Annexure 1

This is Annexure 1 of 47 pages (including this one) referred to in the accompanying **Appendix 3B**.

June 2007 Sterling Preference Share Terms follow on the next 46 pages.

⁺ See chapter 19 for defined terms.

Preference Share Terms

1 Issue price and face value

The issue price and face value of each Preference Share is £50,000.00. Each Preference Share will be issued fully paid and has the rights set out in these Preference Share Terms. The Preference Shares shall be designated the June 2007 Sterling Preference Shares.

2 Form, stapling, transfer and denominations

2.1 Form

Preference Shares are issued in registered form recorded on a register which ANZ covenants will be located outside the United Kingdom and are either:

(a) Registered Global Preference Shares, represented by a Registered Global Preference Share Certificate, for so long as such Preference Share is registered in the name of a nominee for a Clearing Agency (or depositary of one or more Clearing Agencies) (the **Global Holder**).

(b) Registered Definitive Preference Shares, represented by a Registered Definitive Preference Share Certificate, where clause 2.3 applies.

2.2 Registered Global Preference Shares

(a) For so long as a Preference Share is in the form of a Registered Global Preference Share, the Global Holder shall be treated by ANZ as the holder of the nominal number of such Preference Shares for all purposes of these Preference Share Terms (including the payment of Dividends and receiving approvals or consents) and shall have no obligation to the Preference Share Beneficial Owners. The rights of the Preference Share Beneficial Owners shall be exercised only through the Clearing Agency and are limited to those established by law or agreement between such Preference Share Beneficial Owners and the Clearing Agency, its participants or both.

- (b) The Registered Global Preference Shares shall initially be registered in the name of a nominee of, and will be deposited with, a common depository for Euroclear and Clearstream, Luxembourg.
 - (c) A Preference Share Beneficial Owner shall not receive any certificate representing such Preference Share Beneficial Owner's Beneficial Interest in such Registered Global Preference Share.
 - (d) Beneficial Interests in Registered Global Preference Shares are transferable only:
 - (i) subject to clause 2.5 to (and including) clause 2.9 of these Preference Share Terms; and
-

- (ii) subject to the Applicable Procedures of the relevant Clearing Agency.

2.3 Registered Definitive Preference Shares

All of the Registered Global Preference Shares will become Registered Definitive Preference Shares registered in the name of the Preference Share Beneficial Owners and represented by Registered Definitive Preference Share Certificates only if:

- (a) the Clearing Agency notifies ANZ that it is unwilling or unable to continue as the Clearing Agency for the Registered Global Preference Shares and a successor is not appointed by ANZ within 90 days of such notice;
- (b) the Clearing Agency is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or the Clearing Agency announces an intention permanently to cease to make its book-entry system available or does in fact do so and, in each case, no alternative clearing system is available; or
- (c) ANZ, in its sole discretion, determines that the relevant Registered Global Preference Shares should be exchanged for Registered Definitive Preference Shares.

ANZ shall notify holders of the date on which the Registered Global Preference Shares are to become Registered Definitive Preference Shares (being a date no later than 120 days after the occurrence of that event and shall cause the Registrar to enter Preference Share Beneficial Owners as Holders of Registered Definitive Preference Shares on that date and deliver Registered Definitive Preference Share Certificates to such Holders as soon as possible thereafter.

2.4 Transfer and Title

- (a) Subject to clause 2.5 to (and including) clause 2.9, a Preference Share may be transferred by an instrument as provided in the Constitution.
- (b) Subject to the Corporations Act, ANZ:
 - (i) may treat the registered holder of the Preference Share as the absolute owner of it; and

- (ii) need not recognise any equitable or other claim to or interest in a share by any person except a Holder.

- (c) ANZ may at any time appoint a transfer agent on such terms as ANZ may determine to facilitate the transfer of Preference Shares by Holders.

2.5 Transfers and Selling Restrictions

A Preference Share (including any Beneficial Interest therein) may only be transferred if:

- (a) the offer or invitation giving rise to the transfer does not constitute an offer or invitation for which disclosure is required to be made to investors under Part 6D.2 of the Corporations Act;
- (b) the offer is not to a person who is a retail client for the purposes of Chapter 7 of the Corporations Act; and
- (c) the transfer complies with any applicable law or directive of the jurisdiction where the transfer takes place.

2.6 Stapling

Each Preference Share will be stapled to a Note (and, so long as the Preference Shares are Registered Global Preference Shares, each Beneficial Interest in a Preference Share will be stapled to the Book Entry Interest in the corresponding Note) unless clause 2.9 applies. Each stapled Preference Share and Note together will constitute a Unit. Until an Assignment Event occurs with respect to all Notes (other than the Redemption of all Preference Shares), ANZ and ANZ NY Branch will maintain a joint register for the Units outside the United Kingdom. Subject to the Indenture and these Preference Share Terms, ANZ will not, and will cause ANZ NY Branch not to, take any corporate action which prejudices the stapling of each Note to the corresponding Preference Share.

2.7 Transfer Restrictions

- (a) Until an Assignment Event occurs with respect to a Note which forms part of a Unit with a Preference Share, no transfer of that Preference Share may be registered by the Registrar unless a transfer of the corresponding Note, which forms part of the same Unit, is registered at the same time, from the same transferor to the same transferee.
- (b) The Preference Share comprising part of each Unit (and following an Assignment Event with respect to the Note which forms a part of a Unit with such Preference Share, such Preference Share) will be subject to the same restrictions on transfer that apply to the Notes as set forth in the Indenture.

2.8 No Separate Dealings

Until an Assignment Event occurs with respect to a Note which forms part of a Unit with a Preference Share, the corresponding Preference Share and any Beneficial Interest or other interest in such Preference Share, shall not be capable of being transferred, assigned or made the subject of an Encumbrance or trust in whole or in part, separately from the corresponding Note or Book Entry Interest or other interest in such Note which forms part of the same Unit.

Any transferee, assignee or holder of an Encumbrance or trust takes Units subject to, and agrees to be bound by, these Preference Share Terms.

2.9 Unstapling

Upon Assignment of a Note to ANZ in accordance with the Indenture, the corresponding Preference Share shall cease to be stapled to the Note. For the avoidance of doubt, no Preference Share will cease to be stapled to the corresponding Note which forms part of the same Unit in any other circumstance.

2.10 Dealings in whole

Without prejudice to clause 2.8, at all times (whether before or after the occurrence of an Assignment Event), the Preference Shares may be held or transferred only in whole Preference Shares, each conferring a claim in the winding up of ANZ to the Liquidation Sum.

