The meeting will be held at the offices of the Company, located at 6350 South 3000 East, Salt Lake City, Utah, at 1:00 p.m. Mountain Time on May 10, 2016. At the meeting, holders of our common stock will act on the following matters:

1. The election of two Class II directors of the Company to serve terms of three years. The Company's Board of Directors intends to present Kirthi Kalyanam and Joseph J. Tabacco, Jr. for re-election to the Board; and
2. The ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016.

Stockholders will also consider and act upon any other matter properly coming before the Annual Meeting.

Following the meeting, we will discuss the status of the business and answer appropriate questions.

Holders of record of shares of our common stock at the close of business on March 14, 2016 are entitled to vote at the meeting and any postponements or adjournments. To ensure that your vote is recorded promptly, **please vote as soon as possible**, even if you plan to attend the meeting in person. We encourage you to vote via the Internet or by telephone. If you received a printed set of proxy materials, you also have the option of voting by completing, signing, dating and returning the proxy card that accompanied the printed materials. Submitting your vote via the Internet or by telephone or proxy card will not affect your right to vote in person if you decide to attend the annual meeting.

We are mailing to most of our stockholders a notice of Internet availability of proxy materials instead of a paper copy of this proxy statement and our Annual Report on Form 10-K for the year ended December 31, 2015 (the "2015 Form 10-K"). The notice contains instructions on how to access those documents via the Internet. The notice also contains instructions on how to request a paper copy of our proxy materials, including this proxy statement, our 2015 Form 10-K and a form of proxy card or voting instruction card, as applicable. Stockholders who do not receive a notice of Internet availability of proxy materials will receive a paper copy of the proxy materials by mail. We anticipate that this process will minimize the costs of printing and distributing our proxy materials.

By Order of the Board of Directors,

Jonathan E. Johnson III

**PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS**

To Be Held at 1:00 p.m. on May 10, 2016

General

Our Board of Directors (the "Board") is soliciting proxies for the 2016 Annual Meeting of Stockholders of Overstock.com, Inc. ("Overstock," the "Company," "we" or "our") to be held at the offices of the Company, located at 6350 South 3000 East, Salt Lake City, Utah, at 1:00 p.m. Mountain Time on May 10, 2016. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters before the meeting.

We have elected to provide access to our proxy materials to our stockholders via the Internet. Accordingly, a notice of Internet availability of proxy materials has been mailed to the majority of our stockholders, while other stockholders have instead received paper copies of the proxy materials accessible via the Internet. Stockholders who received the notice of Internet availability of proxy materials have the ability to access the proxy materials at <http://www.overstock.com/proxy> or request that a printed set of the proxy materials be sent to them by following the instructions set forth on the notice of Internet availability of proxy materials.

Please visit <http://www.overstock.com/proxy> for details on how to instruct us to send future proxy materials to you electronically by e-mail or in printed form by mail. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials or a link to a special website to access our proxy materials. Your election to receive proxy materials by e-mail or printed form by mail will remain in effect until you terminate it.

Choosing to receive future proxy materials by e-mail will allow us to provide you with the proxy materials you need in a timelier manner and will save us the cost of printing and mailing documents to you.

**QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING
AND PROCEDURAL MATTERS**

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the meeting notice provided with this proxy statement, including: (i) the election of directors; and (ii) ratification of our Audit Committee's appointment of KPMG LLP as our independent registered public accounting firm.

Who can vote at the Annual Meeting?

Stockholders of record who owned Overstock common stock at the close of business on March 14, 2016 may attend and vote at the Annual Meeting. Each share is entitled to one vote. There were 25,294,179 shares of common stock outstanding at the close of business on March 14, 2016.

What are the recommendations of the Board?

Overstock's Board unanimously recommends a vote:

1. "FOR" the election of the nominated directors (see proposal 1); and
2. "FOR" the ratification of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016 (see proposal 2).

What is a quorum?

The presence in person or by proxy of the holders of a majority of common stock will constitute a quorum. A quorum is necessary to transact business at the meeting. Shares of common stock represented by proxies that reflect abstentions or "broker non-votes" (*i.e.*, shares held by a broker or nominee that are represented at the meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as present and entitled to vote for purposes of determining the presence of a quorum. The inspector of election will tabulate the proxies and votes cast prior to the meeting and at the meeting to determine whether a quorum is present.

How do I vote?

You may submit your vote via the Internet, by telephone or in person at the annual meeting. If you received printed proxy materials, you also have the option of submitting your proxy card by mail or attending the meeting and delivering the proxy card. The designated proxies will vote according to your instructions; however, if you are a registered stockholder and you return an executed proxy card without specific instructions on how to vote, the proxies will vote:

"FOR" the election of the nominated directors in proposal 1; and

"FOR" the ratification of KPMG LLP as our independent registered public accounting firm in proposal 2.

If you are a "street name" stockholder and you do not return instructions on how to vote to your broker, your shares will not be voted on proposal 1. The voting of shares held by "street name" stockholders is further discussed below. Additionally, in order to vote at the meeting, you will need to obtain a signed proxy from the broker or nominee that holds your shares, because the broker or nominee is the legal, registered owner of the shares. If you have the broker's proxy, you may vote by ballot or you may complete and deliver another proxy card in person at the meeting.

If you are a member of a retirement or savings plan or other similar plan, you may submit your vote via the Internet or by telephone or by means of the direction on the proxy card. The trustee or administrator of the plan will vote according to your directions and the rules of the plan.

Table of Contents

What happens if a nominee is unable to stand for election?

The Nominating and Corporate Governance Committee of the Board of Directors may select a substitute nominee. In that case, if you have submitted your proxy via the Internet or by telephone or completed and returned your proxy card or voting instruction card, the proxy holders will have the discretion to vote your shares for the substitute nominee. They cannot vote for more than two Class II nominees.

Can I vote via the Internet or by telephone?

You may submit your vote via the Internet or by telephone by following the instructions contained in the notice of Internet availability of proxy materials. If you received a printed set of proxy materials, you may submit your vote via the Internet or by telephone by following the instructions contained on the proxy card that accompanied the printed materials.

If you are a registered stockholder, the deadline for submitting your vote by telephone or via the Internet is 11:59 p.m. Eastern Time on May 9, 2016. If you are a member of a retirement or savings plan or other similar plan, the deadline for submitting your voting directions by telephone or via the Internet is 2:00 a.m. Eastern Time on May 6, 2016.

Can I change my vote or revoke my proxy?

Subject to the deadlines set forth in the paragraph above, you may change your vote at any time before the proxy is exercised by re-submitting your vote via the Internet or by telephone.

If you are a registered stockholder and have delivered a proxy, you may revoke your proxy at any time before the proxy is exercised by filing with our corporate Secretary a written notice of revocation at our Company headquarters at the address shown on the first page of this proxy statement. At the meeting, you also may revoke your proxy by submitting a written revocation or a later-dated proxy to the inspector of election. Your attendance at the meeting will not by itself revoke your proxy.

If your shares are held in "street name" or you are a member of a retirement or savings plan or other similar plan, please contact your broker, nominee, trustee or administrator to determine whether you will be able to revoke or change your vote.

Why did I receive a notice of Internet availability of proxy materials instead of a full set of the proxy materials?

The rules of the U.S. Securities and Exchange Commission (the "SEC") allow companies to furnish their proxy materials via the Internet. Accordingly, we sent to some of our stockholders a notice of Internet availability of proxy materials for this year's annual meeting of stockholders. Other stockholders were instead sent paper copies of the proxy materials accessible via the Internet. Instructions on how to access the proxy materials via the Internet or to request a paper copy can be found in the notice of Internet availability of proxy materials. In addition, stockholders may request proxy materials in printed form, by mail or electronically by e-mail on an ongoing basis by submitting a request to us at <http://www.overstock.com/proxy>. A stockholder's election to receive proxy materials by mail or e-mail will remain in effect until the stockholder terminates it.

Can I vote my shares by filling out and returning the notice of Internet availability of proxy materials?

No, but the notice of Internet availability of proxy materials provides instructions on how to vote your shares.

Table of Contents

What are Broker Non-Votes?

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some proposals. "Broker non-votes" are shares as to which a broker or nominee does not vote, or has indicated that it does not have discretionary authority to vote and has not received instructions on how to vote. If you do not give specific instructions, your broker or nominee may nevertheless cast your vote in its discretion for proposal 2, the ratification of the appointment of our independent registered public accounting firm.

