Part III

Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters

**SECURITY OWNERSHIP OF
CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information regarding the ownership of the Company's common stock as of February 28, 2014 by: (i) each of our directors; (ii) each of our named executive officers; (iii) all executive officers and directors of the Company as a group; and (iv) all those known by the Company to be beneficial owners of more than five percent of its common stock.

This table is based upon information supplied by our officers and directors and upon information about principal stockholders known to us based on Schedules 13D and 13G filed with the SEC. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to options and warrants held by that person that are currently exercisable or exercisable within 60 days of February 28, 2014 are deemed outstanding, but are not deemed outstanding for computing the percentage ownership of any other person. Unless otherwise indicated in the footnotes to this table and subject to community property laws where applicable, the Company believes that each of the stockholders named in this table has sole voting and investment power with respect to the shares indicated as beneficially owned. Except as otherwise indicated, the address of each person listed in the table below is: Care of Ambit Biosciences Corporation, 11080 Roselle Street, San Diego, CA 92121. Applicable percentages are based on 17,921,747 shares outstanding on February 28, 2014, adjusted as required by rules promulgated by the SEC.