2.11 Certificates

(a) Each Registered Global Preference Share Certificate:

(i) shall be printed or typed in the form determined by ANZ from time to time and may be a facsimile and shall be deemed to incorporate these Preference Share Terms in full by reference unless not permitted by the Stock Exchange on which the Preference Shares are listed or quoted or the Clearing Agency in which case these Preference Share Terms will be endorsed on the Registered Global Preference Share Certificate;

(ii) shall be signed manually or in facsimile by or on behalf of ANZ and authenticated by the Registrar;

(iii) so long as the Preference Shares comprise part of a Unit, will contain or incorporate the same applicable legends that are set forth on the face of the Notes;

(b) Each Registered Definitive Preference Share Certificate shall be:

(i) printed or typed in the form determined by ANZ from time to time, serially numbered and endorsed with the Preference Share Terms and, if listed or quoted, shall be security printed in accordance with the requirements (if any) from time to time of the relevant Stock Exchange on which the Preference Shares are listed or quoted;

(ii) signed manually or in facsimile by or on behalf of ANZ and authenticated by or on behalf of the Registrar.

3 Dividends

3.1 Dividends

- (a) So long as a Preference Share forms part of a Unit, the Holder of such Preference Share will not be entitled to receive any Dividend on such Preference Share.
- (b) Subject to these Preference Share Terms, upon the occurrence of an Assignment Event with respect to all outstanding Notes (other than where all outstanding Preference Shares are redeemed for cash), all Preference Shares then outstanding will become dividend paying and will automatically begin to accrue non-cumulative Dividends. Such Dividends will, if so determined by the Directors but subject to clause 3.2, be payable on each Dividend Payment Date in accordance with these Preference Share Terms.
- (c) Subject to these Preference Share Terms, the Dividend payable on each Preference Share on a Dividend Payment Date shall be calculated for the immediately preceding Dividend Payment Period at the rate or rates set out in clause 3.1(d) (the **Dividend Rate**).
- (d) The Dividend Rate for each Preference Share will be:
- (i) for any Dividend Payment Period prior to the Conversion Date, 6.540% per annum; and
- (ii) for any Dividend Payment Period during a Dividend Reset Period, the rate equal to the Dividend Reset Rate determined as of the Determination Date for such Dividend Reset Period plus 0.96% per annum.
- (e) The Dividend for any Dividend Payment Period is to be computed on the basis of a 365-day year and the actual number of days elapsed in the Dividend Payment Period (or, if any portion of the Dividend Payment Period falls in a leap year, the sum of (a) the actual number of days in that portion of the Dividend Payment Period falling in a leap year divided by 366 and (b) the actual number of days in that portion of the Dividend Payment Period falling in a non-leap year divided by 365).

3.2 Dividend Payment Tests

(a) The payment of a Dividend is subject to:

(i) the Directors in their sole discretion resolving to pay that Dividend on the Preference Shares on the relevant Dividend Payment Date; and

(ii) the condition that no APRA Condition shall exist on the relevant Dividend Payment Date (unless such APRA Condition

shall cease within twenty-one Business Days of such Dividend Payment Date).

(b) The Directors, in their sole discretion and with the prior written approval of APRA, may pay an Optional Dividend in accordance with clause 3.9.

3.3 Non-Cumulative Dividends

Subject to clause 3.2(b), the Dividend rights attached to the Preference Shares are non-cumulative. Therefore, if and to the extent that all or any part of a Dividend is not paid for any reason on or within 21 Business Days after a Dividend Payment Date, ANZ, subject to clause 3.2(b), has no obligation to pay all or any part of that Dividend and, notwithstanding that ANZ may pay an Optional Dividend, no Holder shall have any claim or entitlement to be paid any amount in respect of the non-payment of that Dividend or the unpaid portion thereof, even if Dividends or other payments are made in the future on the Preference Shares. No interest will accrue on any unpaid Dividends, and no Holder shall have any claim or entitlement in respect of interest on any unpaid Dividends.

3.4 Calculation of Dividends

(a) ANZ must provide that, for so long as the Preference Shares remain on issue, there is at all times a Calculation Agent for the purposes of the Preference Shares. ANZ may at any time replace the Calculation Agent with another leading bank engaged in the London interbank market. In the event the Calculation Agent is unable or unwilling to continue to act as the Calculation Agent or if the Calculation Agent fails to establish the Dividend Reset Rate for any Dividend Reset Period, ANZ must appoint another leading bank engaged in the London interbank market to act in place of the Calculation Agent. The Calculation Agent must not resign its duties without a successor having been appointed in accordance with this clause 3.4(a).

(b) The Calculation Agent will:

(i) calculate the Dividend Reset Rate for a Dividend Reset Period as of the Determination Date in respect of such Dividend Reset Period; and

(ii) notify this rate in writing to ANZ prior to 3:00 p.m. London time on the Determination Date.

(c) All Dividend Rate calculations for purposes of each Dividend Reset Period will be made by the Calculation Agent. In the absence of manifest error, all calculations made by the Calculation Agent in respect of the Dividend

Rate will be final and conclusive for all purposes and binding on ANZ and the Holders.

- (d) ANZ shall, not later than one Business Day following any applicable Determination Date, provide notice to all Holders of the Dividend Rate to be applicable to the Preference Shares for the related Dividend Reset Period.

3.5 Dividend Payment Dates

- (a) Subject to these Preference Share Terms, Dividends will be payable on each Preference Share on each Dividend Payment Date until such Preference Share is Redeemed.
- (b) For the avoidance of doubt, if an Assignment Event in respect of a Note that comprises a Unit with a Preference Share occurs on an Interest Payment Date, then the first Dividend Payment Date in respect of that Preference Share will not be the date of the Assignment Event but will be the Dividend Payment Date that immediately follows that Interest Payment Date.
- (c) The payment date for an Optional Dividend will be the date as determined by the Directors.

3.6 Record Dates

A Dividend is only payable to those persons registered as Holders on the Record Date for that Dividend. An Optional Dividend is only payable to those persons registered as Holders on the Record Date in respect of such Optional Dividend. The Record Date will:

- (a) in the case of a Dividend, be the Business Day immediately prior to the applicable Dividend Payment Date;
and
- (b) in the case of an Optional Dividend, be the date of payment of the Optional Dividend as determined by the Directors.

3.7 Payment

- (a) All Dividends and Optional Dividends and, subject to clause 6.2(c), other amounts payable to a Holder will be paid in Sterling (unless the Holder elects for payment in Australian dollars in accordance with clause 6.10).

(b) Unless otherwise agreed with a Holder, payment of a Dividend, an Optional Dividend, the Redemption Price or any other amount will be made by mailing a cheque to the registered address of the Holder of the Preference Shares (or, in the case of joint holders, to the registered address of the one whose name is recorded first in the Register in respect of the joint holding) or, at ANZ's election, by wire transfer.

(c) If a cheque in connection with a Dividend is mailed on or prior to the Dividend Payment Date for the Dividend, the Dividend will be regarded as having been paid on the Dividend Payment Date. Similarly if a cheque in connection with an Optional Dividend,

Redemption Price or other amount payable to a Holder is mailed on or prior to the date of payment for that Optional Dividend or other amount, the Optional Dividend, Redemption Price or other amount will be regarded as having been paid on the relevant date of payment for that Optional Dividend or other amount.

(d) ANZ may at any time appoint one or more paying agents on such terms as ANZ may determine to make payments on behalf of ANZ in accordance with these Preference Share Terms. If at any time ANZ has not appointed a paying agent in accordance with this clause 3.7(d) then ANZ itself will act as paying agent for the purposes of these Preference Share Terms.

