A copy of the Company's slide show presentation is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference.

The information in this Current Report and the accompanying exhibit is being furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), or incorporated by reference in any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date hereof, except as shall be expressly set forth by specific reference to this Current Report in such a filing.

Certain statements contained in the presentation slides that are not historical facts, including multi-year profit improvement estimates, the success of our connected accessories and future financial guidance, constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 and involve a number of risks and uncertainties. The actual results of the future events described in such forward-looking statements could differ materially from those stated in such forward-looking statements. Among the factors that could cause actual results to differ materially are: changes in economic trends and financial performance, changes in consumer demands, tastes and fashion trends, lower levels of consumer spending resulting from a general economic downturn, shifts in market demand resulting in inventory risks, changes in foreign currency exchange rates, risks related to the success of the multi-year profit improvement initiative, risks related to our connected accessories and the outcome of current and possible future litigation, as well as the risks and uncertainties set forth in the Company's Annual Report on Form 10-K for the fiscal year ended December 30, 2017 filed with the Securities and Exchange Commission (the "SEC"). These forward-looking statements are based on our current expectations and beliefs concerning future developments and their potential effect on us. While management believes that these forward-looking statements are reasonable as and when made, there can be no assurance that future developments affecting us will be those that we anticipate. Readers of the slides should consider these factors in evaluating, and are cautioned not to place undue reliance on, the forward-looking statements contained therein. The Company assumes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by law.
