PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held on the 15th day of April, 2008

The accompanying proxy is solicited by and on behalf of the Board of Directors of First Farmers and Merchants Corporation (the Corporation) for use at the Twenty-sixth Annual Meeting of Shareholders to be held on the 15th day of April, 2008, and any adjournment thereof (the Annual Meeting). The time and place of the Annual Meeting are set forth in the accompanying Notice of Annual Meeting of Shareholders. All expenses of preparing, printing, and mailing the proxy and all materials used in the solicitation thereof will be borne by the Corporation. In addition to the use of the mail, proxies may be solicited in person, by telephone, or by directors, officers, and other personnel of the Corporation or its subsidiary, First Farmers and Merchants Bank (the Bank), none of whom will receive additional compensation for such services. The Corporation will also request custodians and nominees to forward soliciting materials to the beneficial owners of common stock of the Corporation held of record by them and will pay reasonable expenses of such persons for forwarding such material. The date on which this Proxy Statement and the accompanying proxy card are first being mailed to shareholders of the Corporation is the 20th day of March, 2008.

PURPOSES OF THE MEETING

The Annual Meeting will be held for the purposes of (i) electing directors and (ii) transacting such other business as may properly be brought before the meeting or any adjournment thereof.

QUORUM AND VOTING

At the close of business on March 3, 2008, the Corporation had issued and outstanding 5,680,000 shares of common stock, \$10.00 par value per share (the Common Stock). Only holders of record of Common Stock at the close of business on March 3, 2008 are entitled to notice of and to vote on matters that properly come before the Annual Meeting or any adjournment thereof.

The presence in person or by proxy of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting or any adjournment thereof. A shareholder is entitled to one vote in person or by proxy at the Annual Meeting for each share of Common Stock held of record in his or her name.

If a quorum is not present at the time of the Annual Meeting, the majority of shares entitled to vote, represented in person or by proxy, shall have the power to adjourn the Annual Meeting until a quorum shall be present or represented by proxy.

If the enclosed proxy is properly executed, returned and not revoked, it will be voted in accordance with the instructions, if any, given by the shareholder. If no specification is made, the proxies will be voted **FOR** the election of all nominees as directors of the Corporation. As to any matters of business other than the election of directors that may be properly brought before the Annual Meeting or any adjournment thereof, a vote may be cast pursuant to the accompanying proxy in accordance with the judgment of the person or persons voting the same. Abstentions will have the effect of a vote against such proposals. If a broker or nominee does not receive voting instructions from the beneficial owner of shares on a particular matter and indicates on the proxy that it does not have discretionary authority to vote on that matter, those shares may not be voted on that matter and will have the effect of a vote against such proposals.

Any shareholder has the power to revoke his or her proxy at any time, prior to the vote being taken at the Annual Meeting, by written notice or subsequently dated proxy received by the Corporation, or by revocation by the shareholder in person at the Annual Meeting or any adjournment thereof. If you wish to attend the Annual Meeting and need directions to the Cherry Theatre in the Waymon L. Hickman Building at Columbia State Community College, Columbia, Tennessee, please contact Martha McKennon, Secretary of the Corporation, at (931) 388-3145.

ELECTION OF DIRECTORS

At the Annual Meeting, 16 nominees will be proposed for election as directors to serve until the next annual meeting of shareholders or until their successors are qualified and elected. The Corporation's Amended and Restated By-laws (the Bylaws) provide in Article III, Section 2 that there shall be no fewer than five and no more than 20 directors. The Board of Directors believes it is in the best interest of the Corporation that there be 16 directors of the Corporation at this time. Proxies cannot be voted for a greater number than 16 nominees.

Directors are elected by a plurality of the votes cast by the shares of Common Stock entitled to vote at the Annual Meeting, if a quorum is present. Abstentions and broker non-votes will be counted for purposes of determining the presence of a quorum at the Annual Meeting but will not have the effect of voting in opposition to a director. The Corporation's charter does not provide for cumulative voting and, accordingly, shareholders do not have cumulative voting rights with respect to the election of directors. Consequently, each shareholder may cast one vote per share of Common Stock held of record for each nominee. Unless a proxy specifies otherwise, the persons named in the proxy will vote the shares covered thereby **FOR** the nominees designated by the Board of Directors listed on the Director Nominee Information Table. Should any nominee become unavailable for election, shares covered by a proxy will be voted for a substitute nominee selected by the current Board of Directors.