What is the voting requirement to approve each of the proposals?

A plurality of the voting power of the shares present in person or represented by proxy at the Annual Meeting is required for the election of each nominee to the Board. Thus, assuming a quorum is present, the two nominees for Class II director receiving the highest number of affirmative votes will be elected as members of our Board of Directors to serve until the 2019 Annual Meeting. There is no cumulative voting in the election of directors. Brokers generally will not have discretion to vote on this proposal without instruction from their clients. Abstentions and broker non-votes will have no effect on this proposal.

The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and voting on the matter (which shares voting affirmatively also constitute at least a majority of the required quorum) is required to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016. Abstentions and broker non-votes will have no effect on this proposal; however, abstentions and broker non-votes will count for purposes of establishing a quorum.

How many votes are required to approve other matters that may come before the stockholders at the meeting?

The affirmative vote of the holders of a majority of the common shares represented and voting at the meeting (which shares voting affirmatively also constitute at least a majority of the required quorum) will be required to approve any other matters that may properly come before the meeting, unless the vote of a greater number is required by law, by the Certificate of Incorporation or by the bylaws.

Is my vote kept confidential?

Proxies, ballots and voting tabulations identifying stockholders are kept confidential and will not be disclosed except as may be necessary to meet legal requirements.

Where do I find the voting results of the meeting?

We will announce preliminary voting results at the meeting, and will file a Form 8-K with the SEC reporting the results within four business days after the date of the meeting. You can get a copy of that Form 8-K by calling Overstock Investor Relations at (801) 947-3100 or the SEC at (800) SEC-0330 for the location of the nearest public reference room, or through the EDGAR system at www.sec.gov. You can also get a copy from our website at <http://www.overstock.com/proxy>.

Who pays for the proxy solicitation process?

We will pay the costs of soliciting proxies, including the cost of preparing, posting and mailing proxy materials. In addition to soliciting stockholders by mail, we will request brokers, banks and other nominees to solicit their customers who hold shares of Overstock common stock in street name. We may reimburse such brokers, banks and nominees for their reasonable out-of-pocket expenses. We may

Table of Contents

also use the services of our officers, directors and employees to solicit proxies, personally or by telephone, mail, facsimile or email, without additional compensation other than reimbursement for reasonable out-of-pocket expenses. We intend to use the services of a proxy solicitation firm in connection with the meeting and anticipate that the costs of such services will be approximately \$9,500 plus reimbursement for reasonable out-of-pocket expenses.

How can I get an additional copy of the proxy materials?

If you would like an additional copy of this proxy statement or our 2015 Form 10-K, these documents are available in digital form for download or review at <http://www.overstock.com/proxy>. Alternatively, we will promptly send a copy to you at no charge upon request by mail to Overstock.com, Inc., Attention: Investor Relations, 6350 South 3000 East, Salt Lake City, Utah 84121, or by calling Overstock Investor Relations at (801) 947-3100.

PROPOSALS TO BE VOTED ON:

PROPOSAL 1 ELECTION OF DIRECTORS

Nominees

The nominees for election this year as Class II directors, for three-year terms ending in 2019, are Kirthi Kalyanam and Joseph J. Tabacco, Jr.

Dr. Kalyanam has been a director since 2015.

Mr. Tabacco has been a director since 2007. Mr. Tabacco is a member of the Audit Committee and the Compensation Committee and is the Chairman of the Nominating and Corporate Governance Committee.

Each of the nominees has consented to serve a three-year term. For additional information about the nominees, see "The Board Information Regarding Director Nominees and Other Directors."

Vote Required

Directors are elected by a plurality of the votes of the shares of common stock present in person or represented by proxy at the meeting. Votes withheld are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but otherwise they have no legal effect on the election of directors under Delaware law. Brokers generally may not use discretionary authority to vote shares in the election of directors if they have not received instructions from their clients.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote "FOR" each of the nominees.

PROPOSAL 2 RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Proposed Ratification of Appointment of KPMG LLP

The Audit Committee of the Board of Directors has appointed KPMG LLP as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2016 and audit the effectiveness of our internal control over financial reporting as of December 31, 2016. KPMG LLP has served as our independent registered public accounting firm since December 2009. Although ratification of the Audit Committee's selection of KPMG LLP is not required under our bylaws or other legal requirements, we are submitting the appointment of KPMG LLP to the stockholders as a matter of good corporate practice. If the stockholders do not ratify the appointment of KPMG LLP, the Audit Committee will reconsider whether or not to retain KPMG LLP. Even if the stockholders ratify the selection of KPMG LLP, the Audit Committee may appoint a different independent registered public accounting firm or replace KPMG LLP with a different independent registered public accounting firm at any time if the Audit Committee determines that it is in the best interests of the Company and the stockholders to do so. Representatives of KPMG LLP are expected to attend the annual meeting to respond to appropriate questions and will have an opportunity to make a statement if they so desire.

Audit Fees

KPMG LLP was engaged as our independent registered public accounting firm to audit our financial statements for the years ended December 31, 2015 and 2014, to audit the effectiveness of our internal control over financial reporting as of December 31, 2015 and 2014, to review our 2015 and

Table of Contents

2014 interim financial statements, to perform services in connection with our registration statements and SEC comment letter responses, and to perform accounting consultation services. The aggregate audit fees KPMG LLP billed us for professional services for 2015 and 2014 were \$1,583,000 and \$1,237,000. All audit fees and other fees were pre-approved by the Audit Committee.

Audit-Related Fees

KPMG LLP billed us \$28,000 in 2015 and \$24,000 in 2014 for the audits of our 401(k) employee benefit plan.

Tax Fees

KPMG LLP billed us \$27,000 in 2015 and \$421,000 in 2014 for professional services rendered in connection with research and development tax credit study and compliance, tax advice, or tax planning.

All Other Fees

KPMG LLP billed us \$0 in 2015 and \$0 in 2014 for other fees.

Auditor Independence

The Audit Committee has considered the role of KPMG LLP in providing us with the services described above, and has concluded that those services were compatible with the independence of KPMG LLP from management and from the Company.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

General

The Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy (the "Policy"), which sets forth the procedures and the conditions pursuant to which all services to be performed by the independent registered public accounting firm are required to be pre-approved. Under the Policy, proposed services either may be pre-approved by agreeing to a framework with descriptions of allowable services with the Audit Committee ("general pre-approval"), or require the specific pre-approval of the Audit Committee ("specific pre-approval"). Unless a type of service has received general pre-approval, it requires specific pre-approval by the Audit Committee if it is to be provided by the independent registered public accounting firm.

The Policy describes the Audit, Audit-related, Tax and All Other Services that are subject to the general pre-approval of the Audit Committee. The Audit Committee annually reviews and pre-approves the services that may be provided by the independent registered public accounting firm that are subject to general pre-approval. Under the Policy, the Audit Committee may delegate either type of pre-approval authority to its chairperson or any other member or members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next meeting. The Policy does not delegate the Audit Committee's responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Audit Services

The annual audit services engagement scope and terms are subject to the general pre-approval of the Audit Committee. Audit services include the annual financial statement audit (including required interim reviews performed in accordance with applicable standards) and other procedures required to be performed by the independent registered public accounting firm to be able to form an opinion on

Table of Contents

our consolidated financial statements. Audit services also include the attestation engagement for the independent registered public accounting firm's audit of the effectiveness of internal control over financial reporting. The Policy provides that the Audit Committee will monitor the audit services engagement throughout the year and will also approve, if necessary, any changes in terms and conditions resulting from changes in audit scope or other items. The Policy provides for Audit Committee pre-approval of specific audit services outside the engagement scope.

Audit-related Services

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of our financial statements or that are traditionally performed by the independent registered public accounting firm. Under the Policy, the Audit Committee grants general pre-approval for audit-related services.

Tax Services

Under the Policy, the Audit Committee may grant general pre-approval for specific tax compliance, planning and advice services to be provided by the independent registered public accounting firm, that the Audit Committee has reviewed and believes would not impair the independence of the independent registered public accounting firm, and that are consistent with the SEC's rules on auditor independence. Tax services to be performed by our independent registered public accounting firm must be specifically approved by the Audit Committee.

