FRONTEER DEVELOPMENT GROUP INC. TO SEEK TO ACQUIRE NEWWEST GOLD CORPORATION; ENTERS INTO AGREEMENT WITH SIGNIFICANT SHAREHOLDER

Fronteer Development Group (TSX and AMEX – FRG)(“Fronteer”) and **NewWest Gold Corporation** (TSX – NWG)(“NewWest”) announced today that Fronteer has entered into a lock-up agreement (the “Lock-Up Agreement”) with NWG Investments Inc. (the “Significant Shareholder”), the owner of approximately 86% of the outstanding common shares of NewWest, pursuant to which the Significant Shareholder has agreed to tender to and support a transaction (the “Proposed Transaction”) whereby Fronteer would seek to acquire all of the outstanding common shares of NewWest on the basis of 0.26 of one common share of Fronteer for each common share of NewWest.

Fronteer and NewWest have entered into a mutual confidentiality agreement pursuant to which NewWest has granted to Fronteer a 30 day exclusivity period in which to complete due diligence and pursuant to which NewWest has agreed not to solicit other proposals. Fronteer and the Significant Shareholder have also entered into an exclusivity agreement pursuant to which the Significant Shareholder has agreed not to solicit other proposals for a 30 day period. The Lock-Up Agreement permits the Significant Shareholder to tender its NewWest common shares to a superior transaction in certain circumstances and subject to certain conditions, including offering Fronteer an opportunity to match any such proposal and the payment by the Significant Shareholder of a termination fee to Fronteer in the amount of C\$5.6 million.

Fronteer’s obligation to proceed with the Proposed Transaction is subject to a number of conditions including Fronteer being satisfied, in its sole and absolute discretion, with its due diligence investigations. The Significant Shareholder can terminate the Lock-Up Agreement in certain circumstances, including if Fronteer has not made an offer to all holders of NewWest common shares by August 17, 2007. Under the Proposed Transaction, the exchange ratio of 0.26 common shares of Fronteer for each issued share of NewWest represents a value of approximately C\$3.20 per share based upon the closing price of Fronteer on the TSX on June 28, 2007. This represents a premium of 36.17% to the closing price of NewWest’s shares on the TSX on June 28, 2007 and 37.93% based on the 20 day volume weighted average trading price of NewWest’s common shares on the TSX.

There are currently 67,857,681 Fronteer common shares outstanding and 58,392,000 NewWest common shares outstanding. Should the Proposed Transaction be completed and Fronteer acquires 100% of the NewWest common shares, current Fronteer shareholders would own approximately 81.7% of Fronteer and current NewWest shareholders would own approximately 18.3% of Fronteer.

A special committee of the NewWest board of directors has been established to consider the transaction. The committee has not yet made any recommendation to the board of directors of NewWest in respect of the proposed

transaction.

NewWest has engaged GMP Securities L.P. as its financial advisor and Stikeman Elliott LLP as its legal advisor. Fronteer's financial advisor is Canaccord Capital Corporation and its legal counsel is Cassels Brock & Blackwell LLP. The Significant Shareholder is being advised by Goodmans LLP.

No agreements have been reached between NewWest and Fronteer, other than the confidentiality agreements described above. There can be no assurances that any agreements will be reached or that a transaction will result.
