Effective January 1, 2008, the Fund adopted the Financial Accounting Standards Board's Statement of Financial Accounting Standards No. 157, Fair Value Measurements. This standard defines fair value, establishes a framework for measuring fair value in accordance with generally accepted accounting principles and expands disclosure about fair value measurements. Various inputs are used in determining the value of the Fund's investments. These inputs are summarized in the three broad levels listed below:

Level 1 - Quoted prices in active markets for identical securities.

Level 2 - Other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.).

Level 3 - Significant unobservable inputs (including the Fund's own assumptions in determining the fair value of investments).

The inputs or methodology used for valuing securities are not an indication of the risks associated with investing in those securities.

The following is a summary of the inputs used to value the Fund's net assets as of December 31, 2008:

Investments in Securities			Other Financial Instruments*			Total Investments in Securities
Level 1	Level 2	Level 3	Level 1	Level 2	Level 3	
\$ 10,284	\$ 111,453	\$	\$	\$ 3	\$	\$ 121,737

\*Other financial instruments are derivative instruments not reflected in the Schedule of Investments, such as futures, forwards, and swap contracts, which are valued at the unrealized appreciation (depreciation) on the instrument.

**Item 2. Controls and Procedures.**

(a) The Registrant's principal executive officer and principal financial officer evaluated the Registrant's controls and procedures within 90 days of this filing and have concluded that the Registrant's disclosure controls and procedures (as defined in Rule 30a-3(c) under the Investment Company Act of 1940), are appropriately designed to ensure that information required to be disclosed by the Registrant in the reports that it files on Form N-Q(a) is accumulated and communicated to Registrant's management, including its principal executive officer and principal financial officer, to allow timely decisions regarding required disclosure, and (b) is recorded, processed, summarized and reported, within the time periods specified in the rules and forms adopted by the U.S. Securities and Exchange Commission.

(b) The Registrant's principal executive officer and principal financial officer are aware of no change in the Registrant's internal control over financial reporting that occurred during the Registrant's most recent fiscal quarter that has materially affected, or is reasonable likely to materially affect, the Registrant's internal control over financial reporting.

**Item 3. Exhibits.**

Separate certifications by the Registrant's principal executive officer and principal financial officer, as required by Rule 30a-2(a) under the Investment Company Act of 1940, are attached.