All Other Services

Under the Policy, the Audit Committee may grant pre-approval for specific permissible non-audit services classified as All Other Services that it believes are routine and recurring services, would not impair the independence of the independent registered public accounting firm and are consistent with the SEC's rules on auditor independence. Services permissible under applicable rules but not specifically approved in the Policy require further specific pre-approval by the Audit Committee.

Procedures

Under the Policy, each year the Senior Vice President, Finance and Risk Management (our principal financial and accounting officer) and our independent registered public accounting firm jointly submit to the Audit Committee a schedule of audit, audit-related, tax and other non-audit services that are subject to pre-approval. This schedule provides a description of each type of service that is subject to pre-approval and, where possible, provides projected fees (or a range of projected fees) for each service. The Audit Committee reviews and approves the types of services and reviews the projected fees for the next fiscal year. Any changes to the fee amounts listed in the schedule are subject to further specific approval of the Audit Committee. The Policy prohibits the independent registered public accounting firm from commencing any project not described in the schedule approved by the Audit Committee until specific approval has been given.

Vote Required

The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and voting on the matter (which shares voting affirmatively also constitute at least a majority of the required quorum) is required to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

Table of Contents

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that the stockholders vote "FOR" ratification of the appointment of KPMG LLP as our independent registered public accounting firm.

OTHER BUSINESS

The Board knows of no other business for consideration at the meeting. If other matters are properly presented at the meeting, or at any adjournment or postponement of the meeting, Messrs. Byrne and Johnson will vote, or otherwise act, on your behalf in accordance with the Board's (or, in the absence of instructions from the Board, their) judgment on such matters.

Table of Contents

THE BOARD

General

The Board of Directors currently consists of eight members. Each of the two nominees for election is a current member of the Board. Five of the remaining six directors are expected to continue to serve their terms as described below. Our directors serve staggered terms. This is accomplished as follows:

each director serves a three-year term,

the directors are divided into three classes,

the classes are as nearly equal in number as possible, and

the term of each class begins on a staggered schedule.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for each of the nominees. If any nominee is unable or declines to serve as a director at or prior to the time of the Annual Meeting, the proxies will be voted for a substitute nominee, if any, designated by the Nominating and Corporate Governance Committee of the Board of Directors to fill the vacancy. The proxy holders intend to vote all proxies received by them in such a manner as will ensure the election of the nominees. The terms of office of the persons elected as Class II directors will continue until the 2019 Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified or until their earlier incapacity, resignation or removal. It is not expected that any nominee will be unable or will decline to serve as a director.

Board Independence

The Board has determined that a majority of our Board consists of independent members. The Board has determined that, except for Patrick M. Byrne, who serves as our Chief Executive Officer, Jonathan E. Johnson III, who serves as Chairman of the Board and has previously served in a number of executive positions with the Company, and Stormy D. Simon, who serves as our President, each of our current directors is independent within the meaning of the Nasdaq director independence standards. In reaching this determination, the Board considered the fact that Allison H. Abraham has no relationship with the Company except as a director and stockholder. With respect to Joseph J. Tabacco, Jr., the Board considered the fact that Tabacco's adult daughter works as an attorney for a law firm that has represented the Company in the past, and determined that Mr. Tabacco met the independence requirements. With respect to Barclay F. Corbus, the Board considered the fact that Mr. Corbus formerly served as Co-CEO of WR Hambrecht + Co., and considered the services that WR Hambrecht + Co. has performed for the Company in the past and determined that Mr. Corbus met the independence requirements. With respect to Mr. Mitchell, the Board considered the fact that Mr. Mitchell is a managing director of Hamblin Watsa Investment Counsel and a member of the investment committee, which manages the investment portfolios of Fairfax Financial Holdings Limited, which is directly or indirectly the beneficial owner of approximately 12.6% of the Company's outstanding common stock, and determined that Mr. Mitchell met the independence standards. With respect to Dr. Kalyanam, the Board considered the fact that Dr. Kalyanam served as a consultant to the Company prior to and after his appointment as a director, and was paid \$120,000 by the Company during 2015 for his consulting services, and determined that Dr. Kalyanam met the independence standards.

Committees of the Board

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each of which has adopted a written charter. Current copies of the committee charters are available on the Company's website at <http://investors.overstock.com>. All

Table of Contents

members of the committees are appointed by the Board of Directors, and each member is independent within the meaning of the Nasdaq director independence standards and SEC rules. The committees are described in more detail below.

Audit Committee. The Board has a separately designated standing audit committee consisting of Allison H. Abraham, who serves as Chair, Barclay F. Corbus, Samuel A. Mitchell and Joseph J. Tabacco, Jr., each of whom is independent within the meaning of the Nasdaq director independence standards. The Board of Directors has determined that each of Ms. Abraham, Mr. Corbus, Mr. Mitchell and Mr. Tabacco is an "audit committee financial expert" as defined by the SEC. The experience of each such director that led the Board to the determination that such director is an "audit committee financial expert" is described below under "Information Regarding Director Nominees and Other Directors." The Audit Committee is responsible for reviewing and monitoring our financial statements and our internal control over financial reporting, and selecting, reviewing and monitoring our independent registered public accounting firm, evaluating the scope of the annual audit, reviewing audit results, and consulting with management and our independent registered public accounting firm prior to presentation of financial statements to stockholders. The Report of the Audit Committee is included beginning on page 37 of this proxy statement.

Compensation Committee. The Board also has a Compensation Committee consisting of Barclay F. Corbus, who serves as Chair, Allison H. Abraham, Samuel A. Mitchell and Joseph J. Tabacco, Jr., each of whom is a non-employee and independent as described above. The Compensation Committee is responsible for approving salaries, incentives and other forms of compensation for our executive officers and certain other employees and administering various incentive compensation and benefit plans. The Compensation Committee Report is included on page 28 of this proxy statement.

Nominating and Corporate Governance Committee. The Board also has a Nominating and Corporate Governance Committee consisting of Joseph J. Tabacco, Jr., who serves as Chair, Barclay F. Corbus, Allison H. Abraham, and Samuel A. Mitchell, each of whom is a non-employee and independent as described above. The Committee has authority to recommend Board nominees to the full Board, and also has authority over matters of corporate governance. Each member of the Board of Directors has historically participated in the consideration of director nominees.

Board and Committee Meetings

The Board held seven meetings during 2015. The Audit Committee held six meetings during 2015; the Compensation Committee held six meetings during 2015; and the Nominating and Corporate Governance Committee held four meetings during 2015. Each director attended at least 75% of the meetings of the Board and of each committee on which he or she served during 2015. The non-management members of the Board of Directors meet regularly in executive session without management present.

Board Leadership Structure

Patrick M. Byrne serves as our principal executive officer and as a member of the Board of Directors, and Jonathan E. Johnson III, who has previously served as our President and in other executive capacities with the Company, serves as Chairman of the Board. We have not named a lead independent director. At present the Board consists of eight directors; five of whom are independent. We believe that our leadership structure is appropriate because the size of the Board and the composition of the Board permit and encourage each member to take an active role in all discussions, and each member does actively participate in all substantive discussions. We believe that our current structure is serving the Company well at this time. Although Dr. Byrne previously served as both Chairman and Chief Executive Officer, Dr. Byrne has previously stated that as a matter of good institutional design, the roles of Chairman and Chief Executive Officer should be split and, in April

Table of Contents

2014, Dr. Byrne requested, with the approval of the Nominating and Corporate Governance Committee and the rest of the Board, that Mr. Johnson, who has previously served the Company in the areas of finance, legal, and government affairs, and who has also had, at one time or another, nearly every part of the Company reporting to him, assume the position of Chairman of the Board. Our decision to separate the roles of Chairman and Chief Executive Officer in April 2014 was based on our perceptions of the Company's best interests at the time. We do not have any procedures for deciding when to separate or when to combine these positions.

Board Role in Risk Oversight

The Board has delegated responsibility for oversight of risk management relating to compensation matters to the Compensation Committee, and for financial and other risk management to the Audit Committee, although the full Board remains involved in risk management. The Committees and the Board receive periodic reports from management regarding various aspects of the Company's risk management program. The manner in which the Board and Committees administer the oversight of risk management has not had any effect on the Board's leadership structure.

