-

Edgar Filing: VIVUS INC - Form 8-K/A

This Current Report on Form 8-K/A amends Items 1.01 and 8.01 of the Current Report on Form 8-K filed by VIVUS, Inc. with the Securities Exchange Commission (the SEC) on November 17, 2006.

Item 1.01. Entry into a Material Definitive Agreement.

Edgar Filing: VIVUS INC - Form 8-K/A

On November 17, 2006, VIVUS, Inc. (the Company) entered into a securities purchase agreement (the Purchase Agreement) with funds affiliated with Caxton Advantage Venture Partners, OrbiMed Advisors LLC, Franklin Templeton Investments, Quogue Capital LLC, EuclidSR Partners and two other institutional investors in connection with a registered direct offering of the Company's Common Stock. Pursuant to the terms of the Purchase Agreement, the Company sold and issued a total of 6,750,000 shares of its Common Stock at a price of \$3.50 per share in an initial closing. Pursuant to the Purchase Agreement, the Company will sell and issue an additional 2,850,000 shares of its Common Stock in a second closing on December 8, 2006. All of the shares of Common Stock were offered pursuant to an effective Registration Statement on Form S-3 filed with the Securities and Exchange Commission on July 14, 2006.

The above description of the Purchase Agreement is a summary only and is qualified in its entirety by reference to Exhibit 10.1 to the Current Report on Form 8-K filed by the Company with the SEC on November 17, 2006.

Item 8.01. Other Events.

On November 14, 2006, we received a letter from Manatt, Phelps & Phillips LLP on behalf of Acrux DDS Pty Ltd., FemPharm PTY Ltd. and Acrux Limited (collectively Acrux) notifying us of an alleged dispute under the Testosterone and Estradiol Development Agreements between Vivus and Acrux. We believe we are in compliance with all material aspects of both of these agreements and have communicated this belief to Acrux. If we are unable to resolve the matter with Acrux, we intend to seek to enforce our rights under these agreements. Development and commercialization of EvaMist and Testosterone MDTS continues as planned and we believe that we have a meritorious defense to any actual claims made by Acrux in connection with the alleged dispute. We believe the resolution of this dispute will not have a material impact on our financial position.
