**Item 1.01      Entry into a Material Definitive Agreement.**

**Amended and Restated Revolving Credit Agreement**

On July 31, 2007, Centro NP LLC (the Company ) terminated and prepaid its existing \$350.0 million unsecured revolving credit facility (as amended, the Existing Revolving Credit Facility ). Simultaneously with the prepayment and termination of the Existing Revolving Facility, the Company entered into a new \$350.0 million unsecured revolving credit facility (the New Revolving Credit Facility ) with Bank of America N.A., as administrative agent (the Administrative Agent ) which effectively replaced the Existing Revolving Credit Facility.

The New Revolving Credit Facility matures on December 31, 2007, subject to early termination by the Company or the Administrative Agent. The New Revolving Credit Facility includes a revolving credit facility, swing line facility, and a letter of credit facility.

The loans under the New Revolving Credit Facility bear interest at a rate per annum equal to, at the Company's option, (i) a base rate equal to the prime rate plus an applicable margin as specified in the New Revolving Credit Facility or (ii) the LIBOR rate plus the applicable margin.

The New Revolving Credit Facility contains various representations, warranties and covenants customary for financings of this type and substantially similar to those contained in the Existing Revolving Credit Facility, including, among others, mandatory prepayment upon the occurrence of certain events. Under the New Revolving Credit Facility, the Company is also subject to compliance with certain covenants substantially similar to those contained in its indentures. These covenants include: (i) total debt to total adjusted assets of no more than 65%; (ii) total secured debt to total adjusted assets of no more than 40%; (iii) unencumbered total asset value not to be less than 100% of the aggregate principal amount of all outstanding unsecured debt of the Company and its subsidiaries; and (iv) consolidated income available for debt service of at least 1.5 times the maximum annual service charge on total debt.

The New Revolving Credit Facility contains customary defaults, including, among others: the nonpayment of interest or principal of any loan; failure to comply with restrictions on use of proceeds; failure to observe or perform covenants under any loan document; bankruptcy or insolvency; certain judgments and decrees; and change of control.

Amounts outstanding under the New Revolving Credit Facility are guaranteed pursuant to an Amended and Restated Guaranty Agreement dated July 31, 2007, by and among certain subsidiaries of the company, as guarantors in favor of Bank of America N.A., as administrative agent (the Subsidiary Guaranty ). The New Revolving Credit Facility also has the benefit of a contingent Guaranty Agreement dated July 31, 2007, by and among CPT Manager Limited and Centro Properties Limited as guarantors in favor of Bank America N.A., as administrative agent (the Centro Party Guaranty ), which, subject to certain conditions, guarantees up to the full amount of the New Revolving Credit Facility. In the event that at any time after the Centro Party Guaranty is triggered the amount of the guaranty is less than the full amount of the obligations under the New Revolving Credit Facility at such time, the Company is required to permanently prepay the New Revolving Credit Facility by the amount of such deficiency.

The descriptions of the New Revolving Credit Facility, the Centro Party Guaranty, and the Subsidiary Guaranty provided above are qualified in their entirety by reference to the full and complete terms contained in the New Revolving Credit Facility, the Centro Party Guaranty, and the Subsidiary Guaranty which are filed as Exhibits 10.1, 10.2, and 10.3, respectively to this report on Form 8-K and are incorporated herein by reference.