Director Qualifications

The Nominating and Corporate Governance Committee has developed the Company's Corporate Governance Principles ("Principles"), which have been adopted by the Board. The Principles set forth the Committee's belief that while there are no specific minimum qualifications the Committee believes must be met by a candidate to be recommended by the Committee, candidates for election to the Board should have the highest professional and personal ethics and values. Candidates should have broad relevant experience, and should be committed to enhancing long-term stockholder value. They should be able and willing to provide insight and practical advice, and they must actively represent the interests of the stockholders. The Committee believes that a variety of types and a balance of knowledge, experience and capabilities among the members of the Board are in the best interests of the stockholders. The Principles set forth the Committee's belief that diversity of viewpoint, professional experience and other individual qualities and attributes should be considered to the extent that they relate to the contribution a director is expected to make to the Board and the Company. The Committee periodically reviews the Principles, including the portion regarding diversity. The ability of a candidate to make independent analytical inquiries, the ability to understand the Company's business, and the willingness of a candidate to devote adequate attention and time to the duties of the Board, are all relevant to the qualifications of a candidate. The specific experience, qualifications, attributes or skills that led the Committee to the conclusion that each director should be a director in light of our business and structure are described under "Information Regarding Director Nominees and Other Directors," below.

Identification and Evaluation of Nominees for Director

The Nominating and Corporate Governance Committee believes that the current Board composition is serving the stockholders of the Company well. In the future, the Committee may consider additional candidates identified through current members of the Board, professional search firms, stockholders or other persons. Candidates may be evaluated at regular or special meetings of the Board, and may be considered at any point during the year.

Stockholders may propose director candidates for general consideration by the Nominating and Corporate Governance Committee by submitting in proper written form the individual's name, qualifications, and the other information required by the Bylaws as described below in "Other Information Procedure for Nominating Directors for Election at an Annual Meeting or a Special Meeting" to the Secretary of the Company. The Nominating and Corporate Governance Committee

will evaluate any candidates recommended by stockholders against the same criteria applicable to the evaluation of candidates proposed by directors or management.

The Committee has not approved any nominee for inclusion on our proxy card for the 2016 Annual Meeting other than Kirthi Kalyanam and Joseph J. Tabacco, Jr., each of whom is a current member of the Board. We have not paid a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees. The Committee did not receive, by a date not later than the 120th calendar day before the date of the Company's proxy statement released to security holders in connection with the previous year's annual meeting, a recommended nominee from a security holder that beneficially owned more than 5% of the Company's voting common stock for at least one year as of the date the recommendation was made, or from a group of security holders that beneficially owned, in the aggregate, more than 5% of the Company's voting common stock, with each of the securities used to calculate that ownership held for at least one year as of the date the recommendation was made.

Communications with the Board

The Board has adopted resolutions to provide a formal process by which stockholders may communicate with the Board. The process adopted by the Board permits stockholders to communicate with the Board either in writing, addressed to the Board at the Company's headquarters at 6350 South 3000 East, Salt Lake City, Utah 84121, or by e-mail, sent to *boardofdirectors@overstock.com*. All communications from stockholders regarding matters appropriate for stockholder communications with the Board and delivered as described will be delivered to one or more Board members. The determination whether a communication involves a matter appropriate for stockholder communications with the Board is made by our General Counsel or our Senior Vice President, People and Customer Care. Stockholders who desire to utilize the procedures described under "Other Information Procedure for Submitting Stockholder Proposals" or " Procedure for Nominating Directors for Election at an Annual Meeting or a Special Meeting" should read those sections and the applicable portions of our bylaws and follow the procedures described.

Annual Meeting Attendance

Our policy is that Board members should attend annual stockholders meetings if reasonably possible. All members of the Board attended the last annual stockholders meeting, which was held in May 2015.

Code of Ethics

We have adopted a code of business conduct and ethics that applies to all of our directors and employees, and which includes a code of ethics that applies to our principal executive officer, principal financial officer, principal accounting officer and controller, or persons performing similar functions. We will provide a copy of the code of ethics to any person without charge, upon request. Requests for a copy of the code of ethics may be made in writing addressed to: General Counsel, Overstock.com, Inc., 6350 South 3000 East, Salt Lake City, Utah 84121.

Policies and Procedures Regarding Related Party Transactions

The Board has established a written policy and procedures for the review and approval or ratification of related party transactions. Under the Board's policy, any related party transaction that would be required to be disclosed pursuant to Item 404 of Regulation S-K is subject to the prior approval of the Audit Committee unless prior approval is not feasible, in which case the transaction is required to be considered at the Audit Committee's next meeting and, if the Audit Committee determines it to be appropriate, may be ratified at that meeting. In determining whether to approve or

ratify a related party transaction, the Audit Committee takes into account, among other factors it deems appropriate, whether the transaction is on terms no less favorable to us than terms generally available from an unrelated person under the same or similar circumstances, and the extent of the related person's interest in the transaction. No member of the Audit Committee may participate in any approval or ratification of a related party transaction in which such member is a related person, other than to provide the Audit Committee with all material information regarding the transaction, including information regarding the extent of the member's interest in the transaction. If a related party transaction will be ongoing, the Audit Committee may establish guidelines or other parameters or conditions relating to our participation in the transaction. The Audit Committee may from time to time pre-approve types or categories of transactions by related persons.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The Compensation Committee administers our executive compensation program. The Compensation Committee, which consists entirely of independent directors, is responsible for reviewing and approving our compensation policies, for reviewing and approving all forms of compensation for our executive officers, including our named executive officers identified in the Summary Compensation Table below (the "Named Executive Officers"), for administering our incentive compensation programs, for approving and overseeing the administration of our employee benefits programs other than medical benefits programs, and for providing insight and guidance to management with respect to employee compensation and retention generally. Following is a discussion of the objectives and implementation of our executive compensation programs.

The Compensation Committee operates under a charter adopted by the Board of Directors. The Compensation Committee periodically reviews the adequacy of its charter and recommends changes to the Board for approval as it considers appropriate. The Compensation Committee meets at scheduled times during the year and also acts from time to time by written consent. The Compensation Committee reports on its activities and makes recommendations at meetings of the Board. The Compensation Committee reviews comparative executive compensation information from other public companies and surveys, approves executive salaries, approves awards under incentive/bonus plans, and administers the Company's 2005 Equity Incentive Plan. Additionally, from time to time, the Compensation Committee reviews other human resource issues, including qualified and non-qualified benefits and management performance appraisals and succession planning. During 2015, our Chief Executive Officer (our "CEO"), our President, our Senior Vice President, Finance and Risk Management, our Senior Vice President, People and Customer Care, and our other executive officers made recommendations and participated in compensation decisions concerning other executive officers. The Compensation Committee does not have the power to delegate any of its authority to any other person. Our CEO does not participate in any Compensation Committee deliberations regarding his compensation, but had informed the Committee prior to its deliberations that he would not participate in our bonus plan or accept any bonus payment and would not accept a salary of more than \$100,000.

2014 Say on Pay Vote and 2011 Say on When Vote

At the 2014 annual stockholders meeting our stockholders voted, on an advisory basis, to approve our executive compensation. The Compensation Committee was aware of the results of the advisory vote in 2015 when it made compensation decisions and in early 2016 when it made its decisions regarding executives' 2015 bonuses, and intends to consider the results of the vote when the Committee reviews executives' 2016 salaries and considers making awards under the Company's equity compensation plan later in the year. In approving executives' 2015 bonuses pursuant to the 2015 bonus pool, while the Compensation Committee viewed the favorable vote as validation of our executive compensation, the Compensation Committee's awareness of the advisory vote did not affect the Committee's decisions regarding 2015 bonuses.

At the 2011 annual stockholders meeting the stockholders voted, on an advisory basis, to approve the Board's recommendation that future advisory votes regarding our executive compensation be held once every three years. We plan to hold another "say on pay" vote as well as another "say on when" vote in 2017.