The Board of Directors proposes the election of the nominees listed below to serve until the next annual meeting of shareholders or until their successors are duly qualified and elected. Fourteen of the nominees are currently serving as directors and each, except for Timothy E. Pettus and Matthew M. Scoggins, Jr., has served as a director since the 2007 annual meeting of shareholders. It was determined that Mr. Pettus, President of the Corporation and the Bank, should be a member of the Board of Directors of both the Corporation and the Bank to satisfy the requirement of the Tennessee Banking Act that the president of a state-chartered bank be a director of the Bank and to maintain the identical membership of both boards of directors. As a result, John P. Tomlinson, III, the Chief Administrative Officer of the Bank, resigned as director of the Corporation and Bank as of January 15, 2008, and Mr. Pettus was elected by the Boards of Directors of the Corporation and the Bank to fill the vacancy created by the resignation of Mr. Tomlinson. Mr. Tomlinson retained his position as Chief Administrative Officer of the Bank.

Mr. Chaney, a member of the Board of Directors since 1997, has decided to retire immediately following the Annual Meeting. The Board of Directors has nominated Mr. Scoggins to fill the vacancy created by Mr. Chaney's resignation. Mr. Scoggins has served as the chief executive officer of Tennessee Farmers Insurance Companies (TFIC) since January 2004. He is a Tennessee native who holds a bachelor's degree from the University of Tennessee and an M.B.A. from Belmont University. Mr. Scoggins joined TFIC in 1978, and has served in numerous positions including agent, agency manager, regional manager, lobbyist, and chief operating officer for TFIC's property & casualty division, before assuming the position of chief executive officer of TFIC in January 2004.

CORPORATE GOVERNANCE

Director Qualifications

The Board of Directors has not established formal minimum qualifications for its members. The Board considers only potential nominees who have several years of relevant business experience. Non-management director nominees generally need to be independent, as defined by the listing standards of the New York Stock Exchange. Any nominee must be willing to serve for the nominal director's compensation paid by the Corporation. In addition, the Board of Directors evaluates nominees with the goal of maintaining a diversity of background and experience that complements the other directors.

Any shareholder, by written notice submitted to the Corporate Secretary, can nominate candidates for election to the Board of Directors of the Corporation. The written notice should be provided in accordance with the process contained in the Corporation's Bylaws as more fully described in the GENERAL INFORMATION Items of Business for 2008 Annual Meeting of Shareholders section of this Proxy Statement. Candidates nominated by shareholders are evaluated in the same manner as the candidates nominated by the Board of Directors.

Director Independence

The Board has determined that 14 of its 16 directors are independent in accordance with the listing standards of the New York Stock Exchange. The two individuals who are not independent, Messrs. Stevens and Pettus, are both executive officers of the Corporation.

Committees of the Board of Directors

The Board of Directors conducts its business through its own meetings and through committees of the Bank's Board of Directors, which are described below. There are no standing committees of the Board of Directors of the Corporation because the principal business of the consolidated company is conducted by the Bank rather than the Corporation, which is a bank holding company.

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

The Corporation does not have a standing nominating committee. The entire Board of Directors of the Corporation fulfills the role of a nominating committee. Factors such as the Corporation's size and the nature of its business, the consistently high rate of participation in meetings by each director, the fact that over half of the Corporation's directors are independent (as defined by the listing standards of the New York Stock Exchange) and are individuals who come from diverse backgrounds, and the infrequent historical turnover in the membership of the

Board of Directors contribute to the belief of the Board of Directors that a separate, independent nominating committee is not necessary. The entire Board of Directors serving as a nominating committee currently does not have a charter, and as noted above not all of the directors are independent, as defined by the listing standards of the New York Stock Exchange.

The Bank's Board of Directors has five standing committees:

- Audit/Compliance/CRA Committee;
- Compensation Committee;
- Executive Committee;
- Oversight Committee; and
- Trust Committee.

