INDEPENDENT ACCOUNTANT'S REPORT

To the Board of Directors
Accesspoint Corporation
Los Angeles, California

We have reviewed the accompanying consolidated balance sheets of Accesspoint Corporation and its subsidiaries ("the Company") as of June 30, 2002 and the related consolidated statements of operations, changes in stockholders' equity, and cash flows for the six month periods ended June 30, 2002 and 2001. These financial statements are the responsibility of the Company's management.

We conducted our review in accordance with standards established by the American Institute of Certified Public Accountants. A review of interim financial information consists principally of inquiries of persons responsible for financial and accounting matters and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards generally accepted in the United States of America, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying consolidated financial statements in order for them to be in conformity with generally accepted accounting principles in the United States of America.

We previously audited in accordance with auditing standards generally accepted in the United States of America, the consolidated balance sheet as of December 31, 2001, and the related consolidated statements of operations, changes in stockholders' equity and cash flows for the year then ended (not presented herein), and in our report dated April 4, 2002 we expressed an unqualified

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying consolidated balance sheet as of December 31, 2001 is fairly stated in all material respects in relation to the consolidated balance sheet from which it has been derived.

ACCESSPOINT CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2002 AND 2001

NOTE A - NATURE OF OPERATIONS

Incorporated in the State of Nevada, Accesspoint Corporation ("the Company") is a "C" Corporation as organized under the Internal Revenue Code. As of December 31, 2001, the Company has combined its mature Internet Application Services technology platform with its credit card and check-processing platform to provide bundled payment acceptance, processing and business management services. These programs provide customers with multiple payment acceptance capabilities including credit card and check transaction, a fully-operational e-commerce and business management Website, and a central Web-based management system for servicing both the brick-and-mortar and web based sides to each business.

The Company focuses on specific markets that historically have been under served by the transaction processing industry. The Company's multi-application e-payment systems allow their growing national sales channel to market a single source solution to merchants and businesses. Clients enjoy the benefits of a versatile, multi-purpose system that provides a broad level of payment acceptance options and value-added business services without having to manage the multiple business relationships normally required for these functions.

The Accesspoint advantage is full transaction processing, settlement and software delivered as a bundled service for the cost of an industry standard transaction fee. Furthermore, as a result of the Company's systems, prospective clients can be approved in a short period, instead of the several-day time frame typically implemented by the Company's competition.

In November 2000, the Company launched its card processing division, managed by its wholly owned subsidiary, Processing Source International, Inc. and began earning card processing revenues in addition to its check processing revenues through the underwriting and processing of these electronic payment transactions in its growing merchant base.

The Company has targeted the Independent Sales Organization (ISO) and Independent Agent marketplace as a prime driver and sales channel for its services. The Company's operating systems makes it simple for these sale organizations to electronically submit a client's application, track the progress of that application, monitor merchant service, and

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

even track commissions, all in real time via a private label portal provided by the Company. This program, called ISO Advantage, aims to establish a new standard for service and support in the merchant services industry and appears to present distinct marketplace advantages for those sales organizations who enter the program.

ACCESSPOINT CORPORATION NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2002 AND 2001

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

UNAUDITED INTERIM FINANCIAL INFORMATION

The accompanying financial statements have been prepared by Accesspoint Corporation, ("Accesspoint" or the "Company") pursuant to the rules and regulations of the Securities and Exchange Commission (the "SEC") Form 10-QSB and Item 310 of Regulation S-B, and generally accepted accounting principles for interim financial reporting. These financial statements are unaudited and, in the opinion of management, include all adjustments (consisting of normal recurring adjustments and accruals) necessary for a fair presentation of the balance sheets, operations results, and cash flows for the periods presented. Operating results for the six months ended June 30, 2002 and 2001 are not necessarily indicative of the results that may be expected for the year ending December 31, 2002, or any future period, due to seasonal and other factors. Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting policies have been omitted in accordance with the rules and regulations of the SEC. These financial statements should be read in conjunction with the audited consolidated financial statements and accompanying notes, included in the Company's Annual Report for the year ended December 31, 2001.

Revenues, expenses, assets and liabilities can vary during each quarter of the year. Therefore, the results and trends in these interim consolidated financial statements may not be the same as those for the full year.