Compensation Objectives

Our executive compensation programs seek to attract and retain highly competent executive management who will build long-term economic value for the Company. Our general compensation philosophy for our executives is that our executives' cash compensation should generally be at levels that are reasonably comparable to those paid at comparable companies, and that our executives' opportunities for more significant compensation should be tied closely to our performance. Although, as discussed below (see " Elements of Compensation Why We Pay these Elements of Compensation; How We Determine the Amounts; and Interrelationships of these Elements"), the information the Compensation Committee reviewed in setting 2015 salaries and approving the 2015 Bonus Plan showed that the proposed salaries and estimated bonuses for the Named Executive Officers were substantially below the median cash compensation as shown by the data the Committee reviewed from the Economic Research Institute ("ERI") for comparable positions, our executives recommended the salaries and the 2015 Bonus Plan, and the Compensation Committee accepted their recommendations. We strive to maintain an egalitarian compensation structure among our senior management team, as we believe that paying our Named Executive Officers holding Senior Vice President titles substantially the same annual compensation package promotes an environment of teamwork that benefits the Company. We also try to foster an environment in which management leads by example they recommended 2015 salaries and a bonus plan expected to provide total cash compensation to our executives substantially below the ERI median cash compensation data for comparable positions. Further, our CEO refused to accept any salary at all from 2002 until 2011, refused to accept more than \$100,000 annually from 2011 through 2015, and has never accepted a cash bonus. Our annual bonus pool plans are designed to pay for performance. See " Elements of Compensation 2015 Bonus Plan (Non-Equity Incentive Plan)" and "Executive Compensation Action Taken After Year-End" below.

The objectives of our executive compensation plans and programs are to:

Emphasize the enhancement of the long-term economic value of the Company;

Retain the senior executives; and

Deliver the total executive compensation package in a cost-effective manner.

Our executive compensation policy is designed to reward decisions and actions that have a positive effect on our financial performance and long-term stock value, and to balance short-term and long-term goals. Since 2008 our approach to equity awards has been to make an annual grant of restricted stock units ("RSUs") in an effort to create an equity awards system that will have long-term motivational effects tied directly to our stock price, subject to compliance with the vesting requirements. We believe that annual RSU grants, with multi-year vesting requirements, made over a number of years, should have the desired effect of providing appropriate incentives tied to the market price of the common stock over a long period of time, without encouraging short-term or inappropriate management decisions.

We use an annual cash bonus pool as a pay-for-performance program. The cash bonus pool is intended to provide an annual cash incentive to a large group of employees, including the Named Executive Officers, tied to improvements in our annual performance. The actual amount, if any, paid to each Named Executive Officer is subject to potential adjustment, upward or downward, by the Compensation Committee. However, the Compensation Committee did not make any adjustments to the 2015 bonus payments calculated pursuant to the 2015 Bonus Plan to any of the Named Executive Officers.

In recent years, we have structured the bonus pool plan to provide bonus opportunities to our employees generally. Beginning with the 2013 Bonus Plan, payments under the plan were allocated to salaried employees generally, including our Named Executive Officers (other than our CEO, who does not participate in the bonus plans), pro rata based on salaries. In 2015, we modified this approach

Table of Contents

slightly for employees other than Named Executive Officers, but did not modify it for our Named Executive Officers. In structuring the bonus plans this way since 2013, we substantially reduced the amounts of the estimated bonus payments to our Named Executive Officers compared to prior years' plans. As a result, the bonus plans since 2013 have been substantially less significant to our Named Executive Officers than their RSU grants under our equity incentive plan. We recognized that substantially decreasing the potential bonus payments that our Named Executive Officers might earn under the bonus plans compared to the amounts possible in years prior to 2013 might make the bonus plans less of an incentive to our Named Executive Officers than it might otherwise have been. Under our 2013 Bonus Plan and 2014 Bonus Plan, no Named Executive Officer earned a bonus of more than \$6,540 or \$5,186, respectively. The highest actual 2015 bonus to any Named Executive Officer was \$7,059. However, even with those modest bonus results for 2013 and 2014 and relatively low expected payments under the 2015 Bonus Plan, management, including our Named Executive Officers, recommended the same approach with respect to Named Executive Officers for the 2015 Bonus Plan. The Compensation Committee approved this approach for the 2015 Bonus Plan, with the objective of providing an egalitarian bonus plan that would apply to substantially all of the Company's salaried employees. Management and the Compensation Committee believed that the beneficial effects of this approach to the Company would outweigh any negative effects on the motivation of our Named Executive Officers. The Compensation Committee and management, including the Named Executive Officers, believe that the best way to provide more significant incentive compensation to the Named Executive Officers is through equity awards under our equity incentive plan, as described below.

In setting the amounts of each component of a Named Executive Officer's compensation and considering his or her overall compensation package, the Compensation Committee annually reviews the history of each executive's salary, bonuses and equity-based grants in prior years. In setting 2015 salaries, the Compensation Committee did not benchmark the salaries, but reviewed market data to ensure that the Committee was aware of current compensation practices. In early 2015 the Compensation Committee reviewed cash compensation data from the ERI and 2013 cash compensation information we obtained from public filings with the SEC for each of HealthEquity, Inc., Headwaters, Inc., Myriad Genetics, Inc., Nu Skin Enterprises, Inc., Sportsman's Warehouse Holdings, Inc. and USANA Health Sciences, Inc., each of which is a publicly-traded company based in Utah with 2013 revenues ranging from approximately \$62 million to \$3.2 billion (the "Utah Companies"). We selected these six companies because we believe that public companies based in Utah are likely competition for our executives. The Compensation Committee also reviewed 2013 cash compensation practices at each of IAC/InterActiveCorp, Netflix, Inc., 1-800-FLOWERS.COM, Inc., Wayfair, Inc, zulily, llc and Amazon.com, Inc., each of which is or was a publicly held company with a significant retail e-commerce business (the "Internet Retail Companies"). We selected these six companies because they are publicly-traded Internet retailers that are either competitors or have revenues comparable to ours.

The accounting and tax treatment of particular forms of compensation generally do not affect the Compensation Committee's compensation decisions.

Employment Agreements

None of our Named Executive Officers has an employment or severance agreement. See "Severance and Change of Control Agreements."

Retirement Benefits

We do not offer any pension plan or other retirement benefits except a 401(k) plan and a nonqualified deferred compensation plan for senior management.

Role of Compensation Consultants

As described above, during 2015 the Compensation Committee reviewed information, including information the Company obtained from the ERI, but did not engage or receive advice from any compensation consultant.

Elements of Compensation

The elements of total compensation for which our Named Executive Officers other than our CEO were eligible during 2015 were as follows:

Base salary;

Annual cash bonuses as part of a bonus pool;

Awards under our 2005 Equity Incentive Plan;

Matching contributions under our 401(k) plan;

Benefits under our health, welfare and supplemental disability benefits plans; and

Benefits under our Nonqualified Deferred Compensation Plan.

Each of these elements is discussed below.

Our CEO. In April 2015, our CEO received a grant of 10,000 RSUs under our 2005 Equity Incentive Plan. He had previously informed the Compensation Committee that he would not accept any increase to his salary of \$100,000 annually, and that he would not accept any other compensation during or relating to 2015. The RSUs vest in three equal annual increments over a three-year period commencing on the date of grant. Prior to 2011, our CEO had never accepted a salary. He has never participated in any of our bonus plans or otherwise received any bonus.

Base Salary. The base salaries of the Named Executive Officers are reviewed by the Compensation Committee annually. Salaries for the Named Executive Officers for 2015 were set in February 2015 and, except for Ms. Simon, were maintained at the same rates being paid to the Named Executive Officers at the end of 2014, which was \$100,000 annually for our CEO, Dr. Byrne; and \$300,000 annually for our Senior Vice Presidents, including Mr. Hughes, Mr. Noursalehi and Mr. Popelka. The Committee increased the salary of our President, Ms. Simon, from \$350,000 to \$400,000 based on the market data the Committee reviewed and on the Committee's subjective assessment of our President's contributions and expected contributions to the leadership of the Company. The 2015 salaries are discussed below, and salary income for each Named Executive Officer for calendar year 2015 is reported in the Summary Compensation Table.

