No additional consideration was paid to or by the Supporting Stockholders in connection with the execution and delivery of the Voting Agreement and thus no funds were used for such purpose.

Item 4.

Purpose of the Transaction.

(a)- (b) On September 22, 2011, the Company entered into an Arrangement Agreement (the Arrangement Agreement) among the Company, McEwen Mining Minera Andes Acquisition Corp., a newly-formed corporation wholly-owned by the Company and incorporated under the Business Corporations Act (Alberta) (Canadian Exchange Co.), and Minera Andes, pursuant to which the Company through Canadian Exchange Co. will acquire all of the issued and outstanding common shares of Minera Andes in exchange for exchangeable shares of Canadian Exchange Co. (the Exchangeable Shares) at a ratio of 0.45 of an Exchangeable Share for each outstanding Minera Andes share (the Arrangement). In addition, all outstanding options to acquire Minera Andes shares will be converted into options to purchase shares of common stock of the Company at a ratio of 0.45 of a share of the Company's common stock for each Minera Andes share underlying each such Minera Andes option. The Arrangement will be implemented by way of the plan of arrangement attached as Exhibit A to the Arrangement Agreement (the Plan of Arrangement) and is subject to approval by the Court of Queen's Bench of Alberta (the Court). The effect of the Arrangement will result in Minera Andes becoming a wholly-owned indirect subsidiary of the Company. The Exchangeable Shares will be exchangeable on a one-for-one basis for shares of the Company's common stock at any time at the option of the holder. Each Exchangeable Share will be substantially the economic and voting equivalent of a share of common stock of the Company.

Consummation of the Arrangement is subject to various conditions, including, among others: (i) the approval of Minera Andes' shareholders of the Arrangement and any other necessary actions related thereto; (ii) the approval of the Company's shareholders of the issuance of the Exchangeable Shares and the Company's common stock to be issued upon exchange of the Exchangeable Shares and any other necessary actions related thereto and (iii) approval of the Court.

Pursuant to the terms of, and concurrently with the execution of, the Arrangement Agreement, the Supporting Stockholders entered into a voting agreement with the Company and Minera Andes (the Voting Agreement), pursuant to which they, among other things, agreed to (i) not solicit any competing acquisition transaction, (ii) restrict their right to transfer shares of the Common Stock directly or beneficially owned by them other than in specific circumstances, and (iii) vote all of the shares of Common Stock they own, beneficially or of record, in favor of adoption and approval of the various actions of US Gold that need approval from the shareholders of the Company and against competing acquisition proposals. Each Supporting Stockholder has irrevocably appointed Leanne Baker and Michael Stein as such Supporting Stockholder's proxy and attorney-in-fact (with full power of substitution and re-substitution), for and in the name, place and stead of such Supporting Stockholder, to vote all of such Supporting Stockholder's shares of Common Stock as set forth in the Voting Agreement, namely as described in clause (iii) of this sentence.

As of September 22, 2011, the Supporting Stockholders beneficially owned a total of 30,426,027 shares of Common Stock (including for this purpose 1,697,667 shares of Common Stock underlying stock options held by the

Edgar Filing: U S GOLD CORP - Form SC 13D

Supporting Stockholders that were exercisable on, or would become exercisable within 60 days of, the date of the Voting Agreement), representing approximately 21.25% of all shares of Common Stock outstanding as of September 22, 2011 (including for this purpose 1,697,667 shares of Common Stock underlying stock options held by the Supporting Stockholders that were exercisable on, or would become exercisable within 60 days of, the date of the Voting Agreement). Additionally, the Supporting Stockholders owned (i) additional options to purchase an aggregate of 1,283,000 shares of Common Stock which are not exercisable within 60 days of the date of the Voting Agreements. All such shares underlying such options are subject to the terms of the Voting Agreement. All additional securities of the Company (including all additional shares of Common Stock and all additional options to acquire shares of Common Stock) the Supporting Stockholders acquires until the termination of the Voting Agreement will also be subject to the terms of the Voting Agreement.

The Voting Agreement will automatically terminate upon the earliest to occur of (i) the termination of the Arrangement Agreement, (ii) the Effective Time (as defined in the Arrangement Agreement). The Voting Agreement may also be terminated with respect to any Supporting Stockholder by written consent of the Company, Minera Andes and such Supporting Stockholder.

(c) Not applicable.

(d) The Arrangement Agreement gives the Board of Directors of Minera Andes the one-time right to nominate persons to fill, effective immediately following the Effective Time, any vacancies on the Company's board of directors, whether such vacancies are the result of the resignation of any member of the Company's board of directors prior to the Effective Time or an increase in the size of the Company's board of directors, such that such nominees, appointed or elected, would constitute at least 50% of the directors of the Company's board of directors immediately following the Effective Time, subject to approval of such nominees by the Nominating and Corporate Governance Committee of the Company's Board of Directors. Directors so designated by Minera Andes will serve on the Company's Board of Directors until the Company's first annual meeting of shareholders after the Effective Time and until their respective successors are elected and qualified, or until the death, resignation or removal of such director.

(e) Under the terms of the Arrangement Agreement, the Company may not, without Minera Andes's prior written consent, among other things, (i) declare or pay any dividends on, or make other distributions or return capital in respect of, any of its capital stock or any other equity interests, other than by a wholly-owned subsidiary to the Company or (ii) issue, sell, repurchase, redeem or otherwise acquire, any shares of its capital stock or any securities or obligations convertible into, exercisable or exchangeable for, or any rights, warrants, calls, subscriptions or options to acquire, shares of its capital stock, subject to identified exceptions.

(f) At the Effective Time, if the Arrangement is completed, Minera Andes will become a wholly-owned indirect subsidiary of the Company and, subject to approval by the shareholders of the Company, the Company will change its name to McEwen Mining, Inc.

(g) In connection with the Arrangement Agreement, the Company will amend its certificate of incorporation to increase the number of authorized shares of common stock to authorize a class of undesignated or blank check preferred stock. Any issuance of preferred stock with voting rights could, under certain circumstances, have the effect of delaying or preventing a change of control of the Company by increasing the number of outstanding shares entitled to vote and the number of votes required to approve a change of control of the Company.

(h) Not applicable.

(i) Not applicable.

(j) Other than as described above, the Reporting Persons currently have no plans or proposals which relate to, or may result in, any of the matters listed in Items 4(a)-(i) of this Schedule 13D (the Reporting Persons reserve the right to develop such plans or proposals).
