### Item 1.01. Entry into a Material Definitive Agreement.

On January 16, 2009, Old Second Bancorp, Inc. (the Company ), pursuant to the Capital Purchase Program implemented as a component of the Troubled Asset Relief Program, entered into a Letter Agreement, which includes the Securities Purchase Agreement Standard Terms (collectively, the Purchase Agreement ) with the United States Department of the Treasury ( Treasury ), pursuant to which the Company issued and sold to Treasury: (i) 73,000 shares of the Company s Series B Fixed Rate Cumulative Perpetual Preferred Stock (the Series B Preferred Stock ) and (ii) a warrant (the Warrant ) to purchase 815,339 shares of the Company s common stock, par value \$1.00 per share (the Common Stock ), for an aggregate purchase price of \$73 million in cash. The Purchase Agreement is attached as Exhibit 10.1 hereto and is incorporated herein by reference.

The Series B Preferred Stock will qualify as Tier 1 capital and will pay cumulative dividends at a rate of 5% per annum for the first five years, and 9% per annum thereafter. The Series B Preferred Stock may be redeemed by the Company after three years. Prior to the end of three years, the Series B Preferred Stock may be redeemed by the Company only with the proceeds of the sale of qualifying equity securities of the Company (a Qualified Equity Offering ). Any redemption of the Series B Preferred Stock will be at the per share liquidation amount of \$1,000 per share, plus any accrued and unpaid dividends. The restrictions on redemption are set forth in the Certificate of Designations described in Item 5.03 below.

Prior to the third anniversary of Treasury s purchase of the Series B Preferred Stock, unless the Series B Preferred Stock has been redeemed or Treasury has transferred all of the Series B Preferred Stock to third parties, the consent of Treasury will be required for the Company to:
(i) increase the dividend paid on its Common Stock; or (ii) repurchase its Common Stock or other equity or capital securities, other than in connection with benefit plans consistent with past practice and certain other circumstances specified in the Purchase Agreement. The Series B Preferred Stock will be non-voting except for class voting rights on matters that would adversely affect the rights of the holders of the Series B Preferred Stock.

The Warrant has a ten-year term and is immediately exercisable upon its issuance, with an exercise price, subject to anti-dilution adjustments, equal to \$13.43 per share of the Common Stock. The Warrant is attached as Exhibit 4.2 hereto and is incorporated herein by reference.

If the Company receives aggregate cash proceeds of not less than \$73 million from one or more Qualified Equity Offerings on or prior to December 31, 2009, the number of shares of Common Stock issuable pursuant to Treasury s exercise of the Warrant will be reduced by one half of the original number of shares, taking into account all adjustments, underlying the Warrant. Pursuant to the Purchase Agreement, Treasury has agreed not to exercise voting power with respect to any shares of Common Stock issued upon exercise of the Warrant.

The Series B Preferred Stock and the Warrant were issued in a private placement exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended. Upon the request of Treasury at any time, the Company has agreed to promptly enter into a deposit arrangement pursuant to which the Series B Preferred Stock may be deposited and depositary shares ( Depositary Shares ), representing fractional shares of Series B Preferred Stock, may be

issued. The Company has agreed to register the Series B Preferred Stock, the Warrant, the shares of Common Stock underlying the Warrant (the Warrant Shares ) and Depositary Shares, if any, as soon as practicable after the date hereof. Neither the Series B Preferred Stock nor the Warrant will be subject to any contractual restrictions on transfer, except that Treasury may only transfer or exercise an aggregate one-half of the Warrant Shares prior to the earlier of the date on which the Company receives aggregate cash proceeds of not less than \$73 million from one or more Qualified Equity Offerings and December 31, 2009.

#### Item 3.02. Unregistered Sales of Equity Securities.

The information set forth under Item 1.01. Entry into a Material Definitive Agreement is incorporated by reference into this Item 3.02.