REVENUE RECOGNITION

The Company recognizes revenue from; settlement fees for electronic payment processing, credit and debit card payment settlement, check conversion and financial processing programs and transaction fees related to the use of its software and credit card processing products, licensure of its software products and providing Internet access and hosting of Internet business services and web sites.

Revenue from software and hardware sales and services are recognized as products are shipped, downloaded, or used.

The Company reports income and expenses on the accrual basis for both financial and income tax reporting purposes.

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the accounts of J.S.J.

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

Capital III, Inc., Accesspoint Corporation, and its wholly owned subsidiaries Processing Source International, Inc. (PSI) and Black Sun Graphics, Inc. (BSG), collectively referred to within as the Company. All material intercompany accounts, transactions and profits have been eliminated in consolidation.

RISKS AND UNCERTAINTIES

The Company is subject to substantial risks from, among other things, intense competition from the providers of financial electronic payment processing, settlement services, software development and e-commerce service companies specifically and the technology industry in general, other risks associated with the Internet services industry, financing, liquidity requirements, rapidly changing customer requirements, limited operating history, and the volatility of public markets.

-14-

ACCESSPOINT CORPORATION NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2002 AND 2001

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

CONTINGENCIES

Certain conditions may exist as of the date the financial statements are issued, which may result in a loss to the Company but which will only be resolved when one or more future events occur or fail to occur. The Company's management and legal counsel assess such contingent liabilities, and such assessment inherently involves an exercise of judgment. In assessing loss contingencies related to legal proceedings that are pending against the Company or unasserted claims that may result in such proceedings, the Company's legal counsel evaluates the perceived merits of any legal proceedings or unasserted claims as well as the perceived merits of the amount of relief sought or expected to be sought.

If the assessment of a contingency indicates that it is probable that a material loss has been incurred and the amount of the liability can be estimated, then the estimated liability would be accrued in the Company's financial statements. If the assessment indicates that a potential material loss contingency is not probable but is reasonably possible, or is probable but cannot be estimated, then the nature of the contingent liability, together with an estimate of the range of possible loss if determinable and material would be disclosed.

Loss contingencies considered to be remote by management are generally not disclosed unless they involve guarantees, in which case the guarantee would be disclosed.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

revenues and expenses during the reporting period. Actual results could differ from those estimates. Significant estimates include collectibility of accounts receivable, accounts payable, sales returns and recoverability of long-term assets.

ALLOWANCE FOR DOUBTFUL ACCOUNTS

The Company has made an allowance for doubtful accounts for trade receivables.

FIXED ASSETS

Property and equipment are stated at cost less accumulated depreciation. Expenditures for major additions and improvements are capitalized, and minor replacements, maintenance and repairs are charged to expense as incurred. Depreciation is provided on the straight-line method over the estimated useful lives of the assets, or the remaining term of the lease, as follows:

Furniture and Fixtures	5 years
Equipment	5 years
Hardware and Software	3 years

LEASEHOLD IMPROVEMENTS

Amortization of leasehold improvements is computed using the straight-line method over the shorter of the remaining lease term or the estimated useful lives of the improvements.

-15-

ACCESSPOINT CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2002 AND 2001

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

CAPITAL LEASES

Assets held under capital leases are recorded at the lower of the net present value of the minimum lease payments or the fair value of the leased asset at the inception of the lease. Depreciation is computed using the straight-line method over the shorter of the estimated useful lives of the assets or the period of the related lease.

INVENTORY

Inventory is valued at the lower of cost or market. Cost is determined on the weighted average method. As of June 30, 2002 and 2001, inventory consisted only of finished goods.

CASH AND CASH EQUIVALENTS

The Company considers all highly liquid investments purchased with initial maturities of three months or less to be cash equivalents.

CONCENTRATION OF CREDIT RISK

Financial instruments, which subject the Company to credit risk, consist primarily of cash equivalents and trade accounts receivable. Concentration of credit risk with respect to trade accounts receivable is generally diversified to the large number of entities comprising the Company's customer base and their geographic dispersion. The Company

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

actively evaluates the creditworthiness of the customers with which it conducts business.

ADVERTISING

Advertising costs are expensed in the year incurred.

