On January 1, 2009, in accordance with and pursuant to the Fossil, Inc. 2008 Long-Term Incentive Plan (the Long-Term Incentive Plan ), each non-employee director of Fossil, Inc. (the Company ) automatically received a grant of 6,000 non-qualified stock options. The form of award agreement used by the Company in connection with the grants, and which the Company anticipates may be used in the future in connection with such grants, was approved by the Company s Compensation Committee (the Committee ) and is described below.

Stock Option Award Agreement For Outside Directors

The form of Stock Option Award Agreement for Outside Directors provides for the grant of options (the Options ) to purchase shares of common stock, par value \$0.01 per share, of the Company (the Common Stock ). The number of shares of Common Stock that may be purchased upon exercise of each Option and price per share will be set forth in an award letter that will accompany each grant. The price per share will be the fair market value of the Common Stock on the grant date, determined in accordance with the Long-Term Incentive Plan. The number of shares and price per share are subject to adjustment for changes in the Company s capitalization, as set forth in the Long-Term Incentive Plan. The Option vests as follows: (i) 50% of the Option shares vest and become exercisable on the first anniversary of the grant date, provided that the Option holder is providing services to the Company or a subsidiary of the Company on such date; (ii) an additional 25% of the Option shares vest and become exercisable on the second anniversary of the grant date, provided that the Option holder is providing services to the Company or a subsidiary of the Company on such date; and (iii) the remaining 25% of the Option shares vest and become exercisable on the third anniversary of the grant date, provided that the Option holder is providing services to the Company or a subsidiary of the Company on such date. Vested Options may be exercised at any time during a ten-year period beginning on the date of grant. If an Option holder incurs a termination of service with the Company for any reason other than death, such holder s unvested Options will terminate and such holder s vested Options will remain exercisable for a period of 12 months following such termination. If an Option holder incurs a termination of service with the Company by reason of death, any unvested Options shall accelerate and become exercisable by the person or persons to whom the Option holder s rights pass in accordance with the 2008 Plan and may be exercised until 5 p.m. on the date immediately preceding the 10th anniversary of the grant date.
