If the enclosed proxy is properly executed and returned by May 2, 2011, in time to be voted at the Meeting, the Shares (as defined below) represented thereby will be voted in accordance with the instructions marked thereon. Unless instructions to the contrary are marked thereon, a proxy will be voted FOR each of the Proposals and, in the discretion of the proxy holders, on any other matters that may properly come before the Meeting. Any stockholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and casting his or her votes in person or by delivering a written revocation or a later-dated proxy to the Fund’s Secretary at the above address prior to the date of the Meeting.

A quorum of the Fund’s stockholders is required for the conduct of business at the Meeting. Under the bylaws of the Fund (the “Bylaws”), a quorum is constituted by the presence in person or by proxy of the holders of a majority of the votes entitled to be cast (without regard to class) as of the Record Date. Each of the outstanding Shares is entitled to cast one vote. In the event that a quorum is not present at the Meeting, the chairman of the meeting may adjourn the meeting to a date not more than 120 days after the Record Date without notice other than an announcement at the meeting. In the event that a quorum is present but sufficient votes to approve one or more proposals are not received, the persons named as proxies may propose and vote for one or more adjournments of the Meeting to permit further solicitation of proxies with respect to any proposal that did not receive the votes necessary for its passage. Any such adjournment will require the affirmative vote of a majority of votes cast on the matter at the Meeting. With respect to those proposals for which there is represented a sufficient number of votes in favor, actions taken at the Meeting will be approved and implemented irrespective of any adjournments with respect to any other Proposals.

The Fund has one class of stock: common stock, par value \$0.001 per share (the “Common Stock” or the “Shares”). On the Record Date, there were 28,739,389 Shares issued and outstanding. Each Share is entitled to one vote at the Meeting and fractional Shares are entitled to proportionate shares of one vote.

** These securities are owned by various individual and institutional investors for which T. Rowe Price Associates, Inc. (“Price Associates”) serves as investment adviser with power to direct investments and/or sole power to vote the securities. For purposes of the reporting requirements of the Securities and Exchange Act of 1934, Price Associates is deemed to be a beneficial owner of such securities; however, Price Associates expressly disclaims that it is, in fact, the beneficial owner of such securities. Shares stated are as reported in a Schedule 13G Amendment No. 2 filed with the Securities and Exchange Commission on February 10, 2011. The address for Price Associates is 100 E. Pratt Street, Baltimore, Maryland 21202.

(1) Direct Ownership. The Susan L. Ciciora Trust (the “Susan Trust”), Mildred B. Horejsi Trust (the “Mildred Trust”), Lola Brown Trust No. 1B (the “Brown Trust”), and Stewart R. Horejsi Trust No. 2 (“SRH Trust”) directly own the shares indicated for such entity in the table above, totaling 10,468,556 (36.43%). These trusts (the “Trusts”) along with Alaska Trust Company (“ATC”) and Stewart R. Horejsi are, as a group, considered to be a “control person” of the Fund (as that term is defined in Section 2(a)(9) of the Investment Company Act of 1940, as amended). These entities and other trusts or companies with interlocking trusteeship, management and/or common ownership may be deemed to indirectly own additional Fund shares, which are included in the table above. ATC is (i) the sole trustee of the Susan Trust; (ii) together with Brian Sippy and Susan Ciciora (Mr. Horejsi’s daughter), one of three trustees of the Mildred Trust; and (iii) together with Larry Dunlap and Ms. Ciciora, one of three trustees of the Brown Trust. ATC is a commercial trust company organized under the laws of Alaska, of which 98% of the outstanding and voting securities are owned by the Stewart West Indies Trust (“West Indies Trust”). Douglas J. Blattmachr, President of ATC, owns 2% of the outstanding shares of ATC. The Directors and officers of ATC are Larry L. Dunlap (Director), Stephen C. Miller (Vice President and Director), Mr. Blattmachr (President and Director), Brandon Cintula (Vice President and Director), and Richard Thwaites (Secretary/Treasurer and Director). ATC, its officers

and its directors disclaim beneficial ownership of shares owned directly by the Trusts. Ms. Ciciora is Stewart Horejsi's daughter and a discretionary beneficiary under the SRH Trust, Brown Trust, Mildred Trust and West Indies Trust. John Horejsi is Stewart Horejsi's son and a discretionary beneficiary under the SRH Trust, Brown Trust, Mildred Trust, Susan Trust, and West Indies Trust. Ms. Ciciora and Mr. John Horejsi are Directors of the Fund. ATC, Mr. Miller, and Mr. Dunlap are trustees to the Evergreen Trust. Stewart Horejsi is a discretionary beneficiary under the SRH2 Trust, Brown Trust and Mildred Trust, and is the portfolio manager for RMA, SIA and Boulder Investment Advisers, LLC ("BIA"), another Horejsi Affiliate. The SLC Trust is the 100% owner of RMA. Accordingly, as a result of these relationships, each of Stewart Horejsi, Susan Ciciora and John Horejsi may directly or indirectly benefit from the relationship between the Fund and the Advisers.

Solely for ease of reference, the Susan Trust, Mildred Trust, Brown Trust, ATC, SRH Trust, West Indies Trust, as well as other trusts and entities associated with the Horejsi family are collectively referred to herein as the “Horejsi Affiliates”. Information as to beneficial ownership above has been obtained from a representative of the beneficial owners; all other information as to beneficial ownership is based on reports filed with the Securities and Exchange Commission (the “SEC”) by such beneficial owners.