3.8 Deductions and Gross-Up

(a) All payments and issuances of Qualifying Tier 1 Securities or Ordinary Shares in respect of the Preference Shares will be made without withholding or deduction for, or on account of, any and all present and future taxes, assessments or other governmental charges of whatever nature (**Relevant Tax**) imposed or levied by or on behalf of Australia or any political subdivision or authority in or of Australia, unless the withholding or deduction is required by law. In that event, ANZ will pay as further dividends, such additional amounts (**Additional Amounts**) or issue such additional Qualifying Tier 1 Securities or Ordinary Shares, as may be necessary so that the net amount of cash or number of Qualifying Tier 1 Securities or Ordinary Shares received by the Holder, after such withholding or deduction, will equal the amount of cash or the number of Qualifying Tier 1 Securities or Ordinary Shares that the Holder would have received in respect of the Preference Shares without such withholding or deduction. However, ANZ will not pay any Additional Amounts or issue any additional Qualifying Tier 1 Securities or Ordinary Shares with respect to any Preference Shares as provided in each of the following (or any combination thereof):

(i) to the extent the Additional Amount (if it were a dividend) would not lawfully be able to be paid or issued or would not be payable or issuable for any of the reasons set out in clause 3.2;

(ii) to the extent that the Relevant Tax is imposed or levied by virtue of a Holder, or a beneficial owner, of the Preference Shares having some connection with (whether present, past or future), or being or having been engaged in any activity, trade or business in Australia, or any political subdivision or authority in or of Australia, other than being a Holder, or a beneficial owner, of the Preference Shares;

(iii) to the extent that the Relevant Tax is imposed or levied by virtue of a Holder, or a beneficial owner, of the Preference Shares not complying with any statutory requirements or not having made a declaration of non-residence in, or other lack of

connection with, Australia, or any political subdivision or authority in or of Australia, or any similar claim for exemption, if ANZ or its agent has provided the Holder, or the beneficial owner, of the Preference Shares with at least 60 days prior written notice of an opportunity to comply with such statutory requirements or make a declaration or claim;

(iv) to the extent that the Relevant Tax is a United States back-up withholding tax;

(v) in relation to payments made from Australia and to the extent that the payee is an Australian resident, if it has not provided its tax file number, its Australian Business Number, or evidence that a relevant exemption applies; or

(vi) to the extent that the Relevant Tax is imposed or levied on account of Australia resident withholding tax.

(b) Subject to clause 3.8(a), ANZ may deduct from any Dividend, Optional Dividend or other amounts payable to a Holder, the amount of any withholding or other tax, duty or levy required by any law, treaty, regulation or official administrative pronouncement to be deducted in respect of such amount. If any such deduction has been made and the amount of the deduction accounted for by ANZ to the relevant revenue authority and the balance of the amount payable has been paid to the Holder concerned, then subject to clause 3.8(a), the full amount payable to such Holder is deemed to have been duly paid and satisfied by ANZ.

(c) ANZ must pay the full amount deducted to the relevant revenue authority within the time allowed for such payment without incurring penalty under the applicable law or otherwise and must, if required by any Holder, deliver to that Holder a copy of the relevant receipt issued by the revenue authority without unreasonable delay after the original receipt is received by ANZ.

3.9 Dividend Stopper

If, for any reason:

(a) ANZ fails to pay Dividends in full on the Preference Shares on any Dividend Payment Date, whether or not due to the existence of an APRA Condition;

(b) ANZ NY Branch fails to pay in full Interest on the Notes on any Interest Payment Date, whether or not due to the existence of an APRA Condition;

(c) the Redemption Price or Qualifying Tier 1 Securities in respect of Preference Shares called for Redemption is not paid or are not issued

to the Holder, as the case may be, in full on the applicable Redemption Date; or

(d) the Ordinary Shares in respect of Preference Shares which are converted on the Conversion Date or an Early Conversion Date are not issued to Holders in full on the Conversion Date or Early Conversion Date, as the case may be;

then, unless the Holders of a majority in number of the Preference Shares otherwise consent, ANZ may not declare or pay any interest, dividends or distributions on any ANZ Shares or other instruments or securities of ANZ that by their terms rank or are expressed to rank, equally with or junior to the Notes or the Preference Shares for payment of interest, dividend or similar payment, or make a principal, liquidation or premium payment with respect to, or repurchase, redeem or otherwise acquire for value legal or beneficial ownership of any ANZ Shares or other instruments or securities that by their terms rank equally with or junior to the Notes and the Preference Shares with respect to the winding up or liquidation of ANZ other than proportionate payments on or repurchase of the Notes, the Preference Shares and such other ANZ Shares and other instruments and securities that rank equally with or junior to the Notes and the Preference Shares with respect to the winding up or liquidation of ANZ, or set aside any sum or establish a sinking fund for such purpose,

unless and until:

(i) where clause 3.9(a) applies, ANZ has paid:

(A) the relevant Dividend in full on or within 21 Business Days after the relevant Dividend Payment Date to holders registered as Holders on the Record Date for the relevant Dividend;

(B) with the prior written approval of APRA, a dividend (an **Optional Dividend**) equal to the unpaid amount of scheduled Dividends and, if applicable, scheduled Interest payments on the Notes for the 12 consecutive months prior to the payment of such Dividend; or

(C) Dividends in full on each Dividend Payment Date during a 12 consecutive month period;

(ii) where clause 3.9(b) applies:

(A) on or within 21 Business Days after the relevant Interest Payment Date, ANZ NY Branch has paid in full the relevant Interest to the holders registered as Note Holders on the Regular Record Date for the relevant Interest Payment Date and other amounts owing in respect of such relevant Interest to and including the date of actual

payment in full;

(B) with the prior written approval of APRA, ANZ NY Branch has made an Optional Interest Payment equal to the unpaid amount of scheduled Interest payments on the Notes for the 12 consecutive months prior to the payment of such Optional Interest Payment; or

(C) ANZ NY Branch has paid Interest on the Notes in full on each Interest Payment Date during a 12 consecutive month period; or

(D) following the occurrence of an Assignment Event:

(aa) ANZ has paid scheduled Dividends on the Preference Shares in full on each Dividend Payment Date; and

(bb) if applicable, ANZ NY Branch has paid scheduled Interest payments on the Notes in full on each Interest Payment Date,

during a 12 consecutive month period;

(iii) where clause 3.9(c) applies, the Redemption Price has been paid in full or the Qualifying Tier 1 Securities have been issued to Holders in full, as applicable; or

(iv) where clause 3.9(d) applies, the Ordinary Shares have been issued to Holders in full.

