On June 8, 2010, Isle of Capri Casinos, Inc. (the Company), through its subsidiaries, IOC-Vicksburg, Inc. and IOC-Vicksburg, L.L.C., completed its previously announced acquisition of the Rainbow Casino located in Vicksburg, Mississippi pursuant to a Purchase Agreement, dated April 1, 2010 (the Purchase Agreement), with United Gaming Rainbow, Inc. and Bally Technologies, Inc. The purchase price was \$80 million, subject to certain post-closing purchase price adjustments. The Company funded the purchase price with borrowings under its senior secured credit facility. The Company and Bally Gaming, Inc. have entered into various systems and gaming agreements with respect to the Company's gaming properties.

The foregoing description of the Purchase Agreement is only a summary and does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement, which is incorporated by reference as Exhibit 2.1 to this Current Report and is incorporated herein by reference. A copy of the press release announcing the completion of the acquisition is included as Exhibit 99.1 to this Current Report and is incorporated herein by reference. The Purchase Agreement has been incorporated by reference to provide investors with information regarding its terms. It is not intended to provide any other factual information about the parties thereto. In particular, the assertions embodied in the representations and warranties contained in the Purchase Agreement are qualified by information in confidential disclosure schedules provided to the Company. These disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Purchase Agreement. Schedules and Exhibits to the Purchase Agreement identified in the Table of Contents to the Purchase Agreement are not being filed but will be furnished supplementally to the Commission upon request. Moreover, certain representations and warranties in the Purchase Agreement were used for the purpose of allocating risk among the parties, rather than establishing matters of fact. Accordingly, the representations and warranties in the Purchase Agreement may not constitute the actual state of facts about the parties thereto.
