Notes:

1 The above summary of consolidated financial results were taken on record by the Board of Directors at its adjourned meeting held on 30 April 2008.

Edgar Filing: Patni Computer Systems LTD - Form 6-K

2 The consolidated financial statements of Patni Computer Systems Limited and its subsidiaries have been prepared on a consolidated basis in accordance with accounting principles generally accepted in the United States (US GAAP). All inter-company transactions have been eliminated on consolidation.

3 The subsidiaries considered in the consolidated financial statements as at 31 March 2008 are wholly owned subsidiaries, namely Patni Americas, Inc., Patni Computer Systems (UK) Ltd., Patni Computer Systems GmbH, Patni Telecom Solutions Inc., Patni Telecom Solutions Private Limited, Patni Telecom Solutions (UK) Limited, Patni Life Sciences Inc., Patni Computer Systems Brasil Ltda. and Patni Computer Systems (Czech) s.r.o.

4 In December 2006, the Company received a demand notice from the Indian Income Tax department of approximately Rs 630,166, including an interest demand of approximately Rs 186,850 (US \$15,990 including an interest demand of approximately US \$4,734) for the assessment year 2004-05. The tax demand was mainly on account of disallowance of deduction claimed by the Company under Section 10A of the Income Tax Act, 1961, in respect of profits earned by its various eligible undertakings. Section 10A of Indian Income Tax Act exempts the profits earned by an undertaking for the export of computer software upon the fulfillment of certain conditions. One of the conditions is that the unit should not have been formed by the splitting up of an existing business. The Company had only expanded its software development business whereas the Income Tax department contends that the business of the new units is comprised of business transferred from existing units by splitting them. The Company, in consultation with its tax advisers, filed an appeal in January 2007 challenging the disallowance.

One of the requirements under the Indian Income Tax Rules to proceed with an appeal is to deposit, either immediately or through monthly installments, a sum equivalent to 50% of the amount that is under appeal. Until March 31, 2008, the Company has deposited a sum of Rs 310,280 (US \$7,735). Considering the facts and nature of disallowances and based on the advice given by the Company's legal counsel, management believes that the disallowance is not tenable and management therefore is confident of a favorable outcome in appeal proceedings and hence no provision for such income tax demand is considered necessary.

Subsequently, in February 2008 the Company has received a order from the Commissioner Income Tax (CIT) (Appeals) in favor of the Company by allowing the claim under Section 10A. The Company has received the refund of the taxes paid after adjustment of the new demand for the assessment year 2002-03.

In December 2007, the Company received another demand, of Rs. 261,703 inclusive an interest demand of approximately Rs 139,880 (US \$ 6,524 including an interest demand of approximately US \$ 3,487) for the assessment year 2002-03. The new demand concerns the same issue of disallowance of tax benefits under Section 10A. In the opinion of management, and based on advice received, the demand is not tenable against the Company and the Company has already filed an appeal with the appellate authority.

Subsequently, in March 2008 the Company has received a order from the CIT (Appeals) in favor of the Company by allowing the claim under Section 10A. The total amount paid till March 2008 of Rs 261,703 (US \$ 6,524) is receivable as refund.

5 In February 2008, the Board of Directors the Company approved the proposal to buy back fully paid equity shares to the extent upto 10% of the paid up capital and free reserves, at a maximum price of Rs. 325 per equity share, for an aggregate amount upto Rs. 2,370,000 in accordance with the provisions of Section 77A, 77AA, 77B and other applicable provisions of the Companies Act, 1956 and the provisions of Securities and Exchange Board of India (Buy-back of Securities) Regulations, 1998 (Buy Back Regulations), for which necessary public announcements have been made in April 2008.

6 Previous period figures have been appropriately reclassified to conform to the current period's presentations.

* Total Public Shareholding as defined under Clause 40A of the Listing Agreement (excludes shares held by founders and American Depository Receipt shareholders).

6 In February 2008, the Board of Directors of the Company approved the proposal to buy back fully paid equity shares to the extent upto 10% of the paid up capital and free reserves, at a maximum price of Rs. 325 per equity share, for an aggregate amount upto Rs. 2,370,000 in accordance with the provisions of Section 77A, 77AA, 77B and other applicable provisions of the Companies Act, 1956 and the provisions of Securities and Exchange Board of India (Buy-back of Securities) Regulations, 1998 (Buy Back Regulations), for which necessary public announcements have been made in April 2008.

7 In December 2006, the Company received a demand notice from the Indian Income Tax department of approximately Rs 630,166, including an interest demand of approximately Rs 186,850 for the assessment year 2004-05. The tax demand was mainly on account of disallowance of deduction claimed by the Company under Section 10A of the Income Tax Act, 1961, in respect of profits earned by its various eligible undertakings. Section 10A of Indian Income Tax Act exempts the profits earned by an undertaking for the export of computer software upon the fulfillment of certain conditions. One of the conditions is that the unit should not have been formed by the splitting up of an existing business. The Company had only expanded its software development business whereas the Income Tax department contends that the business of the new units is comprised of business transferred from existing units by splitting them. The Company, in consultation with its tax advisors, filed an appeal in January 2007 challenging the disallowance.

One of the requirements under the Indian Income Tax Rules to proceed with an appeal is to deposit, either immediately or through monthly installments, a sum equivalent to 50% of the amount that is under appeal. Until March 31, 2008, the Company has deposited a sum of Rs 310,280. Considering the facts and nature of disallowances and based on the advice given by the Company s legal counsel, management believes that the disallowance is not tenable and management therefore is confident of a favorable outcome in appeal proceedings and hence, no provision for such income tax demand is considered necessary.

Subsequently, in February 2008, the Company has received an order from the Commissioner Income Tax (CIT) (Appeals) in favour of the Company by allowing the claim under Section 10A. The Company has received the refund of the taxes paid after adjustment of the new demand for the assessment year 2002-03.

Edgar Filing: Patni Computer Systems LTD - Form 6-K

In December 2007, the Company received another demand, of Rs. 261,703 inclusive of an interest demand of approximately Rs 139,880 for the assessment year 2002-03. The new demand concerns the same issue of disallowance of tax benefits under Section 10A. In the opinion of management, and based on advice received, the demand is not tenable against the Company and the Company has already filed an appeal with the appellate authority.

Subsequently, in March 2008 the Company has received an order from the CIT (Appeals) in favor of the Company by allowing the claim under Section 10A. The total amount paid till March 2008 of Rs 261,703 is receivable as refund.

8 Paid up equity share capital does not include Rs Nil (2007 : Rs 1,815) which represents share application money received from employees, on exercise of stock options, pending allotment of shares.