3.10 Exclusions from Dividend Stopper

The restrictions in clause 3.9 do not apply to:

(a) proportionate payments on the Notes, the Preference Shares and any Equal Ranking Instruments;

(b) repurchases (including buy-backs), redemptions or other acquisitions by ANZ Shares in connection with:

- (i) any employment contract, employee share scheme, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants of ANZ or any Controlled Entity;
- (ii) a dividend reinvestment plan or shareholder share purchase plan; or
- (iii) the issuance of ANZ Shares, or securities convertible into or exercisable for such shares, as consideration in an acquisition transaction entered into prior to the event in clause 3.9(a), (b) or (c) (as the case may be);

- (c) an exchange, redemption or conversion of any class or series of ANZ Shares, or any securities of a subsidiary or of any other entity whose financial results are required to be consolidated with ANZ's financial statements, for any class or series of ANZ Shares, or of any class or series of ANZ's indebtedness for any class or series of ANZ Shares;
- (d) the purchase of fractional interests in ANZ Shares under the conversion or exchange provisions of the shares or the security being converted or exchanged;
- (e) any payment or declaration of a dividend in connection with any shareholder's rights plan, or the issuance of rights, shares or other property under any shareholder's rights plan, or the redemption or repurchase of rights pursuant to the plan; or
- (f) any dividend in the form of shares, warrants, options or other rights where the dividend shares or the shares issuable upon exercise of such warrants, options or other rights are the same class or series of shares as those on which the dividend is being paid or rank equal or junior to those shares.

Nothing in these Preference Share Terms prohibits ANZ or a Controlled Entity from purchasing ANZ Shares (or an interest therein) in connection with transactions for the account of customers of ANZ or customers of entities that ANZ Controls or in connection with the distribution or trading of ANZ Shares in the ordinary course of business. This includes (for the avoidance of doubt and without affecting the foregoing) any acquisition resulting from:

- (a) taking security over ANZ Shares in the ordinary course of business; and
- (b) acting as trustee for another person where neither ANZ nor any entity it controls has a beneficial interest in the trust (other than a beneficial interest that arises from a security given for the purposes of a transaction entered into in the ordinary course of business).

4 Assignment

4.1 Assignment Event

A Preference Share will automatically become a dividend paying instrument (other than where all outstanding Preference Shares are Redeemed for cash) and detach from the corresponding Note to which it had been stapled upon the occurrence of an Assignment Event with respect to such Note.

The Assignment Event with respect to a Note will be the earliest occurrence of any of the following dates or events:

- (a) any date ANZ selects in its absolute discretion (and of which it gives holders at least 30 days notice), which Assignment Event will apply to all outstanding Notes;

- (b) the Redemption Date for the Preference Share component of the Unit of which the Note is a part, which such Assignment Event will apply only to such Note;
- (c) any Redemption Date on which ANZ has not paid the Redemption Price in full to Holders of the Preference Shares to be Redeemed or issued Qualifying Tier 1 Securities in full to such Holders, which such Assignment Event will apply to all outstanding Notes;
- (d) any of the following events, if required by APRA, each of which Assignment Event will apply to all outstanding Notes:
 - (i) APRA appoints a statutory manager to ANZ (other than in connection with a solvent reconstruction) pursuant to subsection 13A(1) of the Banking Act 1959 of Australia; and
 - (ii) proceedings are commenced for the winding-up of ANZ;
- (e) an Event of Default occurs under the Notes, which Assignment Event will apply to all outstanding Notes; and

4.2 Notice of Assignment Event

ANZ shall deliver to Holders written notice of any Assignment Event (except as already notified in accordance with clause 4.1(a), clause 5.4(c) or clause 7.2(c)) as soon as practicable but in any event no later than five Business Days of an Authorized Officer becoming aware of the occurrence thereof. Such notice shall state that an Assignment Event has occurred and briefly describe the nature of the Assignment Event.

5 Redemption

5.1 Preference Shares are Redeemable at ANZ's option only

The Preference Shares are Redeemable at the option of ANZ alone. ANZ may Redeem Preference Shares only in accordance with clause 5.2 to and including clause 5.8. A Holder has no right to require Redemption of the Preference Shares.

5.2 Redemption

ANZ may, after receipt of the prior written approval of APRA, if approval is then required:

- (a) Redeem the Preference Shares for cash, in whole or in part, on any Optional Redemption Date, but only where the condition set forth in clause 7.2(a)(i) has not been satisfied; and

(b) Redeem the Preference Shares for cash or Redeem the Preference Shares for Qualifying Tier 1 Securities or, subject to clause 9(c), Vary the terms of the Preference Shares, in whole only, on any day selected by ANZ that is not otherwise an Optional Redemption Date:

(i) where the Preference Shares are part of Units, if a Unit Tax Event, an Acquisition Event or a Regulatory Event occurs; or

(ii) where the Preference Shares are not part of Units, if a Preference Share Withholding Tax Event, an Acquisition Event or a Regulatory Event occurs.

5.3 Redemption Price; Qualifying Tier 1 Securities

(a) If ANZ elects to Redeem Preference Shares for cash in accordance with clause 5.2:

(i) on any date other than an Optional Redemption Date following the occurrence of either a Regulatory Event or an Acquisition Event, the Redemption Price of each Preference Share Redeemed will be equal to the Make Whole Redemption Price; and

(ii) in all other cases, the Redemption Price of each Preference Share Redeemed will be equal to £50,000 plus an amount equal to any accrued and unpaid Dividends on that Preference Share for the then current Dividend Payment Period, if any, to the Redemption Date and, if the Redemption Date is on or within 21 Business Days after a Dividend Payment Date, any unpaid Dividend for the immediately preceding Dividend Payment Period.

(b) If ANZ elects to Redeem Preference Shares for Qualifying Tier 1 Securities in accordance with clause 5.2, it shall issue to the Holder a Qualifying Tier 1 Security with a liquidation amount or similar amount equal to £50,000 for each Preference Share Redeemed.

5.4 Notice of Redemption or Variation

(a) ANZ must give notice of any Redemption or Variation, not less than 30 nor more than 90 days prior to the Redemption Date or Variation Date; provided that notice of any Redemption on an Early Conversion Date or on the Conversion Date must be given no later than 25 Business Days prior to such Early Conversion Date or Conversion

Date.

(b) ANZ must mail the notice of Redemption or Variation by first class mail to the registered address of the Holder.

(c) Each notice of Redemption or Variation must state:

- (i) the Redemption Date or the Variation Date as the case may be (and, if the Preference Shares are part of a Unit, that an Assignment Event will occur on the Conversion Date);
- (ii) if less than all outstanding Preference Shares are subject to Redemption, the identification of the Preference Shares subject to Redemption;
- (iii) that, as from the Redemption Date, Dividends will cease to accrue and the only rights Holders will have will be to obtain the Redemption Price payable or Qualifying Tier 1 Securities issuable, as the case may be, in accordance with these Preference Share Terms;
- (iv) the place or places where the certificates, if any, for the Preference Shares may be submitted and where the Redemption Price or certificates for the Qualifying Tier 1 Securities, as the case may be, may be collected by Holders and where Holders may give the details of any applicable accounts in Euroclear or Clearstream, Luxembourg for any receipt of Qualifying Tier 1 Securities;
- (v) whether the Preference Shares will be Redeemed for cash or for Qualifying Tier 1 Securities or the terms of the Preference Shares will be Varied and, if cash, the Redemption Price per Preference Share or, if Qualifying Tier 1 Securities or a Variation, a description of their terms or the variations;
- (vi) whether the Redemption Price is payable by means of a redemption, buy-back or reduction of capital or any combination thereof; and
- (vii) any other information required by:
 - (A) the securities exchange or quotation system where the Preference Shares may be listed or quoted; or
 - (B) applicable law.