2015 Bonus Plan (Non-Equity Incentive Plan). In February 2015 the Compensation Committee also approved a Company-wide bonus pool plan for employees (the "2015 Bonus Plan"). In 2015 we did not have a separate or additional bonus plan for management or for the Named Executive Officers. The 2015 Bonus Plan was a discretionary bonus pool plan, subject to adjustment, upward or downward, by the Compensation Committee after 2015 results became available. The total bonus pool under the 2015 Bonus Plan was set to be an amount equal to 20% of the amount, if any, by which a "Measurement Amount" to be calculated under the 2015 Bonus Plan exceeded approximately \$34 million. The bonus, if any, to be paid to Named Executive Officers (other than our CEO, who did not participate at all) was to be a pro rata amount of the bonus pool, based on the amount of each Named Executive Officer's 2015 salary divided by the 2015 salaries of all eligible employees during 2015. For purposes of the 2015 Bonus Plan, the term "Measurement Amount" meant net income adjusted for income taxes, capital expenditures, depreciation and amortization, stock-based compensation expenses, 2015 bonuses, capital structure expenses, expenses incurred in connection with

Table of Contents

certain legal matters, certain development project expenses, international development and general and administrative expenses, certain anticipated tax credits, and other miscellaneous expenses. Payouts under the 2015 Bonus Plan were not based on achieving any particular target, but no bonuses were to be payable unless the Measurement Amount exceeded approximately \$34 million. The actual amount of the Measurement Amount for 2015 was approximately \$41 million.

The percentages of the bonus pool paid to each of the Named Executive Officers, and the amount of the bonus paid to each of them with respect to 2015, were as follows:

Name	Percentage of Bonus Pool	Amount of 2015 Bonus
Patrick M. Byrne, Chief Executive Officer and Director		%\$ (1)
Robert P. Hughes, Senior Vice President, Finance and Risk Management	0.37%	\$ 5,377
Stormy D. Simon, President and Director	0.49%	\$ 7,059
Sam "Saum" Noursalehi, Senior Vice President, Product Development	0.37%	\$ 5,377
Brian L. Popelka, Senior Vice President, People and Customer Care	0.37%	\$ 5,377

(1)

Dr. Byrne declined to accept any bonus payment relating to 2015.

The Compensation Committee did not exercise its discretion to make any adjustments to the bonus payable under the 2015 Bonus Plan to any Named Executive Officer. Our CEO, Dr. Byrne, has never accepted any bonus payment.

2005 Equity Incentive Plan. We use the grant of awards under our 2005 Equity Incentive Plan to provide long-term incentive compensation opportunities to our key employees, including the Named Executive Officers. The plan was most recently reapproved by the stockholders in 2012 and provides for the grant of awards, including qualified and non-qualified stock options to purchase shares of our common stock. Options granted under the plan have been granted at a per share exercise price which is not less than 100% of the fair market value of the underlying shares on the date that the option is granted. Accordingly, options granted under the plan have no intrinsic value unless the market price of our common stock increases after the date of grant. We have not granted any options since 2008.

The plan also provides for the grant of restricted stock awards and other types of awards, although prior to 2008 we had not made any such awards. The plan is designed to provide incentive compensation that aligns management's financial interests with those of our stockholders and encourages management ownership of our common stock. Beginning in 2008, the Compensation Committee has approved annual grants of RSUs under the plan. The Compensation Committee determines the number of RSUs to be granted to key employees, including Named Executive Officers, based on a recommendation of management including the active participation during 2015 of the CEO and the President, by determining the aggregate amount the Committee considers appropriate for the entire group and allocating the awards on the basis of management's recommendation and the Compensation Committee's subjective views of the relative ability of key employees or groups of key employees to make positive contributions to the Company. Prior to 2014, we generally made equity grants to key employees, including Named Executive Officers, annually at a regularly scheduled Compensation Committee meeting typically held in late January or early February of each year. In 2015, we made these equity grants in April. The Compensation Committee has not made any equity grants to any Named Executive Officer in 2016, but expects to do so later in the year. We have not otherwise adopted any specific policy regarding the amount or timing of any stock-based compensation for employees under the plan, although the aggregate amount of the equity grants to employees in recent years has generally been a number of shares approximately equal to 1% of the number of shares

outstanding. We have never backdated or repriced options or any other equity award. The aggregate grant date fair value of equity-based awards is set forth in the Summary Compensation Table. Information concerning the number of options and RSUs held by each Named Executive Officer as of December 31, 2015 is set forth in the Outstanding Equity Awards at Fiscal Year-End Table. With the changes made in 2013 and continued in 2014 and 2015 to our approach to the annual bonus pools described above, the annual RSU grants to our Named Executive Officers have become the most significant incentive compensation arrangement we utilize.

401(k) Plan. We maintain a 401(k) plan, in which Named Executive Officers may participate. During 2015 we made 100% matching contributions on the first 6% of eligible compensation deferred by employees, which matching amounts vest immediately. We did not make any profit sharing contributions in 2015. The amounts of the matching contributions to our Named Executive Officers are included in the "All Other Compensation" column of the Summary Compensation Table. Participation in the 401(k) plan is available to employees on a non-discriminatory basis.

Health and Welfare Benefits. We provide health, life and disability insurance and other employee benefits programs to our employees, including our Named Executive Officers. We also provide supplemental disability insurance for our senior management team members, including the Named Executive Officers. Except for the supplemental disability insurance, our employee benefits plans are provided on a non-discriminatory basis.

Nonqualified Deferred Compensation Plan. We have a nonqualified deferred compensation plan for senior management (the "Deferred Compensation Plan"). The Deferred Compensation Plan, which is described in more detail below, allows participants to defer receipt of compensation otherwise payable to them under our existing compensation plans, and also permits us to make discretionary contributions to participants' accounts. We have never made any discretionary contributions to participants' accounts.

Why We Pay these Elements of Compensation; How We Determine the Amounts; and Interrelationships of these Elements. The main elements of compensation potentially available to our Named Executive Officers (other than our Chief Executive Officer) for 2015 were (i) base salary, (ii) bonus payments under the 2015 Bonus Plan, and (iii) RSU grants. The three elements operate independently of one another, although in setting them, the Compensation Committee considers the value of each component and the total value of the compensation package being provided to each of the Named Executive Officers, as well as the history of each officer's compensation package. The base salaries we paid the Named Executive Officers during 2015 were paid in order to retain the services of those executives. In setting 2015 salaries for the Named Executive Officers, the Compensation Committee reviewed information from the ERI database showing that the proposed salaries and estimated bonuses for the Named Executive Officers were substantially below the median cash compensation shown by ERI for comparable positions. The ERI data also showed that even including the grant date value of the proposed RSU grants for the Named Executive Officers, the totals were still below, and for our CEO and President were substantially below, the median cash-only compensation shown by ERI for comparable positions. The information also showed that our CEO's proposed cash compensation was approximately 9% of the median cash compensation shown in the ERI database, and that his proposed cash plus the grant date value of the proposed RSU grant was approximately 27% of the cash-only compensation shown by ERI for an executive in his position. Nevertheless, our CEO had declined to accept anything more, and our management team believed that the compensation packages would be adequate to secure the services of the management team.

As described above, in February 2015 the Compensation Committee also approved a Company-wide bonus pool plan for eligible salaried employees, in which the Named Executive Officers were eligible to participate. The percentages of the bonus pool payable to Named Executive Officers were pro rata based on the amount of their respective salaries earned during 2015. The Compensation

Table of Contents

Committee considered the risk that the 2015 Bonus Plan was likely to produce relatively small bonuses for the Named Executive Officers compared with the Company's competitors for executives, but agreed with management's proposal to adopt the 2015 Bonus Plan as a means of incentivizing the majority of the Company's employees. Except for our CEO, who has never accepted any bonus payment, the bonus payments to the Named Executive Officers for 2015 were determined arithmetically in accordance with the 2015 Bonus Plan, without any exercise by the Compensation Committee of its discretionary authority with respect to any Named Executive Officer. The percentages of the pool and the amounts of the bonuses paid to each Named Executive Officer are set forth above in the discussion of the 2015 Bonus Plan.

The Compensation Committee granted RSUs to our Named Executive Officers and other key employees in April 2015 to provide long-term incentive compensation tied directly to the price of the Company's common stock. The grants were intended to have a retention effect, as they vest in equal annual increments over a three-year period. They were also intended to provide reasonable incentives tied to the price of the Company's common stock, which the Compensation Committee believes to be in the best interests of stockholders generally. Except for the grant to our President, the grant date values of the 2015 grants were lower than (approximately 86% of) the grant date values of the 2014 grants to the same individuals. The grant date value of the RSU grant to our President was greater than (approximately 193% of) the grant date value of her 2014 grant. The Committee approved the increase in the size of the grant to our President based on the Committee's subjective assessment of our President's contributions and expected contributions to the leadership of the Company. Despite the fact that the grant date values of the RSU grants to Named Executive Officers other than our President were lower than their 2014 grants, the Committee agreed with management's recommendation that the RSU grants would be sufficient to retain the services of the Named Executive Officers and would serve to focus the executives on improving the long-term value of the Company.