EARNINGS PER SHARE

Earnings per share are based on the weighted average number of shares of common stock and common stock equivalents outstanding during each period. Earnings per share are computed using the treasury stock method. The options to purchase common shares are considered to be outstanding for all periods presented but are not calculated as part of the earnings per share.

STOCK-BASED COMPENSATION

The Company accounts for stock-based employee compensation arrangements in accordance with the provisions of Accounting Principles Board Opinion ("APB") No. 25, "Accounting for Stock Issued to Employees," and complies with the disclosure provisions of Statement of Financial Accounting Standards ("SFAS") 123, "Accounting for Stock-Based Compensation." Under APB 25, compensation cost is recognized over the vesting period based on the difference, if any, on the date of grant between the fair value of the Company's stock and the amount an employee must pay to acquire the stock.

IMPAIRMENT OF LONG-LIVED ASSETS

The Company evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. If the estimated future cash flows (undiscounted and without interest charges) from the use of an asset are less than the carrying value, a write-down would be recorded to reduce the related asset to its estimated fair value. There have been no such impairments to date.

At June 30, 2002, the Company has 25,000,000 Common Shares authorized and 24,163,965 shares issued and outstanding. The Company had 5,000,000 Preferred Shares authorized and 1,055,600 issued and outstanding.

At June 30, 2002, the Company does not have enough common stock reserved for the possible exercise of options and warrants which could total:

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

Exercise of common stock warrants	1,752,223
Exercise of stock options	3,715,916
	5,468,139

The Company intends to increase the authorized number of shares by proxy of its shareholders subsequent to June 30, 2002.

NOTE D - EARNINGS PER SHARE

Basic net earnings per share is computed using the weighted average number of common shares outstanding during the year. The dilutive effect of potential common shares outstanding is included in diluted net earnings per share. The computations of basic net earnings per share and diluted net earnings per share as of June 30, 2002 and 2001 are as follows:

	June 30, 2002	June 30, 2001
Net earnings (loss) from operations	\$ (1,358,586)	\$ (2,140,968)

ACCESSPOINT CORPORATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2002 AND 2001

NOTE E - LINE OF CREDIT

As of June 30, 2002 the Company had net borrowings due of \$1,168,542 against a \$5,000,000 line-of-credit that was established in December 2001 with Net Integrated Systems, Inc. (NIS). The agreement calls for minimum monthly payments of interest only at the rate of six percent (6%) per annum. NIS is a related party.

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

NOTE F - LITIGATION AND CONTINGENCIES

The Company is subject to various claims and legal proceedings covering a wide range of matters that arise in the ordinary course of its business activities. Management believes that any liability that may ultimately result from the resolution of these matters will not have a material adverse effect on the financial condition or results of operations of the Company. Listed below are only those matters considered to be material to the Company by management and its counsel.

CITICORP - During 2001 the Company vacated office facilities it had leased under an operating lease agreement in Chicago, Illinois. The lessor subsequently filed suit against the Company for the remaining amount of unpaid rent and other various expenses. A judgment was filed against the Company in the amount of \$95,000. As of June 30, 2002 the Company has accrued for the liability in full on its Balance Sheet. No payments have been made to date.

RUTTENBERG - During 2001 a former employee of the Company filed a formal demand for payment of remaining salary under an employment agreement, unreimbursed expenses and legal costs. In November 2001 the Company entered into a settlement agreement, which required a total sum of \$44,500, be paid in \$5,000 monthly installments. The Company is currently in default under this agreement and has appropriately recorded all original amounts demanded under a Stipulation for the Entry of Judgment of \$92,000, less payments that were made, as a liability on the Balance Sheet as of June 30, 2002.

CAPITAL LEASES - As of June 30, 2002, and subsequently, the Company has stopped making payments on all of its capital leases. Thus, under the lease agreements, the Company is in default. This default accelerates all future payments due and gives the lessor the right to obtain the property.

The Company is currently in negotiations with all lessors for revised terms for the remaining life of the leases. As of this date no new terms have been finalized. The Company has appropriately recorded all amounts due for the remaining life of the leases as a current liability on its Balance Sheet at June 30, 2002.

In June, 2002 the Company settled and paid two of the capital leases.

