REVISED CORPORATE GOVERNANCE STRUCTURE PREFERENCE SHARES BUHRMANN

The articles of association and administration conditions of the Trust Office of Preference Shares Buhrmann have been amended in accordance with the recommendations of the Dutch Corporate Governance Code (Tabaksblat). The Buhrmann corporate governance structure was already in conformity with practically all points of the Code. With these adjustments in the interest of holders of depositary receipts, Buhrmann has now also implemented all recommendations with regard to depositary receipts of shares.

Depositary receipts have been issued for the Buhrmann Preference Shares A only. The depositary receipts are freely negotiable and are listed on the Euronext Amsterdam stock exchange.

Investors in depositary receipts of Buhrmann s Preference Shares A now enjoy expanded rights:

From now on, the Board of the Trust Office of Preference Shares Buhrmann is primarily focused on the interests of holders of depositary receipts;

The holders of depositary receipts have been given unlimited proxy, which means that holders of depositary receipts are at all times entitled to vote at the Buhrmann shareholders meeting;

Holders of depositary receipts that (on their own or jointly) represent one-tenth part of the number of depositary receipts issued can call a depositary receipt holders meeting.

A depositary receipt holders meeting will be held in Amsterdam on 24 March 2005, starting at 13:30. At this meeting the Board of the Trust Office will explain the amendments to the articles of association and administration conditions. In compliance with one of the recommendations of the Dutch Corporate Governance Code, the meeting will also table the question whether the Board of the Trust Office enjoys the depositary receipt holders confidence.

The full text of the revised articles of association and administration conditions is available via the Buhrmann website (www.buhrmann.com) in the section corporate information under the heading corporate governance . This underlines Buhrmann s policy of pursuing transparency and an open dialogue with its stakeholders.
