#### Item 8.01. Other Events.

At the Citi Entertainment, Media and Telecommunications conference on Tuesday, Barry Diller, CEO of IAC, made certain remarks about recent performance of the Company s HSN business unit. His remarks were misunderstood to mean that fourth quarter revenue growth for the Company s HSN business unit was 20% over the prior year, but his intent was to convey that individual days were frequently showing up to 20% or greater growth over the prior year. For the full fourth quarter, the Company currently expects HSN s revenue growth (excluding revenue from America s Store which was included in the year-ago quarter only given that it has ceased operations) to be approximately 8%.