As of the Record Date, Cede & Co., a nominee partnership of the Depository Trust Company, held of record, but not beneficially, [Shares] shares or [Percent]% of Common Stock outstanding of the Fund.

As of the Record Date, the Trusts, executive officers and directors of the Fund, as a group, owned 10,527,390 shares of Common Stock (this amount includes the aggregate shares of Common Stock owned by the Horejsi Affiliates set forth above), representing 36.63% of Common Stock.

In order that your Shares may be represented at the Meeting, you are requested to execute and return the enclosed proxy authorizing the proxy holders to vote on the following matters:

PROPOSAL 1

AMENDMENT TO THE CHARTER CLASSIFYING THE BOARD OF DIRECTORS OF THE FUND INTO THREE SEPARATE CLASSES AND MAKING RELATED CHANGES TO THE CHARTER

The Board has considered and recommends to the Fund’s stockholders amending the Fund’s charter (the “Charter”) in order to classify the Boards into three separate classes (“Proposal 1”).

Presently the Charter provides that each Director serve a one-year term. The Charter reads as follows:

The directors shall be elected at each annual meeting of the stockholders commencing in 2004, except as necessary to fill any vacancies, and each director elected shall hold office until his or her successor is duly elected and qualifies, or until his or her earlier resignation, death, or removal.

In addition, under Maryland General Corporation Law (“MGCL”), Directors may be removed with or without cause by the affirmative vote of a majority of all the votes entitled to be cast generally for election of directors. Thus, presently under the Charter and the MGCL, only a single meeting of stockholders would be required to effect a complete change in the Board.

In 2004, stockholders of the Fund approved “de-classification” of the Board from three separate classes, each serving a three-year term, to a single class elected on an annual basis. However, the Board now believes that a classified or staggered board structure will best serve the Fund’s longer-term interests. Thus, if stockholders approve Proposal 1 and approve a new board structure with three classes of directors, with each class serving a staggered three-year term (instead of the current one-year term), the Charter will be amended accordingly and such change will take effect immediately and with respect to the election of Directors at the Meeting under Proposal 2. Class I Directors will hold office initially for a term expiring at the 2013 annual meeting of stockholders, Class II Directors will hold office initially for a term expiring at the 2014 annual meeting of stockholders and Class III Directors will hold office initially for a term expiring at the 2012 annual meeting of stockholders, with the members of each class to hold office until their successors are duly elected and qualified. At each annual meeting of the stockholders, the successors to the class of Directors whose term expires at such meeting shall be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election and until their successors are duly elected and qualified. In the event of a vacancy on the Board of Directors due to the removal or resignation of a Director during such Director's term of office, the remaining Directors shall by their vote or written consent fill the vacancy for the remainder of such Director's term.

Background on Proposal 1. In 2004, the Fund’s stockholders approved a comprehensive set of corporate governance proposals, one of which was to “de-classify” the Boards such that Directors would serve an annual term (the “2004 Proposal”). Prior to the 2004 Proposal, the Fund had a “classified” or “staggered” board. Various industry trade groups, activist investor groups, the New York Stock Exchange, and other industry professionals generally advocated de-classification as well as the other corporate governance proposals advanced by the Fund in 2004. It was thought at that time that having all Directors stand for election every year would lead to better stockholder governance, a more responsive Board and more access to fund management.

Since that time, the Board has had the opportunity to experience and review the effect of the adoption of these corporate governance proposals, and in particular the effect of the 2004 Proposal. In assessing the 2004 Proposal, management paid close attention to the Fund’s investment objectives, the makeup of the Fund’s stockholders and other developments within the past four years.

Board Considerations. At a special meeting held on February 17, 2011, the Board considered Proposal 1. At that meeting, the Board considered a number of factors before concluding that a classified board would better serve the long-term investment interests of the Fund and its stockholders.

The Board recognized that the overall effect of Proposal 1 would be to make any hostile attempt to take control of the Fund through a proxy contest more difficult. In order to change the membership of a majority of the Directors, at least two years would be required. The Board believes that this would encourage persons seeking to acquire control of the Fund to engage in good-faith, arm’s-length negotiations with the Board. The Board also believes that ensuring continuity of service among the Board members and three-year commitments for Board service is desirable and that the Proposal will facilitate the Fund’s attracting and retaining qualified members of the Board and hiring and retaining competent management personnel by increasing the likelihood of a stable employment environment.

The Board understands the Fund’s stockholder base to be generally comprised of many stockholders holding smaller positions who have a long-term investment horizon similar to that expressed by the Fund’s largest stockholders (i.e., the Horejsi Affiliates). A primary reason that these stockholders invest with the Fund is the potential for long-term capital appreciation coupled with responsible and deliberative asset management and an eye toward capital preservation. Neither the Board nor the Fund’s stockholders contemplate sudden, drastic changes in the makeup of the Fund’s investment portfolio.

The Board noted that, in general, closed-end funds such as the Fund seem to be more subject than operating companies to pressures from “hostile” stockholders, arbitrageurs and other groups of investors seeking to take advantage of short-term market cycles for their own benefit. These activities are often detrimental to stockholders seeking a particular investment style and a long-term investment horizon.

The Board ultimately concluded that Proposal 1 achieves a fair balance between the corporate governance intent of the 2004 Proposal and protecting the stockholders’ long-term interests and recommends that stockholders vote “FOR” this proposal.

