then current term either party to the agreement provides the other party with written notice of its intention not to renew the agreement.

Under the terms of the new employment agreements, Messrs. Casale, Marzol and Bhasin are entitled to annual base salaries of not less than \$700,000, \$425,000 and \$350,000, respectively. Commencing with 2014, each of our named executive officers are also be eligible to receive an annual bonus based upon the achievement of corporate and individual performance objectives. Each of

Messrs. Casale, Marzol and Bhasin are entitled to a target annual bonus equal to 125%, 100% and 100% of their annual base salaries, respectively, with 25% of the annual bonus earned by each named executive officer being paid in the form of restricted common shares or similar equity-based awards. For a discussion of our annual bonus plan, see " Annual Bonus Plan" below.

Commencing with 2014, each of Messrs. Marzol and Bhasin are also be eligible to participate in our long-term incentive plan. Pursuant to their new employment agreements, each of Messrs. Marzol and Bhasin is entitled to a target opportunity under our long-term incentive plan equal to 50% of his respective annual base salary. Mr. Casale is eligible to participate in our long-term incentive plan as may be agreed to from time to time by him and our compensation committee.

Our named executive officers are also entitled to participate in health, insurance, retirement and other benefits on no less favorable terms to similarly situated employees.

For a discussion of the severance pay and other benefits to be provided in connection with a termination of employment and/or a change in control under these employment arrangements, see " Potential Payments upon Termination or Change in Control" below.

***Annual Bonus Plan***

For 2013, all employees with the title of senior vice president or more senior and other designated employees are eligible to participate in our annual leadership bonus program. Our annual leadership bonus program pays for performance, which means that both we and the executive must meet minimum stated goals for the executive to qualify for a bonus. The weighting of corporate and individual goals varies by level of employees and, for our named executive officers is 75% and 25% for Mr. Marzol, 50% and 50% for Mr. Bhasin and Mr. Casale's annual bonus is based entirely on the achievement of corporate goals. Bonus payments under the program are scheduled to occur as soon as practicable following the end of the fiscal year, and in no event later than March 15<sup>th</sup> of the following year, subject to the executive's continuous employment through such payment date. Bonuses are paid in a combination of cash and common shares. Historically, one-half of the bonus was paid in cash and one-half was paid in common shares valued based on the last issue price of such shares by us. However, pursuant to the new employment agreements, our compensation committee will determine the portion of any bonus that will be paid in cash and the portion that will be paid in common shares, provided, that no less than 50% of any bonus will be paid in cash. Commencing with bonuses paid in 2014 in respect of our 2013 performance, our compensation committee has determined that 75% of each named executive officer's annual bonus will be paid in cash and the remaining 25% will be paid in common shares. Unless otherwise provided in an executive's employment or award agreement, common shares issued under our bonus program vest in three equal annual installments over a three-year period, subject to the executive's continuous employment through each such vesting date. Under their respective prior employment agreements, common shares issued to Messrs. Casale and Marzol as part of their annual bonuses (including the common shares issued as a part of their annual bonuses for 2013) became fully vested on the date of grant. For additional information regarding the vesting of outstanding restricted common shares held by our named executive officers on a termination of employment, see " Potential Payment upon Termination or Change in Control" below.

In connection with our initial public offering, our board of directors adopted, and our shareholders approved, the Essent Group Ltd. Annual Incentive Plan, or the Annual Incentive Plan. Commencing in 2014, annual cash incentive awards will be made pursuant to the Annual Incentive Plan.

Table of Contents**Equity Incentive Compensation**

In connection with our initial public offering in November 2013, we granted restricted common shares to members of our senior management team, including each of our named executive officers, under the 2013 Plan. One quarter of the restricted common shares granted to Mr. Casale and one-half of the restricted common shares granted to each other member of senior management are subject to time-based vesting, and will vest in equal annual installments during the four-year period commencing January 1, 2014, subject to the executive's continuous employment through each such vesting date. Three-quarters of the restricted common shares granted to Mr. Casale and one-half of the restricted common shares granted to each other member of senior management are subject to time-based and performance-based vesting, with any restricted common shares becoming earned upon our compounded annual book value per share growth percentage during the three-year performance period commencing January 1, 2014, vesting on the one-year anniversary of the achievement of compounded annual book value per share growth as follows:

Performance Level	Compounded Annual Book Value Per Share Growth	Restricted Common Shares Earned(1)
	< 11%	0%
<b>Threshold</b>	11%	10%
	12%	36%
	13%	61%
	14%	87%
<b>Maximum</b>	>15%	100%

(1)

In the event that the compounded annual book value per share growth falls between the performance levels shown above, the restricted common shares earned will be determined on a straight line basis between the respective levels.