5.5 Effect of Redemption

Subject to APRA's prior written approval (if approval is then required), on the Redemption Date:

- (a) the Preference Shares to which the notice of Redemption relates will be Redeemed by ANZ; and
- (b) the only rights Holders will have will be to obtain the Redemption Price payable or the Qualifying Tier 1 Securities issuable in accordance with these Preference Shares Terms and on payment of the Redemption Price or issue of Qualifying Tier 1 Securities (as the case may be) all other rights conferred or restrictions imposed by those

Preference Shares under these Preference Share Terms will no longer have effect.

5.6 Buy-Back Agreement

(a) For purposes of clause 5.5(a), subject to paragraph (b) below, if the Redemption under clause 5.2 involves a buy-back of Preference Shares, each Holder agrees to accept the buy-back offer for the Preference Shares held by the Holder to which the notice of Redemption relates and on receipt of the notice of Redemption given under clause 5.4 will be deemed to have agreed to sell those Preference Shares free of all Encumbrances to ANZ on the Redemption Date for the Redemption Price or issue of Qualifying Tier 1 securities (as the case may be). Such buy-back agreement will be taken to include ANZ's undertaking in clause 3.9.

(b) Such agreement of the Holder shall have no force or effect with respect to any Preference Shares unless and until both of the following conditions are satisfied:

(i) ANZ shall have sent a notice of Redemption which complies with clause 5.4 to the Holder which states that the Preference Shares are to be bought back; and

(ii) ANZ has obtained all consents and approvals (if any) to the buy-back from ANZ's shareholders or any regulatory authority or government agency or other person as may be required pursuant to (and in the manner required by) any applicable law, or by the listing rules of any securities exchange on which the Preference Shares or the Units, or Ordinary Shares, may then be listed.

5.7 Partial Redemptions

(a) In the case of any partial Redemption, ANZ or its Registrar will select the Preference Shares for Redemption:

(i) in compliance with the requirements (if any) of the Stock Exchange, if any, on which the Preference Shares are then listed or quoted or the Clearing Agency; or

(ii) if the Preference Shares are not listed or quoted on a Stock Exchange or held by a Clearing Agency, proportionately, by lot or such other method as ANZ, in its sole discretion, deems fair and appropriate.

(b) In the case of a partial Redemption, the number of Preference Shares remaining after the Redemption must be not less than the minimum number of shares required to maintain any listing or quotation of the Preference Shares on any securities exchange on which they are listed or quoted immediately prior to the partial Redemption.

5.8 Obligation to Mitigate

(a) The right of ANZ to Redeem or Vary the terms of the Preference Shares on any date other than an Optional Redemption Date due to the occurrence of a Tax Event or a Regulatory Event is subject to the condition that, if there is available to ANZ the opportunity to eliminate such event by taking some ministerial action, such as filing a form or making an election, or pursuing some other similar reasonable measure that in each case in the absolute discretion of ANZ has or will cause no adverse effect on ANZ, any of ANZ's Subsidiaries or Controlled Entities, Holders of Preference Shares or holders of Units and will involve no material cost to any of these parties, ANZ will pursue that measure in lieu of Redemption or Variation.

(b) ANZ may not Redeem or Vary the terms of any of the Preference Shares prior to, and any obligations of ANZ under clause 5.8(a) terminate upon, the expiry of the earlier of:

(i) 90 days from the date on which the Tax Event or Regulatory Event occurs; and

(ii) the date that ANZ determines in its absolute discretion that not Redeeming or Varying the terms of the Preference Shares:

(A) has or will cause an adverse effect on ANZ, any of ANZ's Subsidiaries or Controlled Entities, the Holders or holders of the Units; or

(B) will involve material cost to any of these parties.

5.9 On-market Buy-Backs

Subject to complying with applicable law, ANZ may with the prior written approval of APRA (if then required) buy back the Preference Shares at any time and at any price by an on-market buy-back (within the meaning of the Corporations Act). Such on-market buy-backs shall not be subject to clause 5.2 to and including clause 5.8 hereof.

5.10 Default Interest

If ANZ improperly withholds or refuses payment of the Redemption Price in respect of the Preference Shares, interest will accrue on the Redemption Price at the Default Interest Rate from the date on which the cash redemption was due to the date of payment.

5.11 Acceptance of Qualifying Tier 1 Securities

Each Holder upon the issue of Qualifying Tier 1 Securities which consist of or contain a share in the capital of ANZ consents to become a member of ANZ and be bound by the terms of such Qualifying Tier 1 Securities.

5.12 Power of Attorney

Each Holder irrevocably appoints ANZ, each of its Authorized Officers and any liquidator, provisional liquidator, administrator, receiver or statutory manager of ANZ (each, an **Appointed Person**) severally to be the attorney of the Holder and the agent of the Holder with power in the name and on behalf of the Holder to do all such acts and things, including signing all documents or transfers as may in the opinion of the Appointed Person be necessary or desirable to be done in order to record or perfect:

- (a) the transfer of the Preference Shares held by the Holder when required in accordance with this clause 5 (including, for the avoidance of doubt, in connection with any buy-back, on behalf of the Holder, accept any buy-back offer and sign or otherwise execute a transfer of the Preference Shares under this clause 5) or in accordance with clause 7;
- (b) the issue to the Holder of Qualifying Tier 1 Securities in accordance with this clause 5; or
- (c) the conversion of Preference Shares in accordance with clause 7.

6 Preference Share Ranking

6.1 Ranking with respect to dividends

The Preference Shares rank in respect of payment of dividends:

- (a) senior to Ordinary Shares and other securities that ANZ has issued or may issue that by their terms rank junior to the Preference Shares;
- (b) equally among themselves and with all Equal Ranking Instruments; and
- (c) junior to any securities or instruments that rank senior to the Preference Shares and to all ANZ's debts and liabilities to its depositors and all other creditors, other than indebtedness that by its terms ranks equally with or junior to the Preference Shares,

in each case of (a), (b) and (c), in respect of payment of dividends.

6.2 Ranking in a Winding-Up

(a) In a winding-up of ANZ, a Preference Share confers upon its Holder the right to payment in cash of the Liquidation Sum out of the surplus (if any) available for distribution to shareholders, but no further or other right to participate in the assets of ANZ on a return of capital in the winding-up.