#### Item 3.03. Material Modification to Rights of Securityholders.

As a result of the Company s issuance of the Series B Preferred Stock on January 16, 2009, the ability of the Company to declare or pay dividends or distributions on, or purchase, redeem or otherwise acquire for consideration, shares of its Junior Stock (as defined below) and Parity Stock (as defined below) will be subject to restrictions, including the Company s restriction against increasing dividends from the last quarterly cash dividend declared on the Common Stock prior to October 14, 2008, which was \$0.16 per share. The redemption, purchase or other acquisition of trust preferred securities of the Company or its affiliates also will be restricted. These restrictions will terminate on the earlier of (a) the third anniversary of the date of issuance of the Series B Preferred Stock and (b) the date on which the Series B Preferred Stock has been redeemed in whole or Treasury has transferred all of the Series B Preferred Stock to third parties. The restrictions described in this paragraph are set forth in the Purchase Agreement.

In addition, pursuant to the Certificate of Designations of the Series B Preferred Stock, the ability of the Company to declare or pay dividends or distributions on, or repurchase, redeem or otherwise acquire for consideration, shares of its Junior Stock and Parity Stock will be subject to restrictions in the event that the Company fails to declare and pay full dividends (or declare and set aside a sum sufficient for payment thereof) on its Series B Preferred Stock. These restrictions are set forth in the Certificate of Designations described in Item 5.03.

Junior Stock means the Common Stock and any other class or series of stock of the Company the terms of which expressly provide that it ranks junior to the Series B Preferred Stock as to dividend rights and/or rights on liquidation, dissolution or winding up of the Company. Parity Stock means any class or series of stock of the Company the terms of which do not expressly provide that such class or series will rank senior or junior to the Series B Preferred Stock as to dividend rights and/or rights on liquidation, dissolution or winding up of the Company (in each case without regard to whether dividends accrue cumulatively or non-cumulatively).

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensation Arrangements of Certain Officers.

Pursuant to the Purchase Agreement, the Company has agreed that, until such time as Treasury ceases to own any debt or equity securities of the Company acquired pursuant to the Purchase Agreement or the Warrant, the Company s employee benefit plans and other executive compensation arrangements to its senior executive officers must comply in all respects with Section 111(b) of the Emergency Stabilization Act of 2008 (the EESA), as implemented by regulations under the EESA issued by Treasury. The Company s senior executive officers are initially: William B. Skoglund, Chairman, President and Chief Executive Officer; James J. Eccher, Executive Vice President and Chief Operating Officer; J. Douglas Cheatham, Executive Vice President and Chief Financial Officer; and Rodney L. Sloan, Executive Vice President and Chief Risk Officer. Each of the Company s senior executive officers executed a waiver pursuant to the terms of the Purchase Agreement, a form of which is attached as Exhibit 10.2 hereto and is incorporated herein by reference.

Accordingly, in the Purchase Agreement, the Company has agreed to not adopt any benefit plans or other executive compensation arrangements with respect to, or which covers, its senior executive officers that do not comply with the EESA. In addition, each of the Company s senior executive officers entered into an Omnibus Amendment to Employee Benefit Plans with the Company for the purpose of amending each senior executive officer s benefit plans and other executive compensation arrangements in order to comply with the relevant elements of the EESA and Treasury regulations promulgated thereunder. A form of the Omnibus Amendment is attached as Exhibit 10.3 hereto and incorporated herein by reference.

#### Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Article IV of the Company s Certificate of Incorporation, as amended, authorizes the Company s board of directors to designate a class or series of preferred stock and to fix the voting powers, designations, preferences and relative, participating, optional or other special rights, and qualifications, limitations or restrictions thereof. On January 14, 2009, the Company filed a Certificate of Designations with the Secretary of State of the State of Delaware for the purpose of amending its Certificate of Incorporation to fix the voting powers, designations, preferences, relative rights, qualifications, limitations and restrictions of the Series B Preferred Stock. The Series B Preferred Stock has a liquidation preference of \$1,000 per share. The Certificate of Designations is attached as Exhibit 3.1 hereto and is incorporated by reference herein.
