ITEM 2.01. COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS.

On September 1, 2004, Gardner Denver, Inc. (the "Company") completed its acquisition of nash\_elmo Holdings, LLC ("nash\_elmo"), a leading global manufacturer of industrial vacuum pumps.

## Edgar Filing: GARDNER DENVER INC - Form 8-K

nash\_elmo's primary manufacturing locations are located in Bad Neustadt and Nuremberg, Germany; Zibo, China; Campinas, Brazil; and Trumbull, Connecticut. nash\_elmo also has other locations around the world to support sales, customer service, distribution and the packaging of vacuum pump systems.

nash\_elmo was owned, directly and indirectly, by various investment entities managed by Audax Private Equity, The Nash Engineering Company and certain management employees of nash\_elmo. Neither Audax Private Equity, The Nash Engineering Company nor any such management employee has any material relationship, other than with respect to the acquisition of nash\_elmo, with the Company or any of its affiliates, any director or officer of the Company or any associate of any such director or officer.

The purchase price paid by the Company in the transaction was \$223.5 million. The Company funded the acquisition with cash and the assumption of \$10.5 million in debt. This amount is subject to post-closing adjustment.

### ITEM 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF THE REGISTRANT.

On September 1, 2004, the Company entered into a \$375 million amended credit agreement with a syndicate of fifteen banks, including J.P. Morgan Securities, Inc., which served as lead arranger. This agreement provided the Company with access to a senior secured credit facility, including a \$150 million five-year term loan and a \$225 million five-year revolving credit line. The senior secured credit facility was used to fund the nash\_elmo acquisition and to refinance the outstanding balances on the Company's existing senior credit facilities of approximately \$50 million. Up to \$95 million remains available under the revolving credit facility for general corporate purposes, including capital expenditures and business acquisitions. The interest rates under the facility vary and are based on the prime rate, the federal funds rate and/or LIBOR for the applicable currency, and the Company's ratio of debt to adjusted income. Based on the current one-month LIBOR rate, the initial interest rate for borrowings under the credit facility was approximately 3.7%. The credit agreement includes standard financial covenants and other customary terms and conditions for senior secured credit facilities of this type.

### ITEM 7.01. REGULATION FD DISCLOSURE.

On September 1, 2004, the Company issued a press release announcing that its acquisition of nash\_elmo had been completed and that it had entered into an amended and restated \$375 million credit agreement. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The information in this Item 7.01 and the exhibit attached hereto will not be deemed to be "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934 (the "Exchange Act"), or otherwise subject to the liabilities of such section, nor will such information or exhibit be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as may be expressly set forth by specific reference in such filing.
