Item 2. Acquisition or Disposition of Assets

Purchase of Dallas Office Building. On November 25, 2002, we completed the acquisition of the Chateau Plaza office building (the "Property"). The Property is located in Dallas, Texas, contains approximately 171,000 rentable square feet and is located on approximately one acre of land. The aggregate purchase price for the Property was \$22,000,000, which was paid with \$15,400,000 from the proceeds of a loan from Fleet National Bank (the "Fleet Loan") and the balance paid in cash from a portion of the proceeds of our May 2002 public offering.

The Property was purchased from WXI/CHA Real Estate L.P. (the "Seller"), an unrelated party. The purchase price of the Property was determined through negotiations between the Seller and us.

The Fleet Loan represents the second draw on a \$30,000,000 revolving credit facility from Fleet National Bank. The original draw was used to purchase the Centerra office building located in Denver, Colorado and the facility is cross collateralized by mortgages on both properties. The Fleet Loan bears interest at LIBOR plus 275 basis points, due in monthly installments of interest only, with the principal balance and accrued interest due on November 12, 2005. This loan may be prepaid at any time without penalty.

For a more complete description of this transaction, please see the Agreement of Purchase and Sale between us and the Seller dated September 24, 2002 (the

"Purchase Agreement"), a copy of which is attached hereto as Exhibit 2.1, and our press release dated November 26, 2002, a copy of which is attached to this Form 8-K as Exhibit 99.1.

The schedules and exhibits to the Purchase Agreement, a listing of which are included therein, have not been filed herewith. The schedules and exhibits will be furnished supplementally to the Securities and Exchange Commission upon request.

INDEPENDENT AUDITORS' REPORT

The Board of Directors of
AmeriVest Properties Inc.:

We have audited the accompanying statement of revenue and certain expenses of the Chateau Plaza Office Building in Dallas, Texas (the "Property") for the year ended December 31, 2001. This financial statement is the responsibility of the Property's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

The statement of revenue and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and for inclusion in the Form 8-K of AmeriVest Properties Inc., as described in Note 1. The presentation is not intended to be a complete presentation of the Property's revenues and expenses.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the revenue and certain expenses of the Chateau Plaza Office Building for the year ended December 31, 2001, in conformity with accounting principles generally accepted in the United States of America.

CHATEAU PLAZA OFFICE BUILDING
NOTES TO STATEMENTS OF REVENUE AND CERTAIN EXPENSES
DECEMBER 31, 2001

NOTE 1 - BASIS OF PRESENTATION

The accompanying statement of revenue and certain expenses reflects the operations of the Chateau Plaza Office Building ("Chateau Plaza" or the "Property"). The Property consists of one office building located in Dallas, Texas. The Property contains approximately 171,000 rentable square feet and is located on approximately one acre of land. As of September 30, 2002 and December 31, 2001, the Property had an occupancy percentage of 98% and 89%, respectively.

The Property was acquired by AmeriVest Properties Inc. and subsidiaries ("AmeriVest") from an unrelated party on November 25, 2002 for \$22,000,000, which was paid with \$15,400,000 from the proceeds of a loan from Fleet National Bank and the balance paid in cash from a portion of the proceeds of the May 2002

Edgar Filing: AMERIVEST PROPERTIES INC - Form 8-K/A

public offering. In addition, AmeriVest incurred approximately \$414,000 in related acquisition fees and costs, of which \$334,000 represents the advisory fee earned by Sheridan Realty Advisors, LLC, a related party, in connection with the acquisition in accordance with the Property Management and Advisory Agreement. The advisory fee is expensed immediately upon the closing of the acquisition while the remaining acquisition costs, which are paid to unrelated third parties, are capitalized as a cost of acquiring the property.

The accounting records of the Property are maintained on the accrual basis. The accompanying statement of revenue and certain expenses was prepared pursuant to the rules and regulations of the Securities and Exchange Commission, and exclude certain expenses such as mortgage interest, depreciation and amortization, professional fees and other costs not directly related to future operations of the Property.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Interim Information (unaudited)

In the opinion of the management of AmeriVest, the unaudited interim information as of September 30, 2002 included herein contains all adjustments necessary, which are of a normal recurring nature, to present fairly the revenue and certain expenses for the nine months ended September 30, 2002. Results of interim periods are not necessarily indicative of results to be expected for the year. Management is not aware of any material factors that would cause the information included herein to not be indicative of future operating results.