NOTE F - LITIGATION AND CONTINGENCIES (CONTINUED)

BENTLEY, DJOKOVICH - In March 2002, a shareholder of the Company, James M. Bentley filed a suit against the Company and other various officers, directors and entities. The suit contains eleven (11) Causes of Action including: Breach of Contract, Misappropriation, Unfair Competition, Unfair Business Practices and the imposition of a Constructive Trust.

On June 26, 2002 all parties entered into a settlement agreement. The substantive part of the agreement changes the term for releasing shares held by NIS pursuant to proxy rights (under a separate agreement entered into in December 2001) which are owned by Bentley and Djokovich, requires Djokovich to transfer to NIS 2,605,257 shares of stock of the Company and options to purchase an additional 2,000,000 shares of stock of the Company, provides for NIS' assumption of approximately \$500,000 in short-term loans owed to James W. Bentley by the Company and requires the Company to pay up to \$60,000 of Bentley's legal fees by March 31, 2003. Djokovich's shares are to be held in escrow as collateral until the above short-term loans are repaid.

DJOKOVICH - In February 2002, Mr. Djokovich resigned as Chief Executive Officer of the Company. Mr. Djokovich gave up his employment contract, signed a mutual release and relieved the Company from paying deferred compensation owed to him and a related Promissory Note and Security Agreement. In June 2002, Mr. Djokovich resigned from the Board of Directors as part of the above settlement agreement.

URCUYO - In January 2002 Alfred Urcuyo resigned as President of PSI. Mr. Urcuyo gave up his employment contract and released the Company from paying any amounts owed to him for unreimbursed expenses. Mr. Urcuyo signed a Mutual Release.

MULDER - In 2002, a former employee of the Company filed a claim for payment of credit card debt he incurred on behalf of the Company to pay expenses and various loans he states were made to the Company. These items amount to approximately \$65,000. The Company is currently in negotiations with Mr. Mulder but has accrued as a liability on its Balance Sheet at June 30, 2002 the full amount of \$65,000.

PARISH - In 2002 a former Consultant of the Company filed a claim stating that he is owed 33,336 shares of common stock and 20,000 options to purchase shares of common stock at \$5 per share, for services rendered under a contract with the Company. The Company does not believe that this claim is valid under the contract terms and intends to defend itself in this matter. No action has been filed and no amounts have been accrued.

VERVE - In 2002, a shareholder of the Company submitted a letter of demand to recover their original investment of \$40,000. No amounts have been accrued for this item, and the Company does not intend to return the amount invested. (See Subsequent Events Note K).

JUNE 30, 2002 AND 2001

NOTE F - LITIGATION AND CONTINGENCIES (CONTINUED)

MERCHANTWAREHOUSE.COM - In April 2002 a former agent of the Company initiated arbitration against the Company. The firm is claiming improper termination of its agency agreement and has requested \$1,000,000. The Company intends to defend the claim vigorously. It is not possible at this time to determine the outcome of the case or the possible loss, but management does not believe that the outcome will have a material adverse effect on the Company. No amounts have been accrued in this matter.

BIGGOTT - On May 29, 2002 Mr. Biggott filed a lawsuit against various entities including the Company, charging them with wrongfully terminating his employment with an unrelated company, and with unfair competition, negligence, intentional interference with prospective economic advantage and unfair business practices in connection with the use of a certain product. Mr. Biggott claims \$400,000 in actual damages plus interest and attorney fees. The action alleges that the Company is the alter ego of the other entities named and is therefore liable for their alleged wrongdoing. The Company denies the allegations and any wrongdoing and intends to vigorously defend the action. No amounts have been accrued in the financial statements.

ACCOUNTS PAYABLE - The Company is currently in arrears in payments to its vendors in the normal course of business. Management is currently working on negotiating compromised amounts with all vendors. The Company has recorded as a liability on its Balance Sheet the full value of amounts owed to the vendors. When and if amounts are compromised, a gain on forgiveness of debt will be recognized accordingly.

