Since the adoption of the Sarbanes-Oxley Act in July 2002, there has been a growing public and regulatory focus on the independence of directors. Requirements relating to independence are imposed by the Sarbanes-Oxley Act with respect to members of the Audit Committee. In accordance to the NASDAQ National Market definition of independence the Board of Directors has determined that the members of the Audit Committee satisfy such definitions of independence. The Board met five times during FY 2004 with all members in attendance.

The Audit Committee is empowered by the Board of Directors to, among other things, serve as an independent and objective party to monitor the Company's financial reporting process, internal control system and disclosure control system, review and appraise the audit efforts of the Company's independent accountants, assume direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditors and for the

The Audit Committee met four times during the year with all members in attendance.

Audit Committee Financial Expert. The Board of Directors of the Company has determined that Mr. John Rich is an audit committee financial expert; as such term is defined by the SEC. Mr. Rich, as well as Mr. Thomas Lenagh and Mr. Jan Winston, have been determined to be independent within the meaning of the NASDAQ National Market definition.

Compensation Committee. During 2004, the Compensation Committee was comprised of Mr. Frank Wiedeman, Chairman, Mr. Jan Winston and Mr. John Rich. The Compensation Committee reviews, approves and makes recommendations to the Board of Directors on matters regarding the compensation of the Officers of the Company. Nominating Committee. During 2004, the Nominating Committee was comprised of Mr. Frank Wiedeman, Chairman, Mr. John Rich, Mr. Tom Lenagh and Mr. Jan Winston. The Nominating Committee makes recommendations to the Board of Directors for the selection of individuals to be nominated to the Board of Directors. The Nominating Committee met once during the year with all members in attendance.

Executive Committee. During 2004, the Executive committee was comprised of Mr. Jan Winston, Chairman, Mr. Tom Lenagh and Mr. John Rich. The Executive committee meets with members of management on a regular basis, to discuss the operations of the Company, including approval of yearly financial plans, progress of M&A activities and other operational issues. The Executive Committee met four times during the year with all members in attendance.

Procedures for Considering Nominations Made by Stockholders.

The Nominating Committee's charter, as reflected in Exhibit B, describes procedures for nominations to be submitted by stockholders and other third-parties, other than candidates who have previously served on the Board or who are recommended by the Board. The charter states that a nomination must be delivered to the Secretary of the Company at the principal executive offices of the Company not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the close of business on the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Company. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. The charter requires a nomination notice to set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under

the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (b) information that will enable the Nominating Committee to determine whether the candidate satisfies the criteria established by the Nominating Committee, as described below.

Qualifications. The charter describes the minimum qualifications for nominees and the qualities or skills that are necessary for directors to possess. Each nominee:

must satisfy any legal requirements applicable to members of the Board;

must have business or professional experience that will enable such nominee to provide useful input to the Board in its deliberations;

must have a reputation in the Company's industry, for honesty and ethical conduct;

must have a working knowledge of the types of responsibilities expected of members of a board of directors of a public corporation; and

must have experience, either as a member of the board of directors of another public or private company or in another capacity, that demonstrates the nominee's capacity to serve in a fiduciary position.

Identification and Evaluation of Candidates for the Board. Candidates to serve on the Board will be identified from all available sources, including recommendations made by stockholders. The Nominating Committee's charter provides that there will be no differences in the manner in which the Nominating Committee evaluates nominees recommended by stockholders and nominees recommended by the Committee or management, except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on the Board. The evaluation process for individuals other than existing Board members will include:

a review of the information provided to the Nominating Committee by the proponent;

a review of reference letters from at least two sources determined to be reputable by the Nominating Committee; and

a personal interview of the candidate;

together with a review of such other information as the Nominating Committee shall determine to be relevant.

Third Party Recommendations. In connection with the 2005 Annual Meeting, the Nominating Committee did not receive any nominations from any stockholder or group of stockholders which owned more than 5% of the Company's Common Stock for at least one year.

The Board has established a procedure that enables stockholders to communicate in writing with members of the Board. Any such communication should be addressed to the Company's Secretary and should be sent to such individual c/o the Company. Any such communication must state, in a conspicuous manner, that it is intended for distribution to the entire Board. Under the procedures established by the Board, upon the Secretary's receipt of such communication, the Company's Secretary will send a copy of such communication to each member of the Board, identifying it as a communication received from a stockholder. Absent unusual circumstances, at the next regularly scheduled meeting of the Board held more than two days after such communication has been distributed, the Board will consider the substance of any such communication.

Board members are encouraged, but not required by any specific Board policy, to attend the Company's Annual Meeting.
