Item 8.01 Other Events

On August 29, 2007, Tenet Healthcare Corporation (the Company) issued a press release in response to inquiries it has received about a Credit Suisse analyst report issued Tuesday that expressed concern about the resources the Company has available to fund its operations beyond the next three years.

In responding to the analyst's comments on its financial viability, the Company noted that it had \$675 million in cash at June 30, 2007 and had no outstanding borrowings on its line of credit which, under its terms, had \$500 million in availability as of June 30, 2007. In addition, it has no long term debt maturing until December 2011.

A copy of the press release is being furnished as Exhibit 99.1 to this report on Form 8-K but shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