NOTE G - PAYROLL TAXES

The Company is currently in negotiations with the United States Department of the Treasury, Internal Revenue Service (IRS) in regards to unpaid employment taxes. The IRS has made formal demand of amounts due and unpaid, including interest and penalties, from the Company, and has appropriately filed tax liens against all assets of the Company. The Company entered into installment agreements with the IRS and made payments as required. The Company has hired independent accountants to assist them in this matter and has filed a request for an "Offer in Compromise" of all amounts owed by the Company. The IRS has recorded the request and halted all payment requirements under the installment agreements and any other collection activity until it has had time to review the matter. The Company has requested that the IRS look at Accesspoint Corporation and its Subsidiaries as one unit for terms of the Offer in Compromise. As of the date of this report the IRS has responded to the Company and is reviewing its offer and request to be treated as one unit.

-20-

JUNE 30, 2002 AND 2001

NOTE G - PAYROLL TAXES (CONTINUED)

The Company has always recorded its liability in full to the IRS, including penalties and interest, on its Balance Sheet.

The Company also owes unpaid employment taxes to the California Employment Development Department (EDD). The Company has entered into installment agreements with the EDD and has been making all required payments. The Company has always recorded in full, including penalties and interest, its liability to the EDD as a liability on its Balance Sheet.

NOTE H - EXTRAORDINARY INCOME

In February 2002 Tom Djokovich, former President of the Company, signed a release as part of his termination of employment (see Note F), relieving the Company from paying his deferred compensation. This amount totaled \$221,477. The Company reduced the liability recorded on its books and recorded extraordinary income for the total amount.

NOTE I - PORTFOLIO PURCHASE

On February 25, 2002 the Company purchased a portfolio of residual compensation identified as a merchant base held by Chase Merchant Services from another corporation. The purchase price was \$500,000, payable in installments starting February 27, 2002 and ending November 25, 2002. (See subsequent events Note K.)

NOTE J - PORTFOLIO SALE

On June 10, 2002 the Company sold to another corporation a residual compensation stream, identified as a merchant base held with Chase Merchant Services, for \$101,250. The Company received \$75,000 in June, 2002 and is to receive the remaining \$26,250 on or before October 31, 2002.

NOTE K - SUBSEQUENT EVENTS

PORTFOLIO PURCHASE - In July 2002 the Company rescinded its purchase agreement related to the purchase of a portfolio of residual compensation identified as a merchant base held by Chase Merchant Services from another corporation. Accordingly the Company will book a receivable for its initial \$200,000 payment under the terms of the

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

agreement and reverse its original entry to record the purchase. According to management, the seller is in agreement with the rescission.

VERVE - In July 2002 the Company made a settlement proposal to Verve with respect to its claim (see Litigation Note F) which proposal was accepted and signed by Verve. Under the settlement proposal, the Company will issue 40,000 new shares of restricted stock and 60,000 warrants to purchase additional stock at \$1 per share, exercisable for three years.

NOTE L - DEFERRED FINANCING COSTS

In accordance with APB 21 and SAB 79 the Company has recorded a deferred financing cost asset of \$6,326,381. This amount is based on the number of shares that three shareholders directly transferred to Net Integrated Systems, Inc. (NIS) as an inducement for NIS to enter into the Revolving Line of Credit Agreement.

This amount is calculated by multiplying the 4,486,795 shares transferred by \$1.41 per share. The share price represents the closing market value of the Company's stock on December 20, 2001 reduced by a ten percent (10%) discount due to the Rule 144 stock restrictions on these shares.

The entry to record this transaction is to debit the deferred financing cost asset and to credit additional paid in capital. The Company is amortizing the deferred financing cost over the life of the line of credit, which is five years. For the six months ended June 30, 2002 the Company recorded amortization expense of \$632,638.

NOTE M - GOING CONCERN

The Company has suffered recurring losses, cash deficiencies, loan and capital lease defaults, and current liabilities far in excess of current assets. These issues raise substantial concern about its ability to continue as a going concern.

Management has prepared the following statement in order to address these and other concerns:

The Company has made substantial investments in the development of infrastructure to support its transaction processing and business automation services. These investments in both fixed assets and strategic banking agreements have provided the Company with expanded revenue generating capabilities.

NOTE M - GOING CONCERN (CONTINUED)

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

The investment in these assets during the Company's transition from a third party software and web services provider to a primary provider of financial transaction underwriting, processing and business management services have in large part contributed to the Company's losses and cash deficiencies.