The following table sets forth the current members of the committees of the Board of Directors of the Bank:

- (1) Audit Committee financial expert. Mr. Chaney has decided to retire immediately following the Annual Meeting. The Audit Committee has determined that Matthew M. Scoggins, Jr. will be deemed the Audit Committee financial expert, as defined in the rules and regulations of the Securities and Exchange Commission, if he is elected as a director at the Annual Meeting.
- (2) Non-director Honorary Chairman of Executive Committee.
- (3) Non-director member of Trust Committee.

Audit/Compliance/CRA Committee

Number of 2007 meetings: 6

The Bank has a separately designated standing Audit/Compliance/CRA Committee (the Audit Committee). This committee provides assistance to the Bank s Board of Directors in fulfilling its responsibilities related to internal control monitoring, accounting procedures, reporting practices, regulatory compliance and quality and integrity of the financial reports of the Bank. This committee adopted a charter to guide its activities in 2002. The charter of the Audit

Committee was included as an appendix to the Corporation's proxy statement for the 2006 annual meeting. This committee is composed solely of directors who are independent of the management of the Bank, based on the listing standards of the New York Stock Exchange, and are free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as a committee member.

The Audit Committee's primary responsibilities fall into three broad categories:

- Monitoring the preparation of quarterly and annual financial reports prepared by the management of the Corporation and the Bank, which includes discussing draft financial statements and accounting and reporting matters with management and the Corporation's independent registered public accounting firm.
- Responsibility for matters concerning the relationship between the Corporation and the Bank and the Corporation's independent auditors. This relationship includes:
 - recommending the appointment or removal of the Corporation's independent auditors;
 - reviewing the scope of their audit services and related fees, as well as any other services being provided; and
 - determining whether the Corporation's auditors are independent.
- Overseeing management's implementation of effective systems of internal controls, including the review of the activities and recommendations of the Bank's internal auditing program.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the committee's charter.

Compensation Committee

Number of 2007 meetings: 8

The Compensation Committee's primary duties and responsibilities are establishing and monitoring compensation and benefit plan policies of the Bank and making recommendations regarding compensation and benefits for the officers of the Bank. The Compensation Committee does not have a written charter. The Compensation Committee has the authority to conduct or authorize investigations into any matters within the scope of its responsibilities and has the authority to retain such outside counsel, experts, and other advisors, as it deems appropriate, to assist it in the conduct of any such investigation. This committee recommends to the Board of Directors of the Corporation and the Bank fees for board and

committee meetings. The Compensation Committee reviews, evaluates and recommends to the Board of Directors of the Bank the officers compensation program and deferred profit-sharing contributions for all eligible employees.

Executive Committee

Number of 2007 meetings: 32

This committee reviews and recommends to the Bank's Board of Directors for its approval selected actions with regard to the general direction and conduct of the Corporation and the Bank. This committee acts on loan applications and reviews overdrafts, cash items, loans, lines of credit and loan reviews in accordance with the Bank's policies that have been approved by the Board of Directors.

Oversight Committee

Number of 2007 meetings: 5

This committee ensures prompt action by the Bank in response to recommendations from, and reviews the results of examinations performed by, the Bank's regulatory agencies. It also reviews management's response to reports of examination and periodically monitors the action taken by management in response to examination findings.

Trust Committee

Number of 2007 meetings: 12

This committee supervises the operations of the Trust and Financial Management Department of the Bank to ensure proper exercise of the fiduciary powers of the Bank.

Directors Attendance at Meetings

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

The Board of Directors of the Corporation met seven times during 2007. Except for Dr. O. Rebecca Hawkins, each member of the Board of Directors of the Bank and the Corporation attended at least 75% of the aggregate meetings of the Boards and committees of which they were members.

The Corporation does not have a policy regarding director attendance at annual meetings. Because of the willingness of each director to be present at all annual meetings and the historical attendance of each director, a formal attendance policy has not been deemed necessary. All directors attended the 2007 annual meeting of shareholders.

Shareholder Communication with the Board of Directors

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

The Board of Directors of the Corporation has adopted a process to facilitate written communications by shareholders or other interested parties to the Board of Directors. Persons wishing to write to the Board of Directors of the Corporation or a specified director or committee of the Board of Directors should send correspondence to the Corporate Secretary at First Farmers and Merchants Corporation, P.O. Box 1148, Columbia, Tennessee, 38402-1148.

