**Item 8.01. Other Events.**

New Plan Excel Realty Trust, Inc. (the Company) is revising its historical financial statements in connection with its application of Statement of Financial Accounting Standards (SFAS) No. 144, *Accounting for the Impairment or Disposal of Long-Lived Assets* (SFAS No. 144) to certain transactions. During the six months ended June 30, 2006, the Company sold certain properties and classified others as held for sale. In compliance with SFAS No. 144, the Company has reported revenues, expenses and gain on sale from these properties as income from discontinued operations for each period presented in its quarterly report filed since the date of the sales (including the comparable period of the prior year). The Company is reclassifying the reported revenue and expenses from these properties as income from discontinued operations in the Company's previously issued annual financial statements for each of the three years presented in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 (the 2005 Form 10-K).

These reclassifications of discontinued operations have no effect on the Company's reported net income available to common shareholders or funds from operations as reported in prior SEC filings. Instead, they present the revenues and expenses relating to properties sold or held for sale as a single line item titled discontinued operations, rather than presenting the revenues and expenses along with the Company's other results of operations.

This Current Report on Form 8-K updates the information that was contained in Items 6, 7 and 8 of the Company's 2005 Form 10-K solely to reflect the properties that were sold or classified as held for sale during the six months ended June 30, 2006 as discontinued operations. All other items of the 2005 Form 10-K remain unchanged. No attempt has been made to update matters in the 2005 Form 10-K except to the extent expressly provided above.

For the Company's most recent information concerning its financial condition and results of operations (through the second quarter of 2006), please see the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2006, which is on file with the Securities and Exchange Commission.