The purpose of these investments was to develop infrastructure necessary to position and prepare the Company and its wholly owned subsidiary, Processing Source International, Inc. (PSI), so that revenues could be generated as a primary processor and underwriter of electronic financial transactions. As a result of these investments, PSI became a member processor, under the sponsorship of Chase Manhattan Bank, within the Visa/MasterCard association for the processing of card transactions and the Company received sponsorship through First National Bank of Omaha for the processing of electronic checks and check conversion within the National Automated Clearing House Association (NACHA) network.

Prior to achieving this goal in November 2000, the Company typically generated revenues through the licensing of its business management and transaction processing software technologies and the monthly service fees for hosting these business applications. As of June 30, 2002, the Company generates revenues through the aforementioned services.

In December 2001, the Company entered into a Management Agreement and related Revolving Line of Credit Agreement for up to \$5,000,000. In the first two quarters of 2002 the Company has also significantly reduced its overhead by closing two office facilities and consolidating administrative and sales efforts. In addition, the Company is currently renegotiating its lease commitments, notes payable and accounts payable to further reduce its current liabilities and improve its cash flow.

Revenues for the three and six months ended June 30, 2002 increased to \$3,261,131 and \$6,263,494 from \$1,001,633 and \$1,904,911 for the three and six months ended June 30, 2001. The increases of \$2,259,498 and \$4,358,583, or 225.58% and 228.81%, respectively, are due primarily to our increased revenues associated with credit card processing which resulted in an overall increase in sales.

Cost of sales for the three and six months ended June 30, 2002 increased to \$2,837,491 and \$5,072,264 from \$508,370 and \$765,901 for the three and six months ended June 30, 2001. The increases of \$2,329,121 and \$4,306,363, or 458.15% and 562.26%, respectively, resulted primarily from our increase in cost of sales associated with credit card processing, which resulted in an overall increase in sales.

Selling and marketing expenses for the three and six months ended June 30, 2002 decreased to \$4,522 and \$4,946 from \$77,154 and \$218,212 for the three and six months ended June 30, 2001. These decreases of \$72,632 and \$213,266, or 94.14% and 97.73%, respectively, resulted primarily from the reduction of overhead costs, including the reduction in trade show expenses, advertising consulting costs, and printing costs for brochure and promotional materials during the development of our processing and underwriting platform.

General and administrative expenses for the three and six months ended June 30, 2002 decreased to \$877,631 and \$1,922,233 from \$1,274,319 and \$2,809,050 for the three and six months ended June 30, 2001. The decrease of \$396,688 and \$886,817, or 31.13% and 31.57%, respectively, resulted primarily from a decrease of Salaries and Wages and related employee costs and a decrease in professional costs and other efficiencies.

Interest expense, net, for the three and six months ended June 30, 2002 was \$54,633 and \$97,203, as compared to \$51,835 and \$107,041 for the three and six months ended June 30, 2001. The differences of \$2,798 and \$(9,838), or 5.40% and (9.19%), respectively, resulted primarily from the Company's static cost of debt.

Other (Income) Expense, net of Interest expense was \$291,837 and \$712,650 for the three and six months ended June 30, 2002, as compared to \$47,225 and \$139,628 for the three and six months ended June 30, 2001. These increases of \$244,612 and \$573,022, or 517.97% and 410.39%, respectively, resulted primarily from the increases of amortization of deferred financing costs and bad debt expense for the three and six months ended June 30, 2002, as compared to the three and six months ended June 30, 2001.

Net losses for the three and six months ended June 30, 2002 were \$(832,880) and \$(1,358,586), as compared to \$(961,401) and \$(2,140,968) for the three and six months ended June 30, 2001. The decreases in loss of \$128,521 and \$782,382, or 13.37% and 36.54%, respectively, were primarily related to increased revenues and a reduction of development-related activities.

C. LIQUIDITY AND CAPITAL RESOURCES

Cash and cash equivalents at June 30, 2002 were \$195,975, compared to

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

\$173.468 at June 30, 2001, an increase of \$22,507, which represented a growth of 12.97%.

Net Cash used in operations decreased from \$1,531,937 for the six months ended June 30, 2001 to \$828,391 for the six months ended June 30, 2002 or a resulted efficiency in cash of \$703,546 or 45.93%. This efficiency was primarily accomplished by increased effectiveness in operations.

