-2-

DESCRIPTION OF OUR COMPANY

We were incorporated in the State of Nevada on October 4, 2001. Our company's business plan was to become actively engaged as a start-up wireless communications service provider. At present, our company has no assets or business operations. We planned to implement our business strategy by supplying wireless high-speed Internet services, and other complementary Internet and telecommunications services. Our company intended to provide a telecommunications delivery service to businesses, Internet Service Providers and telecommunication companies in underserved markets in North America. Our proposed networks were intended to act as conduits for the transmission of wireless high speed and complementary Internet and telecommunications services.

To date, we have not been successful in implementing our business plan. As management of our company has investigated opportunities and challenges in the business of becoming a wireless communications service provider, management has realized that this business may not present the best opportunity for our company to realize value for our shareholders. Accordingly, we have been seeking to identify an alternate business opportunity or enter into a suitable business combination.

Our company has recently began non-binding negotiations with 1476246 Ontario Limited, an Ontario corporation, who carries on business as Lamperd Less Lethal. Our directors have determined that, due to the lengthy time period required to effect a name change pursuant to the requirements of Rule 14c and the provisions of the *Private Corporations Code* of the State of Nevada, it is in the best interests of our company to proceed with the name change in the event that an agreement is reached between our company and 1476246 Ontario Limited. In the event that our non-binding negotiations with 1476246 Ontario Limited fail to reach an agreement, our directors intend to abandon the name change if such negotiations are terminated before the Certificate of Amendment is accepted for filing by the Secretary of State of the State of Nevada. In the event that such negotiations are terminated after the name change has been effected, our directors intend to file an additional Certificate of Amendment in order to change our name from Lamperd Less Lethal Inc. to a more suitable name to reflect our company's business pursuits and opportunities at that time.

INTEREST OF CERTAIN PERSONS IN OR OPPOSITION TO MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Information Statement, none of the following persons have any substantial interest, direct or indirect, by security holdings or otherwise in any matter to be acted upon:

1. any director or officer of our company since January 1, 2004, being the commencement of our last completed financial year;
2. any proposed nominee for election as a director of our company; and
3. any associate or affiliate of any of the foregoing persons.

The shareholdings of our directors and officers are set forth below in the section entitled "Principal Shareholders and Security Ownership of Management". To our knowledge, no director has advised that he intends to oppose the name change as more particularly described herein.

Amendment to our company's Articles

On February 15, 2005, our board of directors approved an amendment to our Articles of Incorporation to change the name of our company from "Sinewire Networks Inc." to "Lamperd Less Lethal Inc."
