WEIS MARKETS RELEASES FOURTH QUARTER RESULTS

(SUNBURY, PA) - Weis Markets, Inc. (NYSE:WMK) today reported \$577.6 million in fourth quarter sales for the thirteen-week period ending December 30, 2006, compared to \$601.9 million for the fourteen-week period in 2005. Adjusting for the extra week in 2005, the Company's fourth quarter sales increased 2.7% and its comparable store sales increased 2.1%.

"We came off a strong year in 2005, which had one additional week compared to 2006. Despite these challenges, we achieved a record sales year," said Weis Markets' President and CEO Norman S. Rich. "In 2006, we also accelerated our capital expenditure spending, investing more than \$100 million in our store base and infrastructure. While we did not achieve our earnings goal, we made significant progress."

At a recent meeting, the Company's Board of Directors approved a plan to invest \$72.5 million in capital expenditures for 2007.

In the fourth quarter, the Company's net income totaled \$14.0 million compared to \$18.4 million for the same period in 2005. Current basic and diluted earnings per share totaled \$.52 per share compared to \$.68 per share for the same period in 2005.

The Company said its year over year changes in fourth quarter net income was affected by the extra week in 2005; higher energy costs for utilities, fuel, and petroleum-based store supplies; advertising costs; closed store liabilities; and depreciation due to the Company's accelerated capital expenditures.
