ITEM 9. REGULATION FD DISCLOSURE

CareDecision Corporation ("CareDecision" or the "Company") [OTCBB: CDED] will be featured on an episode of the 30-minute financial program "Let's Talk Stock" ("LTS"), shown weekly on CNBC TV. The episode highlighting CareDecision is expected to air in April. Now in its fourth year, LTS offers an innovative and effective way to reach the investing public providing a nation-wide platform from which to inform them of the products, services, unique features and benefits, growth potential, management team and plans for the future for lesser-known public companies.

Filming of CareDecision's upcoming feature began in New York last Monday and will continue at our California corporate office. Additional filming may include a location chosen by our satellite media partner. The feature is expected to run for approximately 10 minutes and will be directed toward our proprietary Wi-Fi technologies. Specific emphasis will be placed on our pending patents. Additional topics are expected to include our ResidenceWare product and our SateLink product. The exact time and date of the broadcast will be announced in the near future and the Company plans to make available tapes and DVD copies of the feature and
