**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On January 1, 2012, pursuant to the terms and conditions of the Agreement and Plan of Merger dated as of April 19, 2011 (the Merger Agreement ) between Brookline Bancorp, Inc. ( Brookline ) and Bancorp Rhode Island, Inc. ( BancorpRI ), Brookline completed its acquisition of BancorpRI through the merger of BancorpRI with and into Brookline, with Brookline as the surviving corporation (the Merger ). Upon completion of the Merger, the separate corporate existence of BancorpRI ceased and its subsidiary, Bank Rhode Island ( BankRI ), became a wholly-owned subsidiary of Brookline.

Pursuant to the Merger Agreement, each share of BancorpRI common stock outstanding at the effective time of the Merger was converted into the right to receive, at the holder s election, either \$48.25 in cash or 4.686 shares of Brookline common stock; provided that, subject to certain adjustments, 2,347,000 shares of BancorpRI common stock (representing approximately 50% of BancorpRI shares outstanding on the date of the Merger Agreement) were converted into the right to receive Brookline common stock and the remaining BancorpRI shares were converted into the right to receive cash. The total consideration payable by Brookline is approximately \$205.7 million, consisting of (i) approximately \$112.9 million in cash and (ii) 10,997,840 shares of Brookline common stock valued at approximately \$92.8 million based on the December 30, 2011 closing price of \$8.44 per share.

This description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached as Exhibit 2.1 to this report and is incorporated herein by reference. The Merger Agreement contains customary representations and warranties of Brookline and BancorpRI made to each other as of specific dates. The assertions embodied in those representations and warranties were made solely for purposes of the contract between Brookline and BancorpRI and are not intended to provide factual, business, or financial information about Brookline or BancorpRI. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may be subject to a contractual standard of materiality different from those generally applicable to shareholders or different from what a shareholder might view as material, may have been used for purposes of allocating risk between Brookline and BancorpRI rather than establishing matters as facts, may have been qualified by certain disclosures not reflected in the Merger Agreement that were made to the other party in connection with the negotiation of the Merger Agreement and generally were solely for the benefit of the parties to that agreement.

**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

In connection with the closing of the Merger, BancorpRI notified the NASDAQ Global Select Market ( NASDAQ ) prior to the close of business on December 30, 2011 that the Merger was to be consummated on January 1, 2012, and requested that NASDAQ suspend the trading of BancorpRI common stock, which common stock was traded under the symbol BARI, and file with the Securities and Exchange Commission (the SEC ) a notification of removal from listing on Form 25. On December 30, 2011, NASDAQ filed a delisting application on Form 25 with the SEC to report that the shares of BancorpRI s common stock were no longer listed on NASDAQ. Brookline, as the successor to BancorpRI, intends to file a certification on Form 15 on behalf of BancorpRI with the SEC requesting that BancorpRI s reporting obligations under Sections 13 and 15(d) of the Securities Exchange Act of 1934, as amended, be suspended.