The number of restricted common shares granted to each of our named executive officers in connection with our initial public offering in November 2013 is set forth in the table below.

	Restricted Share Awards (Time- and Performance-Based) Number of Shares	Restricted Share Awards (Time-Based) Number of shares

**401(k) Retirement Plan**

We manage our staffing under a co-employment agreement with Insperity, Inc. Our employees are eligible to participate in a multiple employer retirement plan sponsored by Insperity, Inc. that is intended to qualify for favorable tax treatment under Section 401(a) of the Internal Revenue Code and contains a cash or deferred feature that is intended to meet the requirements of Section 401(k) of the Internal Revenue Code. Employees who have attained at least 21 years of age are generally eligible to participate in the plan on the first day of the calendar month following their respective dates of hire. Participants may make pre-tax or after-tax contributions to the plan from their eligible earnings up to the statutorily prescribed annual limit on contributions under the Internal Revenue Code. Participants who are 50 years of age or older may contribute additional amounts based on the statutory limits for catch-up contributions. All employee and employer contributions are allocated to each participant's

Table of Contents

individual account and are then invested in selected investment alternatives according to the participant's directions. Pre-tax contributions by participants and contributions that we make to the plan and the income earned on those contributions are generally not taxable to participants until withdrawn, and all contributions are generally deductible by us when made. Participant contributions are held in trust as required by law. No minimum benefit is provided under the plan. An employee's interest in his pre-tax or after-tax deferrals is 100% vested when contributed. The plan provides for discretionary employer matching and profit sharing contributions, and for 2012 we did not make any contributions. An employer matching contribution was introduced in 2013 which provides for a contribution equal to 50% of a participant's 401(k) contributions up to 4% of a participant's compensation. The employer matching contribution is immediately vested.

**Potential Payments upon Termination or Change in Control**

Under the terms of the new employment agreements entered into in connection with our initial public offering in November 2013, we have agreed to make certain payments to our named executive officers in connection with certain terminations of their employment.

Upon a termination of employment by us without "cause" (as defined in the applicable employment agreement) or by the named executive officer for "good reason" (as defined in the applicable employment agreement), in addition to any accrued or earned but unpaid amounts, subject to the execution of a general release of claims in favor of the Company and its affiliates, the named executive officer will be entitled to (i) a lump-sum payment equal to 1.5 times (or, for Mr. Casale, 2 times) the sum of his then current annual base salary and target annual bonus for the fiscal year in which the date of termination occurs, payable as soon as reasonably practicable following the date of termination; (ii) his annual bonus for the year in which the termination date occurs, pro-rated based on the number of days which elapsed in the applicable fiscal year through the date of termination, payable at such time annual bonuses are paid to other senior executive officers of the Company; (iii) subject to executive's election of COBRA continuation coverage, provided executive does not become eligible to receive comparable health benefits through a new employer, a monthly cash payment equal to the monthly COBRA premium cost for current coverage for the 18-month (or, for Mr. Casale, 24-month) period following the date of termination; (iv) outplacement services at a level commensurate with executive's position in accordance with the Company's practices in effect from time to time; (v) vesting of any equity grant and other long-term incentive award previously granted to executive that is subject to service-based vesting or service requirements, that would have vested during the 18-month (or, for Mr. Casale, 24-month) period following the date of termination; provided, that if such termination follows a "change of control" (as defined in the applicable employment agreement) such awards will become fully vested on the date of termination of executive's employment; and (vi) vesting of any performance-based equity grant and other long-term incentive award that has not been earned as of the date of termination, which will remain outstanding through the completion of the applicable performance period and will be earned on a pro-rated basis (based on the period from the commencement of the applicable performance period through the date of termination) based on the actual performance for the applicable performance period.

