**Item 1.01 Entry into a Material Definitive Agreement.**

As previously disclosed, on October 23, 2006 Magnetek, Inc. (the Company) completed a significant step in transitioning from a custom components manufacturer to a systems integrator by selling its power electronics group to Power-One, Inc. Due to the divestiture of its facilities in California, the Company moved its corporate headquarters to Menomonee Falls, Wisconsin. A new lease was entered into on November 20, 2006, by and between the Company as Tenant and W.C. Bradley Co., as Landlord, for office space and manufacturing operations (the Lease), and the leased space for manufacturing operations was expanded by amendment of the Lease on April 5, 2007 ( Lease Amendment ). A Current Report on Form 8-K was not filed for the Lease or Lease Amendment due to an administrative oversight.

The Lease is a net lease, and the term is seven years and six months for the initial term, with an option to renew for two renewal periods of three years each. The leased premises consists of approximately 44,095 square feet, with the initial monthly base rental payment of \$9,094.59 and additional rental payments for operating expenses, park expenses and taxes. The Lease also contains a Tenant expansion clause, which was exercised by the Company in April of 2007, and the leased premises was increased by an additional 26,612 square feet. The Lease Amendment established the initial base monthly rent at \$19,074.09 and also provided for an allowance of a maximum of \$160,000 for certain construction work to be performed by the Company. The copies of the Lease and Lease Amendment are attached to this Current Report on Form 8-K as Exhibits 10.1 and 10.2 and are incorporated herein by this reference.

**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

In connection with the downsizing of the Company resulting from the sale to Power-One, Inc., on December 15, 2006, the Board of Directors (the Board) of the Company amended Section 1(a) of Article III of the Company's Bylaws to reduce the minimum number of Directors that must be on the Company's Board from five to three and to reduce the maximum number of Directors that can be on the Company's Board from nine to five. A Current Report on Form 8-K disclosing the Bylaw amendment was not filed in December 2006 due to an administrative oversight.

A copy of the amended Bylaws is attached to this Current Report on Form 8-K as Exhibit 3.1 and is incorporated herein by this reference.