The Board noted that, because Directors will be directly affected by Proposal 1, they may be deemed to have an interest in its outcome.

If approved by the stockholders, the Proposal would impose the classified board structure effective immediately and for this Meeting. The table below illustrates the effect stockholder approval of the Proposal would have on the terms of Directors:

	Class I 2011-13	Class II 2011-14	Class III 2011-12
Independent Director Nominees*			
Richard Barr			X
Dean Jacobson	X		
Joel Looney		X	
Interested Director Nominees*			
Susan Ciciora			X
John Horejsi	X		

* Director nominees who are not “interested persons” of the Fund as that term is defined in the Investment Company Act of 1940 (the “1940 Act”) are referred to as “Independent Directors.” Director nominees who are “interested persons” of the Fund under the 1940 Act are referred to as “Interested Directors.”

Accordingly, Mr. Barr and Ms. Ciciora will hold office initially for a term expiring at the 2012 annual meeting of stockholders, Mr. Horejsi and Dr. Jacobson will hold office initially for a term expiring at the 2013 annual meeting of stockholders and Mr. Looney will hold office initially for a term expiring at the 2014 annual meeting of stockholders.

If at some point in the future, the Fund issues preferred stock, the Amendment (as defined below) also clarifies that (1) if holders of preferred stock are entitled to elect additional directors in connection with dividend arrearages, the election of such additional directors may cause the total number of Directors on the Board to exceed five and (2) that the terms of Directors elected separately by holders of preferred stock terminate if all such preferred stock is redeemed.

Attached at Exhibit A are Articles of Amendment containing the amendment to the Charter (the “Amendment”) which, if approved, will be filed with the State Department of Assessments and Taxation of Maryland. If stockholders approve Proposal 1, the Meeting will be temporarily adjourned so that the Amendment may be filed immediately and effective immediately. Thereafter, the Meeting will resume and Proposal 2 will be considered. If stockholders do not approve this Proposal 1, but do approve Proposal 2, each of the Directors will be elected to serve until the annual meeting of stockholders in 2012 and until their successors are duly elected and qualified.

Vote required. Approval of Proposal 1 requires the affirmative vote of a majority of all the votes entitled to be cast by the stockholders of the Fund on the matter. Holders of record of Shares of the Fund at the close of business on the Record Date will be entitled to one vote per share on each matter as to which they are entitled to vote at the Meeting and any postponements or adjournments thereof.

THE BOARD OF DIRECTORS, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” PROPOSAL 1.

PROPOSAL 2

ELECTION OF DIRECTORS OF THE FUND

The Charter currently provides that all of the Directors stand for election each year. If stockholders approve Proposal 1, then the Charter will be amended, effective immediately and for purposes of this Meeting, so that the terms of each Director, if elected, would be classified in accordance with Proposal 1. Thus, if Proposal 1 is approved, and the

Directors as nominated in this Proposal 2 are elected, Mr. Barr and Ms. Ciciora will hold office initially for a term expiring at the 2012 annual meeting of stockholders, Mr. Horejsi and Dr. Jacobson will hold office initially for a term expiring at the 2013 annual meeting of stockholders and Mr. Looney will hold office initially for a term expiring at the 2014 annual meeting of stockholders, with the members of each class to hold office until their successors are duly elected and qualified. At each annual meeting of the stockholders, the successors to the class of Directors whose term expires at such meeting shall be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election and until their successors are duly elected and qualified.

The Boards have nominated the following five Director nominees to stand for election and serve terms as follows:

	Class I 2011-13	Class II 2011-14	Class III 2011-12
Independent Director Nominees*			
Richard Barr			X
Dean Jacobson	X		
Joel Looney		X	
Interested Director Nominees*			
Susan Ciciora			X
John Horejsi	X		

* Director nominees who are not “interested persons” of the Fund (as that term is defined in the 1940 Act) are referred to as “Independent Directors.” Nominees who are “interested persons” of the Fund under the 1940 Act are referred to as “Interested Directors.”

The above nominees have consented to serve as Directors if elected at the Meeting for the term as indicated above. If the designated nominees decline or otherwise become unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees for the Board.

INFORMATION ABOUT THE DIRECTORS' QUALIFICATIONS, EXPERIENCE, ATTRIBUTES AND SKILLS.

The Board believes that each of the Directors have the qualifications, experience, attributes and skills appropriate to their continued service as Directors of the Fund in light of its business and structure. Each Director has substantial business and professional background and/or board experience that indicate their ability to critically review, evaluate and respond appropriately to information provided to them. Certain of these business and professional experiences are set forth in detail in the narratives below. In addition, each Director has served on boards for investment companies and organizations other than the Fund, as well as having served on the Board of the Fund for a number of years. They therefore have substantial board experience and, in their service to the Fund, have gained substantial insight as to the operation of the Fund. The Board annually conducts a "self-assessment" wherein the effectiveness of the Board and individual Directors is reviewed.

Set forth below is a brief discussion of the particular qualifications, experience, attributes and skills that led the Board to conclude that each person identified below should serve as a Director of the Fund. The information provided below, and in the chart above, is not all-inclusive. Many of the Directors' attributes involve intangible elements, such as intelligence, work and investment ethic, diversity in terms of background or experiences, an appreciation of and commitment to the long-term investment approach of the Fund, and the ability to work together collaboratively, to communicate effectively, to exercise judgment, to ask incisive questions, to manage people and problems or to develop solutions. In conducting its annual self-assessment, the Board has determined that the Directors have the appropriate qualifications, experience, attributes and skills to continue to serve effectively as Directors of the Fund.