Code of Ethics

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

The Board of Directors of the Corporation has not adopted a Code of Ethics, as defined by the rules and regulations of the SEC, because the principal business of the consolidated company is conducted by the Bank rather than the Corporation, which is a bank holding company. The Board of Directors of the Bank has adopted a Code of Ethics for all employees of the Bank. A copy of this Code of Ethics can be obtained without charge by a written request to Human Resources Director, First Farmers and Merchants Bank, P.O. Box 1148, Columbia, Tennessee, 38402-1148.

COMPENSATION DISCUSSION AND ANALYSIS

The executive officers of the Corporation do not receive compensation for service as executive officers of the Corporation but instead receive compensation from the Bank for service as executive officers of the Bank. The Compensation Committee of the Bank designs and implements compensation programs to attract, retain and motivate officers, employees and directors by offering attractive and competitive compensation elements and amounts. These goals are balanced against the need to control expenses for the benefit of the shareholders of the Corporation. Compensation programs are provided that are aimed at rewarding production and at fostering loyalty to the Bank and the Corporation. To be competitive, the Bank seeks to provide salaries, benefits and long-term incentives comparable to the median of those provided by other banking companies of the general size and success in the Bank's peer group. The Bank strives to be competitive using peer benchmark analysis of current market incentive levels. The Compensation Committee believes, that, in large part because of the Bank's compensation system, it has been able to assemble a team of effective and productive officers and employees.

Compensation Objectives

The Compensation Committee's executive compensation program is designed to provide competitive levels of compensation that are integrated with the Corporation's and the Bank's annual and long-term goals. Executive compensation is reviewed by the Compensation Committee relative to peer group executive compensation, which is based on regional survey information provided by the Tennessee Bankers Association. The peer group used from the survey utilized institutions in a similar asset-size range. The survey also includes data for institutions in adjoining states.

During 2007, the Compensation Committee recommended and received approval from the Board of Directors of the Bank of cash compensation for the Bank's executive officers, including the Named Executive Officers. The compensation is consistent with the Committee's executive compensation program. The Corporation and the Bank currently do not have an equity incentive compensation program. The Compensation Committee believes that an equity incentive program is not currently in the best interest of the Corporation or the Bank.

General Compensation Philosophy

Decisions with respect to the compensation of the Bank's executive officers, including the Named Executive Officers, are made by the Compensation Committee. The Compensation Committee believes that the actions of each executive officer have the potential to impact the short-term and long-term profitability of the Corporation and the Bank. Consequently, the Compensation Committee places considerable importance on its task of designing and administering an executive compensation program.

The Bank has an executive compensation program that considers factors such as shareholder value and the overall performance of the Corporation and the Bank, as further described below under Cash Bonus Plan. The main components of the executive compensation program are base salary, cash bonus plan, employee benefits and perquisites.

Base Salary

Base salary represents a fixed labor cost and is designed so that the executive officers receive acceptable salaries, helping the Bank keep the talent needed to meet the challenges in the financial service industry. Many factors are included in determining base salaries, such as job responsibilities, the scope of the position, the length of service with the Bank, individual performance and compensation for similar positions in the peer group. All base salaries are reviewed annually. The Corporation's compensation of its Named Executive Officers in 2007 generally was within the range of the median compensation levels of the peer group. In 2007, each of the Named Executive Officers received a salary increase as follows, based on a combination of the above-mentioned factors:

Name	Salary Increase
T. Randy Stevens	7.00%
Patricia P. Bearden	29.63
Timothy E. Pettus	17.01
John P. Tomlinson, III	1.87
N. Houston Parks	8.84

In August 2007, the Bank adopted a new salary administration program for determining base salary. In this system all positions are assigned a position level and each position level has a salary range that is defined by a minimum, mid-point and maximum salary. The minimum of each salary range is typically 80% of the mid-point of the applicable salary range and the maximum of each salary range is typically 120% of the mid-point. The Bank hired Koker Goodwin and Associates to produce the salary ranges for the different position levels and the ranges will be updated each year in October for the following calendar year based on several salary surveys. The salary ranges are adjusted for the Bank according to its asset size and geographic location. The salary ranges have been and will be used only as a guide for setting base salaries and will not reflect any incentive pay, benefits or other executive perquisites. All base salaries can be expressed as a percentage of the mid-point of the salary range applicable to each position level (the Compa-Ratio). For 2007, the base salary of each of the Named Executive Officers had the following Compa-Ratio:

