On March 9, 2012, UR Financing Escrow Corporation (UR Financing), a wholly owned unrestricted subsidiary of United Rentals, Inc. (the Company or United Rentals), completed offerings of \$1,325 million aggregate principal amount of 7.375% senior unsecured notes due 2022 (the 2022 Senior Notes) and \$750 million aggregate principal amount of its 7.375% senior unsecured notes due 2020 (the 2020 Senior Notes) and collectively, with the 2020 Senior Notes, the Senior Unsecured Notes a) and \$750 million aggregate principal amount of its 5.75% senior secured notes due 2018 (the Senior Secured Notes) and together with the 2020 Senior Notes and the 2022 Senior Notes, collectively, the Notes). The Notes were sold to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the Securities Act), and outside the United States in accordance with Regulation S under the Securities Act.

Escrow Agreement

On March 9, 2012, UR Financing entered into an escrow agreement (the Escrow Agreement) among UR Financing, United Rentals (North America), Inc. (URNA) and Wells Fargo Bank, National Association, as trustee under the indentures governing each series of Notes (each an Indenture and collectively, the Indentures) (in such capacity, the Trustee) and Wells Fargo Bank, National Association, as escrow agent (in such capacity, the Escrow Agent). Pursuant to the Escrow Agreement, UR Financing has caused to be deposited the gross proceeds of the sale of the Notes into separate escrow accounts, which will be held in escrow until the date that the escrow conditions (the Escrow Conditions) are satisfied. URNA has also deposited funds in the separate escrow accounts sufficient to pay for any escrow fees and interest on the applicable Notes up to, and including, April 24, 2012. Among other things, the Escrow Conditions include the concurrent occurrence of the merger of RSC Holdings Inc. (RSC Holdings) with and into the Company (the Merger), substantially in accordance with the terms and conditions of the merger agreement between the Company and RSC Holdings dated December 15, 2011 (the Merger Agreement), the merger of UR Financing with and into UR Merger Sub Corporation, a wholly owned subsidiary of the Company (UR Merger Sub) (with UR Merger Sub as the surviving company), the assumption by UR Merger Sub of all of the obligations of UR Financing under the Notes and the Indentures and the registration rights agreements (each a Registration Rights Agreement and collectively, the Registration Rights Agreements) related to the Notes and the Company and UR Merger Sub 's domestic subsidiaries, subject to limited exceptions, becoming parties to the Indentures and the Registration Rights Agreements as guarantors and issuing guarantees of the Notes.

Amounts in the escrow accounts will be pledged to the Trustee for its benefit and for the benefit of the applicable noteholders and, upon satisfaction of the Escrow Conditions, will be released to pay the cash portion of the Merger consideration, to reduce outstanding borrowings under our senior secured asset-based revolving credit facility, to repay certain indebtedness of RSC Holdings and to pay fees and expenses (the date of such release, the Escrow Release Date). If the Escrow Conditions are not satisfied on or prior to September 15, 2012 (the Merger Deadline) or such earlier date as the escrow agent is notified by URNA that the Merger Agreement has been terminated or URNA has determined that the Merger will not be consummated on or before the Merger Deadline, the Notes will be subject to a special mandatory redemption at a price equal to 100% of the issue price of the Notes, plus accrued and unpaid interest, if any, up to, but excluding, the date of redemption.

Indentures

On March 9, 2012, UR Financing entered into the Indentures with the Trustee.

Upon compliance with the covenant in the Indenture relating to the Senior Secured Notes regarding the grant of a springing security interest in the collateral for the Senior Secured Notes, the Senior Secured Notes will be secured on a second-priority basis by liens on UR Merger Sub's and the guarantors' assets that secure the Company's senior secured asset based revolving credit facility and any other first-priority lien obligations, subject to permitted liens.

The Indentures governing the Notes contain certain covenants applicable to UR Financing and its restricted subsidiaries, including limitations on: (1) liens; (2) additional indebtedness; (3) mergers, consolidations and acquisitions; (4) sales, transfers and other dispositions of assets; (5) loans and other investments; (6) dividends and other distributions, stock repurchases and redemptions and other restricted payments; (7) restrictions affecting subsidiaries; (8) transactions with affiliates; and (9) designations of unrestricted subsidiaries. Each of these covenants is subject to important exceptions and qualifications.