(b) Holders of Preference Shares will rank for payment of the Liquidation Sum in a winding-up of ANZ:

- (i) in priority to Ordinary Shares and other securities that ANZ has issued or may issue that by their terms rank junior to the Preference Shares;
 - (ii) equally among themselves and with the Equal Ranking Instruments; and
 - (iii) junior to any securities or instruments that rank senior to the Preference Shares and to all ANZ's debts and liabilities to its depositors and all other creditors, other than indebtedness that by its terms ranks equally with or junior to the Preference Shares in a winding-up, in each case of (i), (ii) and (iii), with respect to priority of payment in a winding-up.
- (c) The Liquidation Sum is the sum of:
- (i) an amount equal to a liquidation preference out of surplus assets of £50,000 per Preference Share, or if it is not possible to pay the amount in Sterling or the Holder elects to receive Australian dollars, the Australian Dollar Equivalent of such amount; and
 - (ii) if the amount described in clause 6.2(c)(i) is paid in Australian dollars, an amount in Australian dollars equal to the additional amount (if any) estimated by the liquidator of ANZ in its absolute discretion to be required to convert the Australian Dollar Equivalent into Sterling, including, but not limited to, amounts regarded by the liquidator as necessary to pay any estimated charges and expenses regarded by the liquidator of ANZ as likely to be incurred in effecting such conversion.
- (d) For purposes of this clause 6.2, the Australian Dollar Equivalent of an amount expressed in Sterling will be calculated by applying the Spot Mid Rate on the date of payment of the amount in Australian dollars or, if that day is not a Business Day, on the Business Day immediately preceding the date of payment. If for whatever reason the Spot Mid Rate ceases to be available, the Australian Dollar Equivalent of an amount expressed in Sterling will instead be calculated by applying the average of the rates quoted to the liquidator of ANZ by at least three banks selected by the liquidator for the purchase by the liquidator of Sterling with Australian dollars.

6.3 No Set-Off

Any amount due to a Holder in respect of a Preference Share may not be setoff against any claims by ANZ against the Holder and the Holder has no offsetting rights or claims on ANZ if ANZ does not pay a Dividend when scheduled on the Preference Shares.

6.4 Shortfall on Winding-Up of ANZ

If, upon a return of share capital on a winding-up of ANZ, there are insufficient funds to pay in full the amounts referred to in clause 6.2 and the amounts payable in respect of any other shares, securities or instruments in ANZ ranking as to such distribution equally with the Preference Shares on a winding-up of ANZ, Holders and the holders of any such other ANZ Shares, securities or instruments will share in any distribution of assets of ANZ in proportion to the amounts to which they respectively are entitled.

6.5 No Participation in Surplus Assets

The Preference Shares do not confer on the Holders any further right to participate in the surplus assets of ANZ on a winding-up of ANZ beyond payment of the Liquidation Sum.

6.6 Takeover Bids and Schemes of Arrangement

If a takeover bid is made for Ordinary Shares, acceptance of which is recommended by the directors of ANZ, acting as a board, or the directors of ANZ, acting as a board, recommend a member's scheme of arrangement, in each case which would result in an Acquisition Event, then, if ANZ considers that the Conversion Conditions will not be satisfied and ANZ intends neither to issue a Transfer Notice in accordance with clause 7.6 nor to Redeem the Preference Shares in accordance with clause 5, ANZ will use reasonable endeavours to procure that an offer is made to Holders for their Units (or, following the occurrence of an Assignment Event where Preference Shares remain outstanding, their Preference Shares) to be acquired for cash or other consideration in an amount at least equal to the then fair market value of such Units or Preference Shares.

6.7 Participation in New Issues

Other than as set forth in these Preference Share Terms, the Preference Shares confer no rights to subscribe for new securities of ANZ or to participate in any bonus issues of securities of ANZ.

6.8 No Other Rights

Preference Shares do not confer on the Holders any right to participate in profits or property except as set out in these Preference Share Terms.

6.9 Tax Matters

ANZ and, by its acceptance of an interest or Beneficial Interest in a Preference Share, each Holder and beneficial owner of a Preference Share agrees to treat the Preference Shares as equity of ANZ for United States federal income tax purposes.

6.10 Foreign Currency

Where any sum is payable by ANZ to the Holder in a currency other than Australian dollars, and such sum is not paid when due or ANZ has commenced winding up, the Holder may elect by notice in writing to ANZ to require instead payment of an amount in Australian dollars equal to, if a sum is not paid when due, that foreign currency amount calculated by applying the Spot Mid Rate (or if the Spot Mid Rate is not available, the average of the rates quoted by at least three banks selected by ANZ) on the date of payment for sale of the relevant currency for Australian dollars or, if a winding up of ANZ has commenced, the amount determined under clause 6.2.

6.11 No winding up

Each Holder acknowledges and agrees that they have no right to apply for ANZ to be wound up, or placed in administration, or to cause a receiver, or a receiver and manager, to be appointed in respect of ANZ merely on the grounds that ANZ does not pay a Dividend when scheduled under these Preference Share Terms.

6.12 No event of default

These Preference Share Terms contain no events of default. Accordingly (but without limitation) failure to pay in full, for any reason, a Dividend on the scheduled Dividend Payment Date will not constitute an event of default.

7 Conversion of Preference Shares

7.1 General

(a) Subject to the satisfaction of the Conversion Conditions specified in clause 7.2, unless earlier converted or Redeemed in accordance with the terms hereof, on the first Conversion Date on which the Conversion Conditions are satisfied all Preference Shares shall be converted into Ordinary Shares in accordance with clause 7.3.

(b) The provisions of this clause 7.1 shall be operable solely with respect to each Conversion Date. Accordingly, if the Conversion Conditions specified in clause 7.2 shall not be satisfied with respect to a Conversion Date, the Preference Shares shall remain outstanding unless and until redeemed for cash or Qualifying Tier 1 Securities or converted on the next Conversion Date in accordance with the terms and conditions herein set forth.

7.2 Conversion Conditions

(a) The Conversion Conditions shall be deemed to have been satisfied if:

(i) on the Preliminary Trigger Date, the Conversion Ratio as of such date shall be less than, or equal to, 90.91% of the Maximum Conversion Ratio; and

(ii) on the Conversion Date, the Conversion Ratio as of such date is less than, or equal to, the Maximum Conversion Ratio.

(b) For purposes of the foregoing, the **Maximum Conversion Ratio** shall equal:

$$\frac{\text{£50,000}}{(\text{Issue Date-VWAP}) \times (0.5) \times (\text{GBP Rate})}$$

Where:

Issue Date-VWAP means the simple average of the VWAPs for each of the 20 Trading Days immediately preceding the Issue Date, multiplied by the Cumulative Adjustment Factor;

GBP Rate means, a simple average (rounded to five decimal places) of the spot Australian dollar/Sterling exchange rates quoted by the GBP Rate Market Makers at 10:00 a.m. (London time) as of the Issue Date; and

VWAP means, in respect of any Trading Day, the volume weighted average sale price of the Ordinary Shares sold on the ASX.