The 401(k) plan and the health and welfare benefits we provide are intended to help make our overall compensation packages more attractive to all our employees, including our Named Executive Officers. During 2015 we made 100% matching contributions on the first 6% of eligible compensation deferred by employees. We also provide supplemental disability insurance for our senior management team members, including the Named Executive Officers, as reflected in the Summary Compensation Table.

Risks of Our Compensation Policies and Practices. We periodically analyze and evaluate risks arising from our compensation policies and practices, and have concluded that our compensation policies and practices are not reasonably likely to have a material adverse effect on us.

Nonqualified Deferred Compensation Plan

We have a nonqualified deferred compensation plan for senior management (the "Deferred Compensation Plan"). The Deferred Compensation Plan allows participants to defer receipt of compensation otherwise payable to them under our existing compensation plans, and also permits us to make discretionary contributions to participants' accounts. Participants are permitted to select from a limited number of investment alternatives available under the Plan. Under the terms of the Deferred Compensation Plan, eligible members of senior management, including the Named Executive Officers, may defer receipt of their compensation, including up to 50% of their salaries and up to 90% of their bonuses. We may, though we have no obligation to, make discretionary contributions on behalf of a participant in the Deferred Compensation Plan, in such form and amount as we deem appropriate. To date, we have not made any contributions to the Deferred Compensation Plan on behalf of any Named Executive Officer. We have never paid any above-market or preferential earnings on any compensation deferred under the Deferred Compensation Plan.

Executive Compensation Action Taken After Year-End

On February 4, 2016 the Compensation Committee of the Board approved 2015 bonus payments (calculated pursuant to the Company's 2015 Bonus Plan) to employees, including the Named Executive Officers. The amounts paid to Named Executive Officers are shown above under "Elements of Compensation 2015 Bonus Plan."

Timing of Equity Awards

We did not grant any stock options to any of our Named Executive Officers during 2015. We do not have any program, plan or practice to time option grants, RSU awards or any other equity awards to our Named Executive Officers or to any other employee in coordination with the release of material non-public information. The Company's Board of Directors and Board committees, including the Compensation Committee, normally schedule their regular meetings at least a year in advance. Meetings of the Compensation Committee are generally held in connection with the regularly scheduled Board meetings. The meetings are scheduled in an effort to meet a number of different timing objectives, including the review of financial results and the review of press releases and filings containing financial results. The Compensation Committee may approve equity awards shortly before or after the public release of financial results or other material information, owing to the fact that the Compensation Committee holds its meetings in connection with the Board meetings, not because of a program, plan or practice to time option grants or other equity awards. We also do not set the grant date of any equity awards to new executives in coordination with the release of material non-public information, and we have not timed, and do not plan to time, the release of material non-public information for the purpose of affecting the value of executive compensation.

Severance and Change of Control Arrangements

None of our executive officers has any contractual right to any severance or change of control payments under any employment or severance agreement. Our executive officers hold RSUs, and some hold options, issued under our 2005 Equity Incentive Plan, and the vesting of such awards may be accelerated, under certain circumstances, upon or in connection with a change of control of the Company or upon the termination of the employment of the holder within a period of time after a change of control has occurred. The 2005 Equity Incentive Plan provides that if a merger or change of control (as defined in the plan) occurs, outstanding awards will be assumed by the successor or an equivalent award will be substituted, or the award will vest and the participant will have the right to exercise the award. The 2005 Equity Incentive Plan also provides that the Board has the power to modify any outstanding awards at any time, by accelerating vesting or otherwise. In addition, as described above, our Deferred Compensation Plan allows participants to defer receipt of compensation otherwise payable to them under our existing compensation plans, and permits us to make discretionary contributions to participants' accounts. Participants are fully vested in all amounts deferred and any earnings or losses on those deferrals at all times. Upon termination of service due to retirement, disability or death, a participant becomes fully vested in any additional amounts, including any discretionary contributions we make, credited to his or her account. To date, we have not made any contributions to the Deferred Compensation Plan on behalf of any Named Executive Officer.

Security Ownership Requirements

We do not have any policy requiring our Named Executive Officers or directors to own any specified amount of our common stock. Our CEO beneficially owns approximately 25.5% of our common stock.

Hedging Policy

We have a policy prohibiting directors, officers and other employees and members of their immediate families from engaging in short sales of our stock or otherwise engaging in any transaction intended to hedge against or profit from any decrease in the market value of our securities.

Nonqualified Deferred Compensation Plan

The following table sets forth information concerning our nonqualified deferred compensation plan for senior management. The Deferred Compensation Plan allows participants to defer receipt of compensation otherwise payable to them under our existing compensation plans, and also permits us to make discretionary contributions to participants' accounts. We may, though we have no obligation to, make discretionary contributions on behalf of a participant in the Deferred Compensation Plan, in such form and amount as we deem appropriate. To date, we have not made any contributions to the Deferred Compensation Plan on behalf of any Named Executive Officer. Participants are permitted to select from a limited number of investment alternatives, which are identified below. The investment alternatives were selected by the Company. A participant may change his or her selection of investment funds no more than six times each year. Eligible members of senior management, including the Named Executive Officers, may defer receipt of their compensation, including up to 50% of their salaries and up to 90% of their bonuses. Subject to plan restrictions and subject to prior distribution as a result of retirement, separation from service for other reasons, disability or death, and subject to other restrictions, each participant designates the timing of his or her distributions and whether payment is to be made in a lump sum or in equal annual installments over a period of up to five years. Subject to various restrictions, a participant may periodically change the timing of his or her distributions.

Of the amounts reported in the aggregate balance at December 31, 2015, all of the prior years' contributions were reported in the Summary Compensation Table as compensation for previous years. The 2015 aggregate earnings were calculated based on the actual return on the following funds or securities: American Century Equity Income Fund (actual return: 0.6%); Columbia Acorn International (actual return: 1.33%); Fidelity Balanced Fund (actual return: 0.41%); Fidelity Contra Fund (actual return: 6.46%); Fidelity Low Price Stock Fund (actual return: 0.56%); Fidelity Prime Money Market Institutional Fund (actual return: 0.13%); Oppenheimer Developing Markets Fund (actual return: 14.06%); Pimco Total Return Fund (actual return: 0.73%); Vanguard 500 Index Fund (actual return: 1.25%); and Overstock.com, Inc. COMPENSATION OF DIRECTORS

We pay our non-employee directors annual cash fees at the rate of \$60,000 annually, with payments on a quarterly basis. We also grant RSU awards to our non-employee directors annually, generally at the first Board meeting after the director first joins the Board, and then periodically thereafter. In 2015 we granted RSUs to our non-employee directors as follows:

Name	Grant Date	Number of Restricted Stock Units(1)	Closing Price of Common Stock on Date
Allison H. Abraham	April 7, 2015	3,500	\$ 24.74
Barclay F. Corbus	April 7, 2015	3,500	\$ 24.74
Kirithi Kalyanam	April 7, 2015	3,500	\$ 24.74
Samuel A. Mitchell	April 7, 2015	3,500	\$ 24.74
Joseph J. Tabacco, Jr.	April 7, 2015	3,500	\$ 24.74

(1)

The RSUs vest over a three-year period in three equal annual increments on the first, second, and third anniversaries of the grant date.

The Board's determination of the amount of RSUs that non-employee directors receive has two components. The first is the amount of time and effort the directors are required to devote to the Company's business. In making this evaluation, the Board takes into account that four of the five independent non-employee members of the Board during most of 2015 were also members of the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee, and considers the time and effort the independent directors devote to their Board and committee responsibilities. The second component is the Board's perception of the approximate value of the grant of the RSUs, based on the recent and historical market values of the underlying common stock, and considering the restricted nature of the grants. The Board attempts to establish the annual grant at a level that, together with the quarterly cash compensation paid to the non-employee directors, provides

Table of Contents

fair compensation to the non-employee directors for their services to the Company. On an annual basis, the Company's Chairman and Chief Executive Officer have historically made recommendations regarding the RSU grants, and the Board members have discussed the proposals. None of the Board, any committee of the Board or the Company has retained any consultant or other advisor to make recommendations or otherwise be involved in decisions regarding the compensation of the non-employee directors.