The Directors' respective addresses are c/o First Opportunity Fund, Inc., 2344 Spruce Street, Suite A, Boulder, Colorado 80302. Mr. Horejsi and Ms. Ciciora are each considered "interested persons" because of the extent of their beneficial ownership of Fund shares and by virtue of their indirect beneficial ownership of SIA, RMA and FAS. The following sets forth the backgrounds and business experience of the Directors:

Joel W. Looney, Director and Chairman of the Board. Mr. Looney joined the Board in 2003 and sits on the boards of three other closed-end investment companies affiliated with the Fund – the Boulder Growth & Income Fund ("BIF") since 2002, Boulder Total Return Fund ("BTF") since 2001 and, The Denali Fund ("DNY") since 2007 (BTF, BIF and DNY together, the "Affiliated Funds"). Mr. Looney has financial, accounting and investment knowledge and experience. He holds a Certified Financial Planner ("CFP") designation and, since 1999, has been a principal and partner with Financial Management Group, LLC, an investment management firm in Salina, KS ("FMG"). Mr. Looney is a registered representative with VSR Financial Services, Inc. of Overland Park, Kansas and holds FINRA-approved Series 7, Series 63 Uniform State Law and Series 65 Uniform Investment Adviser Law certifications. Prior to his current position with FMG, Mr. Looney was vice president and CFO for Bethany College in Lindsborg, Kansas (1995 to 1999) and also served as vice president and CFO for St. John's Military School in Salina, Kansas (1986 to 1995). From the late 1980's until January, 2001, Mr. Looney served, without compensation, as one of three trustees of the Mildred Horejsi Trust, an affiliate of the EH Trust. Mr. Looney holds a B.S. from Marymount College and an MBA from Kansas State University. The Board believes that Mr. Looney's past experience as a chief financial officer and his ongoing experience in the investment management industry uniquely qualifies him as a Director and, in particular, as chairman of the Audit Committee and the Fund's "financial expert" (as defined under the Securities and Exchange Commission's Regulation S-K, Item 407(d)). In addition, since joining the Board of BTF in 2001, Mr. Looney has gained substantial board and closed-end investment company experience and, together with the other Directors, has dealt skillfully with a broad range of complex issues with respect to the Fund and Affiliated Funds.

Richard I. Barr, Director. Mr. Barr joined the Board in 2001 and sits on the boards of each of the three Affiliated Funds; BIF since 2002, BTF since 1999 and DNY since 2007. Mr. Barr has business, executive and board experience. Mr. Barr served as president and director of Advantage Sales and Marketing (1996 to 2001), president and CEO of CBS Marketing (1963 to 1996), member of the board of directors (and National Chairman) for the Association of Sales and Marketing Companies (formerly the National Food Brokers Association), president of the Arizona Food Brokers Association, and advisory board member for various food manufacturers including H.J. Heinz, ConAgra, Kraft Foods, and M&M Mars. In addition to these professional positions and experience, Mr. Barr has served in a number of leadership roles with various charitable or other non-profit organizations, including as member of the board of directors of Valley Big Brothers/Big Sisters, member of the board of advisers for University of Kansas Business School, and member of the board of directors for St. Mary's Food Bank. The Board believes that given his diverse background and experience, together with over 10 years of closed-end investment company board experience, Mr. Barr is uniquely qualified to deal with the complexity and assortment of issues confronting closed-end investment company boards. Since joining the Board of BTF in 1999, Mr. Barr has gained substantial board and closed-end investment company experience and, together with the other Directors, has dealt skillfully with a broad range of complex issues with respect to the Fund and Affiliated Funds.

Dr. Dean Jacobson, Director. Dr. Jacobson joined the Board in 2003 and sits on the boards of each of the three Affiliated Funds; BIF since 2006, BTF since 2004 and DNY since 2007. He has executive and business experience and extensive academic qualifications. Since 1985, Dr. Jacobson has been president and CEO of Forensic Engineering, Inc., a consulting engineering firm providing scientific and technical expertise in a number of areas where discovery related to property damage and/or personal injury is necessary (e.g., accident reconstruction, failure and design analysis of products, animation and simulation of fires, explosions and mechanical system functions). He sits on the boards of directors of Southwest Mobile Storage Inc. (1995 to Present), and Arizona State University Sun Angel Foundation (past chairman) (1995 to Present). Dr. Jacobson previously sat on the board of directors of Arizona State University Foundation (1999 to 2009). He is a Professor Emeritus at Arizona State University ("ASU") and held a number of faculty and advisory positions at ASU between 1971 and 1997, including director of the Science and Engineering of Materials Ph.D. program and tenured professor of Engineering, and he has also served as a professor and/or research assistant at the University of California at Los Angeles ("UCLA") (1964 to 1969) and the University of Notre Dame ("Notre Dame") (1957 to 1963). Dr. Jacobson is a renowned expert in business engineering processes and has published over 130 scholarly and peer-reviewed research articles in numerous academic, research and business journals and publications. He holds two patents and a number of professional and business designations. He holds a B.S. and an M.S. from Notre Dame, and a Ph.D. from UCLA. In addition to his substantial academic and business experience, the Board believes that Dr. Jacobson brings to the Board a strong intellect and exceptional and proven analytical skills. His forensics engineering and consulting business exposes him to a diversity of complicated issues requiring him to effectively analyze highly technical systems, formulate complicated opinions and articulate convincing conclusions, the same set of skills required to be an effective member of the board of directors of a public company. The Board believes that Dr. Jacobson's intellect and critical thinking add an important analytical dimension to the Board. In addition, since joining the Board in 2003, Dr. Jacobson has gained substantial board and closed-end investment company experience and, together with the other Directors, has dealt skillfully with a broad range of complex issues with respect to the Fund and Affiliated Funds.