Cumulative Adjustment Factor the product means (a) if there is more than one Adjustment Factor, the product of all Adjustment Factors determined from the Issue Date to the Preliminary Trigger Date or the Conversion Date as applicable; (b) if there is only one Adjustment Factor from the Issue Date to the relevant Preliminary Trigger Date or Conversion Date, as applicable, that Adjustment Factor; or (c) in all other cases, the number 1; and

Adjustment Factor means, in relation to a rights issue, bonus issue, off-market buyback or return of capital, the number determined in accordance with the following formula:

$$\frac{(P \times S) + ((NS - S) \times A) - (C \times S)}{P \times NS}$$

where:

P means:

in the case of a rights issue, bonus issue or return of capital, the arithmetic mean of the VWAPs for each of the Trading Days during the period from the first Trading Day after the announcement of the rights issue, bonus issue or return of capital up to and including the last Trading Day of trading cum rights, bonus issue or return of capital;

in the case of an off-market buyback, or in the case of a rights issue, bonus issue or return of capital where there is no period of trading cum rights, bonus issue or return of capital, the arithmetic mean of the VWAPs for each of the 20 Trading Days preceding the announcement to ASX of the off-market buyback, rights issue, bonus issue or return of capital;

NS means the number of Ordinary Shares on issue immediately following the completion of the rights issue, bonus issue, off-market buyback or return of capital;

S means the number of Ordinary Shares on issue immediately preceding the announcement to ASX of the rights issue, bonus issue, off-market buyback or return of capital;

A means:

in the case of a rights issue, the price per Ordinary Share issued under the rights issue;

in the case of an off-market buyback, the greater of P and the buyback price per Ordinary Share;

in the case of a bonus issue or return of capital, zero;

C means:

in the case of a return of capital, the value per Ordinary Share distributed to holders of Ordinary Shares;

in any other case, zero;

Where the calculation of an Adjustment Factor or the Cumulative Adjustment Factor, in the reasonable opinion of the Directors, contains manifest error or is not appropriate in any particular circumstance, the Directors may, subject to prior written approval from APRA, make such alteration to the calculation of an Adjustment Factor or the Cumulative Adjustment Factor as they consider reasonably appropriate for that particular circumstance.

(c) ANZ, shall notify Holders:

(i) in the case of the Preliminary Trigger Date, not later than 20 Business Days before the Conversion Date, whether the condition in clause 7.2(a)(i) has been satisfied; and

(ii) in the case of the Conversion Date, on the Conversion Date, whether the condition in clause 7.2(a)(ii) has been satisfied (and accordingly whether on that date an Assignment Event has occurred and the Preference Shares have been converted to Ordinary Shares).

7.3 Conversion Mechanics; Determination of Conversion Ratio

(a) If ANZ is required to convert the Preference Shares into Ordinary Shares, the following events shall automatically occur on the Conversion Date:

(i) ANZ shall convert each Preference Share into one Ordinary Share through a variation of the rights attaching to such share; and

(ii) ANZ shall issue to the Holder giving the notice under clause 7.3(f) an additional number of Ordinary Shares equal to one less than the Conversion Ratio (provided that where the total number of additional Ordinary Shares to be allotted to a Holder in respect of the total number of Ordinary Shares to be issued to that Holder on conversion includes a fractional interest in an Ordinary Share, such fractional interest shall be disregarded).

(b) The Conversion Ratio shall be determined in accordance with the following formula:

$$\text{Conversion Ratio} = \frac{\text{AUD-VWAP} \times (1 - \text{CD}) \times \text{Conversion Date GBP Rate}}{\text{£50,000}}$$

Where:

AUD-VWAP means (i) in the case of the Preliminary Trigger Date, the VWAP on the Preliminary Trigger Date and (ii) in the case of a Conversion Date, the simple average of the VWAPs for each of the 20 Trading Days immediately preceding the Conversion Date;

CD means a conversion discount of 5%; and

Conversion Date GBP Rate means a simple average (rounded to five decimal places) of the forward Australian dollar / Sterling exchange rate quoted by the GBP Rate Market Makers at 10.00 am (London time) as of the Preliminary Trigger Date for delivery of Australian dollars on the Conversion Date.

(c) For the purposes of calculating VWAP in accordance with the provisions of these Preference Share Terms:

(i) where, on some or all of the Trading Days in the period in which VWAP is being determined (the **Reference Period**), Ordinary Shares have been quoted on ASX (or such other

principal exchange on which the Ordinary Shares are then listed) as cum dividend or cum any other distribution or entitlement and Preference Shares will be converted into Ordinary Shares after the date those Ordinary Shares no longer carry that entitlement, then the VWAP on the Trading Days on which those Ordinary Shares have been quoted cum dividend or cum entitlement shall be reduced by an amount (the **Cum Value**) equal to:

(A) in the case of a dividend or other cash distribution, the amount of that dividend or cash distribution including, if the dividend is franked, the amount that would be included in the assessable income of a recipient of the dividend or distribution who is a natural person under the Australian Tax Act;

(B) in the case of an entitlement which is traded on the ASX (or the other principal exchange on which the Ordinary Shares shall then be listed on any of those Trading Days), the volume weighted average price of all such entitlements sold on the ASX or such other exchange during the Reference Period on the Trading Days on which those entitlements were traded; or

(C) in the case of an entitlement not traded on the ASX (or such other principal exchange on which the Ordinary Shares shall then be listed during the Reference Period) or a non-cash distribution, the value of the entitlement or non-cash distribution as reasonably determined in good faith by the Directors of ANZ;

(ii) where, on some or all of the Trading Days in the Reference Period, Ordinary Shares have been quoted ex dividend, ex distribution or ex entitlement, and Preference Shares will be converted into Ordinary Shares which would be entitled to receive the relevant dividend, distribution or entitlement, the VWAP on the Trading Days on which those Ordinary Shares have been quoted ex dividend, ex distribution or ex entitlement shall be increased by the Cum Value;

(iii) the following sales shall be excluded from calculation: any crossing transaction outside the Open Session State or any special crossing transacted at any time, each as defined in the market rules of ASX and any overseas trades or trades pursuant to the exercise of options over ANZ ordinary shares;

(iv) where the principal exchange on which the Ordinary Shares are listed is not ASX, VWAP shall, in good faith, be adjusted by the Directors of ANZ as they consider appropriate; and

(v) where the Ordinary Shares are reconstructed, consolidated or reclassified (other than as specifically dealt with elsewhere) into a greater or lesser number of securities during the Reference Period (or prior to allotment of Ordinary Shares under these Preference Share Terms if such shares are not allotted on the Conversion Date), VWAP shall, in good faith, be adjusted by the Directors of ANZ as they consider appropriate.

(d) ANZ shall notify Holders:

(i) in the case of the Preliminary Trigger Date, no later than 20 Trading Days before the Conversion Date, whether the condition in clause 7.2(a)(i) has been satisfied; and

(ii) in the case of the Conversion Date, on the Conversion Date, whether the condition in clause 7.2(a)(ii) has been satisfied (and accordingly that on that date an Assignment Event has occurred and the ANZ preference shares have been converted into Ordinary Shares).

(e) ANZ shall use its commercially reasonable best efforts to list the Ordinary Shares issued upon conversion of the Preference Shares on the ASX or the principal securities exchange on which its Ordinary Shares are then listed.