We have a Non-Employee Directors Nonqualified Deferred Compensation Plan, which allows directors to defer receipt of compensation otherwise payable to them under our existing compensation plans. The terms of the Non-Employee Directors Nonqualified Deferred Compensation Plan are substantially the same as those of our Nonqualified Deferred Compensation Plan for senior management. To date, none of our directors has elected to participate in the Non-Employee Directors Nonqualified Deferred Compensation Plan.

In addition, the Chairman of our Board of Directors, Jonathan E. Johnson III, is an employee of the Company. Mr. Johnson is compensated as an employee and does not receive any additional compensation for serving on the Board of Directors. Because Mr. Johnson is not included in the Summary Compensation Table, his compensation is included in the Director Compensation Table below.

The following table sets forth the compensation paid to or accrued by the Company with respect to each non-employee member of the Board of Directors during the year ended December 31, 2015. We also reimburse our directors for out-of-pocket expenses incurred in connection with attending Board and committee meetings.

- (4) The Company paid Dr. Kalyanam \$120,000 for consulting services during 2015.

Table of Contents**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL****Acceleration upon change of control**

No Named Executive Officer is entitled to any payment or accelerated benefit in connection with a change of control of the Company, or a change in his or her responsibilities following a change of control, except for potential accelerated vesting of stock options and RSUs granted under our 2005 Equity Incentive Plan. The 2005 Equity Incentive Plan has complex definitions of "change of control" and resigning for "good reason." Generally speaking, a change of control occurs if (i) we sell or liquidate all or substantially all of our assets; (ii) with certain exceptions, someone, including a group, acquires beneficial ownership of 50% or more of our stock; (iii) a change in the composition of our Board occurs within a one-year period, resulting in less than a majority of our directors being persons approved by existing directors; or (iv) any merger or consolidation of the Company occurs with any other corporation, other than one resulting in the voting securities of the Company prior to the merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or its parent) at least 50% of the total voting power of the Company or such surviving entity or its parent after such merger or consolidation.

The 2005 Equity Incentive Plan is a "double trigger" plan, meaning that unvested stock options and unvested RSUs automatically vest immediately only if (i) there is a change of control and (ii) if stock options and RSUs are assumed or substituted with stock options or RSUs of the surviving company, the participant is terminated or resigns for good reason within 18 months after the change of control. Generally speaking, a resignation is "for good reason" if it results from: (i) the resigning participant having materially reduced duties, title, authority or responsibilities; (ii) the resigning participant having his or her base salary reduced; (iii) the resigning participant having his or her primary work location moved to a facility or a location outside of a 35-mile radius from our present facility or location, or (iv) any act or set of facts or circumstances which would, under applicable case law or statute, constitute a constructive termination of the participant. If the successor entity refuses to assume or substitute for outstanding equity awards, or if the successor entity does not have outstanding common equity securities required to be registered under Section 12 of the Securities Exchange Act of 1934, as amended, the participant will fully vest in the award. For purposes of the 2005 Equity Incentive Plan, an award will be considered assumed if, following the change of control, the award confers the right to purchase or receive, for each share subject to the award immediately prior to the change of control, the consideration (whether stock, cash, or other securities or property) received in the change of control by holders of common stock for each share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares); provided, however, that if such consideration received in the change of control is not solely common stock of the successor entity or its parent, the administrator of the 2005 Equity Incentive Plan may, with the consent of the successor entity, provide for the consideration to be received, for each share and each unit/right to acquire a share subject to the award, to be solely common stock of the successor entity or its parent equal in fair market value to the per share consideration received by holders of common stock in the change of control. The 2005 Equity Incentive Plan includes provisions intended to prevent violations of Section 409A of the Internal Revenue Code. It also provides that the Board has the power to modify any outstanding awards at any time, by accelerating vesting or otherwise.

No acceleration upon retirement, death, disability.

Neither options nor RSUs accelerate upon retirement, death or disability.

The following table shows the estimated potential incremental value of stock options and RSUs that would have vested for our Named Executive Officers as of December 31, 2015 under the acceleration scenarios described above. The accelerated RSU award value is calculated by multiplying

the number of accelerated units by the closing price of the underlying shares on December 31, 2015 (\$12.28).

The "Total-No Acceleration" column assumes none of the acceleration scenarios covered above has occurred. The "Total-With Acceleration" column assumes acceleration of all unvested stock options and RSUs under one or more of the scenarios covered above.

- (1) To date we have not made any contributions to the Deferred Compensation Plan on behalf of any Named Executive Officer.

Deferred compensation plan

As described above, we have a Deferred Compensation Plan, which allows participants to defer receipt of compensation otherwise payable to them under our existing compensation plans, and also permits us to make discretionary contributions to participants' accounts. Participants are fully vested in all amounts deferred and any earnings or losses on those deferrals at all times. Upon termination of service due to retirement, disability or death, a participant becomes fully vested in any additional amounts, including any discretionary contributions we make, credited to his or her account. To date, we have not made any contributions to the Deferred Compensation Plan on behalf of any Named Executive Officer.

Certain Relationships and Related Transactions

Since January 1, 2015, there has not been, and there is not currently proposed, any transaction or series of similar transactions requiring disclosure under Item 404 of Regulation S-K except as described below. We compensate our directors and officers as described above.

From time to time Haverford Valley, L.C., which is an affiliate of ours controlled by our chief executive officer, Patrick M. Byrne, and certain affiliated entities make travel arrangements for our executives and pay the travel-related expenses incurred by our executives on Company business. In 2015, the amount we reimbursed Haverford Valley, L.C. for these expenses was \$423,000. Although the amount of these reimbursements in 2016 is unknown, the amount could exceed \$120,000. The amounts we pay to Haverford Valley, L.C. as reimbursement of air travel expenses are at estimated commercially

available airline rates. The other amounts we reimburse to Haverford Valley, L.C. are reimbursed at its actual cost. Dr. Byrne owns 100% of the equity interest in Haverford Valley, L.C. The amounts paid to Haverford Valley, L.C. are reimbursements of costs incurred on behalf of the Company.

In June 2015, as part of an initial demonstration of the proprietary blockchain software our majority-owned subsidiary Medici, Inc. has developed, our Chief Executive Officer, Dr. Patrick M. Byrne purchased a \$500,000 privately-placed "cryptobond" from us for \$500,000 in cash. In November 2015, we redeemed the debt by repaying Dr. Byrne the principal amount of \$500,000 plus \$15,847 of accrued interest at the fixed annual interest rate of 7.0%. Dr. Byrne waived his right to receive a redemption premium from us.

From time to time the Company employs relatives of our Named Executive Officers. During 2015 the Company did not pay any immediate family member of any of our Named Executive Officers more than \$120,000 except as follows. During 2015 the Company paid two immediate family members of our Senior Vice President Mr. Alec Wilkins a total of \$315,443, including Ms. Debi Brown, Vice President of Business Solutions and Transportation Care, who was paid \$284,601, and paid three immediate family members of our President Ms. Simon a total of \$211,886, none of whom was paid more than \$120,000. Neither Mr. Wilkins nor Ms. Simon received any of such amounts. The Company expects that it will pay one or more relatives of Named Executive Officers more than \$120,000 in 2016.

Please see our discussion under "The Board Policies and Procedures Regarding Related Party Transactions" for a description of our policies and procedures relating to related party transactions.

Other Matters

During 2015 our Chief Executive Officer, Patrick Byrne, personally gave \$150,000 to a political action committee named Promote Liberty. Promote Liberty subsequently contributed \$43,000 to the Johnson for Governor campaign of our Chairman of the Board, Jonathan E. Johnson III.

Section 16(a) Beneficial Ownership Reporting Compliance

Such officers, directors, and 10% stockholders are also required to furnish the Company with copies of all Section 16(a) forms that they file.

Based solely on a review of reports filed by, and on written representations from, our officers, former officers, directors and 10% stockholders, we believe that during 2015 all of our officers, former officers, directors and 10% stockholders complied with requirements for reporting ownership and changes in ownership of our common stock under Section 16(a) of the Exchange Act.
