## Edgar Filing: AMERIVEST PROPERTIES INC - Form 8-K/A

The Property is located in Mesa, Arizona and contains 310,837 rentable square feet on 6.0673 acres of land. As of June 30, 2003 and December 31, 2002, the Property had an occupancy percentage of 83% and 82%, respectively.

The Property was acquired by AmeriVest Properties Inc. and subsidiaries ( AmeriVest ) from an unrelated party on September 10, 2003 for \$39,000,000, which was paid with \$24,750,000 from the assumption of the existing loan from Allstate Life Insurance Company and the balance in cash. In addition, AmeriVest incurred approximately \$315,000 in related acquisition fees and costs.

The accounting records of the Property are maintained on the accrual basis. The accompanying statements of revenue and certain expenses were prepared pursuant to the rules and regulations of the Securities and Exchange Commission, and exclude certain expenses such as mortgage interest, depreciation and amortization, professional fees and other costs not directly related to future operations of the Property.

The Company recognizes revenue from tenant leases on the straight-line method over the life of the related lease.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

### Interim Information (unaudited)

In the opinion of the management of AmeriVest, the unaudited interim information as of June 30, 2003 included herein contains all adjustments necessary, which are of a normal recurring nature, to present fairly the revenue and certain expenses for the six months ended June 30, 2003. Results of interim periods are not necessarily indicative of results to be expected for the year. Management is not aware of any material factors that would cause the information included herein to not be indicative of future operating results.

**NOTE 2 - OPERATING LEASES**

**NOTES TO PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS**

**(unaudited)**

**NOTE 1 - BASIS OF PRESENTATION**

The accompanying unaudited pro forma consolidated financial statements are presented to reflect the acquisition of Financial Plaza by AmeriVest.

The accompanying unaudited pro forma consolidated balance sheet presents the historical financial information of AmeriVest as of June 30, 2003 as adjusted for the acquisition of Financial Plaza as if the transaction had occurred on June 30, 2003.

The accompanying unaudited pro forma consolidated statements of operations for the six months ended June 30, 2003 and the year ended December 31, 2002 combine the historical operations of AmeriVest with the historical operations of Financial Plaza as if the transaction had occurred on January 1, 2002.

These pro forma statements may not be indicative of the results that actually would have occurred if the combination had been in effect on the dates indicated or which may be obtained in the future.

**NOTE 2 - PRO FORMA ADJUSTMENTS**

The unaudited pro forma consolidated financial statements reflect the following pro forma adjustments:

(a) The net cash paid for Financial Plaza consists of the following:

Purchase price	\$	39,000,000
Estimated acquisition costs		315,000
Escrow deposits		730,695
Loan origination fees		280,500
Less: Allstate loan		(24,750,000)
Less: Fleet loan		(10,000,000)

Edgar Filing: AMERIVEST PROPERTIES INC - Form 8-K/A

Less: credit for accrued real estate taxes	(389,091)
Less: credit for security deposits	(188,875)
Cash paid	\$ 4,998,229

(b) The purchase price of the property was allocated to land, building and improvements and other intangible assets and associated liabilities in accordance with Statement of Financial Accounting Standards No. 141 Business Combinations.

(c) The loan in the amount of \$24,750,000 from Allstate Life Insurance Company bears interest at 5.25%, due in monthly installments of principal and interest of \$148,314, with the outstanding principal and accrued interest due on October 5, 2010. This loan may be prepaid after March 5, 2007 subject to a prepayment penalty as defined in the mortgage note. AmeriVest paid a 1.00% loan origination fee, plus additional loan costs, which have been capitalized and are being amortized over the life of the loan, which approximates the effective interest method.

The Fleet loan, in the amount of \$10,000,000, represents a draw on a \$42,000,000 revolving credit facility from Fleet National Bank. During June 2003, the Company used \$24,957,660 of the proceeds from its June 2003 common stock offering to repay a portion of the outstanding balance on this revolving line of credit. This left an outstanding balance of \$15,400,000 at June 30, 2003 with \$26,600,000 of availability. Outstanding balances on this facility bear interest at LIBOR plus 275 basis points, due in

monthly installments of interest only, with the principal and accrued interest due on November 12, 2005. This loan may be prepaid at any time without penalty.

(d) Due to the Company being internally managed, there would be no management fee expense.

(e) Interest expense to be recognized related to the mortgage loan. Includes loan interest at 5.25% and the amortization of the loan origination fee.

(f) Depreciation and amortization expense calculated assuming a 40-year useful life for the building, a 20-year useful life for the parking garage and land improvements and a 43-month useful life for the other intangible assets.

**NOTE 3 - LOSS PER SHARE**

Pro forma loss per share for the six months ended June 30, 2003 and the year ended December 31, 2002 is computed based on the weighted average number of common shares outstanding during the periods presented. For the six months ended June 30, 2003 and the year ended December 31, 2002, 581,650 and 1,039,650, respectively, of our stock options and warrants were excluded from the calculation of diluted earnings per share as their effect would have been anti-dilutive.