Susan L. Ciciora, Director. Ms. Ciciora joined the Board in 2003 and sits on the boards of each of the three Affiliated Funds; BIF since 2006, BTF since 2001 and DNY since 2007. She has board experience as one of three trustees of the Brown Trust since 1994, the Mildred Trust since 1992 and the Ernest Horejsi Trust No. 1B since 1992. Ms. Ciciora has other business experience, including various executive positions with her family's mid-west welding supply company and a custom home construction company. She also has served as a director of the Horejsi Charitable Foundation, Inc. (the "Foundation") since 1997. She holds a B.S. from the University of Kansas. Ms. Ciciora is Stewart Horejsi's daughter and John S. Horejsi's sister. As a trustee and beneficiary under the Brown Trust and Mildred Trust, the Fund's largest stockholders, Ms. Ciciora has a vested interest in ensuring that the Fund's investment ideals are and continue to be followed. Ms. Ciciora sits on the board of directors of the Foundation, and is a trustee of the Brown Trust and Mildred Trust and, in such capacity and in her prior business experience, has been and continues to be exposed to complex financial, business, taxation and investment matters. In addition, since joining the Board of BTF in 2001, Ms. Ciciora has gained substantial board and closed-end investment company experience and, together with the other Directors, has dealt skillfully with a broad range of complex issues with respect to the Fund and Affiliated Funds.

John S. Horejsi, Director. Mr. Horejsi joined the Board in 2006 and sits on the boards of each of the three Affiliated Funds; BIF since 2004, BTF since 2006 and DNY since 2007. Mr. Horejsi has both executive and business experience. He has been involved in a number of business ventures, including as manager of a record label and music production company, various positions with his family's mid-west regional welding supply business and as part owner and driver for an automobile racing team. Mr. Horejsi also has board experience outside of the Funds as a director of the Foundation (since 1997). Mr. Horejsi previously held a commercial real estate license in California. Mr. Horejsi holds a B.S. from the University of Kansas. Mr. Horejsi is Stewart Horejsi's son and Susan Ciciora's brother. He is a beneficiary under the Brown Trust and Mildred Trust, the Fund's largest stockholders. Accordingly, Mr. Horejsi has a vested interest in making sure the Fund's investment ideals are and continue to be followed. Mr. Horejsi has been involved in a variety of business interests and, as a member of the board of directors of the Foundation and another Horejsi family trust, has been and continues to be exposed to complex financial, business, taxation and investment matters. In addition, since joining the Board of BIF in 2004, Mr. Horejsi has gained substantial board and closed-end investment company experience and, together with the other Directors, has dealt skillfully with a broad range of complex issues with respect to the Fund and Affiliated Funds.

COMMITTEES OF THE BOARD OF DIRECTORS

AUDIT COMMITTEE; REPORT OF AUDIT COMMITTEE. The purpose of the Fund’s audit committee (“Audit Committee”) is to assist the Board in its oversight of the integrity of the Fund’s financial statements, the Fund’s compliance with legal and regulatory requirements, the independent accountants’ qualifications and independence and

the performance of the Fund's independent accountants. The Audit Committee reviews the scope and results of the Fund's annual audit with the Fund's independent accountants and recommends the engagement of such accountants. Management, however, is responsible for the preparation, presentation and integrity of the Fund's financial statements, and the independent accountants are responsible for planning and carrying out proper audits and reviews. The Board of Directors adopted a written charter for the Audit Committee on August 19, 2003 and most recently amended the joint Audit Committee Charter on January 29, 2010 to comply with recent changes in corporate governance provisions affecting registered investment companies generally and the Fund specifically. A copy of the Audit Committee Charter is available on the Fund's website at www.firstopportunityfund.com.

The Audit Committee is composed entirely of the Fund's Independent Directors, consisting of Dr. Jacobson and Messrs. Barr and Looney. The Board of Directors has determined that Joel Looney qualifies as an "audit committee financial expert," as defined under the Securities and Exchange Commission's Regulation S-K, Item 407(d). The Audit Committee is in compliance with applicable rules for closed-end fund audit committees, including the requirement that all members of the audit committee be "financially literate" and that at least one member of the audit committee have "accounting or related financial management expertise," as determined by the Board. The Audit Committee is required to conduct its operations in accordance with applicable requirements of the Sarbanes-Oxley Act, and the Fund's independent publicly registered accounting firm is required to comply with the rules and regulations promulgated under the Sarbanes-Oxley Act and by the Public Company Accounting Oversight Board. The members of the Audit Committee are subject to the fiduciary duty to exercise reasonable care in carrying out their duties. Each member of the Audit Committee is independent, as that term is defined by the NYSE Listing Standards. The Audit Committee met three times during the fiscal year ended March 31, 2010.

In connection with the audited financial statements as of and for the period ended March 31, 2010 included in the Fund's Annual Report for the period ended March 31, 2010 (the "Annual Report"), at a meeting held on [DATE, 2010], the Audit Committee considered and discussed the audited financial statements with management and the independent accountants, and discussed the audit of such financial statements with the independent accountants.

