Item 1.01. Entry into a Material Definitive Agreement.

Amendment to the Bentley Pharmaceuticals, Inc. 2005 Equity and Incentive Plan

At Bentley's Annual Meeting of Stockholders on May 23, 2006, the stockholders approved an amendment to the Bentley Pharmaceuticals, Inc. 2005 Equity and Incentive Plan (as amended, the Plan) effective on May 23, 2006. The amendment increased the number of shares that may be issued under the Plan by 750,000 shares. These additional shares are only available for issuance in connection with awards of stock options under the Plan and are not available for awards of restricted stock, restricted stock units or stock appreciation rights.

Remuneration of Non-Employee Members of the Board of Directors

On May 23, 2006, the Compensation Committee approved a change in the form and amount of annual equity awards to non-employee directors, issuing restricted stock units instead of options. Each director who is not an employee was granted 8,000 restricted stock units under the Plan. Each restricted stock unit represents the right to receive one share of common stock. The restricted stock units vest in four equal installments on July 31, 2006, October 31, 2006, January 31, 2007 and April 30, 2007. Restricted stock units that are not vested when a director ceases to serve on the Board are forfeited. The restricted stock units are not subject to any performance milestones or other vesting requirements beyond continued service on the Board at the applicable vesting dates, but vested shares will not be issuable to the director until he completes his service as a director of Bentley.

The Board also approved an annual retainer of \$30,000 to Michael McGovern for his service as Bentley's Vice Chairman, representing a \$5,000 increase from his retainer in 2005.

The Board did not make any other changes to remuneration of non-employee directors previously disclosed in Bentley's Proxy Statement for the 2006 Annual Meeting of Stockholders.

Compensation of Executive Officers

On May 23, 2006, the Compensation Committee granted annual equity awards to Bentley's executive officers, which consisted of options to purchase common stock and restricted stock units under the Plan as follows:

Name:	Shares Subject to Non-statutory Options:	Shares Subject to Restricted Stock Units:
--------------	---	--

Edgar Filing: BENTLEY PHARMACEUTICALS INC - Form 8-K

James R. Murphy Chairman of the Board and Chief Executive Officer	137,000	27,000
John A. Sedor President	50,000	9,200
Michael D. Price Vice President, Chief Financial Officer, Secretary and Treasurer	13,300	7,700
Adolfo Herrera Managing Director of European Operations	43,300	8,500

Each restricted stock unit granted to Bentley's executive officers represents the right to receive one share of common stock. The restricted stock units vest in four annual installments on the first four anniversaries of the grant date. The underlying shares will be issued on the respective vesting dates for the units. The restricted stock units are not subject to performance milestones or other vesting requirements beyond continued employment on the applicable vesting dates. The terms of the restricted stock units permit the Company to withhold vested shares in satisfaction of applicable tax withholding requirements.

The options listed above have an exercise price of \$11.775 per share and vest in three equal installments on the first three anniversaries of the grant date.

In addition, as previously disclosed, Mr. Sedor was entitled to an award of an option to purchase 150,000 shares pursuant to his employment agreement upon stockholder approval of the increase in the number of shares reserved under the Plan. This option was granted to Mr. Sedor effective as of May 23, 2006 and, therefore, it has an exercise price of \$11.775 per share. This option vests in five equal installments on the first five anniversaries of the grant date.

The Board also approved base salary increases of 4.5% for each of Bentley's executive officers.
