**Item 5.03**                    **Amendments to Articles of Incorporation or By-laws; Change in Fiscal Year**

The Board of Directors of Servotronics, Inc. (the "Company") amended Article V of the Company's By-laws, effective January 1, 2008. The principal purpose of the amendment was to authorize recording of ownership of the Company's stock by Direct Registration (book entry) effective January 1, 2008, and eliminate the existing by-law requirement that all outstanding stock needed to be evidenced by stock certificates. The amendment was intended to comply with the standards of the industry and the requirements of the American Stock Exchange. The resolution mandated that, effective January 1, 2008, all issuances or transfers of Registrant's shares would be by direct registration, but the recipient/transferee of the shares may request the transfer agent to issue certificates. Similarly, existing shareholders could, at their option, retain their existing certificates or surrender them to the transfer agent.

A copy of the By-law amendment is attached hereto as Exhibit 3.1 and is incorporated by reference herein.