The Audit Committee has received the written disclosures and letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with independent accountants their independence. The Audit Committee discussed with the independent accountants the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountants required by Statement of Auditing Standards No. 114, The Auditor's Communication with Those Charged With Governance, effective December 15, 2006.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund in any accounting, financial management, or internal control capacity. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent accountants and subject to the limitation on the responsibilities and role of the Audit Committee set forth in the Audit Committee Charter and those discussed above, the Audit Committee of the Fund recommended to the Board that the audited financial statements be included in the Fund's Annual Report and be mailed to stockholders and filed with the SEC.

Submitted by the Audit Committee of the Fund's Board of Directors: Joel W. Looney, Richard I. Barr and Dean L. Jacobson

NOMINATING COMMITTEE. The Board of Directors has a nominating committee (the "Nominating Committee") composed of the Fund's Independent Directors, consisting of Dr. Jacobson and Messrs. Looney and Barr. Each member of the Nominating Committee is independent, as that term is defined by the NYSE Listing Standards. The Nominating Committee met twice during the fiscal year ended March 31, 2010. The Board of Directors has adopted a charter for the Nominating Committee that is available on the Fund's website at www.firstopportunityfund.com.

The Nominating Committee does not have a formal process for identifying candidates. The Nominating Committee takes into consideration such factors as it deems appropriate when nominating candidates. These factors may include judgment, skill, diversity, experience with investment companies and other organizations of comparable purpose, complexity, size and subject to similar legal restrictions and oversight, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees thereof. The Nominating Committee will consider all qualified candidates in the same manner. The Nominating Committee may modify its policies and procedures for director nominees and recommendations in response to changes in the Fund's circumstances, and as applicable legal or listing standards change.

Although the Nominating Committee does not have a formal policy with regard to the consideration of diversity in identifying director candidates, as a matter of practice the Committee typically considers the overall diversity of the Board's composition when identifying candidates. Specifically, the Nominating Committee considers the diversity of skill sets desired among the Board members in light of the Fund's characteristics and circumstances and how those skill sets might complement each other. The Nominating Committee also takes into account the personal background of current and prospective Board members in considering the composition of the Board. In addition, as part of its annual self-evaluation, the directors have an opportunity to consider the diversity of the Board, both in terms of skill sets and personal background, and any observations made by the Board during the self-evaluation assist the Nominating Committee in its decision making process.

The Nominating Committee will consider director candidates recommended by stockholders (if a vacancy were to exist) and submitted in accordance with applicable law and procedures as described in this Proxy Statement (see "Submission of Stockholder Proposals" below). In reviewing such stockholder director-nominees, the Nominating Committee may generally rely on the provisions set forth in Nominating Committee charter and other information as deemed necessary to adjudge the appropriateness and character of such director-nominee(s). Such recommendations should be forwarded to the Fund's Secretary c/o First Opportunity Fund, Inc., 2344 Spruce Street, Suite A, Boulder, Colorado 80302.

The Fund does not have a compensation committee.

ADDITIONAL INFORMATION CONCERNING OUR BOARD OF DIRECTORS

BOARD ATTENDANCE AT STOCKHOLDERS' MEETINGS. The Fund does not have a formal policy regarding Board member attendance at the Annual Meeting of Stockholders; however, all of the Directors of the Fund, who were Directors at the time, attended the May 3, 2010 Annual Meeting of Stockholders.

COMMUNICATIONS WITH THE BOARD. Stockholders who wish to send communications to the Board should send them to the address of the Fund and to the attention of the Board. All such communications will be directed to the Board's attention.

ROLE OF THE BOARD. The Board provides oversight of the management and operations of the Fund. The day-to-day responsibility for the management and operation of the Fund is the responsibility of its various service providers, such as the Advisers and their portfolio managers, and the Fund's co-administrators, custodian and transfer agent. The Board has elected various senior individuals employed by certain of these service providers as officers of the Fund, with responsibility to monitor and report to the Board on the Fund's operations. In conducting its oversight, the Board is provided regular reports from the various officers and service providers regarding the Fund's operations. For example, the treasurer provides reports as to financial reporting matters and portfolio managers report on the performance of the Fund's portfolios. The Board has appointed a chief compliance officer who administers the Fund's compliance program and regularly reports to the Board as to compliance matters. Some of these reports are provided as part of formal board meetings which typically are held quarterly, in person, and involve the Board's review of recent Fund operations. From time to time one or more members of the Board may also meet with management in less formal settings, between formal board meetings, to discuss various topics. In all cases, however, the role of the Board and of any individual Director is one of oversight and not of management of the day-to-day affairs of the Fund.

BOARD LEADERSHIP STRUCTURE. The Board has determined that its leadership structure is appropriate given the business and nature of the Fund. It has established five standing committees: the Audit Committee, the Nominating Committee (each as described above), a pricing committee, a legal compliance committee and an executive committee (together, the "Committees"). Sixty percent of the members of the Board are Independent Directors, and each Committee is comprised entirely of Independent Directors. The Board has determined that the Committees help ensure that the Fund has effective independent governance and oversight. The Board also believes that the Committees and leadership structure facilitate the orderly and efficient flow of information to the Independent Directors from management, including the Advisers. Where deemed appropriate, from time to time, the Board may constitute ad hoc committees.