Net Cash used in investing activities increased from \$53,959 as of June 30, 2001 to \$539,329 as of June 30, 2002. This increase of \$485,370, or 899.52%, was primarily due to the purchase of a portfolio of residual compensation, which purchase was subsequently rescinded (see Note K, Subsequent Events, attached as a part of the financial statements prepared by our auditors filed herewith and incorporated hereby).

During the six months ended June 30, 2002, the Company generated net cash of \$1,485,466 from financing activities as compared to \$1,727,410 for the six months ended June 30, 2001. The decrease of \$241,944, or 14.01%, resulted from a decrease in private placement fundraising activities.

-24-

As of June 30, 2002, we lease office space on a short-term twelve-month sub-lease basis and could be required to move after the expiration of the twelve-month period during the fourth quarter of 2002. We may attempt to re-negotiate a longer-term lease at our present location. If the Company moves, the major capital expenditures we would incur would be related to relocation of office computers, local area network hardware, office telephony and office equipment and furniture.

We had, at June 30, 2002, negative working capital. We believe that cash generated from operations will not be sufficient to fund our current and anticipated cash requirements. However, management believes that our Five Million Dollar (\$5,000,000) Secured Revolving Line of Credit through Net Integrated Systems should be sufficient to sustain Accesspoint's operations and activities for the foreseeable future. As such, we do not believe that our current operational plans for the next twelve months will be curtailed or delayed because of the lack of sufficient financing. While there can be no assurances that we will continue to have access to such additional financing, on terms acceptable to us and at the times required, or at all, we believe that we will have access to sufficient capital for the foreseeable future.

D. NET OPERATING LOSS

For federal income tax purposes, we have net operating loss carryforwards of approximately \$10,760,000 as of June 30, 2002 and \$7,010,000, as of June 30, 2001. These carryforwards will expire at various dates through the year 2015. The use of such net operating loss carryforwards to be offset against future taxable income, if achieved, may be subject to specified annual limitations (see "Risks of Our Business Limitations on Net Operating Loss Carry Forward").

PART II OTHER INFORMATION

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

ITEM 1. LEGAL PROCEEDINGS

The Company is subject to various claims and legal proceedings covering a wide range of matters that arise in the ordinary course of its business activities. Management believes that any liability that may ultimately result from the resolution of these matters will not have a material adverse effect on the financial condition or results of operations of the Company. Listed below are only those matters considered to be material to the Company by management and its counsel.

Citicorp - During 2001, the Company vacated office facilities it had leased under an operating lease agreement in Chicago, Illinois. The lessor subsequently filed suit against the Company for the remaining amount of unpaid rent and other various expenses. A judgment was filed against the Company in the amount of \$95,000. As of June 30, 2002 the Company has accrued for the liability in full on its Balance Sheet. No payments have been made to date.

Ruttenberg - During 2001, a former employee of the Company filed a formal demand for payment of remaining salary under an employment agreement, unreimbursed expenses and legal costs. In November 2001, the Company entered into a settlement agreement, which required a total sum of \$44,500 to be paid in \$5,000 monthly installments. The Company is currently in default under this agreement and has appropriately recorded all original amounts demanded under a Stipulation for the Entry of Judgment of \$92,000, less payments that were made, as a liability on the Balance Sheet as of June 30, 2002.

Capital Leases - As of June 30, 2002, and subsequently, the Company has stopped making payments on all of its capital leases. Thus, under the lease agreements, the Company is in default. This default accelerates all future payments due and gives the lessor the right to obtain the property. The Company is currently in negotiations with all lessors for revised terms for the remaining life of the leases. In June 2002, the Company settled and paid two of the capital leases. The Company has appropriately recorded all amounts due for the remaining life of the leases as a current liability on its Balance Sheet at June 30, 2002.

-25-

Roycap - As of June 30, 2002, the Company was in default on its loan agreement with Roycap for repayment of a \$450,000 loan, plus accrued interest, which was due on October 16, 2001. The Company is currently in negotiations with the lender on new loan terms. The Company has shown the \$450,000 loan in its liabilities as well as all accrued interest. In addition, the Company has accrued registration rights fees of \$108,000 related to this matter as of June 30, 2002. In June 2002, Roycap filed formal suit on its claim.

