Item 1.01.

Entry Into A Material Definitive Agreement

Bonus Criteria for Executive Officers. On January 25, 2005, the Compensation Committee (the Committee) of the Board of Directors (the Board) of Sabre Holdings Corporation (the Corporation) approved the 2005 bonus criteria for the Corporation's executive officers.

The Corporation maintains an annual incentive compensation program (the Variable Compensation Program or VCP), under the Sabre Holdings Corporation Amended and Restated 1996 Long-Term Incentive Plan (the LTIP). The VCP provides for cash awards to be paid based upon attainment of pre-established performance standards. The Committee believes the VCP facilitates the communication of objectives that are of primary importance during the coming year (VCP Objectives) and is intended to motivate officers to attain those VCP Objectives. In those years in which the VCP Objectives are not realized, participants will receive less or no incentive pay.

With regard to the Chief Executive Officer, the Committee has authorized, under the VCP, a bonus pool that is not to exceed 0.47 percent of the Corporation's 2005 adjusted operating income. With regard to the Named Executive Officers (the four most highly compensated executive officers of the Corporation other than the CEO), the Committee has authorized, under the VCP, a bonus pool that is not to exceed 0.69 percent of the Corporation's 2005 adjusted operating income. These pools establish the maximum awards payable to the Named Executive Officers and the Chief Executive Officer as a group based on the Committee's assessment of performance, in terms of both objective performance (the Corporation's adjusted operating income and the performance of each executive's corporate staff group or business unit) and a subjective analysis (for the purposes of negative discretion) of each executive's qualitative performance relative to pre-established VCP Objectives. Note that the Committee may (and traditionally has chosen to) exercise negative (but not upward) discretion to reduce the amounts payable from the pool. Therefore, the 2005 VCP Targets for each of the Named Executive Officers are: Michael S. Gilliland (Chairman, President and CEO) \$750,000, Jeffery M. Jackson (Executive Vice President and Chief Financial Officer) \$296,800, Eric J. Speck (Executive Vice President and Chief Marketing Officer) \$275,800, Michelle A. Peluso (Senior Vice President and President and Chief Executive Officer, Travelocity) \$262,500, and Thomas Klein (Senior Vice President and Group President, Sabre Travel Network and Sabre Airline Solutions) \$262,500.

With respect to the remainder of the Corporation's executive officers, VCP targets are based upon both the objective performance of such executive's corporate staff group or business unit and a subjective analysis (for the purposes of negative discretion) of each executive's qualitative performance relative to pre-established VCP Objectives. For each of these executive officers, the 2005 VCP Targets are: David A. Schwarte (Executive Vice President and General Counsel) \$233,800, John S. Stow (Senior Vice President and President, Sabre Travel Network) \$195,000 and Mark K. Miller (Senior Vice President and Controller) \$103,950.

With respect to all executive officers of the Corporation, the maximum cash payment under the LTIP with respect to any calendar year may not exceed an amount twice the executive's annual base salary as in effect on the last day of the preceding fiscal year.

Lead Director Compensation As disclosed in the Corporation's Report on Form 8-K filed on December 21, 2004, effective following the 2005 Annual Meeting of the Stockholders of the Company on May 17, 2005, adjustments to simplify and streamline the compensation of the Company's directors will go into effect. On November 9, 2004, the Board appointed a lead director Royce S. Caldwell (the Lead Director), to preside over executive sessions of the independent directors and act as a liaison between the Chairman and the independent

directors of the Company. The Committee's intention was that the Lead Director be compensated as if he were a Committee Chairperson upon being named Lead Director.

Accordingly, on January 25, 2005, the Committee approved compensation arrangements for the Lead Director to be effective from November 9, 2004, through May 17, 2005. Pursuant to these arrangements, the Lead Director will be compensated as follows:

A \$5,000 semi-annual retainer; and

Fees for Executive Sessions of the Non-Management Directors of \$3,000 for each day that includes an in-person meeting, and \$2,000 for each day that includes a telephonic meeting)

Severance Agreement On January 26, 2005, Thomas Klein, Senior Vice President and Group President, Sabre Travel Network and Sabre Airline Solutions, entered into a Form of Severance Agreement (the "Severance Agreement") with the Corporation. Pursuant to the Severance Agreement, Mr. Klein will be eligible to receive the following payments if terminated involuntarily for reasons other than for Cause (as defined in the LTIP):

104 weeks (or 24 months) of his base salary (less applicable withholding);

a payment equal to 200% of his VCP target that is in effect when termination occurs; and

52 weeks of COBRA coverage at active employee rates following termination.

In the event of a Change in Control, as defined by Mr. Klein's current Executive Termination Benefits Agreement, the terms of his ETBA will govern any compensation or benefits you receive, and he will not be eligible for the payments identified in the Severance Agreement. In the event that Mr. Klein receives any severance benefits under the Sabre Inc. Severance Plan, he will not be eligible to receive the Termination Payments identified in the Severance Agreement.

Forms of Award Agreements Attached as exhibits hereto are the forms of restricted stock grant agreement (Exhibit 99.2) and stock option agreement (Exhibit 99.3) to be used for executive officers in 2005.