Upon a termination due to death or as a result of "disability" (as defined in the applicable employment agreement), subject to the execution of a general release of claims in favor of the Company and its affiliates, (i) any equity grant and other long-term incentive award subject to service-based vesting or service requirements, previously granted to executive shall become fully vested on the

Table of Contents

date of termination and (ii) any performance-based equity grant and other long-term incentive award that has not been earned as of the termination date, will remain outstanding through the completion of the applicable performance period and will be earned on a pro-rated basis (based on the period from the commencement of the applicable performance period through the date of termination) based on the actual performance for the applicable performance period.

Each named executive officer's employment agreement subjects him to customary confidentiality restrictions that apply during his employment and indefinitely thereafter, and provides during his employment, and for a period of 18-months (or, for Mr. Casale, 24-months) thereafter, each executive will be subject to non-competition and non-interference covenants. Generally, the non-competition covenant prevents the executive from engaging in mortgage insurance or reinsurance or any business activities in which we or any of our affiliates are engaged (or has committed plans to engage) during executive's employment, and the non-interference covenant prevents the executive from soliciting or hiring our employees or those of our affiliates and from soliciting or inducing any of our customers, suppliers, licensees, or other business relations or those of our affiliates, to cease doing business without us, or reduce the amount of business conducted with, us or our affiliates, or in any manner interfering with our relationship with such parties.

Pursuant to the 2009 Plan and the award agreement evidencing the one-time grants to each of our named executive officers in 2009, upon a termination of employment by us without "cause" or by the named executive officer for "good reason" (as such terms are defined in the applicable employment agreement) or by reason of death or "disability" (as defined in the applicable employment agreement), each named executive officer will be entitled to vest in 16.67% of their outstanding unvested common shares under the 2009 Plan. In addition, all unvested common shares awarded under our 2009 Plan held by each of the named executive officers will fully vest (but in no event in a percentage beyond the "investment percentage") upon a termination of employment by us other than for "cause" or by the named executive officer for "good reason" in connection with a "change in control" (as defined in the applicable employment agreement).

**Decision Making Regarding Executive Compensation**

*Committee Authority*

The responsibilities of the compensation committee of our board of directors include:

Approving the goals and objectives relating to our chief executive officer's compensation, evaluating the performance of our chief executive officer in light of such goals and objectives, and setting the compensation of our chief executive officer based on this evaluation;

Approving the salaries and annual incentive awards of our other executive officers who report directly to our chief executive officer, including our executive vice president and each of our senior vice presidents, as well as our vice president and chief accounting officer, taking into account the recommendation of our chief executive officer and such other information as the compensation committee believes appropriate;

Administering our equity incentive plans, including authorizing restricted shares, restricted share units, performance units, options and other equity-based awards under these plans;

Retaining and terminating, in its sole discretion, third party consultants to assist in the evaluation of director and executive compensation (with sole authority to approve any such consultant's fees and other terms of engagement); and

Assessing the appropriate structure and amount of compensation for our directors.

Table of Contents

Our compensation committee's charter does not authorize the compensation committee to delegate any of its responsibilities under the compensation committee charter, other than off-cycle grants under our equity compensation plans to other persons, and except with respect to such off-cycle grants under our equity compensation plans the compensation committee has not delegated any of its responsibilities to other persons. The compensation committee has delegated certain authority under our 2013 Plan to a committee of our chief executive officer, chief financial officer and chief legal officer to make certain off-cycle restricted share and restricted shares unit awards under the 2013 Plan, but that delegation of authority does not pertain to the awards made to any of our executive officers, including our chief executive officer, or any non-employee of the Company.

*Compensation Consultants*

Our compensation committee recognizes the importance of objective, independent expertise and advice in carrying out its responsibilities. In connection with our initial public offering in 2013, the compensation committee retained The Hay Group as its consultant. Our compensation committee selected The Hay Group as consultants because of its expertise and reputation. Neither we nor our directors or executive officers have any affiliation with The Hay Group or its executives and the engagement and scope of services of The Hay Group have been solely through our compensation committee.

During 2013, our compensation consultants advised our compensation committee on executive compensation matters, plan design, industry trends and practices, and our pay-for performance alignment, including as measured relative to peers. As directed by the compensation committee, the consultants prepared analyses for the committee relating to all aspects of the compensation of our executives. They advised the committee on market practices regarding executive compensation, including annual incentive awards and long-term incentive pay, and reviewed our peer group and the market positioning of the compensation provided to our named executive officers and other senior executives. The consultants meet privately with the committee and individual committee members from time to time to plan for committee meetings and discuss executive compensation matters. The Hay Group does not provide other services to us. During 2013, we paid the Hay Group approximately \$186,000 in the aggregate in consideration of its services to the compensation committee.