Bentley, Djokovich - In March 2002, a shareholder of the Company, James M. Bentley, filed suit against the Company and other various officers, directors and entities. The suit contains eleven (11) causes of action including: breach of contract, misappropriation, unfair competition, unfair business practices and the imposition of a constructive trust. On June 26, 2002 all parties entered into a settlement agreement. The substantive part of the agreement: changes the term for releasing shares held by NIS pursuant to proxy rights (under a separate agreement entered into in December 2001) which are owned by Bentley and Djokovich; requires Djokovich to transfer to NIS 2,605,257 shares of stock of the Company and options to purchase an additional 2,000,000 shares of stock of the Company; provides for NIS' assumption of approximately \$500,000 in

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

short-term loans owed to James W. Bentley by the Company; and requires the Company to pay up to \$60,000 of Bentley's legal fees by March 31, 2003. Djokovich's shares are to be held in escrow as collateral until the above short-term loans are repaid. In June 2002, Mr. Djokovich resigned from the Board of Directors as part of the above settlement agreement.

Mulder - In 2002, a former employee of the Company filed a claim for payment of credit card debt he incurred on behalf of the Company to pay expenses and various loans he states were made to the Company. These items amount to approximately \$65,000. The Company is currently in negotiations with Mr. Mulder but has accrued as a liability on its Balance Sheet at June 30, 2002 the full amount of \$65,000.

MerchantWarehouse.com - In April 2002 a former agent of the Company initiated arbitration against the Company. The firm is claiming improper termination of its agency agreement and has requested \$1,000,000. The Company intends to defend the claim vigorously. It is not possible at this time to determine the outcome of the case or the possible loss, but management does not believe that the outcome will have a material adverse effect on the Company. No amounts have been accrued in this matter.

Biggott - On May 29, 2002, Mr. Biggott filed a lawsuit against various entities including the Company, charging them with wrongfully terminating his employment with an unrelated company, and with unfair competition, negligence, intentional interference with prospective economic advantage and unfair business practices in connection with the use of a certain product. Mr. Biggott claims \$400,000 in actual damages, plus interest and attorney fees. The action alleges that the Company is the alter ego of the other entities named and is therefore liable for their alleged wrongdoing. The Company denies the allegations and any wrongdoing and intends to vigorously defend the action. No amounts have been accrued in the financial statements.

For a more detailed discussion of Legal Proceedings, please refer to Note F, Litigation and Contingencies, attached as a part of the financial statements prepared by our auditors filed herewith and incorporated hereby.

ITEM 2. CHANGES IN SECURITIES

During the three months ended June 30, 2002, we issued a total of 630,694 shares of voting common stock to two entities. We issued 615,384 shares of restricted Accesspoint Corporation common stock to ATS, LLC ("ATS"), a former client of Processing Source International, Inc. ("PSI"), the Company's wholly-owned subsidiary, pursuant to an agreement by ATS to convert an \$80,000 deposit owed to ATS by PSI into common stock of the Company. The \$80,000 debt was converted at \$0.33 per share, allowing for a discount to market due to the restricted nature of the shares being issued to ATS. We also issued 15,310 shares of restricted Accesspoint Corporation common stock to Juno International Limited ("Juno") pursuant to a Net Issue Exercise of 20,000 warrants, issued to Juno in 1999, at an exercise price of \$0.34 per share.

-26-

We did not publicly offer any securities, no underwriter was utilized and we did not pay any other finder's fees, discounts or commissions in connection with the above offers and sales. The offers and sales described herein were exempt pursuant to Sections 4(2) and 5 of the Act, Regulations D and S,

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB

respectively, promulgated there under, and pursuant to Section 25102(f) of the California Corporations Code. The purchasers acquired the shares for their own account with no then-present intention of dividing their interest with others or of reselling or otherwise disposing of all or any portion of the shares. The options underlying the shares were offered and sold in private transactions which were not part of a distribution of the shares, and, in the case of those shares sold pursuant to Regulation S, the offers and sales were made in offshore transactions and there were no directed selling efforts in the United States in connection therewith. We, or our officers or directors or our or their affiliates or representatives, had a pre-existing personal or business relationship with each of the individuals and/or entities acquiring shares.