Name	Compa-Ratio
T. Randy Stevens	91%
Patricia P. Bearden	78
Timothy E. Pettus	85
John P. Tomlinson, III	104
N. Houston Parks	104

The new base salary program did not have an effect on 2007 compensation levels. For 2008, the base compensation for each of the Named Executive Officers has been set as follows:

Name	2008 Base Salary	Salary Increase
T. Randy Stevens	\$ 268,668	9.80%
Patricia P. Bearden	112,000	6.66
Timothy E. Pettus	200,000	16.28
John P. Tomlinson, III	163,000	
N. Houston Parks	165,000	3.12

Cash Bonus Plan

The second component in the executive compensation program is a cash bonus plan. This plan determines the bonuses for all executive officers as a percentage of their salary and is based on an evaluation of each executive's performance as well as the Bank's performance in the following categories:

- Return on assets;
- Delinquencies and non-accruals;
- Net asset growth; and
- Net income.

Performance goals are set annually by the Compensation Committee for each of the financial categories listed above. Values are assigned to varying target levels of performance in each category so that the maximum performance goal in each category is worth 25%. The sum of the percentages for all of the categories (which will equal 100% if each maximum performance goal is achieved) is then multiplied by the potential maximum bonus percentage set by the Compensation Committee for each executive position, which maximum bonus percentage is higher for positions with more responsibility, as indicated below. The resulting percentage is multiplied by the base salary for each Named Executive Officer and the product is the Named Executive Officer's bonus for the preceding fiscal year.

During 2007, a bonus of 11.25% of base salary was paid to the Chief Financial Officer of the Bank, out of a potential maximum 25%. Bonuses of 15.75% were paid to the Bank's President, Chief Administrative Officer and Chief Operating Officer, out of a maximum 35%. A bonus of 22.50% of base salary was paid to the Chief Executive Officer, out of a maximum 50%. All of these bonuses were in the same range as the bonus levels of the Bank's peer group.

Employee Benefits

The Bank provides the following benefits for all employees of the Bank, including the Named Executive Officers:

- In 1996, the Bank established an officer group term replacement/split-dollar plan to provide life insurance

benefits that continue after retirement. A single premium universal life insurance policy was purchased to fund the plan and a split-dollar agreement was made with an irrevocable trust that specified the portion of the insurance proceeds that would become part of the trust.

- The Bank offers health insurance, life insurance and disability insurance at a minimal cost to full-time employees and makes available health insurance for each employee's family, the premiums for which are shared by the employee and the Bank. Each employee receives personal copies of these insurance plans detailing the coverage provided. Any eligible employee who becomes disabled can continue coverage under the Bank's health insurance and life insurance plans. The disabled employee must pay the same premiums as employees who have the same coverage and who are actively at work. This coverage will continue to be provided by the Bank for the entire period of time that the employee is eligible for and receiving compensation under the Bank's group long-term disability insurance policy.
- The Bank has adopted a Deferred Profit Sharing Plan, which has been approved by the Internal Revenue Service for deferral of income tax. All employees who are at least 20 years old and who complete one year of service with the Bank are eligible to participate in the plan. Participants are 25% vested after two years of service, an additional 15% after the third year and 20% each year thereafter until they are 100% vested at the end of sixth year on a graduated six year vesting schedule. The Bank's contribution to the plan is determined by the annual performance of the Bank and is subject to annual approval by the Board of Directors of the Bank. The aggregate amount the Bank contributed to the Deferred Profit Sharing Plan for the 305 participants during 2007 was \$1,078,424.
- The Bank provides dental insurance coverage for all eligible employees and makes dental insurance available for eligible dependents at the employee's expense.
- The Bank pays for one physical examination each year for all officers of the Bank, including the Named Executive Officers. The Bank pays for flu immunizations annually for all officers and employees. Payment is made upon the presentation of an itemized statement from the physician providing the services.
- The Bank provides long-term disability insurance to eligible employees at no cost to the employee.
- The Bank offers a Section 125 Cafeteria Plan that gives employees the opportunity to pay for certain benefits on a pre-tax basis rather than on an after-tax basis. Expenses that are eligible for the Section 125 Plan include certain insurance premiums, certain out-of-pocket medical expenses and dependent care expenses. Money spent for these items included in the Section 125 Plan is not subject to Social Security or federal income taxes.