*Role of Executives*

Our compensation committee seeks the views of our chief executive officer in setting and administering our executive compensation programs. In particular, at the beginning of each year, Mr. Casale oversees the development of corporate and individual goals for purposes of annual and long-term compensation. These goals are derived from our corporate business plan and include both quantitative measurements and qualitative considerations selected to reinforce and enhance achievement of our operating and growth objectives. The compensation committee reviews these goals with Mr. Casale, adopts revisions it deems appropriate and determines the final goals for compensation.

Following the end of each year, Mr. Casale reviews with the compensation committee, at several meetings, the achievement of corporate, business unit/regional and individual goals and the performance of each other named executive officer and presents his evaluation of such executive officer's performance to the committee. Decisions about individual compensation elements and total compensation are made by the committee, using its judgment, focusing primarily on each named executive officer's performance against the officer's performance goals as well as our overall performance. With respect to the non-quantitative performance measures applicable to our executives, the compensation committee relies heavily on the views of Mr. Casale (other than as to himself). As chief executive officer, Mr. Casale oversees the day to day performance of the other named executive

Table of Contents

officers. As such, our compensation committee believes that he is well positioned to evaluate their performance and make recommendations as to their overall compensation.

In addition to the role played by our chief executive officer, our other executive officers furnish such industry data and legal and financial analyses as the compensation committee requests from time to time.

**Compensation Committee Interlocks and Insider Participation**

Roy J. Kasmar, Allan Levine and William Spiegel served as the members of our compensation committee in 2013. None of the members of our compensation committee is an officer or employee of our Company. None of our executive officers serves, or in the past year has served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our board of directors or compensation committee.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

We have adopted a related person transactions policy pursuant to which our executive officers, directors and principal shareholders, including their immediate family members, are not permitted to enter into a related person transaction with us without the consent of our audit committee. Subject to certain exceptions, any request for us to enter into a transaction with an executive officer, director, principal shareholder or any of such persons' immediate family members, in which the amount involved exceeds \$120,000, will be required to be presented to our audit committee for review, consideration and approval. All of our directors, executive officers and employees are required to report to our audit committee any such related person transaction. In approving or rejecting the proposed transaction, our audit committee takes into account, among other factors it deems appropriate, whether the proposed related person transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, the extent of the related person's interest in the transaction and, if applicable, the impact on a director's independence. Under the policy, if we should discover related person transactions that have not been approved, our audit committee will be notified and will determine the appropriate action, including ratification, rescission or amendment of the transaction.

Other than compensation agreements and other arrangements which are described in the "Corporate Governance Director Compensation" and "Executive Officers and Executive Compensation" sections of this proxy statement and the transactions described below, during the year ended December 31, 2013 there was not, and there is not currently proposed, any transaction or series of transactions to which we were or will be a party in which the amount involved exceeded or will exceed \$120,000 and in which any of our directors, nominees for director, executive officers, holders of more than five percent of any class of our voting securities or any member of the immediate family of the foregoing persons had or will have a direct or indirect material interest.

We believe that all of the transactions described below are on terms no less favorable to us than we could have obtained from unaffiliated third parties.

*Subscription Agreement*

On March 25, 2010, in connection with the issuance of additional shares of class A common shares, we entered into the Amended and Restated Class A Common Share Subscription Agreement (the "subscription agreement") with Essent Intermediate, L.P., Valorina LLC, The Goldman Sachs Group, Inc., Aldermanbury Investments Limited, PPF Holdings II Ltd., Renaissance Re Ventures Ltd., Ithan Creek Master Investment Partnership (Cayman) II, L.P. and Ithan Creek Master Investors (Cayman) L.P. (collectively, the "Ithan Creek Entities"), Mark A. Casale, and certain other investors identified therein. Under the agreement, our shareholders were obligated to pay draws requested by us under certain enumerated circumstances up to their individual funding commitment in exchange for additional class A common shares. Any shareholder who declined or otherwise failed to fund its pro rata share of the draw forfeited certain rights under the subscription agreement and related documents. Our right to make draws under the agreement terminated upon the consummation of our initial public offering in November 2013, although certain indemnification and other covenants will survive. As of the consummation of our initial public offering, we had drawn approximately \$438 million in the aggregate under the agreement.

