Item 7.01. Regulation FD Disclosure.

On November 18, 2014, a member of senior management of Summer Infant, Inc. (the Company) met with potential investors. During the meetings, the Company inadvertently responded to questions about the Company s expected growth targets for 2015. While the Company has not historically provided guidance, the discussion included the Company targeting mid-to-high single-digit top-line growth in 2015 and targeting a 10% adjusted EBITDA run-rate by the end of 2015. These growth targets are subject to many variables and are based upon a number of current assumptions that were not discussed in detail. Actual results could vary significantly from these targets.

This Current Report on Form 8-K contains forward-looking statements within the meaning of the safe harbor provisions of the federal securities laws. Important factors that could cause results to differ from these forward-looking statements include, but are not limited to, those discussed in the Risk Factors section of the Company s Form 10-K for the fiscal year ended December 31, 2013 and subsequent filings with SEC, including the Company s Quarterly Reports on Form 10-Q. Readers are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date hereof.
