Item 1.01. Entry into a Material Definitive Agreement

On June 10, 2015, HCC Insurance Holdings, Inc., a Delaware corporation (the Company), announced that it had entered into an Agreement and Plan of Merger (the Merger Agreement) with Tokio Marine Holdings, Inc., a Japanese corporation (Tokio Marine), and TMGC Investment (Delaware) Inc., an indirect wholly-owned subsidiary of Tokio Marine (Merger Sub), providing for the Company to be acquired by Tokio Marine through a merger effected under Delaware law. The Merger Agreement provides that, subject to the satisfaction or waiver of the conditions set forth in the Merger Agreement, Merger Sub will merge with and into the Company with the Company continuing as the surviving corporation in the merger and an indirect wholly owned subsidiary of Tokio Marine (the Merger). Tokio Marine is the ultimate holding company of the Tokio Marine Group, which operates in the non-life insurance business, life insurance business and financial and general businesses globally. A copy of the joint press release issued by the Company and Tokio Marine announcing the execution of the Merger Agreement is attached as Exhibit 99.1 hereto and is incorporated herein in its entirety by this reference.

Under the terms of the Merger Agreement, at the effective time of the Merger, each share of the Company's common stock, par value \$1.00 per share (a Share), that is issued and outstanding immediately prior to such effective time, other than Shares owned by Tokio Marine, Merger Sub, the Company or any of their respective wholly owned subsidiaries that are not held on behalf of third parties, and other than Shares with respect to which appraisal rights have been perfected under applicable Delaware Law, will be cancelled and converted into the right to receive \$78.00 in cash (the Per Share Merger Consideration).

The Merger Agreement further provides that, without any action on the part of any holder of Shares, at the effective time of the Merger: (i) each outstanding option to purchase Shares (each, an Option) granted under the Company's 2008 Flexible Incentive Plan (the Incentive Plan), whether vested or unvested, will be cancelled and will only entitle the holder of such Option to receive an amount in cash equal to the product of (A) the total number of Shares subject to such Option times (B) the excess, if any, of the Per Share Merger Consideration over the exercise price per Share under such Option; (ii) the Company will waive any vesting or holding conditions or restrictions applicable to each Share that was granted under the Incentive Plan or under the Company's 2014 Stock Promotion Plan that is subject to any such vesting or holding conditions or restrictions (a Restricted Share), and such Restricted Share will be treated the same as all other Shares in the Merger and will be converted into the Per Share Merger Consideration as described above; (iii) the performance-based vesting conditions in respect of each Restricted Share granted pursuant to the Incentive Plan that includes such vesting conditions (a Performance Share) shall be deemed to have been achieved based on 100% performance, the Company will waive any vesting or holding conditions or restrictions applicable to such Performance Share and such Performance Share will be treated the same as all other Shares in the Merger and will be converted into the Per Share Merger Consideration as described above; and (iv) each outstanding restricted stock unit granted pursuant to the Incentive Plan (RSU), whether vested or unvested, will be cancelled and will only entitle the holder of such RSU to receive, with respect to each Share subject to such RSU, an amount in cash equal to

the product of (A) the total number of Shares subject to such RSU and (B) the Per Share Merger Consideration.

Each of the parties has made customary representations and warranties and agreed to covenants in the Merger Agreement. The Company has agreed, among other things, to use its commercially reasonable efforts to cause its business to be conducted in the ordinary and usual course during the period between the execution of the Merger Agreement and the closing of the Merger, and not to take certain actions specified in the Merger Agreement during such time. The Company has also agreed not to discuss alternative acquisition proposals with, or solicit alternative acquisition proposals from, third parties, subject to exceptions that allow the Company under certain circumstances to provide information to and participate in discussions with third parties with respect to unsolicited alternative acquisition proposals, and to terminate the Merger Agreement in order to accept such a proposal that constitutes a Superior Proposal (as defined in the Merger Agreement), in each case if the Board of Directors of the Company has determined that the failure to take such action would be inconsistent with its fiduciary duties under applicable law.

The Merger Agreement provides certain termination rights for both the Company and Tokio Marine, and further provides that, upon termination of the Merger Agreement under certain circumstances, the Company will be obligated to pay Tokio Marine a termination fee of \$187,500,000.

The Merger Agreement was unanimously approved by the Company's Board of Directors and is conditioned, among other things, on: (i) the adoption of the Merger Agreement by the Company's stockholders; (ii) receipt of required governmental approvals, including antitrust and insurance regulatory approvals; and (iii) other customary closing conditions. In addition, Tokio Marine's obligation to consummate the Merger is subject to the condition that the required governmental approvals have been obtained without the imposition of any Negative Regulatory Action (as defined in the Merger Agreement).

The Merger is expected to close during the fourth quarter of 2015, subject to the closing conditions described above and contained in the Merger Agreement.

The representations, warranties and covenants of the parties contained in the Merger Agreement have been made solely for the benefit of such parties. In addition, such representations, warranties and covenants: (i) have been made only for purposes of the Merger Agreement; (ii) have been qualified by confidential disclosures made by the parties to each other in connection with the Merger Agreement; (iii) are subject to materiality qualifications contained in the Merger Agreement, which may differ from what may be viewed as material by investors; (iv) were made only as of the date of the Merger Agreement or such other date specified in the Merger Agreement; and (v) have been included in the Merger Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as facts. Accordingly, the Merger Agreement is included with this filing to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding the parties or their respective businesses. Investors should not rely on the representations, warranties or covenants, or any descriptions thereof, as

characterizations of the actual state of facts or condition of the parties or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the parties' public disclosures. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the parties and the Merger that is or will be contained in, or incorporated by reference into, the proxy statement that the Company intends to file in connection with the Merger with, and the other documents that the parties will file with or furnish to, the Securities and Exchange Commission (the "SEC").

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, which is attached as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by this reference.

The information included in Item 5.02 of this Current Report on Form 8-K is hereby incorporated herein by this reference.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Certain of the Company's executive officers, including Messrs. Williams, Irick, Burke and Schell (who are the Company's named executive officers as defined under Item 402 of Regulation S-K promulgated under the Securities Exchange Act of 1934, as amended), have agreed, pursuant to negotiations with Tokio Marine, to enter into addenda to their existing employment agreements with the Company to be effective only upon the Closing of the Merger. Such addenda provide, among other things, that such officers will continue to serve in their current roles with the Company from and after the closing of the Merger, that "Good Reason" as defined under such employment agreements will not be triggered solely as a result of the Merger without subsequent action by the Company or Tokio Marine, and that certain language in the existing employment agreements of Messrs. Williams and Burke (which provides for "Good Reason" to include a situation where the applicable executive is removed from the office he occupies as a result of a change of control) will be interpreted to mean a change in the applicable executive's position or titles. In addition, the addenda relating to the employment agreements for Messrs. Williams and Schell also provide that provisions relating to such executives' rights to receive Section 409A tax "gross ups" will be deleted.

The foregoing description of the addenda to the employment agreements does not purport to be complete and is subject to, and qualified in its entirety by, the full text of such addenda, which are attached as Exhibit 10.1, 10.2, 10.3 and 10.4 to this Current Report on Form 8-K and incorporated herein by this reference.