*Shareholders Agreement*

We and Essent Intermediate, L.P., Valorina LLC, The Goldman Sachs Group, Inc., Aldermanbury Investments Limited, PPF Holdings II Ltd., Renaissance Re Ventures Ltd., the Ithan Creek Entities, Commonwealth Annuity and Life Reinsurance Company Limited, Mark A. Casale, and certain other investors identified therein entered into a shareholders agreement on February 6, 2009, as amended or

The shareholders agreement also permitted certain shareholders to force a sale of us. In addition, the shareholders agreement provided certain shareholders party thereto with preemptive rights to purchase newly issued securities. *Registration Rights Agreement*

On October 3, 2013, we entered into an amended and restated registration rights agreement with Essent Intermediate, L.P., Pine Brook Essent Co-Invest, L.P., Valorina LLC, The Goldman Sachs Group, Inc., Aldermanbury Investments Limited, PPF Holdings II Ltd., Renaissance Re Ventures Ltd., the Ithan Creek Entities, Commonwealth Annuity and Life Reinsurance Co. Ltd., Mark A. Casale, and certain other shareholders identified therein, or the registration rights agreement, which amended the previous agreement, entered into in connection with the subscription agreement, pursuant to which certain shareholders have registration rights with respect to their registrable shares (as defined in the registration rights agreement) as set forth below.

Demand Rights. At any time after six months of our initial public offering of equity securities (which was completed in November 2013), certain shareholders will have the right to demand registration of all or a portion of such shareholder's registrable shares. Any shareholder proposing to distribute their registrable shares through an underwritten offering shall enter into an underwriting agreement in customary form with an underwriter or underwriters that is mutually agreeable to us and the shareholders holding a majority-in-interest of the registrable shares that the shareholders requested for inclusion in such registration.

Shelf Registration. Upon becoming eligible to file a registration statement on Form S-3 (or any successor form relating to secondary offerings), we have agreed register all of the then registrable shares. Certain shareholders have the right to demand an underwritten offering be effected under the registration statement on Form S-3.

Piggyback Rights. Certain other shareholders have the right to elect to have included in any demand registration all or a portion of such shareholder's shares. In the event that we propose to register any of our shares pursuant to a registration statement, certain shareholders have the right to elect to have included in such registration all or a portion of such shareholder's shares.

Blackout Periods. We have the ability, subject to certain conditions, to delay the filing of a registration statement or suspend the use of a prospectus in connection with an underwritten demand request for a reasonable period of time which shall not exceed two occasions or 60 days in any 12-month period.

Registration Limitations. Any registration conducted pursuant to the registration rights agreement is subject to customary cutback provisions, as well as size, number and timing limitations as set forth therein, including that any demand for the registration of a shareholder's registrable shares must relate to an offering where the aggregate gross proceeds are reasonably expected to be at least \$50 million.

Indemnification; Expenses; Lock-ups. We have agreed to indemnify the applicable selling shareholder (including each member, manager, partner, officer and director thereof and legal counsel and independent accountant thereto), each underwriter of such seller of such registrable shares, and each other person, if any, who controls such seller or underwriter within the meaning of the Securities Act of 1933 or the Securities Exchange Act of 1934 against any expenses, losses, claims, damages or liabilities resulting from any untrue statement or omission of material fact contained in any registration

statement, prospectus or any amendment or supplement to such registration statement, unless such liability arose from the applicable selling shareholder's misstatement or omission, and the applicable selling shareholder has agreed to indemnify us against all losses caused by its misstatements or omissions. We will pay all registration expenses of all registrations under the registration rights agreement, provided, however, that if a demand registration is withdrawn at the request of the shareholders requesting such registration (other than as a result of information concerning the business or financial condition of the Company that is made known in writing to the shareholders requesting registration after the date on which such registration was requested) and if the requesting shareholders elect not to have such registration counted as a demand registration or shelf takedown, the requesting shareholders will pay the registration expenses of such registration pro rata in accordance with the number of their registrable shares requested to be included in such registration. In connection with any public offering, each shareholder, and officer or director of the Company, if requested by us and the underwriters managing such public offering, agree not to sell or otherwise transfer or dispose of any registrable shares or, with respect to certain shareholders only, other securities of the Company, held by such shareholder (other than those registrable shares included in the public offering) for a specified period of time not to exceed 90 days from the effective date of such registration.