The Board's chairman is an Independent Director who acts as the primary liaison between the Independent Directors and management (the "Independent Chairman"). The Independent Chairman plays an important role in setting the Board meeting agendas and may help identify matters of special interest to be addressed by management with the Board. The Independent Chairman also serves as chairman of the executive committee, which is comprised of all of the Independent Directors (the "Executive Committee"). The Executive Committee meets periodically, as needed, providing a forum for the Independent Directors to meet in separate session, with or without independent counsel, to deliberate on matters relevant to the Fund. The Independent Directors have also engaged their own independent counsel to advise them on matters relating to their responsibilities in connection with the Fund. The Board reviews its structure annually. The Board has determined that the structure of the Independent Chairman and the function and composition of the Committees are appropriate means to address any potential conflicts of interest that may arise.

BOARD OVERSIGHT OF RISK MANAGEMENT. Oversight of the risk management process is part of the Board's general oversight of the Fund and its service providers. The Board exercises oversight of the risk management process through the Audit Committee and Executive Committee. The Board also may be apprised of particular risk management matters in connection with its general oversight and approval of various Fund matters brought before the

Board.

As part of its oversight function, the Board receives various reports relating to risk management. The Fund faces a number of risks, such as investment risk, counterparty risk, valuation risk, reputational risk, risk of operational failure or lack of business continuity, and legal, compliance and regulatory risks. Under the Board's overarching supervision, the Fund, management, Advisers, FAS and other service providers to the Fund employ a variety of processes, procedures and controls to identify various risks, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. Different processes, procedures and controls are employed by different service providers and with respect to different types of risks. Various personnel, including the Fund's CCO as well as various personnel of the Advisers and other service providers such as the Funds' independent accountants, make periodic reports to the Board and appropriate Committees with respect to various aspects of risk management, as well as events and circumstances that have arisen and responses thereto. For example, the Audit Committee meets regularly with the CCO to discuss compliance and operational risks and with the Fund's treasurer to discuss, among other things, the internal control structure of the Fund's financial reporting function. In addition, the full Board regularly receives reports from the Advisers and their portfolio managers as to investment risks. The Board recognizes that not all risks that may affect the Fund can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, reports received by the Directors as to risk management matters are typically summaries of the relevant information. As a result of the foregoing and other factors, the function of the Board with respect to risk management is one of oversight and not one of active involvement in, or coordination of, day-to-day risk management activities for the Fund.

LEGAL PROCEEDINGS. None of the Directors or executive officers of the Fund have been involved in any of the following events during the past ten years:

- Any bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time;
- Any conviction in a criminal proceeding or being subject to a pending criminal proceeding (excluding traffic violations and other minor offenses);
- Any judicial or administrative proceedings resulting from involvement in mail or wire fraud or fraud in connection with any business entity;
- Any judicial or administrative proceedings based on violations of federal or state securities, commodities, banking or insurance laws and regulation (including any settlement of such actions other than in connection with a civil proceeding among private parties);
- Any disciplinary sanctions or orders imposed by a stock, commodities or derivatives exchange or other self-regulatory organizations;
- Subject to any order, judgment, or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting his involvement in any type of business, securities or banking activities; or
- Found by a court of competent jurisdiction (in a civil action), the SEC or the Commodity Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended, or vacated.

Vote Required. The election of each of Messrs. Looney, Barr and Horejsi, Dr. Jacobson and Ms. Ciciora as Directors of the Fund will require the affirmative vote of a plurality of the votes cast by holders of the Common Stock at the Meeting in person or by proxy.

THE BOARD OF DIRECTORS, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF ALL THE NOMINEES.

SUBMISSION OF STOCKHOLDER PROPOSALS

Notice is hereby given that for a stockholder proposal to be considered for inclusion in the Fund's proxy material relating to its 2012 annual meeting of stockholders, the stockholder proposal must be addressed to, and received by, the Fund not later than [November 21, 2011] (i.e., 120 days before the release date disclosed in the previous year's proxy statement). Any such proposal shall set forth as to each matter the stockholder proposes to bring before the meeting (i) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting, (ii) the name and address, as they appear on the Fund's books, of the stockholder proposing such business, (iii) the class and number of shares of the capital stock of the Fund which are beneficially owned by the stockholder, and (iv) any material interest of the stockholder in such business. Stockholder proposals, including any accompanying supporting statement, may not exceed 500 words. A stockholder desiring to submit a proposal must be a record or beneficial owner of Shares with a market value of at least \$2,000 and must have held such Shares for at least one year. Further, the stockholder must continue to hold such Shares through the date on which the meeting is held. Documentary support regarding the foregoing must be provided along with the proposal. Each stockholder may submit no more than one proposal to the Fund for a particular stockholders' meeting. There are additional requirements regarding proposals of stockholders, and a stockholder contemplating submission of a proposal is referred to Rule 14a-8 promulgated under the Securities Exchange Act of 1934 (the "Exchange Act"). The timely submission of a proposal does not guarantee its inclusion in the Fund's proxy materials. Additionally, approval of a stockholder proposal by the Fund's holders of Shares may still be subject to review, including whether such proposal(s) is legal or comports with general rules and regulations governing the operations of the Fund.

