Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

None.

Item 6. Indemnification of Directors and Officers.

Section 607.0850(1) of the Florida Business Corporation Act (FBCA) permits a Florida corporation to indemnify any person who was or is a party to any third party proceeding by reason of the fact that such person is or was a director, officer, employee or agent of the corporation (or is or was serving at the request of the corporation), against liability incurred in connection with such proceeding (including any appeal thereof) if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 607.0850(2) of the FBCA permits a Florida corporation to indemnify any person who may be a party to a derivative action if such person acted in any of the capacities set forth in the immediately preceding paragraph, against expenses and amounts paid in settlement not exceeding, in the judgment of the board of directors, the estimated expenses of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding (including appeals), provided that the person acted under the standards set forth in the immediately preceding paragraph. However, no indemnification shall be made for any claim, issue or matter for which

such person is found to be liable unless, and only to the extent that, the court determines that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which the court deems proper.

Section 607.0850(4) of the FBCA provides that any indemnification made as set forth to the two immediately preceding paragraphs, unless pursuant to a court determination, shall be made only after a determination that the person to be indemnified has met the standard of conduct described above. This determination is to be made by a majority vote of a quorum consisting of the disinterested directors of the board of directors who were not parties to such proceeding and, if such a quorum is not available, by duly selected independent legal counsel, or by a majority vote of the disinterested security holders. The board of directors may also designate a special committee of disinterested directors to make this determination.

Section 607.0850(3), however, provides that a Florida corporation must indemnify any director, or officer, employee or agent of a corporation who has been successful in the defense of any proceeding referred to in Sections 607.0850(1) or (2), or in the defense of any claim, issue or matter therein, against expenses actually and reasonably incurred by him in connection therewith.

Under the FBCA, expenses incurred by a director or officer in defending a civil or criminal proceeding may be paid by the corporation in advance of the final disposition thereof upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it is ultimately determined that such director or officer is not entitled to indemnification under Section 607.0850. Expenses incurred by other employees or agents in such a proceeding may be paid in advance of final disposition thereof upon such terms or conditions that the board of directors deems appropriate.

The FBCA further provides that the indemnification and advancement of payment provisions contained therein are not exclusive and it specifically empowers a corporation to make any other or further indemnification or advancement of expenses under any bylaw, agreement, vote of security holders or disinterested directors or otherwise, both for actions taken in an official capacity and for actions taken in other capacities while holding an office. However, a corporation cannot indemnify or advance expenses if a judgment or other final adjudication establishes that the actions of the director or officer were material to the adjudicated cause of action and the director or officer (a) violated criminal law, unless the director or officer had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct was unlawful, (b) derived an improper personal benefit from a transaction, (c) was or is a director in a circumstance where the liability under Section 607.0834 (relating to unlawful distributions) applies, or (d) engages in willful misconduct or conscious disregard for the best interests of the corporation in a proceeding by or in right of the corporation to procure a judgment in its favor or in a proceeding by or in right of a shareholder.

Our Amended and Restated By-Laws (by-laws) provide that we have the power to indemnify any current or former director, officer, employee or agent against any liability arising from any action or suit to the fullest extent permitted by law. Advances against expenses may be made under our by-laws and any other indemnification agreement into which we may enter and the indemnity coverage provided thereunder may include liabilities under the federal securities laws as well as in other contexts. Our by-laws also permit us to purchase and maintain insurance on behalf of any current or former director, officer, employee or agent for any liability incurred by any of them in connection with, or arising out of, their actions in their capacity as our director, officer, employee or agent. Our by-laws also provide that any repeal or modification of the indemnification provisions of the by-laws shall not adversely affect any right or protection of any person in respect of any act or omission occurring prior to the time of such repeal or modification.

Reference is made to Article VI of our by-laws incorporated hereto by reference.

Item 7. Exemption from Registration Claimed.

The restricted securities to be reoffered or resold pursuant to this registration statement were or will be issued pursuant to Section 4(2) of the Securities Act and/or Regulation S under the Securities Act.

Item 9. Undertakings.

The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Paragraphs (1)(i) and (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934

(and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in Johannesburg, Republic of South Africa on the 3rd day of December, 2015.