Annual fees began to accrue on December 18, 2009, which was the date that the total amount invested under the subscription agreement was at least \$100 million. On December 22, 2010, we entered into a master policy agreement with JPMorgan Chase Bank, NA, or JPMorgan Chase, an affiliate of Aldermanbury Investments Ltd., one of our shareholders, pursuant to which we provide a mortgage guaranty insurance master policy. Pursuant to this master policy, in consideration for premiums paid by JPMorgan Chase on each loan for which JPMorgan Chase and we agree to extend a commitment, we agree to insure JPMorgan Chase for defaults on any such loan. The term of the policy is connected to each loan for which we have extended a commitment. The master policy may not be cancelled by us for as long as any certificate issued under the master policy remains in force. However, we are under no obligation to issue any certificates under the master policy and we may cease issuing new certificates without prior notice to JPMorgan Chase. JPMorgan Chase may cancel the policy by cancelling all outstanding certificates previously issued under the master policy. In connection with the master policy agreement, we further executed a clarity letter agreement, providing further detail to JPMorgan Chase on our loan review program, and a dispute resolution agreement, governing the method by which we and JPMorgan Chase agree to resolve claims disputes. Each of these, along with any ancillary documents to the master policy agreement, were negotiated at arm's length, in the ordinary course of business and on similar terms to agreements executed with non-related parties. **PROPOSAL NO. 2: RE-APPOINTMENT OF INDEPENDENT REGISTERED  
PUBLIC ACCOUNTING FIRM AND REFERRAL OF THE DETERMINATION  
OF THE AUDITORS' COMPENSATION TO THE BOARD OF DIRECTORS**

Upon the recommendation of our audit committee, our board of directors proposes that our shareholders re-appoint PricewaterhouseCoopers LLP as our independent registered public accounting firm to serve for the year ended December 31, 2014 and until the 2015 Annual General Meeting of Shareholders. A representative of PricewaterhouseCoopers LLP will be present at the annual meeting to make any statement he or she may desire and to respond to appropriate questions from shareholders. Shareholders at the Annual Meeting will also be asked to vote to refer the determination of the auditors' compensation to our board of directors.

In deciding to recommend the re-appointment of PricewaterhouseCoopers LLP, our audit committee noted that there were no auditor independence issues raised with PricewaterhouseCoopers LLP.

Our audit committee reviews audit and non-audit services performed by PricewaterhouseCoopers LLP, as well as the fees charged by PricewaterhouseCoopers LLP for such services. In its review of non-audit service fees, the audit committee considers, among other things, the possible effect of the performance of such services on the auditor's independence. Additional information concerning the audit committee and its activities with PricewaterhouseCoopers LLP can be found under "Corporate Governance Meetings and Committees of our Board of Directors Audit Committee" in this proxy statement.

**Required Vote and Recommendation**

Re-appointment of PricewaterhouseCoopers LLP requires the affirmative vote of a majority of the votes cast on the matter. If our shareholders do not vote to re-appoint PricewaterhouseCoopers LLP, our audit committee will reconsider the re-appointment of PricewaterhouseCoopers LLP. Even if our shareholders do vote to re-appoint PricewaterhouseCoopers LLP, our audit committee retains the discretion to reconsider its re-appointment if the audit committee believes it necessary to do so in the best interest of us and our shareholders.

PRICEWATERHOUSECOOPERS LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM TO SERVE FOR

In the performance of its oversight function, the audit committee reviewed and discussed our audited financial statements for the fiscal year ended December 31, 2013 with management and with our independent registered public accounting firm. In addition, the audit committee discussed with our independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, (AICPA, Professional Standards, Vol. 1. The audit committee has also received and reviewed the written disclosures and the letter from our independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the accounting firm's communications with the audit committee concerning independence and has discussed with our independent registered public accounting firm that firm's independence and considered whether the non-audit services provided by the independent registered public accounting firm are compatible with maintaining its independence.

Based on the review and discussions with management and our independent registered public accounting firm described above, the audit committee recommended to the board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013 filed with the SEC.