Pursuant to the Bylaws, at any annual meeting of the stockholders, only business that has been properly brought before the meeting will be conducted. To be properly brought before the annual meeting, the business must be (i) specified in the notice of meeting, (ii) by or at the direction of the Board of Directors, or (iii) otherwise properly brought before the meeting by a stockholder. For business to be properly brought before the annual meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the Secretary of the Fund. To be timely, a stockholder's notice must be received by the Secretary at 2344 Spruce Street, Suite A, Boulder, Colorado 80302 by 5:00 P.M. Mountain Time not earlier than the 150th day and not later than the 120th day prior to the first anniversary of the date of public release of the notice for the preceding year's annual meeting. However, if the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, for notice by the stockholder to be timely, it must be received by the Secretary not later than 5:00 P.M. Mountain Time on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. The public announcement of a postponement or adjournment of an annual meeting shall not commence a new time period for the giving of a stockholder's notice as described above. Stockholders wishing to make proposals should refer to the Bylaws for proper procedures and notice content. A copy of the Bylaws is available upon request, without charge, by writing to the Secretary of the Fund at 2344 Spruce Street, Suite A, Boulder, Colorado 80302.

On July 30, 2010, the Board approved amendments to the Fund's Bylaws to revise the procedures by which stockholders may submit proposals to the Fund's Board of Directors. The amendments clarified that nominations for individuals for election to the Board of Directors may only be made by stockholders of the class of securities entitled to vote for such nominee.

ADDITIONAL INFORMATION

INDEPENDENT ACCOUNTANTS. At its regularly scheduled Board meeting held on January 28, 2011, the Audit Committee of the Board, consisting of the Independent Directors, selected, and the Board ratified, the selection of Deloitte & Touche LLP ("Deloitte") of Denver, Colorado as the Fund's independent registered public accounting firm for the Fund's fiscal year ending March 31, 2011. Deloitte served as independent accountants for the Fund's fiscal years

ending March 31, 2009 and March 31, 2010.

In addition to performing independent audit services for the Fund, Deloitte also performed certain non-audit related services, i.e., tax, and consulting, on behalf of the Fund's former investment adviser, Wellington Management Company, L.P. ("Wellington"). Effective May 3, 2010, Wellington ceased to be the investment adviser to the Fund and was engaged as the investment sub-adviser to the Fund. For the Fund's fiscal year ended March 30, 2010, Deloitte did not provide any non-audit services or bill any fees for such services to the Fund's current Advisers.

The Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the independent accountants to the Fund, and all non-audit services to be provided by the independent accountants to the Fund's investment adviser and any service providers controlling, controlled by or under common control with the Fund's investment adviser that provide on-going services to the Fund (the "Affiliates"), if the engagement relates directly to the operations and financial reporting of the Fund, or must establish detailed pre-approval policies and procedures for such services in accordance with applicable laws. During the period that Wellington acted as the Fund's investment adviser, the Audit Committee reviewed the non-audit services to be provided by Deloitte to Wellington (no such services are provided to the Fund) and pre-approved the provision of those services. Accordingly, all of the audit, audit-related, non-audit, and tax services described below for which Deloitte billed the Fund fees for the fiscal years ended March 31, 2009 and March 31, 2010, were either pre-approved by the Audit Committee or were for services that were unrelated to the direct operations and/or financial reporting of the Fund. Deloitte has informed the Fund that it has no direct or indirect financial interest in the Fund.

A representative of Deloitte will not be present at the Meeting but will be available by telephone and will have an opportunity to make a statement if the representative so desires and will be available to respond to appropriate questions.

Set forth below are audit fees and non-audit related fees billed to the Fund for professional services received from Deloitte for the Fund's fiscal years ended March 31, 2009 and March 31, 2010.

Fiscal Year Ended	Audit Fees	Audit-Related Fees	Tax Fees*	All Other Fees
3/31/2009	\$29,000	\$ -	\$6,875	\$ -
3/31/2010	\$32,000	\$ -	\$7,250	\$ -

* "Tax Fees" are those fees billed to the Fund by Deloitte in connection with tax consulting services, including primarily the review of the Fund's income tax returns and excise tax calculations.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE. Section 16(a) of the Exchange Act and Section 30(h) of the 1940 Act require the Fund's Directors and officers, persons affiliated with the Fund's investment advisers, and persons who own more than 10% of a registered class of the Fund's securities, to file reports of ownership and changes of ownership with the SEC. Directors, officers and greater-than-10% stockholders are required by SEC regulations to furnish the Fund with copies of all Section 16(a) forms they file. Based solely upon the Fund's review of the copies of such forms it received and written representations from such persons, the Fund believes that through the date hereof all such filing requirements applicable to such persons were complied with, except for the following instances:_____.

BROKER NON-VOTES AND ABSTENTIONS. Proxies that reflect abstentions or broker non-votes will be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. Abstentions and broker non-votes will be a vote against adjournment and against Proposal 1. Abstentions and broker non-votes will have no effect on the result of the vote in the election of directors in Proposal 2.

OTHER MATTERS TO COME BEFORE THE MEETING. The Fund does not intend to present any other business at the Meeting, nor is it aware that any stockholder intends to do so. If, however, any other matters are properly brought before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their discretion.

STOCKHOLDERS ARE REQUESTED TO COMPLETE, SIGN AND DATE THE ENCLOSED PROXY CARD OR AUTHORIZE PROXIES VIA TELEPHONE OR THE INTERNET. THE PROXY CARD SHOULD BE RETURNED IN THE ENCLOSED ENVELOPE, WHICH NEEDS NO POSTAGE IF MAILED IN THE UNITED STATES. INSTRUCTIONS FOR THE PROPER EXECUTION OF PROXIES ARE SET FORTH ON THE INSIDE COVER.