(unaudited)

NOTE 1 - BASIS OF PRESENTATION

The accompanying unaudited pro forma consolidated financial statements are presented to reflect the acquisition of Chateau Plaza by AmeriVest.

The accompanying unaudited pro forma consolidated balance sheet presents the historical financial information of AmeriVest as of September 30, 2002 as adjusted for the acquisition of Chateau Plaza as if the transaction had occurred on September 30, 2002.

The accompanying unaudited pro forma consolidated statements of operations for the nine months ended September 30, 2002 and the year ended December 31, 2001 combine the historical operations of AmeriVest with the historical operations of Chateau Plaza as if the transaction had occurred on January 1, 2001.

These pro forma statements may not be indicative of the results that actually would have occurred if the combination had been in effect on the dates indicated or which may be obtained in the future.

NOTE 2 - PRO FORMA ADJUSTMENTS

The unaudited pro forma consolidated financial statements reflect the following pro forma adjustments:

(a) The net cash paid for Chateau Plaza consists of the following:

Purchase price	\$ 22,000,000
Estimated acquisition costs	80,000
Loan origination fees	415,000
Less: mortgage loan	(15,400,000)
Less: credit for accrued real estate taxes	(452,056)
Less: credit for security deposits	(61,971)

Cash paid	\$ 6,580,973
	=====

(b) The purchase price of Chateau Plaza was allocated to the assets and liabilities based on estimated fair values.

(c) The loan in the amount of \$15,400,000 represents the second draw on a \$30,000,000 revolving credit facility from Fleet National Bank. The original draw was used to purchase the Centerra office building located in Denver, Colorado. The loan bears interest at LIBOR plus 275 basis points, due in monthly installments of interest only, with the principal and accrued interest due on November 12, 2005. This loan may be prepaid at any time without penalty. AmeriVest paid a 1.25% loan origination fee for the aggregate credit facility, plus additional loan costs, which have been capitalized and are being amortized over the life of the loan.

F-9

(d) Advisory fee of \$334,000 earned by Sheridan Realty Advisors, LLC in connection with the acquisition of Chateau Plaza in accordance with the Property Management and Advisory Agreement. This fee was capitalized on acquisitions completed prior to January 1, 2002. However, due to the amendment of the Property Management and Advisory Agreement effective January 1, 2002, the advisory fee is being expensed beginning in 2002.

Edgar Filing: AMERIVEST PROPERTIES INC - Form 8-K/A

(e) Pursuant to the Property Management and Advisory Agreement, Sheridan Realty Advisors, LLC would have earned a 5% management fee through December 31, 2001 and there would be no management fee expense, with respect to Chateau Plaza, beginning January 1, 2002 due to the Company being internally managed. Adjustments to management fees are as follows:

	Nine Months Ended September 30, 2002 -----	Year Ended December 31, 2001 -----
Management fees in accordance with the property management agreement	\$ --	\$ 177,856
Less: historical management fees	(54,519)	(70,421)
	-----	-----
Pro forma adjustment	\$ (54,519)	\$ 107,435
	=====	=====

(f) Interest expense to be recognized related to the mortgage loan. Includes loan interest (assumed interest rates of 4.62% and 6.37% for the nine months ended September 30, 2002 and the year ended December 31, 2001, respectively) and the amortization of the loan origination fee.

(g) Depreciation expense calculated assuming a 40-year useful life.

NOTE 3 - INCOME PER SHARE

Pro forma income per common share for the nine months ended September 30, 2002 and the year ended December 31, 2001 is computed based on the weighted average number of common shares outstanding during the periods presented.

NOTE 1 - BASIS OF PRESENTATION

Depreciation has been estimated based upon an allocation of the purchase price of Chateau Plaza to land (7%) and building (93%) and assuming (for tax purposes) a 39-year useful life applied on a straight-line method.

No income taxes have been provided because the Company is organized and operates in such a manner so as to qualify as a Real Estate Investment Trust ("REIT") under the provisions of the Internal Revenue Code (the "Code"). Accordingly, the Company generally will not pay Federal income taxes provided that distributions to its stockholders equal at least the amount of its REIT taxable income as defined under the Code.