Perquisites

In addition to salaries, bonus opportunities and employee benefits, the Bank provides to certain executive officers, including four of the Named Executive Officers, certain perquisites so that the Bank remains competitive in its ability to hire and retain talented employees. These perquisites include the use of a company vehicle or a vehicle allowance, certain club memberships and the payment of dues for those clubs. The Bank

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

currently provides these perquisites to all of the Named Executive Officers except Ms. Bearden. The Bank's policy for providing perquisites is based on the number of years of experience within the banking industry and the executive's position with the Bank. The Compensation Committee periodically reviews perquisites that are made available to the executive officers, including the Chief Executive Officer, to ensure that they are in line with market practice.

Named Executive Officer Compensation

The executive compensation program described above is applied in setting the Named Executive Officer's compensation. The Compensation Committee reviews the executive compensation program in relationship to the performance of the Corporation's net income and stock value. Mr. Stevens participates in the same executive compensation program available to the other Named Executive Officers. Although Mr. Stevens is a member of the Compensation Committee, he does not participate in discussions regarding his compensation as the Chief Executive Officer of the Bank. None of the Named Executive Officers have employment, severance or change-of-control agreements. The Named Executive Officers serve at the will of the Board of Directors, which enables the Bank to terminate their employment with discretion as to the terms of any severance arrangement. This is consistent with the Bank's performance-based philosophy.

Conclusion

The Compensation Committee believes that this mix of market-based salaries, cash bonuses, employee benefits and perquisites represents a balance that will motivate the management team to continue to produce strong returns. The Compensation Committee further believes this program strikes an appropriate balance with the interests and needs of the Corporation and the Bank in operating a financial service business.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Abercrombie, Chaney, Cook, Stevens, Walter, Wheeler and Wright served as members of the Bank's Compensation Committee throughout 2007. Mr. Stevens serves as Chairman of the Board of Directors of the Bank and the Corporation and Chief Executive Officer of the Bank and the Corporation. None of the other members of the Compensation Committee, however, have at any time been an officer or employee of the Corporation or the Bank, nor have any of the members had any other relationship requiring disclosure by the Corporation. During 2007, none of the executive officers of the Bank or the Corporation served as a member of another entity's compensation committee, one of whose executive officers served on the Bank's Compensation Committee or was a director of the Corporation, and none of the executive officers of the Bank or the Corporation served as a director of another entity, one of whose executive officers served on the Bank's Compensation Committee. Members of the Compensation Committee may, from time to time, have banking relationships in the ordinary course of business with the Bank, as described in the section entitled "RELATED PERSON TRANSACTIONS."

RELATED PERSON TRANSACTIONS

During 2007, the Bank engaged in customary banking transactions and had outstanding loans to certain of the Corporation's and Bank's directors, including Messrs. Abercrombie, Cook, Wheeler and Wright, and members of the immediate families of such directors and executive officers. Messrs. Abercrombie and Wright, their affiliates, families and companies in which they hold ten percent or more ownership had outstanding loan balances of \$695,968 at December 31, 2007. These loans were made in the ordinary course of business and were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other borrowers. In the opinion of management, these loans do not involve more than the normal risk of collectability or present other unfavorable features.

Neither the Corporation nor the Bank has any written policies or procedures for the review, approval or ratification of any related person transaction required to be reported. Nonetheless, management of the Corporation and the Bank is responsible for reviewing and approving any transaction between the Corporation or the Bank and any director or officer of the Corporation, the Bank or members of their immediate family or entities with which they are affiliated. In addition, on an annual basis, each director and executive officer of the Corporation

and the Bank is obligated to complete a Director and Officer Questionnaire, which requires the director or executive officer to disclose any related person transactions or business relationships involving the Corporation or its subsidiaries that are required to be disclosed pursuant to Item 404 of SEC Regulation S-K.