The Indentures provide for customary events of default, including the following (subject to any applicable cure period): (1) nonpayment, (2) breach of covenants, (3) payment defaults when due and payable in full under or acceleration of certain other indebtedness, (4) failure to discharge certain judgments and (5) certain events of bankruptcy, insolvency and reorganization. the holders of at least 25% in aggregate principal amount of such Notes then outstanding may declare the principal of, premium, if any, and accrued and unpaid interest, if any, and liquidated damages arising under the applicable Registration Rights Agreement, if any, to be due and payable immediately. For each series of Notes, if an event of default relating to certain events of bankruptcy, insolvency and reorganization occurs and is continuing, then the principal of, premium if any, and accrued and unpaid interest, if any, and liquidated damages arising under the applicable Registration Rights Agreement, if any, shall be due and payable immediately.

Registration Rights Agreements

On March 9, 2012, in connection with the issuance of the Notes, UR Financing entered into separate Registration Rights Agreements relating to each series of Notes, with Morgan Stanley & Co. LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated (Merrill Lynch) and Wells Fargo Securities, LLC, as representatives of the purchasers named therein (the Purchasers). Pursuant to the terms of the Registration Rights Agreements, UR Financing has agreed to use commercially reasonable efforts to (i) file an exchange offer registration statement with the U.S. Securities and Exchange Commission (SEC) with respect to a registered offer to exchange the applicable Notes, (ii) issue exchange securities within 365 days after the issue date of the Notes, and, (iii) in certain circumstances, to file a shelf registration statement with respect to resales of the applicable Notes. If UR Financing or, following the assumption by UR Merger Sub of the Registration Rights Agreements, UR Merger Sub, fails to comply with certain obligations under the Registration Rights Agreements, it will be required to pay to the holders of the applicable Notes certain liquidated damages.

Intercreditor Agreement

On March 9, 2012, in connection with the issuance of the Senior Secured Notes, Bank of America, N.A., as the agent for the lenders under our senior secured asset-based revolving credit facility and Wells Fargo Bank, National Association, as Trustee and Wells Fargo Bank, National Association as second lien collateral agent, entered into an Intercreditor Agreement (the Intercreditor Agreement), which was acknowledged by UR Merger Sub and the guarantors party thereto. The Intercreditor Agreement will become effective upon the granting of a springing security interest in the collateral for the Senior Secured Notes to the Notes Collateral Agent and will not govern the escrow accounts or any deposits therein. The Intercreditor Agreement establishes various inter-lender terms, including priority of liens, permitted actions by each party, application of proceeds (applicable before or after any default), exercise of remedies in the case of a default, incurrence of additional secured indebtedness, releases of collateral, and certain restrictions with respect to providing or endorsing a financing in the event of any insolvency.

The Purchasers or their affiliates have from time to time provided, and may currently or in the future provide, investment banking, commercial banking and financial advisory services, and the extension of credit, to us and our affiliates, for which they have received, and may in the future receive, customary compensation. Certain of the Purchasers and affiliates thereof, are lenders under our senior secured asset-based revolving credit facility and Bank of America, N.A., an affiliate of Merrill Lynch, is the agent for the lenders thereunder, a portion of which will be paid off with the proceeds of the Notes offerings. Morgan Stanley & Co. LLC acted as the Company's financial advisor in connection with the Merger. Certain of the Purchasers or the affiliates of such Purchasers are lenders under RSC Holdings' senior ABL revolving facility, the remaining portion of which will be paid off with the proceeds of the Notes offerings. In each case, the applicable Purchasers will each receive their pro rata portion of such repayment.

The descriptions above are qualified in their entirety by the Escrow Agreement, the Indentures (including the Forms of Note), the Registration Rights Agreements and the Intercreditor Agreement, which are filed as exhibits to this current report on Form 8-K and are incorporated by reference into this Item 1.01.
