It s easy to automatically build your HEI investment without paying any brokerage commissions

1. Use your dividends to buy more shares through our reinvestment program. To have your dividends reinvested, complete the authorization form below by printing your account number and registration. Return to HEI by mail or fax.
2. Purchase additional shares with a minimum investment of \$25.00. Make your check payable to HEI/DRIP and mail it together with the top portion of your account statement.
3. Make monthly automatic investments through our Automatic Cash Investment feature. We deduct a minimum investment of \$25 directly from your bank account on or around the 25th of each month. Please email, call, or write to request an application form.

Anyone, including your friends and family, may also purchase HEI common stock directly from the company with an initial minimum investment of \$250. The prospectus and Non-holder Application form can be found on our website at www.hei.com, click on Purchase stock on the right side of the screen.