(f) In order for the Ordinary Shares to be issued to a Holder, no later than 10 Business Days prior to the Conversion Date, the Holder must give a notice (which notice shall be irrevocable) to the Registrar specifying:

(i) its name and address for entry into any register of title, and receipt of any certificates or holding statements in respect of any Ordinary Shares; and

(g) Where on the Conversion Date Preference Shares are in the form of Registered Global Preference Shares, (unless the Ordinary Shares to be issued on the Conversion Date are to be so registered in the name of and deposited with a common depository for a Clearing Agency or as otherwise provided by a Clearing Agency), such notice shall be given by the Preference Share Beneficial Owner and the Ordinary Shares shall be issued to such persons accordingly.

(h) Once a notice has been given under clause 7.3(f) the Holder or Preference Share Beneficial Owner must not deal with, transfer, dispose or otherwise encumber the Preference Shares (or its Beneficial Interest therein) (except as required under clause 7.6). If a Holder, or

Preference Share Beneficial Owner fails to give such a notice or ANZ determines it is unlawful, impractical or unduly burdensome for it to issue Ordinary Shares to such Holder or Preference Share Beneficial Owner, the Ordinary Shares which are to be issued to such person on conversion may in ANZ's discretion be issued to a nominee appointed by ANZ who will sell those Ordinary Shares and pay a cash amount equal to the net proceeds received, after deducting all costs, taxes and charges incurred in connection with the sale.

- (i) ANZ shall reasonably endeavour to establish a share sale facility, on terms determined by ANZ in its discretion, under which a Holder may elect to sell Ordinary Shares issued on conversion of the Holder's Preference Shares and have the proceeds from such sale delivered to the Holder.

7.4 Acquisition Event

If an Acquisition Event occurs and ANZ does not provide a Redemption notice in respect of all of the Preference Shares on or prior to the 25th Business Day prior to the Early Conversion Date for Redemption of the Preference Shares on such Early Conversion Date, then, subject to the Conversion Conditions specified in clause 7.2 being satisfied, all Preference Shares shall be converted into Ordinary Shares on the Early Conversion Date in accordance with clause 7.3. In connection with any such conversion,

- (a) all references in clauses 7.2 and 7.3 to the Conversion Date shall instead refer to the Early Conversion Date;
- (b) the reference to £50,000 in the definition of the term "Conversion Ratio" shall instead refer to the Make-Whole Redemption Price as if the Early Conversion Date were a Redemption Date on which the Preference Shares were to be Redeemed for cash; and
- (c) the Conversion Ratio shall be determined by reference to the lesser of 20 Trading Days and the number of Trading Days that the Ordinary Shares are quoted for trading on the ASX (or the principal securities exchange on which the Ordinary Shares are then listed) after the occurrence of the Acquisition Event.

If the Conversion Conditions are not satisfied in respect of the Early Conversion Date, there shall be no subsequent Conversion Dates and the Preference Shares will never be Converted.

7.5 Holder Acknowledgments

Each Holder irrevocably:

(a) upon conversion of a Preference Share in accordance with this clause 7, consents to becoming a member of ANZ and agrees to be bound by the ANZ Constitution;

(b) acknowledges and agrees it is obliged to accept Ordinary Shares upon a conversion in accordance with this clause notwithstanding anything that might otherwise affect a conversion of Preference Shares including:

(i) any change in the financial position of ANZ since the Issue Date;

(ii) any disruption to the market or potential market for the Ordinary Shares or to capital markets generally;

(iii) any breach by ANZ of any obligation in connection with the Preference Shares or the Units; or

(iv) it being impossible or impractical to sell or otherwise dispose of Ordinary Shares or, to list those Ordinary Shares.

7.6 Transfer

(a) Conversion Date

No less than 30 Business Days, and no more than 60 Business Days prior to the Conversion Date, ANZ may issue to Holders a notice (a **Transfer Notice**) specifying that all Units or, following the occurrence of an Assignment Event where Preference Shares remain outstanding, Preference Shares then outstanding (or, where the Preference Shares are Global Registered Preference Shares, the Beneficial Interest is such Preference Shares and, where such Preference Shares from part of the Units, the corresponding Book Entry Interest in the Notes) will be acquired by a third party purchaser with the Required Credit Rating on the date of the Transfer Notice (a **Nominated Party**) (provided such Nominated Party may not be a Controlled Entity of ANZ unless otherwise approved by APRA). Such acquisition will occur on the Conversion Date at a purchase price per Unit or Preference Share, as the case may be, of £50,000.

(b) Early Conversion Date

If an Acquisition Event occurs, ANZ may, no later than 25 Business Days prior to the Early Conversion Date, issue to holders a notice (a **Early Transfer Notice**) specifying that all Units or, following the occurrence of an Assignment Event where Preference Shares remain outstanding, Preference Shares then outstanding (or, where the Preference Shares are Global Registered Preference Shares, the Beneficial Interest is such Preference Shares and where such Preference Shares from part of the Units the corresponding Book Entry Interest in the Notes) shall be acquired by a Nominated Party on the Early Conversion Date. The purchase price payable per Unit or Preference Share, as the case may be, so acquired shall equal the Make-Whole Redemption Price plus, if the Preference Share then forms part of such Unit, accrued and unpaid interest on the Note forming part of such

Unit to the Early Conversion Date (assuming for purposes of determining the purchase price that the Early Conversion Date were a Redemption Date on which the Preference Shares would be Redeemed for cash).

(c) **General**

Transfer and delivery of the Units or Preference Shares, by the Holder as the case may be, to the Nominated Party on the Conversion Date or the Early Conversion Date shall be made so long as the Preference Shares are Registered Global Preference Shares against payment therefor in accordance with the Applicable Procedures of the Clearing Agency for the Units or the Preference Shares, as the case may be, or as otherwise specified in the Transfer Notice.

The obligation of the Nominated Party to pay the aggregate purchase price on the relevant Conversion Date or Early Conversion Date may be subject to conditions. If the Nominated Party does not pay the aggregate purchase price in full on the relevant Conversion Date or Early Conversion Date, and whether as a result of any such condition not being satisfied or otherwise, the Transfer Notice will be void and the Preference Shares will not convert into Ordinary Shares on the relevant Conversion Date or Early Conversion Date and the Holder will continue to hold Units or, if the Preference Shares do not form a part of the Units, the Preference Shares. The transfer will convey all right to interest on the Notes or Dividends on the Preference Shares arising after the Conversion Date, or Early Conversion Date, as the case may be, and to be issued with Ordinary Shares on conversion of the Preference Shares on the Conversion Date or the Early Conversion Date (as the case may be) but excluding any interest or dividend payable on the Notes or the Preference Shares (as the case may be) on that date.

ANZ will reasonably endeavor, in light of the circumstances then existing, to minimize the conditionality of such Nominated Party's obligation to pay the aggregate purchase price but gives no assurance as to the details of any such conditions.

The terms of appointment of the Nominated Party may be as agreed between ANZ and the Nominated Party and, without limitation, may allow Ordinary Shares to be issued to the Nominated Party as holder notwithstanding such person has not given a notice referred to in clause 7.3(f) by no later than 10 Business Days prior to the Conversion Date.
