ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On April 12, 2006, the shareholders of Equitable Resources, Inc. (EQT) approved the amendment and continuation of the Equitable Resources, Inc. Executive Short-Term Incentive Plan (the Plan), which amendment and continuation was adopted by EQT 's Board of Directors on December 7, 2005, contingent upon shareholder approval of the same.

The purposes of the Plan are to maintain a competitive level of total cash compensation and to align the interest of the Company 's executive employees with those of the Company 's shareholders and customers and with the strategic objectives of the Company. Shareholder approval of the Plan permits the continued qualification of the Plan as performance-based compensation, which is excepted from the limit on executive officer compensation deductibility under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code).

The Plan as approved by the shareholders is largely as previously in effect except as follows:

the list of available performance criteria on which tax-deductible incentive awards may be granted was expanded;

the definition of eligible participants was expanded to include all of the Company 's executive officers;

a change of control provision was added;

the maximum amount which may be earned by individual participants under incentive awards was increased;
and

certain deferral provisions were eliminated and certain terms modified to conform to Section 409A of the Code.

A complete copy of the Plan is attached hereto as Exhibit 10.1.
