Item 8.01. Other Events

On December 15, 2006, Wedbush Morgan Securities Inc. (Wedbush), the underwriter of the recently completed initial public offering of Willdan Group, Inc. (Willdan or the Company), exercised in full its option to purchase an additional 435,000 shares of common stock from Willdan to cover over-allotments. Willdan granted Wedbush a 30-day over-allotment option to purchase up to 435,000 shares of common stock at the public offering price of \$10.00 per share, less the underwriting discount. Net proceeds to Willdan from the exercise of the over-allotment option will be approximately \$4 million. In total, including the over-allotment shares, the Company will have sold 2,435,000 shares of its common stock at \$10.00 per share, before underwriting discounts and commissions, resulting in net proceeds of approximately \$20.9 million. In addition to the shares sold by Willdan, 900,000 shares were sold by a selling stockholder.

The closing of the sale of the over-allotment shares is expected to occur on December 20, 2006, subject to the satisfaction of customary closing conditions.

Willdan Group intends to use the net proceeds of approximately \$20.9 million from this offering for working capital and general corporate purposes, including possible acquisitions, and to fund an estimated final S Corporation distribution to its existing stockholders, some of whom are officers, directors and significant employees of Willdan.

Wedbush Morgan Securities acted as the sole book-running manager for the offering. The registration statement related to these securities has been declared effective by the Securities and Exchange Commission. Information about this offering is available in the final prospectus filed by Willdan with the Securities and Exchange Commission.

On December 18, 2006, the Company issued a press release announcing the exercise of the over-allotment option. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
